ANNOTATIONS

1) Sum of nights in this type of housing:

This is the total sum of nights for consumers in this program type, not limited to reporting period.

2) Age

This is the age of consumers taken at the end of the reporting period

2) Earned Income

HUD requires agencies to report on the percentage of change in income for all adults by stayers and leavers in the CoC annual report. This has become an important measure for the Continuum of Care.
