Our Vision
All people have access to safe, affordable housing and the social supports needed to remain housed.

Our Mission
CARES collaborates with and supports our community to create a system of care to prevent and end homelessness. We do this through:

- Planning and technical assistance for partner organizations
- Providing housing for people living with HIV/AIDS
- Raising awareness of the extent of homelessness and solutions

About This Guide
The Capital District Physician's Health Plan (CDPHP) and CARES, Inc. have partnered to bring you the Housing is Health Care Workshop Series. This guidebook complements the information covered in Sessions 1 and 2 and will help you better serve your patients’ housing needs regardless of where they are in the Homeless and Housing System.

Guide Organization

Key Terms
In order to better understand the homeless and housing resources available to your patients, a list of Key Terms, arranged in alphabetical order, appears first in this Guide. The resources are then organized by Sections.

Section One: Homelessness Prevention and Emergency Housing Resources
This section of the Guide will help you locate Homeless Prevention Resources and Emergency Homeless Housing Programs in your County service area.

*Homeless Prevention Resources*
A comprehensive list of organizations which provide homeless prevention services. For each organization listed, a description of services provided, the address, and contact information are provided.

*Emergency Homeless Housing Services*
A comprehensive list of organizations which provide emergency housing services. For each County, services are organized into two categories, County-funded shelters and voucher programs for motels and privately-funded, faith-based shelters. Referral protocols for each system are described. For each organization listed, the project name, address and capacity (defined as number of beds in the project). In addition, additional details for the project including population(s) served and referral rules are provided.

Section Two: Coordinated Entry, Housing Authorities, and HUD Homeless Housing Programs
This section of the guide provides a comprehensive list of HUD-funded Homeless Housing Programs that fall under Continuum of Care (CoC) funding and the Coordinated Entry Leads in Albany, Columbia/Greene, Rensselaer, Saratoga, and Schenectady Counties so that you can work in partnership to quickly and efficiently connect your patients to interventions that will rapidly end their homelessness.
Coordinated Entry Leads and Housing Authorities
This section lists the Coordinated Entry leads which will serve as your referral contact for all HUD-funded Homeless Housing Programs and the County Housing Authority information.

HUD-Funded Homeless Housing Programs
This section provides a list and brief description of Transitional Housing Programs, Rapid Re-Housing Programs, and Permanent Supportive Housing Programs in Albany, Columbia/Greene, Rensselaer, Saratoga, and Schenectady Counties.
Key Terms

**Afterhours Emergency Housing Services**
After 5pm, clients must call their county Department of Social Services “afterhours” number to determine eligibility for placement in an emergency shelter or motel for that night. If found eligible, this emergency placement is only good for one night and the client must physically present at the local DSS the next morning to extend their approved length of stay.

**’At-Risk’ Definition (Per HUD)**
An individual or family who: (i) Has an annual income below 30% of median family income for the area; AND (ii) Does not have sufficient resources or support networks immediately available to prevent them from moving to an emergency shelter or another place defined in Category 1 of the “homeless” definition; AND (iii) Meets one of the following conditions: (A) Has moved because of economic reasons 2 or more times during the 60 days immediately preceding the application for assistance; OR (B) Is living in the home of another because of economic hardship; OR (C) Has been notified that their right to occupy their current housing or living situation will be terminated within 21 days after the date of application for assistance; OR (D) Lives in a hotel or motel and the cost is not paid for by charitable organizations or by Federal, State, or local government programs for low-income individuals; OR (E) Lives in an SRO or efficiency apartment unit in which there reside more than 2 persons or lives in a larger housing unit in which there reside more than one and a half persons per room; OR (F) Is exiting a publicly funded institution or system of care; OR (G) Otherwise lives in housing that has characteristics associated with instability and an increased risk of homelessness, as identified in the recipient’s approved Con Plan Category 2 Unaccompanied Children and Youth A child or youth who does not qualify as homeless under the homeless definition, but qualifies as homeless under another Federal statute Category 3 Families with Children and Youth An unaccompanied youth who does not qualify as homeless under the homeless definition, but qualifies as homeless under section 725(2) of the McKinney-Vento Homeless Assistance Act, and the parent(s) or guardian(s) or that child or youth if living with him or her.

**Code Blue Shelter**
A Code Blue Shelter operates when the temperature is 32 degrees Fahrenheit or colder.

**Coordinated Entry**
The Coordinated Entry System is an approach to coordination and management of housing and supportive services that allows providers to effectively and efficiently connect people to interventions that will rapidly end their homelessness. Specifically, the Coordinated Entry System allows communities to better prioritize assistance based on vulnerability and severity of service needs regardless of where the client presents for help. Key components of a Coordinated Entry System include:
• Prioritization: Continuums of Care (CoC) must ensure that people with the greatest need receive priority for any type of homeless and housing assistance available throughout the entire community
• Low Barrier: People cannot be screened out of assistance because of perceived programmatic barriers to housing or services (i.e. drug use, alcohol use, criminal record)
• Person-Centered: A process that incorporates client choice in the location and type of housing and what level of services the client wishes to engage with (i.e. treatment programs, employment/vocational training)
• Standardized Access and Assessment: Every CoC-funded homeless and housing service provider must have and utilize the same assessment and referral process
• Inclusive: It must not discriminate against a particular person or population because they may have higher service needs (Coordinated Entry Brief, 2015)

Department of Social Services (DSS)
County DSS provide or administer the full range of publicly funded social services and cash assistance programs. Families whose income meets state guidelines and who meet other criteria, may be able to receive a subsidy to offset some of their child care costs. Except for privately funded shelters, all persons in need of emergency housing MUST be found eligible by their local DSS before they are approved to be placed in a shelter or a motel if no shelter beds are available.

Eviction
An eviction occurs when a client is unable to maintain rent or utility payments, or violates the lease, and goes through a court case in which they lose and must leave their place of residence.

Faith-Based Not-for-Profit
Faith-based agencies do not accept federal dollars and, therefore, do not require that clients go through DSS to obtain services.

Homeless (Per HUD)
An individual who lacks a fixed, regular, and adequate nighttime residence . . . an individual who has a primary nighttime residence that is public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings . . . an individual or family who will imminently lose their housing (within 14 days), has no subsequent residence identified and lacks the resources or support networks needed to obtain other permanent housing.

Permanent Housing (Per HUD)
Permanent Housing (PH) is defined as community-based housing without a designated length of stay in which formerly homeless individuals and families live as independently as possible. Under PH, a program participant must be the tenant on a lease (or sublease) for
an initial term of at least one year that is renewable and is terminable only for cause. Further, leases (or subleases) must be renewable for a minimum term of one month. The CoC Program funds two types of PH: Permanent Supportive Housing (PSH) for persons with disabilities and Rapid Re-Housing (RRH).

**Permanent Supportive Housing (Per HUD)**
Permanent Supportive Housing (PSH) is permanent housing with indefinite leasing or rental assistance paired with supportive services to assist homeless persons with a disability or families with an adult or child member with a disability achieve housing stability.

**Prevention**
These services may or may not require clients to go through DSS. They work with the goal to prevent the individual from becoming homeless or from getting evicted from their place of residence.

**Rapid Re-Housing (Per HUD)**
Rapid Re-Housing (RRH) rapidly connects families and individuals experiencing homelessness to permanent housing through a tailored package of assistance that may include the use of time-limited financial assistance and targeted supportive services. RRH programs help families and individuals living on the streets or in emergency housing solve the practical and immediate challenges to obtaining permanent housing while reducing the time they experience homelessness, avoiding a near-term return to homelessness, and linking community resources that enable them to achieve housing stability in the long-term.

**Single Room Occupancy (per HUD)**
Single Room Housing means housing consisting of single room dwelling units that is the primary residence of its occupant or occupants.

**Transitional Housing (per HUD)**
Transitional housing (TH) is designed to provide homeless individuals and families with the interim stability and support to successfully move to and maintain permanent housing. Transitional housing may be used to cover the costs of up to 24 months of housing with accompanying supportive services. Program participants must have a lease (or sublease) or occupancy agreement in place when residing in transitional housing. The provisions of the CoC Program’s TH program component have not changed significantly from the TH provisions under SHP.

**U.S. Department of Housing and Urban Development (HUD)** - The Federal agency responsible for national policy and programs that address America's housing needs, improve and develop the nation's communities and enforce fair housing laws. HUD's programs include:
• Providing mortgage insurance to help individuals and families become homeowners
• Development, rehabilitation, and modernization of the nation’s public and Indian housing stock
• Development of HUD-insured multifamily housing
• Development, improvement, and revitalization of America’s urban centers and neighborhoods
• Providing rental subsidies to lower-income families to help them obtain affordable housing
• Enforcement of Federal Fair Housing laws

Determining if the Housing Authority is Accepting Applications
Please visit
- Closed- Public Housing Authority wait list is closed and is not accepting applications.
- Open Now- Public Housing Authority is now accepting applications
- Open Indefinitely- Public Housing Authority is accepting applications; however, the wait list may be long.

Determining Where a Client is on the Wait List
Call the Housing Authority—each County will have different priorities for placement and depending on the priority preference, the client may be able to move up the list.

What if a Client Moves?
If a client moves, they will not be removed from the list. Clients can also be on multiple lists for multiple different counties at a time. If a client moves, you need to send a change of address form to each Housing Authority the client is on the wait list for. The Authority will notify the client by mail if they have been selected so it is very important to notify them of this change of address.
Transitional Housing Programs

Transitional Housing (TH) is designed to provide homeless individuals and families with the interim stability and support to successfully move to and maintain permanent housing. Transitional housing may be used to cover the costs of up to 24 months of housing with accompanying supportive services.

Albany Housing Coalition, Inc.
278 Clinton Ave, Albany, NY 12210
(518) 465-5251

Operations at 280 Clinton Avenue
Project Description: The program provides five units of ‘more-independent’ transitional housing for homeless veterans with six months’ sobriety, many of whom will have graduated and transitioned from the program at the more-supervised Vet House. Living at 280 Clinton Avenue allows participants to continue receiving case management services, and allows participants to save money in preparation for transitioning to self-sufficiency and independent living in the community.

Veterans House Main
Project Description: Veterans House is a supportive transitional housing program for homeless veterans, including chronically homeless veterans, offering sixteen Single Room Occupancy (SRO) units in a sober, supervised, congregate environment providing housing, meals and case management services. Veterans House is the point-of-intake into the agency's continuum of housing and services. Veterans live in a safe, healthy environment while pursuing mainstream activities and gainful employment through the Veterans Employment Program. The ultimate goal is to help participants achieve independent living in affordable housing in the community.

Veterans House Addition (2017)
Project Description: This project is a supportive transitional housing program for homeless veterans offering twelve SRO units in a sober, supervised, congregate environment which provides housing, meals and case management services. The team of veteran case managers works closely with participants, supervising their transition to affordable permanent housing in the community. The project offers employment services and placement through the Veterans Employment Program, as well as a continuum of housing and services for the veteran participants.
Joyce Transitional Housing
Project Description: This project is a site based transitional housing & scattered site apartments that serve pregnant/parenting homeless youth and for the past five years has served 119 residents for up to 24 months. The project, includes both transitional housing and permanent rapid rehousing and provides each resident with case management and basic life skills, counseling, & parenting classes, employment & educational support and referrals, interim childcare, mental health/substance abuse referrals and aftercare. Target Population: Pregnant/parenting homeless youth/young adults ages 16 up to 24.
Permanent Supportive Housing Programs

Permanent Supportive Housing (PSH) is permanent housing with indefinite leasing or rental assistance paired with supportive services to assist homeless persons with a disability or families with an adult or child member with a disability achieve housing stability.

Albany County Department of Mental Health Tenant-based Rental Assistance
Project Description: Albany Housing Authority requests continued funding to support a Permanent Supportive Housing (PSH) program in Albany County, NY. This project provides subsidized and supportive housing to six chronically homeless adults with serious and persistent mental illness.

Albany Housing Coalition
Address: 278 Clinton Ave, Albany, NY 12210
Phone: (518) 465-5251

Walter Street Residence
Project Description: The Walter Street Residence provides twelve units of permanent Single Room Occupancy (SRO) housing in a supportive environment for formerly homeless veterans with a disabling condition, who are mature, stable and interested in the camaraderie of congregate living with other vets. The project offers hot meals prepared daily by the Residence Cook and served in the common dining area.

Shelter Plus Care for Homeless Veterans with Disabilities
Project Description: This project provides 25 housing vouchers to homeless veterans with disabilities related to mental illness. The Albany Housing Coalition, Inc (AHC) provides program intake, eligibility screening, identification of landlords and affordable housing options, lease negotiation, and placement, prior to move-in. AHC’s case managers then remain in contact with the client through phone contact and face-to-face visits in order to ensure the participant's compliance with their residential plan.
Albany Damien Center
646 State St, Albany, NY 12203
(518) 449-7119

Albany Damien Center PSH Program
Project Description: The program specifically serves chronically homeless individuals who have substance abuse diagnoses and HIV/AIDS. Housing and service needs are identified through the ACCH Coordinated Entry System. The program utilizes a Housing First model. Housing First offers individuals and families experiencing homelessness immediate access to permanent affordable and supportive housing without clinical prerequisites like completion of a course of treatment or evidence of sobriety and with a low-threshold for entry, Housing First yields a high housing retention rate, lower returns to homelessness and significant reduction in the use of crisis services and institutions.

Albany Damien Center SPC Program
Project Description: This project provides permanent supportive housing to six single adults living in scattered site apartments. Most clients are disabled due to substance abuse and all meet HUD’s definition of chronic homelessness.
