

Community ANNUAL HMIS REPORT

10/1/16-9/30/17

(Federal Fiscal Year 2015)

This is the annual report for the CARES Regional Homeless Management Information System (CRHMIS). The CRHMIS reports follow the Federal Fiscal Year (FFY) of October 1st through September 30th rather than the calendar year.

The report is broken into two sections: **Housing** and **Supportive Services Only**. Different project types have different reporting criteria and projects not funded through the Continuum of Care (CoC) may not collect more than the Universal Data Elements (UDEs), found in the 2016 Data Standards available under the User Resources tab of our website: <http://www.caresny.org> or via email (below).

This report includes homeless prevention and housing projects participating in the Homeless Management Information System (HMIS) for your community but does not include domestic violence providers, as per Federal Law, and may not include homeless programs by non-mandated providers who have chosen not to participate in the HMIS database. Please see the included list of participating and non-participating agencies/projects for more information.

Anyone interested in more information on the HMIS or participation within the database should contact:

ANNOTATIONS

1) Sum of nights in this type of housing:

This is the total sum of nights for consumers in this program type, not limited to reporting period.

2) Age

This is the age of consumers taken at the end of the reporting period

2) Earned Income

HUD requires agencies to report on the percentage of change in income for all adults by stayers and leavers in the CoC annual report. This has become an important measure for the Continuum of Care.
