# CRHMIS CLIENT INFORMED CONSENT & RELEASE OF INFORMATION

\_\_\_\_\_ (*agency name*) \_\_\_\_\_ participates in the CARES Regional Homeless Management Information System (CRHMIS). This means that in addition to any agency or Continuum of Care (CoC) forms that may be presented upon intake, information about you and your household is collected into a private and secure computer database; this information is then used to better assess and serve your needs. **No consumer consent is required to enter consumer data into the HMIS system.**

CARES, Inc. (CARES) is dedicated to the protection of the information within the CRHMIS database. CARES does NOT publish identifying, client-level data. Further information can be found at [www.caresny.org/HMIS/](http://www.caresny.org/HMIS/) in our complete policy and procedure manual (including information on opting-out of the CRHMIS, data ownership, and a list of research and coordination projects that use CRHMIS information).

\_\_\_\_\_ **Please initial to indicate that you have read and understand the above information.**

To better support the coordination and provision of your services, we are requesting your permission to share a limited amount of information about you with other homeless services providers. As owner of your own data within the CRHMIS, you have the right to choose how much personal information, if any, is shared within the database. This permission will be in effect for a minimum of 36 months, but you may revoke consent at any time. HIV/AIDS information, Domestic Violence information, Behavioral Health information (including mental illness and substance abuse), and client notes are NOT shared through the HMIS.

**Please check one (1) box below to indicate the level at which you are willing to share your information with the homeless services coordinators and providers in the community:**

\_\_\_ I agree to share my name, gender, and program enrollment history through the HMIS with other partner homeless services agencies.

\_\_\_ I agree to share my name, gender, program enrollment history, demographic, income, and contact information through the HMIS with other partner homeless services agencies.

\_\_\_ I do NOT agree to share any of my information through the HMIS with other partner homeless services agencies.

***By signing this form, I agree to share the level of information indicated above with other partner agencies via the HMIS Computer System:***

## INSTRUCTIONS: Informed Consent & Release of Information

- a) These are two (2) separate forms that share one (1) page and one (1) signature for resource conservation and client convenience.
- b) One (1) form must be completed and signed by EACH adult household member.
  - a. Minors may NOT sign for themselves or their children, even if they are the head of household.

---

*There is a SEPARATE form for minors and adults unable to sign for themselves. This must be completed and signed by a parent or guardian for all minors and for all adult household members with developmental disabilities that would preclude them from signing a consent themselves.*

---

### *CRHMIS Inclusion Disclosure*

The CRHMIS has replaced *inferred consent* (a posted sign) with an *inclusion disclosure* (top part of reverse side) for the HMIS. They serve the same purpose.

**No consumer consent is required by the CRHMIS to enter consumer data**, in addition to any agency specific or CoC specific forms that may be presented upon intake. Consumers are asked to initial that they received the information.

While individual agencies and projects may have their own, overriding policies, refusing to initial the inclusion disclosure does **NOT** indicate a refusal to be included in the HMIS, and does **NOT** automatically disqualify consumers from receiving services from the agency or project. In the event of a consumer refusal, agency and CoC policy regarding these situations should be followed.

### *CRHMIS Client Release of Information*

The CRHMIS is not an open system and does not automatically share data between agencies. However, to better coordinate case care, the CRHMIS Advisory Committee has agreed to a stepped implementation of consumer-driven data sharing.

If an agency or project allows data sharing (please contact [kclark@caresny.org](mailto:kclark@caresny.org) if you are not sure), a consumer may choose to share some or most of their data within the CRHMIS. This data is only shared with other CRHMIS users who have been trained in the system and have agreed to all privacy and security policies. Special conditions (i.e. mental health, HIV status, substance abuse status) are NEVER shared between agencies. Monitoring of agencies will include checking to ensure that physical forms and CRHMIS records match.

- a) *If your agency or project **DOES NOT** participate in data sharing, you must check **option 3** on this sheet and have the consumer sign and date the form, indicating that they understand that their data will NOT be shared, regardless of preference.*
  - a. When entering the intake into the CRHMIS, “No Sharing” is the default and should not be changed.
- b) *If your agency or project **DOES** participate in data sharing, you must give the consumer the choice to share at level 1 (most restrictive but still shared), 2 (less restrictive), or 3 (no sharing at all). The consumer must then sign and date the form.*
