System Performance Measures

Thank you so much to everyone who worked with us on cleaning up their data in preparation of the System Performance Measures submission. We know it wasn't always easy, but we really appreciate it. This years submission was completely seamless and it's in large part due to all of the work you did!

HMIS is Out and About

The HMIS team had the chance to attend some great events and meetings in May!

Top Left: Kelli participated in Strikes Against Homelessness along with her sister and friends to benefit [Bethesda House](#) in Schenectady. For the first time in the history of ever, she did not come in last place. **Top Right:** Allyson and Kelli boarded a 4:30 am train to NYC to attend the first annual Runaway Homeless Youth Region 2 meeting. We learned so much about how these funded projects operate outside of HMIS. **Middle Left:** The HMIS team had a blast donning their Star Wars gear in honor of May the 4th! **Middle Right:** Rachel attended the open house and ribbon cutting ceremony for [St. Anne's new Youth Shelter](#). Here she is posing with current program director Lisanne Forgione, who we are going to greatly miss when she moves this summer. **Bottom Left:** Kirsten, Kelli and Jesse attended Taste of Albany to benefit [Interfaith Partnership for the Homeless](#). The food, Oh THE FOOD! If you ever have the opportunity to attend this annual event do not pass it up. **Bottom Right:** Kelli and Allyson attended the 100th anniversary of the [YWCA of the Greater Capital Region's](#) building in Troy. It was a beautiful ceremony, and hearing the history behind this gorgeous building being told by the Executive Director Daquetta Jones was truly inspiring. If you are ever in the area make sure to check out the new street art at all of the intersections surrounding the building! If your agency has any fundraisers or special events coming up feel free to send us an invite. We love

getting out to see our users, and we're a fun time - I swear

RHY Federal Upload

Congratulations to all of our RHY (Runaway Homeless Youth) Providers on their successful submission of HMIS data to RHYTTAC! We really appreciate your patience throughout the submission window as we worked out all of the errors. Shout out to you all
