

## **Before Starting the Project Listings for the CoC Priority Listing**

**The FY 2019 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2019 CoC Program Competition NOFA.**

The FY 2019 CoC Priority Listing includes the following:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects as described in the FY 2019 CoC Program Competition NOFA.
- New Project Listing – lists all new project applications created through reallocation, the CoC Bonus, and DV Bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2019 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- YHDP Project Listing – lists the eligible YHDP renewal project for the CoC that must be approved and ranked or rejected by the CoC.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new, renewal, and YHDP projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.
