Good Afternoon,

The American Rescue Plan (ARP) provides \$5 billion to assist individuals or households who are homeless, at risk of homelessness, and other vulnerable populations, by providing housing, rental assistance, supportive services, and non-congregate shelter, to reduce homelessness and increase housing stability across the country. These grant funds will be administered through HUD's HOME Investment Partnerships Program (HOME). The Albany Community Development Agency (ACDA) has been allocated \$3.3 million dollars through this program. For more information on this program, please visit [HUD's website](#).

CARES of NY inc. is working on behalf of ACDA to develop an allocation plan for HOME ARP funding. We would like to get your feedback on needs of the community to help inform a spending allocation plan for this \$3.3 million.

>> Please visit this [survey link](#) and provide your answers by Wednesday, March 30th, 2022. <<

We look forward to hearing your thoughts on what would be most beneficial to the community.

Thank you,

HOME-ARP FUNDING

HOME-ARP IS INTENDED TO REDUCE HOMELESSNESS AND INCREASE HOUSING STABILITY THROUGH:

- AFFORDABLE HOUSING DEVELOPMENT
- TENANT BASED RENTAL ASSISTANCE
- SUPPORT SERVICES
- ACQUISITION & DEVELOPMENT OF NON-CONGREGATE SHELTER

The City of Albany - Albany Community Development Agency (ACDA) has been allocated \$3.3 million dollars through the HOME - American Rescue Plan (ARP). As part of the community planning and consultation process we're convening community stakeholders (i.e.: homeless service providers, grassroots and community-based organizations, local housing advocates, etc.) to review the HOME-ARP program and inform funding priorities.
