#### **JH - Bert's Place (2021)**

Grant PIN: NY0804

**Project Description:** Joseph's House and Shelter requests continued funding to support a Permanent Supportive Housing (PSH) program in Rensselaer County, NY. illness. Most tenants have a co-occurring diagnosis of a mental illness and alcohol/drug abuse or addiction.

**JH - Bethune (2021)**

Grant PIN: NY0840

This project provides scattered site, permanent supported housing to as many as nine homeless families, several of whom will meet HUD's expanded definition of chronically homeless. In all cases, the head of household will have a diagnosed disability.

**JH - Consolidated (2021)**

Grant PIN: NY0143

**Project Description:** Joseph's House and Shelter requests continued funding to support a Permanent Supportive Housing (PSH) program in Rensselaer County, NY. The adult men and women served by the Joseph's House project live in apartments in one of two services-enriched buildings operated by Joseph's House (The Lansing Inn and the Hill Street Inn). Individuals served by this project have access to 24/7 supportive services provided at the Lansing Inn and the Hill Street Inn. The target population for this project is approx. 34 households who typically have histories of chronic homelessness, and the majority have a severe and persistent mental health diagnosis. Many of the persons served are dually diagnosed with chronic substance abuse disorders, but occasionally the program serves clients for whom this is the primary diagnosis.

**JH - Rensselaer Coordinated Entry (2021)**

Grant PIN: NY1094

**Project Description:** Joseph's House and Shelter requests funding for the current CE program and expansion SSO - Coordinated Entry project in Rensselaer County, NY. The current CE system in effect in our community uses a Housing First approach to systematically outreach and engage the most vulnerable homeless households in our community and enroll eligible households in permanent supportive housing projects. The RCHSC adopted a "No Wrong Door" approach to providing coordinated entry into permanent supportive housing, and the RCHSC Coordinated Entry committee has provided a significant level of outreach and engagement training to funded agencies as well as other community partners, in order to guide staff in understanding who is eligible for PSH opportunities and how to refer eligible persons to PSH. Although most referrals for PSH come from CoC- and ESG- funded community providers, the application form is brief and designed so that it is easy to complete. Homeless households applying for services are requested to provide basic demographic information, data necessary to establish eligibility for PSH, as well as information relating to circumstances under which a household may be prioritized for PSH opportunities. Prospective tenant choice is encouraged, as applicants are able to choose the specific projects for which they would like to apply. As established in the Rensselaer County Ten Year Plan to End Homelessness, persons experiencing chronic homelessness are the highest priority population for entry into PSH - currently 5 priority points are given to households who meet this criteria. Persons who are unsheltered, are youth under 24, veterans, have two or more disabling conditions, are homeless due to sex trafficking or work in the sex industry, or are currently pregnant also receive an additional point for each situation that applies to them. If not for CoC

financial support for this program, the continuum would be unable to meet the CE requirements of the HEARTH Act and other CE-related HUD requirements.

**JH - Rensselaer Coordinated Entry (2021)**

Grant PIN: NY1094

**Project Description:** Joseph's House and Shelter requests funding for the current CE program and expansion SSO - Coordinated Entry project in Rensselaer County, NY. The current CE system in effect in our community uses a Housing First approach to systematically outreach and engage the most vulnerable homeless households in our community and enroll eligible households in permanent supportive housing projects. The RCHSC adopted a "No Wrong Door" approach to providing coordinated entry into permanent supportive housing, and the RCHSC Coordinated Entry committee has provided a significant level of outreach and engagement training to funded agencies as well as other community partners, in order to guide staff in understanding who is eligible for PSH opportunities and how to refer eligible persons to PSH. Although most referrals for PSH come from CoC- and ESG- funded community providers, the application form is brief and designed so that it is easy to complete. Homeless households applying for services are requested to provide basic demographic information, data necessary to establish eligibility for PSH, as well as information relating to circumstances under which a household may be prioritized for PSH opportunities. Prospective tenant choice is encouraged, as applicants are able to choose the specific projects for which they would like to apply. As established in the Rensselaer County Ten Year Plan to End Homelessness, persons experiencing chronic homelessness are the highest priority population for entry into PSH - currently 5 priority points are given to households who meet this criteria. Persons who are unsheltered, are youth under 24, veterans, have two or more disabling conditions, are homeless due to sex trafficking or work in the sex industry, or are currently pregnant also receive an additional point for each situation that applies to them. If not for CoC

financial support for this program, the continuum would be unable to meet the CE requirements of the HEARTH Act and other CE-related HUD requirements.
