

## 4B. Attachments Screen For All Application Questions

We have provided the following guidance to help you successfully upload attachments and get maximum points:

- |    |   |
|----|---|
| 1. | You must include a Document Description for each attachment you upload; if you do not, the Submission Summary screen will display a red X indicating the submission is incomplete.  |
| 2. | You must upload an attachment for each document listed where 'Required?' is 'Yes'.  |
| 3. | We prefer that you use PDF files, though other file types are supported—please only use zip files if necessary. Converting electronic files to PDF, rather than printing documents and scanning them, often produces higher quality images. Many systems allow you to create PDF files as a Print option. If you are unfamiliar with this process, you should consult your IT Support or search for information on Google or YouTube. |
| 4. | Attachments must match the questions they are associated with.  |
| 5. | Only upload documents responsive to the questions posed—including other material slows down the review process, which ultimately slows down the funding process.  |
| 6. | If you cannot read the attachment, it is likely we cannot read it either.   |
|    | . We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).   |
|    | . We must be able to read everything you want us to consider in any attachment.   |
| 7. | After you upload each attachment, use the Download feature to access and check the attachment to ensure it matches the required Document Type and to ensure it contains all pages you intend to include.  |

## **STATEWIDE SECTION 8 VOUCHER PROGRAM**

### **Section 8 Housing Choice Voucher Administrative Plan**

**Effective April 26, 2021**

Version 2021 - 1

## INTRODUCTION

**The overall mission of the New York State Homes and Community Renewal (HCR) is Partnering to Improve and Preserve our Homes and Communities.**

The New York State Homes and Community Renewal comprises all the State's major housing and community renewal agencies, among which are the Division of Housing and Community Renewal (DHCR) and the Housing Trust Fund Corporation (HTFC), a subsidiary public benefit corporation of the NYS Housing Finance Agency (HFA). HTFC contracts with DHCR to administer some of the activities of the Section 8 program.

Within the overall mission of the agency, this Administrative Plan serves as the HCR operational handbook for implementing the U. S. Department of Housing and Urban Development's (HUD) Section 8 Housing Choice Voucher (HCV) Program, including Enhanced and Project-based Vouchers). This Plan has been prepared in such a manner as to ensure compliance with all requirements set forth in 24 CFR §982.54 (Administrative Plan).

In the implementation of the Section 8 Housing Choice Voucher (HCV) Program, HCR acts as the Public Housing Agency (PHA) for all local programs under its purview. In this capacity as PHA, HCR has full responsibility for the satisfactory completion of all contractual obligations with HUD. The Section 8 tenant-based assistance programs are federally funded and administered for the State of New York by HCR through its Statewide Section 8 Voucher Program Office.

To effectively and efficiently implement the program over its entire Statewide jurisdiction, HCR has contracted with Local Administrators (LAs) to undertake necessary field activities. Day-to-day responsibility for local administration of the HCV Program in the field is assumed by each LA in its designated local area of operation. The divisions of responsibilities are detailed in a contract between HCR and each of its LAs.

The NYS HCR/Statewide Section 8 Voucher Program is authorized to administer the Section 8/Housing Choice Voucher Program statewide, currently in the following NYS jurisdictions: Allegany, Cattaraugus, Cayuga, Chautauqua, Chemung, Chenango, Clinton, Columbia, Delaware, Dutchess, Essex, Franklin, Fulton, Genesee, Greene, Hamilton, Herkimer, Jefferson, Lewis, Livingston, Madison, Nassau, New York (*Bronx, Brooklyn, Manhattan, Queens, Staten Island*), Niagara, Oneida, Ontario, Orange, Orleans, Oswego, Otsego, Putnam, Rockland, Saratoga, Seneca, Schuyler, Steuben, St. Lawrence, Suffolk, Sullivan, Tioga, Tompkins, Ulster, Washington, Wayne, Westchester, Wyoming and Yates Counties. HCR is also authorized to administer a mobility counseling program in Westchester County.

Administration of the Section 8 Program and the functions and responsibilities of the HCR staff will be in compliance with the HCR Personnel Policy and HUD's Section 8 Regulations as well as all Federal, State and local Fair Housing Laws and Regulations.

rules and regulations and HCR's Administrative Plan. The standards and policies currently used to safeguard the privacy and confidentiality of tenant information and tenant files should apply equally to the employee. Special efforts should be taken to assure that the employee/applicant is not receiving preferential treatment. This policy also applies to relatives of employees.

The word "relative" as used in this section pertains to parent, child, grandparent, grandchild, sister, or brother of any employee.

### **1.03 Preferences**

HCR has established local preferences for tenant-based vouchers within the Housing Choice Voucher Program to further objectives towards improved residential stability, expanding housing opportunities and alleviating homelessness within New York State.

Each LA must give preference to applicants on their general tenant-based waiting list for the Housing Choice Voucher Program, as described below:

**First priority** shall be given to the following:

#### **Households defined as Homeless.**

A qualified household must fall under one of the two categories listed below as defined by HUD (10% of each LA's general allocation of regular vouchers must be dedicated to this preference - additional information below):

Category 1: An individual or family who *lacks a fixed, regular, and adequate nighttime residence*, meaning:

a. An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground; *or*

b. An individual or family living in a supervised publicly or privately operated shelter designated to provide **temporary** living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals); *or*

c. An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution.

Category 4: Any individual or family who:

a. Is *fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking*, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, including a child, that has either taken place within the individual's or family's primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence; *and*

b. Has no other residence; *and*

c. Lacks the resources or support networks, e.g., family, friends, and faith-based or other social networks, to obtain other permanent housing.

In addition to identifying as one of the categories listed above, **HCR requires** the applicant provide or obtain written verification from a coordinating shelter, housing provider, service agency or institution (for those being discharged) confirming the same.

**Second priority** will be given to the following (No limitation):

**Households identified as Elderly and/or Disabled (as defined by HUD) or Families with Dependent Children.**

**Third priority** (No limitation):

**All applicants who do not meet the criteria to claim one of the preferences described above but meet all other eligibility criteria as described in HUD regulations and this Administrative Plan.**

As allowed under HUD regulations, HCR has exercised its' discretion to limit the number of applicants that may qualify for a local preference, therefore, 10% of each LA's general allocation of regular vouchers, not including those programs with a separate project number (i.e., Mainstream, VASH), must be designated for the above stated homeless preference. As long as the maximum threshold of 10% for each LA has not been reached, the homeless preference remains active within their jurisdiction. Once an LA has reached the maximum allowable participants for this preference, all remaining applicants will be chosen in order of remaining priorities and by position on the waiting list. Once a participant's voucher, that was initially qualified for assistance under the homeless preference has been terminated or relinquished, the LA must re-activate the homeless preference until the maximum allowable threshold is reached. Each LA will be responsible for maintaining their tenant-based waiting list in accordance with these requirements.

For the PBV program, while the homeless preference stated above is not applicable, each project sponsor is encouraged to consider a homeless preference for their project as allowed by and through the competitive selection process, funding requirements and any additional programmatic requirements applicable at the time of award.

All LA's with closed waiting lists must first offer current applicants on the waiting list who qualify to receive the benefit of the preference to move up on the waiting list accordingly. The notice to applicants must include how to successfully apply and establish themselves with the homeless preference status which would include the same format we implement for new applicants including contacting the partnering agencies for referrals and/or determination of preference eligibility. If a closed waiting list is opened to establish homeless applicants, the LA should specify on any public notice that current waiting list applicants will also be given the benefit of the preference.

**Moving On Strategy**

This attachment contains the following:

1. NY-519's Written Standards excerpt that details the CoC's Moving On Strategy.

## MOVE ON STRATEGY FOR RECOGNITION OF TENANT INDEPENDENCE

Columbia Greene Housing Coalition (CGHC, the Continuum of Care for Columbia and Greene Counties) has created a Move On Strategy to transition households in Supportive Housing (including Permanent Supportive Housing (PSH) and Rapid Rehousing (RRH)) who no longer need intensive services to affordable housing. This strategy is broken into Phase I and Phase II, and sets out the actions CGHC will take to ensure the community has suitable long-term, affordable housing options for tenants ready to move on, and that tenants have the skills and are empowered to make this decision. The fundamental goal of the Move On Strategy is to promote the highest levels of independence and choice for tenants, as well as to create flow in supportive housing units to ensure these units are available for currently homeless families and individuals with disabilities who need housing combined with services. Promoting economic mobility and self-sufficiency, the Move On Strategy is first and foremost about celebrating growth, recovery and tenant success, and ensures all services are provided using strengths-based language and a recovery-focused model. Below details the CoC's process for identifying tenants who are eligible to move on; documentation needed to request ideal candidates for the strategy; and providing guidance for tenants on safety and security while prioritizing resources where they are most needed. The plan is based on a model Move On strategy discussed by the U.S. Department of Housing and Urban Development (HUD) and the Corporation for Supportive Housing. The CGHC Board and Education/Outreach Committee will be responsible for providing regular trainings, resources, relationship building, and outcome tracking to support implementation of and monitor the Moving On Strategy.

### **Recruiting Affordable Housing Providers**

The Move On Strategy targets existing tenants in supportive housing who are stable and require only minimal supportive services. These tenants are, with client choice, assisted to transition to a mainstream rent subsidy (typically the Housing Choice Voucher program) or an affordable housing unit, which frees up their subsidy for someone who is chronically homeless and needs the intensive services and long-term subsidies offered in supportive housing. The mainstream rent subsidy may include programs like Public Housing Authorities (PHAs), multifamily assisted housing owners, Low Income Tax Credit (LIHTC) developments, and local low-income housing programs. Phase I of the Move On Strategy is currently being implemented and includes recruiting local affordable housing providers to participate in the program, by setting preferences for tenants moving on from supportive housing. Phase II of the Move On Strategy will include advocating to New York State to incorporate a preference for individuals and families moving on from supportive housing units in the NYS Affordable Housing Corporation Plan.

### **Identifying Households for Moving On**

Housing providers identify households in supportive housing that may be ready to move on through ongoing case management with tenants. Specifically, program staff meet with tenants on an ongoing basis to establish tenant goals and set a plan towards meeting those goals, utilizing strengths-based language and a recovery-focused model. Program staff implement a client-choice model by ensuring tenants know there is a voluntary option to move on. Program staff ensure tenants interested in moving on (1) have demonstrated the ability to live stably and maintain housing, (2) will meet PHA or other affordable housing providers screening criteria, and (3) understand the decision to move on from supportive housing is voluntary. During Phase II of this strategy, a standardized assessment for moving on will be developed and implemented.

Program staff work with tenants to create a formal and comprehensive transition plan that identifies tenant strengths, living skills and the supports necessary to help them meet transition goals. Pre-transition plans

are individualized to meet the specific needs of each household. Some common resources or supports tenants often need and are connected to include employment supports, benefits counseling, activities of daily living skills, community living skills, and connection to community-based services. As households volunteer, housing providers make referrals to the PHA or other affordable housing providers.

### **Eligibility Considerations for Tenants**

Individuals are identified by housing provider program staff who work directly with clients in the housing programs. Clients should meet four basic criteria in order to be recommended to move on: 1) a good rental history of on-time payments, 2) evidence of “good neighbor” behavior without any complaints or property management conflicts, 3) supported progress of quantitative areas and 4) low service needs. Housing providers identify households in supportive housing who may be candidates for moving on by analyzing observations (interviews/survey’s, demonstrated ability to live stably and maintain housing or any other mitigating circumstances) combined with quantitative key areas for assessing tenant capacity, motivation, confidence and emotional readiness. These key quantitative areas include:

- Emotional independence (interest and confidence in moving on),
- Financial Capacity (employment, income, savings, budgeting skills),
- Housing history (housing tenure, rent arrears, past evictions, neighbor/landlord relationships)
- Intensity of service use (need for on-site services),
- Health/behavioral health (substance use, mental health, medication management, treatment engagement, mobility),
- Connection to mainstream resources (rental supports if needed),
- Connection to family or other natural supports,
- Community living skills (self-managing behavior, limit setting relating to drugs, etc.),
- Activities of daily living skills (ability to get meals, keep apartment clean, follow lease), and
- Housing goals (location, size, affordability, live with family/friends).

### **Transition Services**

Housing Providers are required to provide: assistance with locating and securing a housing unit; case management to support transition including but not limited to assistance building linkages to community supports and services, such as mental and physical health services, substance use treatment, stores for groceries and other necessities, recreational activities and public transportation options; and support with landlord negotiations. Services offered may also include providing funds to cover moving services, utility deposits/arrears and furniture/household items; and assistance with family reunification.

### **Aftercare Supports**

CGHC recommends housing providers offer voluntary aftercare services to individuals who have moved on for at least six months after their move-out, and track types of supports provided and outcomes of those supports. It is recommended housing providers provide a minimum of two check-ins per month that can be in-person, by phone or by email.

### **Creating a Culture of Moving On**

CGHC believes a programmatic reward/incentive structure for Moving On can assist in further promoting a culture of independence and self-sufficiency. The CoC will develop a variety of strategies to publicize and build interest in Moving On opportunities, including providing trainings on and working with providers to: post fliers in highly visible locations; host community meetings on Moving On; conducting one-on-one outreach to tenants; and encourage Moving On peers to talk about their experiences and engage tenants.

**Moving on Timing and Availability**

CGHC understands a Move On request may not be able to be satisfied immediately due to a variety of variables. However, the housing program will act as quickly as possible with community partners to move a tenant into appropriate affordable housing.

**Ongoing CoC Assessment of Move On Strategy**

Once annually CGHC will assess the success of this Move On Strategy, reviewing number/percentage of persons who have moved on and rate of retention in affordable housing destinations. CGHC will also discuss strengths/weaknesses related to the strategy's recommendations for recruiting affordable housing providers, identifying households for moving on, eligibility considerations for tenants, transition services, aftercare supports, and creating a culture of moving on.

Good Morning, **CGHC** Members,

As noted last week, the FY22 Continuum of Care Notice of Funding Opportunities is now available [here](#) and due September 30<sup>th</sup>, 2022. This email details available resources, the FY22 Competition Submission Timeline, and a NOFO Summary. Please note, the CoC Application and Project Applications are not yet available in [Esnaps](#) for completion. Additionally, HUD has not yet released the CoC's Annual Renewal Demand, CoC Bonus, or DV Bonus amounts. CARES will alert you when Esnaps is open and the available amount of funds is announced.

Please also be aware, this year HUD has an extremely truncated timeline for submitting the CoC Application. We appreciate in advance your attention to requests for votes and deadlines.

This application is separate from the CoC Supplemental NOFO; for more information on the Supplemental, contact [Michelle Sandoz-Dennis](#).

#### [Available Resources](#)

CARES' website is a resource for the Notice of Funding Opportunity (NOFO) and Rank and Review information and deadlines. Below are links to important information.

#### Webinars

In order to provide an in-depth summary of the NOFO and to provide technical assistance to agencies applying for funds, CARES will produce the following webinar series:

1. NOFO Summary: HUD Priorities and the Consolidated Application
2. New Project Application: Bonus Project and Reallocation Information
3. Domestic Violence Bonus
4. Opportunities for Renewing Projects: Consolidation and Transition

5. E-Snaps Refresher – Setting-Up a Renewal Project
6. E-Snaps Refresher – Setting-Up a New Project

These webinars will be available on or by end of business August 12<sup>th</sup>. To access the page these are posted on, click [here](#). For Esnaps technical assistance, please contact [Megan Dolan](#) (ext. 727).

### FY22 CoC Consolidated Application

The FY22 CoC Consolidated Application is made up of three parts:

1. CoC Application: In the community portion of the application, the Collaborative Applicant responds to narrative questions and provides attached documents to describe the CoC planning body, governance structure, overall performance, and the strategic planning process. This part of the application is scored and will determine the order in which CoCs are funded. **Please note:** once the CoC Application is available in Esnaps, CARES will post a blank copy to our website for your information. CARES estimates beginning to publicly post drafts of the application on our website by September 9<sup>th</sup>, and will accept comments through September 23<sup>rd</sup>. Please check [the public posting section](#) of CARES' NOFO website for updates.
2. Project Application: Project applications must be completed in Esnaps by applicants for all renewal, new, CoC Planning, and UFA costs, and include a description of the project, proposed budget, and required attachments.
3. CoC Priority Listing: The CoC Priority Listing ranks project applications (including reallocated, CoC Bonus, DV Bonus, and renewal applications) in order of priority based on the Rank and Review scoring outcomes.

### FY22 CoC Project Application Submission Timeline

Renewal and New Project Applications (which include applications for projects requesting reallocated, Bonus, and/or DV Bonus funding) must be submitted both through the local CoC Rank and Review Process **AND** through Esnaps. Please note, acceptance of a project application through the Rank and Review Process is no guarantee this project will be funded by HUD (particularly for New Project Applications, which are highly competitive nationally).

#### Rank & Review Project Submission Timeline

##### Renewal Applications:

- Completed: Rank and Review Part I & II
- Anticipated August 24<sup>th</sup>: Rank and Review Interview Dates

##### New Applications:

- August 15<sup>th</sup>: Rank and Review New Project Application RFP and DV Bonus Application released.
- August 24<sup>th</sup>: Rank and Review New Project Application RFP and DV Bonus Application due to CARES (please send to [Kathy Germain](#)).

#### Esnaps Project Submission Timeline

- August 19<sup>th</sup>: All Renewal Project Applications due in Esnaps. CARES will review all project applications in Esnaps and will provide recommended edits by September 1<sup>st</sup>. Final edits to

renewal project applications in Esnaps due September 7<sup>th</sup>.

- August 24<sup>th</sup>: All **New Project** Applications (including those applying for the DV Bonus) due in Esnaps. CARES will review all project applications in Esnaps and will provide recommended edits by September 12<sup>th</sup>. Final edits to new project applications in Esnaps due September 16<sup>th</sup>.

Please note: if you are applying for a New or DV Bonus Application, you will need to submit your application for Rank & Review AND in Esnaps simultaneously. However, your application will only be submitted to HUD with the full CoC Application in Esnaps if your project scores high enough through Rank & Review. This requirement to simultaneously submit a new project Rank & Review application and Esnaps application is due to the truncated timeline offered by HUD this year.

#### Important Note About SAM & UEI:

Registration with the federal System for Award Management (SAM) is required for submission of applications in Esnaps. For more information, visit <https://www.sam.gov/SAM>. Applicants must provide a valid Unique Entity Identifier (UEI), registered and active on the SAM website, in the project application. Applicants not registered with SAM or that do not have a valid UEI will be deemed ineligible.

-

#### FY22 New Project Information Session

A 2022 CoC Funding Opportunity for New Projects – Information Session will be held Tuesday, August 16<sup>th</sup> at 11:30am. During this information session we will review CoC funding basics, provide an overview of CoC Bonus and DV Bonus funding opportunities, and discuss how to apply.

-

#### FY22 Notice of Funding Opportunity (NOFO) Summary

Approximately \$2.7 billion is available through the FY 2022 CoC Program Competition. This funding serves to:

1. Promote a community-wide commitment to end homelessness
2. Provide funding to non-profits, states, and local governments
3. Promote access to and effective utilization of mainstream resources to optimize self-sufficiency

The following are HUD policy priorities emphasized for FY 2022. Those bolded are new policy priorities this year.

1. Ending homelessness for all persons
2. Using a Housing First Approach
3. Reducing Unsheltered Homelessness
4. Improving System Performance\*
5. Partnering with Housing, Health, and Service Agencies
6. Taking Action to Increase Racial Equity
7. Improving Assistance to LGBTQ+ Individuals
8. Including Persons with Lived Experience in Planning and Funding Decision Making
9. Advocating to Increase Affordable Housing

Please note, in FY21 HUD recognized the effects of COVID-19 on CoC performance and data quality and reduced the points available for rating factors related to system performance. This FY22 CoC NOFO significantly increases the points available for system performance rating factors (from 23 points in FY21 to 59 points in FY22).

There have been some additional important changes in the FY22 NOFO:

1. Tribal Organizations and Areas: Tribal Organizations and Tribal Designated Entities are eligible to apply for CoC funds; new this year if applied for through CoC registration, Tribal Areas are eligible to be added to the geographic area of a CoC.
2. Increased emphasis on CoC evaluation of racial disparities: HUD has increased the number of points related to whether CoCs and homeless providers have identified barriers that lead to racial disparities, have taken steps to eliminate those barriers to improve racial equity, and have implemented measures to evaluate the efficacy of the steps taken. Points will be awarded to CoCs that promote racial equity through the local CoC Rank & Review competition.
3. Increased emphasis on addressing the needs of LGBTQ+ individuals: HUD has placed greater emphasis on CoCs implementing and training their providers on the CoC-wide anti-discrimination policies that ensure LGBTQ+ individuals and families receive necessary services, shelter, and housing free from discrimination. Additional points have been added for CoCs that have updated their CoC-wide antidiscrimination policies with stakeholder feedback.
4. Addressing COVID-19: In FY2022 HUD is asking CoCs to demonstrate how they will build on partnerships that have increased the safety of persons experiencing homelessness from contracting COVID-19. Expanded partnerships should specifically ensure the community is prepared to prevent and respond to future infectious disease outbreaks amongst people experiencing homelessness.
5. Partnering with victim service providers: HUD added scoring factors based on CoC's demonstration of collaborating with victim service providers and projects' plans to include survivors with lived experience in policy and program development.
6. Advocating for affordable housing: HUD added a rating factor that awards points to CoCs that engage local leaders about increasing affordable housing supply.

A brief summary of important topics from the NOFO are below.

- **Tiering:** HUD requires CoCs to tier projects (excluding Planning and UFA Projects).
  - Tier 1 is equal to 95 percent of the CoC's Annual Renewal Demand (ARD).
  - Tier 2 is the difference between Tier 1 and the maximum amount of renewal, reallocation, and CoC Bonus funds the CoC can apply for.
    - Bonus funding is available to apply for in the amount of 5% of the CoC Final Pro Rata Need (FPRN).
    - DV Bonus funding is available to apply for in the amount of 10% of the Preliminary Pro Rata Need (PPRN) (not to be less than \$50,000). Please note, this is a decrease from 15% in FY21.

As a note: The DV Bonus is included within tiering. If a project application designated as DV Bonus is conditionally selected by HUD with DV Bonus funds, HUD will remove the ranked DV

Bonus project from the New Project Listing and all other project applications ranked below the DV Bonus project will slide up one rank position

- Bonus and Reallocated funding: Bonus and Reallocated funding is available for the below eligible project types.
  - Permanent Supportive Housing that is Dedicated PLUS (see page 22) OR has 100% of beds dedicated to persons experiencing chronic homelessness.
  - Rapid Rehousing
  - Joint Transitional Housing-Rapid Rehousing
  - HMIS (or a comparable DV Database)
  - Support Service Only – Coordinated Entry

The amount of funding to create new projects through reallocation will depend on the amount of current project funds returned to the CoC. HUD highly recommends CoCs pursue reallocation to ensure CoC-funded projects are addressing the most pressing community needs, are high performing, and are not returning funds to HUD. For more information regarding reallocation, please review the [Rank and Review Process](#).

- DV Bonus: Again this year an additional bonus opportunity is available for projects to serve survivors of domestic violence, dating violence, sexual assault, and stalking that are homeless. \$52 million (a reduction from \$102 million in FY21) is available nationwide. Below are the eligible project types.
  - Rapid Rehousing (RRH)
  - Joint Transitional Housing-Rapid Rehousing (TH-RRH)
  - Support Service Only – Coordinated Entry (SSO-CE)

A CoC can only submit one project application for an SSO-CE project. However, a CoC may apply for any number of RRH and Joint TH-RRH projects provided that each application is for at least \$50,000. A CoC may also apply to expand an existing renewal project, including one that was previously funded with DV Bonus funding.

- Expansion Grants: Again this year, HUD is allowing renewal project applicants to submit a new project application to expand its current operations by adding units, beds, persons served, services provided, or an increase in HMIS activities. Expansion grants can utilize Bonus Funding, reallocation dollars or DV Bonus Funding, assuming the expansion will serve survivors of domestic violence, dating violence, sexual assault, and stalking.
- Transition Grants and Consolidated Projects: Again this year, HUD is allowing for Transition Grants and Consolidated Projects. A Transition Grant is a grant that allows agencies to change component types. Consolidated Projects combine projects that are operated by the same agency and for the same project component type. Click [here](#) for a more complete summary on CARES' website.

CARES looks forward to working with you to ensure another year of successful CoC funding. If you

have any questions about what is detailed in the NOFO, please feel free to reach out to me directly.

# COLUMBIA GREENE HOUSING COALITION

## 2022 PERFORMANCE AND EVALUATION PROCESS

---

### ***Background***

HUD's Continuum of Care (CoC) homeless assistance program serves as a source of funding for homeless services in Columbia and Greene Counties, and the planning body coordinating these services is the Columbia Greene Housing Coalition (CGHC). Working with the CoC (CGHC) and providing support and technical assistance is CARES of NY, Inc., the Collaborative Applicant.

In 2021, The Columbia Greene CoC (CGHC) received \$554,262 from HUD to support nine\_ housing projects for homeless individuals and families. Through the CoC, HUD awards homeless assistance grants through an annual application process known as the CoC Program Competition.

HUD requires that the CoC (CGHC) prioritize programs which most effectively serve the community at the local level. To reach this goal, a Rank & Review Process has been implemented for applicants who wish to renew their project/s and for new and/or bonus projects (if bonus funding is available). The process of ranking and reviewing projects is designed to help the CoC (CGHC) learn about each project's performance and effectiveness.

The Performance and Monitoring Committee of the CoC (CGHC) is charged with overseeing the Rank & Review process. As stated in the CGHC Bylaws, the Performance and Evaluation Committee is responsible for "the design, operation, and implementation of a collaborative process for the development of funding applications, including funding priorities, and the number and type of applications." Each year the Performance and Monitoring Committee reviews the Rank & Review Written Process and Application Tools and makes any changes necessary to reflect changing priorities. The Performance and Evaluation Committee is also responsible for establishing a Review Team for the Performance and Evaluation Application. The Written Process and Application Tools (Renewal and New/Bonus) are posted for public comment then reviewed and approved by the Board and shared with Membership.

### ***CoC Transparency***

he CoC conducts this Performance and Monitoring Process in a transparent manner to ensure a fair and consistent way to prioritize projects. Each year, feedback regarding the process and tools is solicited. The process is publicly announced by the CoC, distributed in writing to CoC Membership, and posted publicly on the CARES, Inc. website for all community members to review and comment.

### ***FY 2022 Rank and Review Application***

The CGHC emphasizes the importance and impact of using the Rank & Review Application as the primary basis for determining the Project Listing submitted to HUD as part of the CoC Consolidated Application. The Rank and Review Application is thoughtfully revised each year to meet both HUD and CoC standards, incorporate both

national and local priorities, and balance objective performance measures with subjective narrative descriptions of project operations.

### ***Review and Approval of the Performance and Evaluation Renewal Application***

After the annual CoC Consolidated Application is submitted to HUD by the Collaborative Applicant, the Performance and Evaluation Committee reviews that prior year's Rank & Review process, including reviewer feedback and CGHC member comments. The Performance and Evaluation Committee also develops a list of Review Team members, considering prior reviewers and potential new members.

In phases, the Performance and Evaluation Committee presents the Written Process, Application Tools, and list of proposed Review Team members to the CGHC Board and Membership for one-week public comment periods. The Performance and Monitoring Committee considers submitted comments for inclusion. The Performance and Monitoring Committee updates the Board on any edits, incorporates any additional changes from the Board, and secures a vote for approval. Finally, the Written Process, Application Tools, and list of Review Team members are shared with the CoC Board.

### ***Project Participation***

Each Renewal project completes a Rank & Review Application. The 2022 Rank & Review Renewal Application process will occur in three parts with adequate time for agencies to complete the full Rank & Review Application. *Completed applications (including required attachments) for each CoC project must be submitted to CARES of NY, Inc. by the stated deadline to be considered complete and sent to the Review Team.*

\* Please Note: Coordinated Entry, Planning, and HMIS projects are not required to fill out a renewal application.

\*Renewal projects should have one federal fiscal years' worth of data (10/1-9/30) so should be in operation for one full federal fiscal year.

**Part 1** focuses on project and system outcomes, using project data entered in HMIS and objective questions to "rate" projects. The HMIS data used in Part 1 is from the previous HUD Fiscal Year (Oct 1 - Sep 30). This HMIS data used in Part 1 has been cleaned and reviewed for data quality errors when submitted to HUD for the Longitudinal Systems Analysis (LSA) report. Agencies must confirm Part 1 Data Attachment accuracy within five business days of receipt. During the Part 1/Data Training Session, agencies will be instructed on how to confirm the accuracy of the Data Attachment values.

If errors are identified on the Data Attachment, the agency must submit the Data Correction Form on the CARES Website. CARES staff will review the Data Correction Form submission to determine if the requested change is a calculation error. If the request is a calculation error, CARES staff will correct the error and resubmit the Data Attachments for the agency's review. After receiving the corrected Data Attachments, agency staff will review the changes and if no additional errors are identified, then agency staff will submit the Data Confirmation Form

on the CARES website. If the request for Data Correction Form is determined to not be a calculation error, CARES staff will notify the agency of the decision and request the agency to submit the Data Confirmation Form.

If no errors are identified on the Data Attachment, the agency will submit the Data Confirmation Form on the CARES website. If an agency does not submit a Data Correction Form or Data Confirmation Form after five business days following the Part 1/Data Training Session, then the data will be considered accurate and confirmed.

- **Part 2** includes narratives allowing agencies to explain unique circumstances which may affect project performance. After submission, each agency/project is assigned an interview time with the Review Team.
- **Part 3** of the Rank & Review Process includes project interviews with the Review Team. After release of the NOFA, the Performance and Evaluation Committee will draft questions based on specific criteria included in the NOFA to be asked during project interviews. Projects will receive these questions prior to the interview. Additionally, reviewers may choose to award additional points for Parts 1 and 2 up to the maximum amount of points available for each question.

### ***New Projects***

A separate application is required for Bonus and Reallocated project proposals. If additional money becomes available through reallocation after the ranking process, a new project RFP will re-open. RFPs submitted during the second application process will automatically be ranked below projects from the first round. The Review Team reviews and scores all New/Bonus project applications submitted. Interview questions will include specific criteria included in the NOFO and approved by the Board and shared with membership.

### ***Bonus Projects***

Each year, HUD *may* offer bonus funding and the NOFA outlines how the funds may be spent. Bonus project proposals must fill an unmet need as noted within the Strategic Plan or locally determined priorities. Interview questions will include specific criteria included in the NOFA. Bonus applications will be ranked and approved by the Board. The community's goal is to apply for the maximum amount of available funding. The same appeals process that applies to Renewal applications applies to New/Bonus project applications.

### ***Reallocation***

Reallocation is the process by which the CoC shifts funds, in whole or in part, from existing eligible renewal grants to create new projects to fill an unmet need within the community, as noted within the Columbia Greene Action Plan. Reallocation is one of the most important tools by which communities can make strategic improvements to their homeless services system.

Projects that can be flagged for reallocation consideration include those which have demonstrated inadequate financial management, a history of expending funds on ineligible activities, a lack of full expenditure of funds, and those which consistently score low on the Rank & Review. Reallocation is recommended for any project *not* participating in Coordinated Entry, HMIS or the annual Point-in-Time. The Board may determine reallocation of a particular project as in the best interest of the CoC and essential to maintaining full funding. Further, agencies may voluntarily choose to reallocate funds from their own projects. New project proposals developed by agencies through reallocation of their own funds will be prioritized during the ranking process. All other proposed projects using reallocated funds will be ranked according to general ranking procedures.

Project proposals developed with reallocated funds must fill an unmet need and submit a New/Bonus application. Agencies interested in applying for reallocated funds are required to interview with the Review Team. Applications for New/Bonus projects will be ranked separately from Renewal projects, and the final ranking will be approved by the Board presented to CoC Membership.

### ***Review Team***

Reviewers must be individuals from the community who are not CoC-funded or from neighboring communities and knowledgeable about the CoC process, services and providers. Review Team members are considered by the Performance and Monitoring Committee and invited by the Collaborative Applicant (CARES) to participate. After reviewers agree to participate, one to two days are scheduled to conduct project interviews and for scoring to take place. Interviews will be scheduled for a date after the NOFA s released to allow for any HUD-specific criteria to be incorporated into the interview process.

Reviewers are provided a copy of each project's full application for review and score forms to complete. The Review Team has the authority to 1) allot additional points to questions in Part 1 and Part 2 based on responses given by agencies during the interview; and 2) allot points based on responses given by agencies to Part 3 interview questions. After conducting interviews with each agency, the Review Team discusses and finalizes scores for each project application. In the event project applications initially receive the same score, it is the responsibility of the Review Team to reconsider scoring in order to break the tie. The Review Team also considers any submitted appeals (see **Appeals Process** outlined below) and provides any final comments to be shared with agencies. Final scores result in the project ranking.

### ***Threshold Review***

In order to ensure CoC projects are high performing, all project applications must also meet a minimum scoring threshold of 50% of total possible application points. The Threshold Review will be conducted by the Review Team after the Performance and Evaluation process is complete and final project scores determined. If the pre-determined threshold is not met, the Review Team may recommend the CGHC Board consider the possibility of reallocation or amendments to the project application/s with said agency.

### ***Project Ranking***

The NOFA requires that the CoC conduct a transparent and objective process to review and rank all Renewal and New/Bonus projects. Using the CoC-approved Rank & Review Tool, all Renewal projects seeking funding are scored and placed in numerical order by scores. New/Bonus projects are scored and placed in numerical order beneath Renewal Projects. HMIS and Coordinated Entry (CE) renewals will be placed at the bottom of Tier 1. All agencies receive their project scores and are offered the opportunity to debrief with the Collaborative Applicant. Debriefing allows agencies the opportunity to request clarification regarding how/why Application question/s received certain scores. Debriefings are required if agencies are considering an appeal. Agencies may choose to appeal project score/s within the allotted time frame (see the **Appeals Process** outlined below). After all debriefings with the Collaborative Applicant are completed and appeals considered by the Review Team, renewal project applicants that fall into Tier 2 will be notified and then the project ranking is presented to the Board for review/approval then shared with Membership.

### ***Appeals Process***

#### **1. Who May Appeal?**

An agency may appeal a decision concerning a Renewal or New/Bonus project application submitted by that agency. If a project was submitted by a collaboration of agencies, only a joint appeal may be submitted.

#### **2. What May Be Appealed?**

The appeals process applies to project scoring and ranking ***only***. *There is no appeal for project tiering.* An appeal may ***not*** be based on the following:

- Failure to answer any question/s on the application
- Failure to submit required attachments to the application
- Failure to submit the application by the required deadline

Any mathematical errors found by an applicant will be corrected by the Collaborative Applicant.

#### **3. Timing of an Appeal**

Formal appeals may be submitted by a project within **three (3) business days** of debriefing. Appeals must be submitted in writing to the Collaborative Applicant [kgermain@caresny.org](mailto:kgermain@caresny.org) who will then forward to the Review Team. The written appeal must consist of a brief statement no longer than one page, and can be in the form of a letter, memo or email.

#### **4. Appeals Decisions**

The Review Team for the Rank & Review also serves as the Appeals Review Team. Appeals are decided by majority vote of the Review/Appeals Team, and once decided, are final and may not be overturned by the Ranks and Review Committee, Board or Membership.

***Project Tiering***

HUD requires that the CoC ranks projects into two tiers based on the funding allocation released in the NOFA. Tiering prioritizes projects for funding. Using the project ranking, the Collaborative Applicant tiers projects (New/Bonus projects are always placed at bottom of Tier 2) and presents the results to the Board. When the NOFA is released, priorities outlined in the application may be strategically applied by the CoC to project tiering. Final tiering results are presented to the Board for approval.

## 2022 Rank & Review Interview Questions

These questions have been formed by CARES staff to focus on the 2022 HUD Policy Priorities as noted in the NOFO. Each question should be answered in 3-5 minutes, to ensure agency interviews do not run over.

Reviewers will first ask any clarifying questions they have about the project before asking the below interview questions of each applicant. These questions have been formed by CARES to focus on the 2022 HUD Policy Priorities as noted in the NOFO. Each question should be answered in no more than **3-5 minutes**, to ensure agency interviews do not run over. Check page three for interview tips.

HUD Priority/Justification for Question	Interview Question	Scoring Criteria
<p>Persons with Lived Experience. HUD is encouraging CoCs to include in the local planning process people who are currently experiencing or have formerly experienced homelessness to address homelessness. People with lived experience should determine how local policies may need to be revised and updated, participate in CoC meetings and committees as stakeholders, provide input on decisions, and provide input related to the local competition process. CoCs should seek opportunities to hire people with lived experience.</p>	<p><b>Does your agency have someone with lived experience of homelessness within its Executive Leadership, who are involved with programmatic and funding decisions? (1 pt)</b></p> <p><i>Agency can either get points for this or the below question (not both).</i></p>	<p><b>1-Point if they answer yes.</b></p>
<p>HUD added scoring factors based on the responses to questions that demonstrate CoCs' collaboration with victim service providers in the CoC Application, projects' plans to include</p>	<p><b>If your project serves victims of domestic violence, what are your plans to include survivors with lived experience in policy and program development, and how do</b></p>	<p><b>0.5-Point - for an identified plan to include survivors with lived experience in policy and program development.</b></p>

<p>survivors with lived experience in policy and program development and the inclusion of victim-centered practices in operating their projects.</p>	<p><b>you include victim centered practices in operating your project?</b></p>	<p><b>0.5-Point - for identification of how the agency includes victim centered practices in operating their project.</b></p>
<p>Improving System Performance. CoCs should be using system performance measures (e.g., average length of homeless episodes, rates of return to homelessness, rates of exit to permanent housing destinations) to determine how effectively they are serving people experiencing homelessness. HUD also assesses CoCs' on how it takes severity of needs and vulnerabilities into account when reviewing and ranking projects.</p>	<p><b>If you felt your project performed low on any section of Part 1 due to serving particularly vulnerable populations or households with severe needs (e.g., chronically homeless, substance use, severe mental illness, history of domestic violence, youth, criminal history) or because of other mitigating factors that you feel the reviewers should be aware of, please explain now.</b></p>	<p><b>1-Point-All program system performance measures are above average.</b></p> <p><b>Potential to recoup points if agency explains it had low performance measures due to serving particularly vulnerable populations or households with severe needs (or other mitigating factors), and how they are working to improve those outcomes.</b></p>
<p>Racial Equity. In nearly every community, Black, Indigenous, and other people of color are substantially overrepresented in the homeless population. HUD is emphasizing system and program changes to address racial equity within CoCs. Specifically, HUD is assessing if CoCs rate and rank projects based on the degree to which program participants mirror homeless population demographics (NOFO, pg. 8)</p>	<p><b>Are those in your project racially representative of the CoC's homeless population as a whole? (1 pt)</b></p> <p><b>If yes, how did your agency achieve an equitable mirroring of program participants compared to the homeless population demographics in the CoC</b></p>	<p><b>1-Point if agency explains either: how they achieved an equitable mirroring of program participants compared to the homeless population demographics in the CoC; or a thorough plan to improve outreach and assess policies that may be contributing to this disparity.</b></p>

	<b>If not, how is your agency working to improve outreach and assess policies that may be contributing to this racial disparity?</b>	
Additionally, when considering which projects to select in their local competition to be included in their application to HUD, CoCs should ensure privacy, respect, safety, and access regardless of gender identity or sexual orientation in projects.	<b>How does your agency ensure housing and services that is private, respectful, safe, and accessible regardless of gender identity or sexual orientation?</b>	<p><b>1-Point - for noting the agency updates their anti-discrimination policy utilizing input from organizations with expertise in serving LGBTQ+ populations.</b></p> <p><b>1-Point - for noting the agency provides training on how to ensure private, respectful, safe, and accessible housing and services regardless of gender identity or sexual orientation.</b></p>

Interview questions were formulated based on HUD priorities as outlined in the 2022 NOFO. Check out the HUD priorities that informed Part 3 new project interview questions here: [NOFO – 2022 | CARES of NY, Inc. \(caresny.org\)](https://www.caresny.org/NOFO-2022).

### **How to Have a Successful Interview:**

- **Prepare responses to each interview question in advance.** Applicants will only have the time allotted for your interview to respond to each question, so preparation is key to maximize your opportunity to gain all available points.
- **Keep responses succinct.**
- For agencies interviewing for more than one project, make sure to note when a response applies to some or all projects and when a distinction needs to be made. Each project will be scored separately.

Dear **Sample**,

On behalf of the Columbia Greene Housing Coalition, we would like to thank **Sample Agency** for its application, **Sample Application Name**, for bonus funding through NY-519's FY22 Continuum of Care local competition. Unfortunately, through the Rank and Review process for New Projects, your application was chosen to be reduced in the amount of \$54,000.

Although the project was eligible and strong, your project was ranked outside of the eligible funding amount after the combined total of accepted applications. Although the full project amount was eligible, it is the recommendation of the CoC Committee to reduce funds in order to more effectively meet the unique needs of the most vulnerable in NY-519.

Summary:

Agency: **Sample Agency**  
Project name: **Sample Application Name**  
Project score: 98/206  
Funding amount requested: \$154,968  
Funding reduced by: \$54,000  
Status: **Reduced**

Thanks

Dear Sample,

On behalf of the Columbia Greene Housing Coalition, we would like to thank Sample Agency for its application, Sample Application Name, for bonus funding through NY-519's FY22 Continuum of Care local competition. Unfortunately, through the Rank and Review process for New Projects, your application was not selected to apply.

Although the project was eligible and strong, your project was ranked outside of the eligible funding amount after the combined total of accepted applications. This year, applications that indicated they would serve priority populations, as identified by the CoC, were prioritized during the Rank & Review process, which is one reason why your application was ultimately not selected to be included in this year's application for Bonus funding. The CoC encourages you to apply again if funding becomes available in future CoC competitions.

**Subject:** NY-519 SCCC Project Acceptance Notification

Dear Louisa and Kylie,

As the Collaborative Applicant for the NY-519 CoC, CARES would like to congratulate St. Catherine's Center for Children on having your project accepted within NY-519 FY22 Continuum of Care local competition. Below is a detailed list of your agency's accepted project, funding request, score, and ranked position:

Rank Position 1; SCCC    CG PSH    \$87,450    Score 107.4

Please note, this means your project will be included within the NY-519 CoC NOFO application; HUD will determine and announce which project will officially receive funding at a later date. Please feel free to contact me should you have any questions and congratulations on your accepted project.

Good Afternoon NY-519 CGHC,

2022 Consolidated Application Public Posting

Draft version 1 of the [2022 Consolidated Application](#) has been posted to the [CARES Website](#) for public comment. The posting includes:

1. Draft CoC Application Narratives (completed to date)
2. Draft Attachments (completed to date)
3. Planning Grant
4. Final Ranking & Tiering, detailing accepted and rejected project applications as a result of the local CoC competition

Due to the shortened timeline of this year's Consolidated Application, CARES will be publicly posting the Consolidated Application twice: once today, and once as the Final Submission Posting on 9/23. As such, we ask that you [review the Draft CoC Application](#) and provide CARES with any content that should be highlighted in the answers by COB Friday, September 16th. Thank you for your support in ensuring the CoC submits a robust and successful application.

Thank you,

CARES Planning Team

## CoC Public Postings

### Summary

CoC's must demonstrate transparency in the local CoC competition results. Specifically, CoC's must post on their website, at least 2 days before the application submission deadline, all parts of the CoC Consolidated Application, including the CoC Application with attachments and the CoC Priority Listing with all project applications accepted and ranked, or rejected, and notify community members and key stakeholders that the CoC Consolidation Application is available.

Once a substantial portion of the Consolidated Application is completed, CARES will post an updated version of the application on Fridays. CoC community members are encouraged to review and provide comments to CARES by emailing [planning\\_team@caresny.org](mailto:planning_team@caresny.org).
