In Our Own Voices

Transitional& Rapid Rehousing for LGB TGNC Expansion

Project Description: The proposed project will expand upon the project awarded last year by HUD, which funded the first Lesbian, Gay, Bisexual, Transgender and Gender Non-Conforming (LGB TGNC) specific transitional/rapid re-housing services in the history of NY's Capital Region. IOOV has purchased a new site, adjacent to its existing property, to expand IOOV's effective, evidence-based programs for LGB TGNC individuals with a focus on Black, Indigenous, People of Color (BIPOC). IOOV's new site, once renovated, will offer 7 transitional housing units specifically for individuals who are LGB TGNC youth, LGB TGNC seniors or Transgender adults.

The Albany Damien Center

LGBTQ-Affirming Housing Program

There are currently limited resources for people within the LGBTQ community in Albany County, and there is no Permanent Supportive Housing program dedicated to this community. This project will fill that gap and positively impact the number of persons who are unsheltered, as many persons in the LGBTQ community do not seek shelter services due to safety concerns.

HATAS

Coordinated Entry Expansion

Project Description: HATAS requests funds to expand upon their existing Coordinated Entry project. Coordinated Entry (CE) is a critical approach to addressing homelessness and housing instability within Albany County. It is a systemic and collaborative process that streamlines access to many different types of services and resources for individuals and families experiencing homelessness, and for those whom are at-risk of homelessness. By providing a coordinated and comprehensive approach to addressing homelessness, Albany CE aims to increase housing stability for individuals and families.
