

## Before Starting the CoC Application

You must submit all three of the following parts in order for us to consider your Consolidated Application complete:

1. the CoC Application,
2. the CoC Priority Listing, and
3. all the CoC's project applications that were either approved and ranked, or rejected.

As the Collaborative Applicant, you are responsible for reviewing the following:

1. The FY 2023 CoC Program Competition Notice of Funding Opportunity (NOFO) for specific application and program requirements.
2. The FY 2023 CoC Application Detailed Instructions which provide additional information and guidance for completing the application.
3. All information provided to ensure it is correct and current.
4. Responses provided by project applicants in their Project Applications.
5. The application to ensure all documentation, including attachment are provided.

Your CoC Must Approve the Consolidated Application before You Submit It  
- 24 CFR 578.9 requires you to compile and submit the CoC Consolidated Application for the FY 2023 CoC Program Competition on behalf of your CoC.

- 24 CFR 578.9(b) requires you to obtain approval from your CoC before you submit the Consolidated Application into e-snaps.

Answering Multi-Part Narrative Questions

Many questions require you to address multiple elements in a single text box. Number your responses to correspond with multi-element questions using the same numbers in the question. This will help you organize your responses to ensure they are complete and help us to review and score your responses.

Attachments

Questions requiring attachments to receive points state, "You Must Upload an Attachment to the 4B. Attachments Screen." Only upload documents responsive to the questions posed—including other material slows down the review process, which ultimately slows down the funding process. Include a cover page with the attachment name.

- Attachments must match the questions they are associated with—if we do not award points for evidence you upload and associate with the wrong question, this is not a valid reason for you to appeal HUD's funding determination.

- We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).

## 1A. Continuum of Care (CoC) Identification

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2023 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2023 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

**1A-1. CoC Name and Number:** NY-519 - Columbia, Greene Counties CoC

**1A-2. Collaborative Applicant Name:** CARES of NY, Inc.

**1A-3. CoC Designation:** CA

**1A-4. HMIS Lead:** CARES of NY, Inc.

## 1B. Coordination and Engagement–Inclusive Structure and Participation

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2023 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2023 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

<b>1B-1.</b>	<b>Inclusive Structure and Participation–Participation in Coordinated Entry.</b>	
	NOFO Sections V.B.1.a.(1), V.B.1.e., V.B.1f., and V.B.1.p.	
	In the chart below for the period from May 1, 2022 to April 30, 2023:	
	1. select yes or no in the chart below if the entity listed participates in CoC meetings, voted—including selecting CoC Board members, and participated in your CoC’s coordinated entry system; or	
	2. select Nonexistent if the organization does not exist in your CoC’s geographic area:	

	Organization/Person	Participated in CoC Meetings	Voted, Including Electing CoC Board Members	Participated in CoC’s Coordinated Entry System
1.	Affordable Housing Developer(s)	Yes	Yes	No
2.	CDBG/HOME/ESG Entitlement Jurisdiction	Nonexistent	No	No
3.	Disability Advocates	Yes	Yes	Yes
4.	Disability Service Organizations	Yes	Yes	Yes
5.	EMS/Crisis Response Team(s)	Yes	Yes	Yes
6.	Homeless or Formerly Homeless Persons	Yes	Yes	Yes
7.	Hospital(s)	No	No	No
8.	Indian Tribes and Tribally Designated Housing Entities (TDHEs) (Tribal Organizations)	Nonexistent	No	No
9.	Law Enforcement	Yes	No	No
10.	Lesbian, Gay, Bisexual, Transgender (LGBTQ+) Advocates	No	No	No
11.	LGBTQ+ Service Organizations	Yes	No	No
12.	Local Government Staff/Officials	Yes	Yes	Yes
13.	Local Jail(s)	Yes	No	No
14.	Mental Health Service Organizations	Yes	Yes	Yes
15.	Mental Illness Advocates	Yes	Yes	Yes

16.	Organizations led by and serving Black, Brown, Indigenous and other People of Color	Yes	No	No
17.	Organizations led by and serving LGBTQ+ persons	No	No	No
18.	Organizations led by and serving people with disabilities	Yes	Yes	Yes
19.	Other homeless subpopulation advocates	Yes	Yes	Yes
20.	Public Housing Authorities	Yes	Yes	No
21.	School Administrators/Homeless Liaisons	Yes	No	No
22.	Street Outreach Team(s)	Yes	Yes	Yes
23.	Substance Abuse Advocates	Yes	Yes	Yes
24.	Substance Abuse Service Organizations	Yes	Yes	No
25.	Agencies Serving Survivors of Human Trafficking	Yes	Yes	Yes
26.	Victim Service Providers	Nonexistent	No	No
27.	Domestic Violence Advocates	Yes	Yes	Yes
28.	Other Victim Service Organizations	Yes	Yes	Yes
29.	State Domestic Violence Coalition	Yes	Yes	Yes
30.	State Sexual Assault Coalition	Yes	Yes	Yes
31.	Youth Advocates	Yes	Yes	Yes
32.	Youth Homeless Organizations	Nonexistent	No	No
33.	Youth Service Providers	Yes	Yes	Yes
	Other: (limit 50 characters)			
34.	Legal Services	Yes	Yes	No
35.	Veterans Affairs	Yes	Yes	Yes

1B-2.	Open Invitation for New Members.	
	NOFO Section V.B.1.a.(2)	

	Describe in the field below how your CoC:
1.	communicated a transparent invitation process annually (e.g., communicated to the public on the CoC's website) to solicit new members to join the CoC;
2.	ensured effective communication and access for persons with disabilities, including the availability of accessible electronic formats; and
3.	invited organizations serving culturally specific communities experiencing homelessness in the geographic area to address equity (e.g., Black, Latino, Indigenous, LGBTQ+, and persons with disabilities).

(limit 2,500 characters)

1) The CoC communicates the invitation process annually to solicit new members to join the CoC by sharing the invitation and new member application, asking listserv members to forward invitations; announcements at full Membership meetings, encouraging current members to invite others; and phone conversations with/key systems partners focusing on the benefits of CoC membership. The membership application is also posted year-round on the CoC’s website and new members are accepted on a rolling basis. On an annual basis, the CoC Board assesses what agencies participate in the CoC and identifies stakeholders missing from the CoC that should be engaged to support the community’s efforts to systematically address homelessness. Following this assessment, the Board creates an outreach plan with the Collaborative Applicant with the goal of reaching new members. This year, the CoC Board and Outreach Committee hosted a full-day forum that focused on engaging new members and increasing knowledge about programs serving those experiencing homelessness or housing instability. Members of the Board & Outreach and Education Committee conducted targeted outreach to new stakeholders. As a result, over 40 agencies attended, with many being new to the CoC (i.e. McKinney Vento liaisons, affordable housing developers, and fair housing coalitions). Agency/program information gathered during this forum was posted to the CoC’s website to publicly promote further engagement with the CoC. 2)The CoC ensures effective communication with and access for individuals with disabilities by sharing invitations/apps in a variety of accessible electronic formats, including the CoC webpage, which is responsive to screen reader software (e.g. accessibility tags to PDF documents) and email listservs. Individuals can physically access communication the CoC provides to the public on how to join through announcements during in-person, virtual/remote meetings; and invitations offered at other housing and/or human service coalitions public events/venues. 3) Through the targeted outreach conducted by the Board and Education & Outreach Committee – such as through hosting the forum and promoting membership with the CoC - the CoC has invited organizations serving culturally specific communities experiencing homelessness in the geographic area to address issues of equity, diversity, and inclusion.

1B-3.	CoC's Strategy to Solicit/Consider Opinions on Preventing and Ending Homelessness.	
	NOFO Section V.B.1.a.(3)	
	Describe in the field below how your CoC:	
1.	solicited and considered opinions from a broad array of organizations and individuals that have knowledge of homelessness, or an interest in preventing and ending homelessness;	
2.	communicated information during public meetings or other forums your CoC uses to solicit public information;	
3.	ensured effective communication and access for persons with disabilities, including the availability of accessible electronic formats; and	
4.	took into consideration information gathered in public meetings or forums to address improvements or new approaches to preventing and ending homelessness.	

(limit 2,500 characters)

1) The CoC uses specific strategies to solicit & consider opinions from a broad array of orgs & individuals with knowledge of/interest in preventing & ending homelessness. Input is solicited from knowledgeable stakeholders (e.g., persons with lived experience, housing providers, physical/mental/behavioral health providers, law enforcement/parole, faith-based organizations, gov't agencies, employment agencies). Strategies to solicit opinions include web-based forums (e.g., interactive webinars/trainings, such as a comprehensive Introduction to CoC 101 presentation, email listservs, email submission form on CA's website, annual interviews with current program clients & recruiting agencies to join the CoC). The CoC hosted the "Unhoused to Housed" event which was developed specifically to solicit input on preventing & ending homelessness from a broad array of orgs and individuals. 2) The CoC communicated info during public meetings &/or other forums year-round through direct community interaction (e.g., CoC Membership meetings held bi-monthly, web postings, email listservs). 3) The CoC ensures effective communication with& access for individuals w/disabilities through online, in-person, & public events and/or meetings by sharing info (invites/apps, workshops, solicitation for public input, etc.) in a variety of accessible electronic formats, including the CoC webpage, which is responsive to screen reader software (e.g., accessibility tags to PDF docs), at housing &/or human services public events/venues, & email listservs. 4) Information gathered through this outreach is considered by the CoC to develop new approaches to prevent/end homelessness (e.g., planning a Youth Outreach event to address the needs of homeless youth based on identification of community need; identifying priorities for ESG & CoC funds; hosting the "Unhoused to Housed" which resulted in the incorporation of feedback to updated referral processes/increased participation in CE; promotion of HCV openings with homeless preferences available in the CoC, and engaging a new ReEntry agency on how to best prevent discharges from correctional facilities to homelessness). Minutes taken at every public meeting provide the CoC Board with opinions/topics to consider how further work may be assigned to one of four standing committees. Committees update the Board on findings & suggest next steps & all developments are shared during full Membership meetings.

1B-4.	Public Notification for Proposals from Organizations Not Previously Awarded CoC Program Funding.	
NOFO Section V.B.1.a.(4)		
Describe in the field below how your CoC notified the public:		
1.	that your CoC will consider project applications from organizations that have not previously received CoC Program funding;	
2.	about how project applicants must submit their project applications—the process;	
3.	about how your CoC would determine which project applications it would submit to HUD for funding; and	
4.	ensured effective communication and access for persons with disabilities, including the availability of accessible electronic formats.	

(limit 2,500 characters)

1)The CoC notified the public that the local competition was open and would be accepting project applications (including from non-CoC funded organizations) via a listserv email announcement on 7/24/23. On 7/18/23, an invitation via email explicitly targeted non-CoC funded organizations, community stakeholders and the public to participate in an in-depth discussion (via webinar on 7/25/23) about CoC funding opportunities available this year. The invitation to potential applicants stated that “[agencies] do not have to be CoC funded to apply.” The discussion and question & answer were recorded and posted on the CA website on 7/26/23 for agencies to reference throughout the application process. The invitation also provided clarification on the application process for those who were unfamiliar. Additionally, outreach was conducted via a presentation on new project opportunities that was part of the CoC’s Unhoused to Housed community engagement event with 40 human service providers. 2) All communications made clear that proposals must be submitted via email to the CA using the New Project, DV Bonus, or HMIS/CE Bonus Project Applications posted on the CA website. The 7/25/23 workshop/webinar detailed the application process, including eligibility, and ensured all parties understood the method for submitting proposals. Experienced CA staff were also readily available throughout the process to field questions from the public. 3) The CoC notified the public about how the CoC would determine which projects would be submitted to HUD through public posting of the Rank & Review Written Process on the CoC website; announcements via the membership listserv; & by communicating local competition priorities and the Rank & Review Process during the new project webinar. The CoC-created and approved the R & R process that includes criteria to score all new projects based on local community need and HUD best practices; agency experience, etc. The tool makes clear additional points are awarded to non CoC-funded agencies. Membership reviews all project/s included in the Priority Listing and provides final approval for all new projects. 4) The CA ensured effective communication with & access for individuals with disabilities by posting content and documents on its website that are responsive to screen-reader software (e.g., accessibility tags to PDF documents, closed captioning).

## 1C. Coordination and Engagement

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2023 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
  - 24 CFR part 578;
  - FY 2023 CoC Application Navigational Guide;
  - Section 3 Resources;
  - PHA Crosswalk; and
  - Frequently Asked Questions

1C-1.	Coordination with Federal, State, Local, Private, and Other Organizations.	
	NOFO Section V.B.1.b.	
	In the chart below:	
	1. select yes or no for entities listed that are included in your CoC's coordination, planning, and operations of projects that serve individuals, families, unaccompanied youth, persons who are fleeing domestic violence who are experiencing homelessness, or those at risk of homelessness; or	
	2. select Nonexistent if the organization does not exist within your CoC's geographic area.	

	Entities or Organizations Your CoC Coordinates with for Planning or Operations of Projects	Coordinates with the Planning or Operations of Projects?
1.	Funding Collaboratives	Yes
2.	Head Start Program	Yes
3.	Housing and services programs funded through Local Government	Yes
4.	Housing and services programs funded through other Federal Resources (non-CoC)	Yes
5.	Housing and services programs funded through private entities, including Foundations	Yes
6.	Housing and services programs funded through State Government	Yes
7.	Housing and services programs funded through U.S. Department of Health and Human Services (HHS)	Yes
8.	Housing and services programs funded through U.S. Department of Justice (DOJ)	Yes
9.	Housing Opportunities for Persons with AIDS (HOPWA)	Yes
10.	Indian Tribes and Tribally Designated Housing Entities (TDHEs) (Tribal Organizations)	Nonexistent
11.	Organizations led by and serving Black, Brown, Indigenous and other People of Color	Yes
12.	Organizations led by and serving LGBTQ+ persons	No
13.	Organizations led by and serving people with disabilities	Yes
14.	Private Foundations	Yes
15.	Public Housing Authorities	Yes
16.	Runaway and Homeless Youth (RHY)	Yes
17.	Temporary Assistance for Needy Families (TANF)	Yes
	Other:(limit 50 characters)	

18.	VA- Veterans	Yes
-----	--------------	-----

1C-2.	CoC Consultation with ESG Program Recipients.	
	NOFO Section V.B.1.b.	

Describe in the field below how your CoC:	
1.	consulted with ESG Program recipients in planning and allocating ESG Program funds;
2.	participated in evaluating and reporting performance of ESG Program recipients and subrecipients;
3.	provided Point-in-Time (PIT) count and Housing Inventory Count (HIC) data to the Consolidated Plan jurisdictions within its geographic area; and
4.	provided information to Consolidated Plan Jurisdictions to address homelessness within your CoC's geographic area so it could be addressed in the Consolidated Plan update.

**(limit 2,500 characters)**

1) The CoC actively consulted in the planning and allocation of ESG funds with the New York State Office of Temporary and Disability Assistance (OTDA), the only recipient in the Continuum's geographic area. As part of the competitive ESG procurement process, the CoC reviewed and commented on proposed projects and provided letters of support for projects that were submitted. Additionally, the ESG funded Member Agency Community Action of Greene County is actively involved in CoC leadership and consults with the Coordinated Entry and the CoC on their proposed projects. To determine allocation of ESG funds, OTDA staff utilized information from the CoC (through publicly posted data on the CoC's website). 2) The CoC played a critical role in evaluating and reporting on ESG (as well as ESG-CV) program performance via virtual program monitoring conducted by the Collaborative Applicant on behalf of the grantee (i.e., and OTDA). Specifically, the CoC assisted in developing ESG/ESG-CV performance standards that were included in the CoC Written Standards and reviewed project compliance via monitoring. The Collaborative Applicant, with the support of the CoC Board, developed the monitoring tool, reviewed monitoring results, and in collaboration with Collaborative Applicant Planning, HMIS, and Compliance staff, provided Technical Assistance to agencies needing support during monitoring. Monitoring results were also shared with subrecipients and OTDA. 3) The Collaborative Applicant and the Board provided OTDA with HIC/PIT and HMIS/DV data also posted to the Collaborative Applicant's website via public posting. 4) The CoC also provided quarterly HMIS- derived CAPERs and other relevant info to Consolidated Plan Jurisdictions to address homelessness in its geographic area for use in future Consolidated Plan updates and/or amendments information was available on the CA website for Consolidated Plan Jurisdictions to access at any time.

1C-3.	Ensuring Families are not Separated.	
	NOFO Section V.B.1.c.	

Select yes or no in the chart below to indicate how your CoC ensures emergency shelter, transitional housing, and permanent housing (PSH and RRH) do not deny admission or separate family members regardless of each family member's self-reported sexual orientation and gender identity:
---

1.	Conducted mandatory training for all CoC- and ESG-funded service providers to ensure families are not separated.	Yes
2.	Conducted optional training for all CoC- and ESG-funded service providers to ensure families are not separated.	Yes
3.	Worked with ESG recipient(s) to adopt uniform anti-discrimination policies for all subrecipients.	Yes
4.	Worked with ESG recipient(s) to identify both CoC- and ESG-funded facilities within your CoC's geographic area that might be out of compliance and took steps to work directly with those facilities to bring them into compliance.	Yes
5.	Sought assistance from HUD by submitting questions or requesting technical assistance to resolve noncompliance by service providers.	No

1C-4.	CoC Collaboration Related to Children and Youth—SEAs, LEAs, School Districts.	
	NOFO Section V.B.1.d.	

Select yes or no in the chart below to indicate the entities your CoC collaborates with:

1.	Youth Education Provider	Yes
2.	State Education Agency (SEA)	Yes
3.	Local Education Agency (LEA)	Yes
4.	School Districts	Yes

1C-4a.	Formal Partnerships with Youth Education Providers, SEAs, LEAs, School Districts.	
	NOFO Section V.B.1.d.	

Describe in the field below the formal partnerships your CoC has with at least one of the entities where you responded yes in question 1C-4.

(limit 2,500 characters)

The CoC has formal partnerships with 1) youth education providers, 2) State Education Agencies (SEA), 3) Local Education Agencies (LEA), and 4) School Districts through: a) Engaging all agencies with formal partnerships to fill out CoC Membership and Board applications; b) formally requiring per CoC Written Standards that providers have an educational liaison; and c) partnering during the annual Point-In-Time (PIT) Count. a) The CoC actively engages youth education providers, SEAs, LEAs, and school districts to join the CoC and fill out formal CoC Membership/Board applications through annual one-on-one outreach by the Collaborative Applicant and CoC Board members. As a result, for example, the CoC recruited Columbia Opportunities (the local Head Start provider) and St. Catherine's Center for Children (special education provider) to join the CoC Board. b) While not a formal commitment, the CoC Written Standards state all programs that serve households with children must designate a staff person as the educational liaison to ensure children are enrolled in school, connected to appropriate services in the community, including early childhood programs such as Head Start. The CoC systematically ensures agencies working with children have a formal process with local education agencies/programs/school districts to ensure educational disruptions are minimized as the family/youth is supported in gaining/maintaining permanent housing. For example, education liaisons ensure that preschool children meeting the McKinney definition of homelessness are made aware of a preference for Head Start enrollment. C) Finally, the CoC formally partners with youth education providers, SEAs, LEAs, and school districts by asking such agencies to provide information in writing to conduct the Annual Point In Time count. Specifically, the CoC collects data from participating entities (i.e., McKinney-Vento School Liaisons) that provide reports on demographics on youth at-risk of or experiencing homelessness. This data, as well as trending data analyzed from the last several years, is used to inform the action plans to address youth homelessness for the upcoming year.

1C-4b.	Informing Individuals and Families Experiencing Homelessness about Eligibility for Educational Services.	
	NOFO Section V.B.1.d.	

Describe in the field below written policies and procedures your CoC uses to inform individuals and families who become homeless of their eligibility for educational services.
---

**(limit 2,500 characters)**

The CoC adopted policies & procedures within its Written Standards to ensure all programs consistently & accurately inform individuals & families experiencing homelessness about available education services & related eligibility. CoC policy requires CoC providers serving households with children designate a specialized staff person as the educational liaison to inform individuals & families of their eligibility for schooling & provide direct support to set up services on their behalf to ensure no disruption in current education services for students entering shelter or transitioning from shelter into permanent housing. Specifically, educational liaisons are responsible for ensuring children continue enrollment in school & connected to age-appropriate services in the community (e.g., Head Start, Public Pre-K, Individuals with Disabilities Education Act Part C, McKinney Vento Education Services as well as opportunities for High School Equivalency (HSE), job training, & higher education courses). Educational liaisons are expected to connect & work with homeless individuals, families, schools, and education programs to ensure the most appropriate educational services are made available and barriers to accessing educational services are removed. For example, CoC agency staff are required to coordinate with McKinney-Vento Liaisons in families' existing school districts to coordinate transportation services and ongoing enrollment. The Regional Advisory Board on Youth Homelessness regularly surveys all CoC funded agencies to collect contact information on the agency appointed staff serving as the educational liaison. Moving forward, the CoC program monitoring process will include a review of agency connection with the local schools & corresponding McKinney-Vento representative & following protocols to ensure all children are appropriately served by their school. At the CoC system level, the CoC fosters a strong partnership with education via the McKinney-Vento homeless liaisons encouraging participation on the CoC Board & relevant committee work. The CoC meets at least annually with McKinney Vento liaisons to specifically review CoC policies and procedures to ensure full compliance and best practice with regulations. Lastly, the Department of Social Services employment center links individuals and families to accessible job training, & higher education courses locally within the county.

1C-4c.	Written/Formal Agreements or Partnerships with Early Childhood Services Providers.	
	NOFO Section V.B.1.d.	

Select yes or no in the chart below to indicate whether your CoC has written formal agreements or partnerships with the listed providers of early childhood services:

		MOU/MOA	Other Formal Agreement
1.	Birth to 3 years	Yes	Yes
2.	Child Care and Development Fund	No	Yes
3.	Early Childhood Providers	Yes	Yes
4.	Early Head Start	No	Yes
5.	Federal Home Visiting Program—(including Maternal, Infant and Early Childhood Home and Visiting or MIECHV)	No	No
6.	Head Start	Yes	Yes
7.	Healthy Start	Yes	Yes

8.	Public Pre-K	Yes	Yes
9.	Tribal Home Visiting Program	No	No
	Other (limit 150 characters)		
10.			

1C-5.	Addressing Needs of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors—Collaboration with Federally Funded Programs and Victim Service Providers.
	NOFO Section V.B.1.e.

In the chart below select yes or no for the organizations your CoC collaborates with:

	Organizations	
1.	state domestic violence coalitions	Yes
2.	state sexual assault coalitions	Yes
3.	other organizations that help this population	Yes

1C-5a.	Collaboration with Federally Funded Programs and Victim Service Providers to Address Needs of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.	
	NOFO Section V.B.1.e.	

Describe in the field below how your CoC regularly collaborates with organizations indicated in Question 1C-5 to:

1.	update CoC-wide policies; and
2.	ensure all housing and services provided in the CoC's geographic area are trauma-informed and can meet the needs of survivors.

(limit 2,500 characters)

The CoC regularly collaborates with the NYS Domestic Violence Coalition, NYS Coalition Against Sexual Assault and other organizations that help survivors of DV to update CoC policies. These collaborations ensure that Victim Service Providers (VSPs) are informed and assist in the process of developing and updating CoC-wide policies and ensure that all housing and services provided in the CoC are trauma-informed and meet the needs of survivors who present at mainstream programs within the CoC. 1) Community Action of Greene County(CAGC) , which is a domestic violence service provider, CoC and ESG funded and part of the NYS DV and Sexual Assault Coalitions, actively participates as the Co-Chair of the Columbia Greene CoC serving on the CoC Board and Governance committees and is part of the CE system. CAGC has been involved in the process of updating the CoC governance charter and Written Standards. CAGC partners with CARES of NY Inc., the lead agency for the parallel DV Coordinated Entry system that serves survivors of domestic violence, dating violence, sexual assault, and stalking, and is active in developing CE processes within the CoC. 2) Training provided by state coalitions to domestic violence service providers, such as CAGC, ensures all housing and services provided in the CoC and funded through ESG are trauma-informed and meet the needs of survivors through annual and as-needed training. Past online training focused on victim services through trauma-informed screening and care. The DV Regional Advisory Board, comprised of domestic violence service providers across New York State hosts annual safety planning training to all CoC member providers on trauma-informed care & best practices to meet the need of survivors. Policy adoption of a Housing First approach by all CoC-funded providers ensures that survivors presenting at any location will be served quickly and appropriately. Resources and training provided by state coalitions are shared at CoC membership and CE meetings. Finally, the CoC awards points in its NOFO Rank & Review process to agencies providing proof of trauma-informed care & provision of equitable services for staff.

1C-5b.	Coordinated Annual Training on Best Practices to Address the Needs of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.	
	NOFO Section V.B.1.e.	
	Describe in the field below how your CoC coordinates to provide training for:	
1.	project staff that addresses best practices (e.g., trauma-informed, victim-centered) on safety and planning protocols in serving survivors of domestic violence and indicate the frequency of the training in your response (e.g., monthly, semi-annually); and	
2.	Coordinated Entry staff that addresses best practices (e.g., trauma informed care) on safety and planning protocols in serving survivors of domestic violence and indicate the frequency of the training in your response (e.g., monthly, semi-annually).	

(limit 2,500 characters)

The Collaborative Applicant (CA), with participation of CoC members and the Regional DV Advisory Board (DV Board), coordinates with victim service providers (VSP) to offer annual training for CoC and Coordinated Entry (CE) staff. Training topics cover trauma-informed & victim-centered best practice approaches serving survivors of domestic violence, dating violence, sexual assault, and stalking. 1&2) This year, the CA hosted a safety planning training for CoC project and CE staff with a quiz at the end to ensure comprehension. The training reinforced the importance of incorporating victim’s rights, voices and perspectives when assessing victims’ individual safety needs. Examples from this training include developing home visit protocol for project staff to ensure victim safety during the visits; information on orders of protection; and risks associated with referring clients to mainstream programs. The CA promoted HUD’s webinar series “Housing Services for Persons Impacted by DV and Sexual Assault” which detailed using a trauma-informed approach in delivering all services. Other webinars are regularly posted on the CoC’s website, used by CoC and CE project staff, and publicized at CoC membership and CE meetings. 1) Annually, the CoC collaborates with Community Action of Greene County (CAGC), the CoC funded domestic violence service provider, to develop training on Trauma-Informed care and Victim-Centered approaches. CAGC participates in the DV Board, comprised of providers across NY, that meets bimonthly. Examples of the DV Board’s work include reviewing and informing on the CoC’s Emergency Transfer Plan (ETP) before it is reviewed and adopted by the CoC. For example, the ETP includes eligibility for emergency transfers and outline protocols for confidentiality to ensure safety when rapidly re-housing DV Victims. 2) The CE Lead also hosts annual trainings for mainstream housing providers for protocols to minimize traumatization for survivors when completing the CoC CE assessment. CAGC’s participation in the CE program development has improved the process for victims of domestic violence, making it safer and more client driven. The CE Policies and Procedures Manual includes safety and confidentiality protocols for survivors applying for housing programs ensuring they are built on a trauma-informed, victim-centered lens.

1C-5c.	Implemented Safety Planning, Confidentiality Protocols in Your CoC’s Coordinated Entry to Address the Needs of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.	
	NOFO Section V.B.1.e.	
	Describe in the field below how your CoC’s coordinated entry includes:	
1.	safety planning protocols; and	
2.	confidentiality protocols.	

(limit 2,500 characters)

The CoC's Coordinated Entry (CE) process has policies & procedures related to 1) Safety protocols and, 2) Confidentiality protocols for survivors of domestic violence, dating violence, sexual assault & stalking to safely access needed services, as outlined in the CE Policies & Procedures Manual & the Written Standards (addendum: Emergency Transfer Plan). 1) The CoC's CE safety protocols include a "No Wrong Door" approach, implementing safety planning & offering referrals to DV providers. The "No Wrong Door" approach is designed to ensure assessments are completed where clients present for housing and at locations where survivors feel safest at the time. The CoC coordinates the efforts of both DV/non-DV providers to ensure mainstream housing programs adhere to DV safety protocols (i.e. implementing a safety plan w/ clients) and provide survivors a wide range of service options. Survivors seeking housing at non-DV providers are offered connections w/ DV services via a phone assessment. 2) Confidentiality protocols include collecting self-reported information w/in the HMIS system so clients only disclose information they are comfortable reporting. The CoC has an anonymization policy to support de-identified data collection at intake which allows for the prioritization index to be completed w/out sensitive information being entered into the mainstream CE database. Additionally, the CoC CE confidentiality protocol requires each client participating within the CE project to complete the HMIS inclusion disclosure form. This document clearly informs clients of their rights surrounding data collection & entry - including the right to refuse entry into the HMIS & instead choose use of the comparable database w/ de-identified data, as well as the opportunity for clients to give or decline permission for other participating agencies to access their application. Another safety protocol that is used is the VAWA compliant informed consent forms; agencies are not allowed to discuss client specific information with a partner agency. Finally, the CoC has a parallel & comparable CE database for survivors of DV, capturing only de-identified information. Victim Service Provider agency staff are trained annually on the database for client intakes & service referrals.

1C-5d.	Used De-identified Aggregate Data to Address the Needs of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.	
	NOFO Section V.B.1.e.	

Describe in the field below:	
1.	the de-identified aggregate data source(s) your CoC used for data on survivors of domestic violence, dating violence, sexual assault, and stalking; and
2.	how your CoC uses the de-identified aggregate data described in element 1 of this question to evaluate how to best meet the specialized needs related to domestic violence and homelessness.

(limit 2,500 characters)

1)The CoC uses de-identified aggregate data from three sources: a) comparable databases, such as Empower, (Community Action of Greene and Columbia Counties (CACG) utilizes Empower), b) HMIS for DV clients that choose to use the mainstream coordinated entry program, and c) data provided by DV and VSPs who collect de-identified aggregate data outside of the comparable database (such as information from DV hotlines) to assess special needs related to DV, dating violence, sexual assault, & stalking survivors. CARES of NY organized and facilitates a Regional Domestic Violence Advisory Board with the purpose of analyzing DV data to assess the special needs related to this population using the analyses to inform community planning for these populations. Currently the DV Advisory Board reviews APRs and collects CAPERs quarterly to identify characteristics regarding the needs of DV survivors to better inform their CoCs on gaps in services. 2) The CoC used the de-identified aggregate data described in part 1 above for the a) HIC & PIT, b) Rank & Review (R&R), & c) DV Coordinated Entry (CE). a) Data provided for the HIC & PIT informs the CoC on demographics including disabling conditions, & household size, to determine the number and type of housing needed to meet the special needs (including safety) of victims of DV. b) The CA also collects de-identified data from CoC-funded DV providers for the CoC R&R. This data assists the CoC in ensuring program performance outcomes of DV providers, helping to inform priorities for DV Bonus projects. c) Finally, the DV CE lead provides a comprehensive assessment of special needs through data collection from the vulnerability assessment that is separate from the mainstream CE tool, that identifies the severity & type of special needs among households fleeing domestic violence. Data fields on the assessment include the number of episodes of homelessness, income, employment status, identified disability, & specific needs related to immediate & ongoing safety. This de-identified qualitative info is shared through mainstream CE case conferencing to ensure appropriate housing options. The CoC also uses the de-identified aggregate data from DV agencies provided for the Rank and Review Process to inform Strategic Planning & local needs. Deeper analysis of these data sources allows the CoC to assess & understand the scale & demographics of the population & tailor interventions that meet specific needs.

**&nbsp;**

1C-5e.	Implemented Emergency Transfer Plan Policies and Procedures for Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.	
	NOFO Section V.B.1.e.	

Describe in the field below how your CoC communicates to all individuals and families seeking or receiving CoC Program assistance:

1.	whether your CoC has policies and procedures that include an emergency transfer plan;
2.	the process for individuals and families to request an emergency transfer; and
3.	the process your CoC uses to respond to individuals' and families' emergency transfer requests.

**(limit 2,500 characters)**

The CoC communicates Emergency Transfer Plan (ETP) policies and procedures for survivors to all households seeking/receiving CoC Program assistance by posting the CoC's policies and procedures (including the ETP) on the CA's website; posting the process for individuals and families to request an emergency transfer & documenting the process the CoC uses to respond to transfer requests. The CoC provides training to CE providers on how to identify households who can benefit from the policy and how to discuss this process with households who request services. The CoC has a Membership/Board approved ETP. The ETP is reviewed by both the CoC Board and Membership annually. During the review, members discuss the ETP including eligibility, documentation required, confidentiality/safety precautions and the transfer process itself. CoC members include private sector, healthcare, housing, faith based and advocacy groups that forward information to all those seeking/receiving CoC program funding assistance. DV providers educate the Board/Membership on the ETP policy and procedures. The ETP is posted on the CoC's website and updated as necessary. 2)To request an emergency transfer, a tenant must notify the housing program's administrator and submit a written request. The CoC communicates this process to all households seeking/receiving CoC program assistance. The CoC DV-CE and mainstream CE programs are responsible for educating case managers participating in CE on the process to request an emergency transfer and take the lead with clients requesting transfers. Case managers inform those seeking/receiving CoC Program assistance on the emergency transfer process and work with case managers from the referral agency to ensure safety/confidentiality of the client 3) The CoC responds to a household's emergency transfer request by quickly moving a tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking to another unit, subject to the availability/safety of a unit. If the housing program the client currently resides in does not expect to have another unit available shortly, it will contact other housing programs to locate an available unit. De- identifiable information is provided to the referring agency. The case manager working with those requesting an emergency transfer communicates with the case manager of the referral agency and initiates a warm hand off. This process will be documented within the Written Standards and reviewed annually.

1C-5f.	Access to Housing for Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	

Describe in the field below how your CoC:	
1.	ensures that survivors of domestic violence, dating violence, sexual assault, or stalking have safe access to all of the housing and services available within the CoC's geographic area; and
2.	proactively identifies systemic barriers within your homeless response system that create barriers to safely house and provide services to survivors of domestic violence, dating violence, sexual assault, or stalking.

(limit 2,500 characters)

1)The CoC ensures survivors of domestic violence, dating violence, sexual assault or stalking are provided the same access to housing and services as all other populations experiencing homelessness within the CoC’s geographic area by operating and monitoring a coordinated DV and mainstream Coordinated Entry Program (CE). The coordination of both CE programs ensures the same access to all housing and services to survivors as all other populations experiencing homelessness—not just assistance from victim service organizations within the CoC’s geographic area. Community Action of Greene County (CAGC), the local domestic violence provider, and CARES of New York, who is both the DV CE and mainstream CE Lead, jointly host monthly case conferences with participating providers to review all clients placed on both CE priority lists. Providers work directly with the CE Lead to ensure safety and confidentiality protocols are in place for all participants with a focus on the unique needs of survivors. 2) The CoC proactively identifies systemic barriers within the homeless response system that create barriers to safely house and provide services to survivors of domestic violence, dating violence sexual assault or stalking by a) ensuring regular assessment of the CE policy and procedure manual which details safety planning protocols and b) by participating in and requesting feedback specifically regarding systemic barriers to housing from the DV Advisory Board. This Committee is comprised of representatives from 12 CoCs across NY state, many of whom are survivors with lived expertise themselves, who work collaboratively w/ local CoC to directly inform CoC policy & program priorities & ensure survivor voices are heard. These proactive measures have allowed the CoC to better identify barriers and allowed mainstream and DV providers to better serve those in need.

1C-5g.	Ensuring Survivors With a Range of Lived Expertise Participate in Developing CoC-Wide Policy and Programs.	
	NOFO Section V.B.1.e.	
	Describe in the field below how your CoC:	
1.	ensured survivors with a range of lived expertise are involved in the development of your CoC-wide policy and programs; and	
2.	accounted for the unique and complex needs of survivors.	

(limit 2,500 characters)

1)The CoC ensures survivors w/ lived expertise (SWLE) are involved in the development of CoC-wide policy & programs by ensuring safe recruitment & meaningful participation in the development of CoC policies & programs. 1.1 Currently there are self-identified members with a range of lived experience within the CoC that participate on committees, including but not limited to committees that focus on the local Rank & Review (R&R) process &/or development of governance documents. Additionally, CoC Co-Chairs that operate Community Action programs in Greene and Columbia Counties and are involved in the development of CoC- wide policy and programs have SWLE serving as board members. 1.2 The CoC safely engages & recruits SWLE through email promotion of board openings & 1-on-1 outreach by existing CoC members to SWLE. With all recruitment efforts, people are encouraged to self-identify as having (LE); disclosure is always voluntary. The CoC has extensive training opportunities to onboard SWLE recruited to participate in CoC activities including webinar series & individual training with board & current members. Currently, the CoC is identifying options for compensation for SWLE time spent on CoC activities (fiscal & non-fiscal) which SWLEs can choose. 1.3 The CoC intentionally & meaningfully integrates survivors' feedback by participating in & requesting feedback from the DV Regional Advisory Board (DV Board). This Committee is comprised of representatives from at least 12 NYS CoCs, many of whom are SWLE themselves, who work collaboratively w/ local CoC to directly inform CoC policy & program priorities & ensure survivor voices are heard. An example of this collaboration is the direct feedback the group provided to the CoC on this years' R&R tool. 2) The CoC ensures the unique & complex needs of survivors are accounted for within program & policy development through recruitment of SWLE & through participation within the DV Board. The CoC explicitly requests Board & CoC members preferred name & gender (only sharing this information w/ permission) & allows for multiple options for safe communication w/ all who participate (e.g. voice, text, email, fax, & paper mail). Any safety protocols suggested to ensure safety are followed, including name changes, exclusion from public postings, offering flexibility in meetings (i.e. hybrid options), & always ensuring consent from the survivor before SWLE status is disclosed or referenced in CoC work.

1C-6.	Addressing the Needs of Lesbian, Gay, Bisexual, Transgender and Queer+--Anti-Discrimination Policy and Training.	
	NOFO Section V.B.1.f.	

	1. Did your CoC implement a written CoC-wide anti-discrimination policy ensuring that LGBTQ+ individuals and families receive supportive services, shelter, and housing free from discrimination?	Yes
	2. Did your CoC conduct annual CoC-wide training with providers on how to effectively implement the Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity (Equal Access Final Rule)?	Yes
	3. Did your CoC conduct annual CoC-wide training with providers on how to effectively implement Equal Access in Accordance With an Individual's Gender Identity in Community Planning and Development Programs (Gender Identity Final Rule)?	Yes

1C-6a.	Anti-Discrimination Policy--Updating Policies--Assisting Providers--Evaluating Compliance--Addressing Noncompliance.	
	NOFO Section V.B.1.f.	

	Describe in the field below:
1.	how your CoC regularly collaborates with LGBTQ+ and other organizations to update its CoC-wide anti-discrimination policy, as necessary to ensure all housing and services provided in the CoC are trauma-informed and able to meet the needs of LGBTQ+ individuals and families;
2.	how your CoC assisted housing and services providers in developing project-level anti-discrimination policies that are consistent with the CoC-wide anti-discrimination policy;
3.	your CoC's process for evaluating compliance with your CoC's anti-discrimination policies; and
4.	your CoC's process for addressing noncompliance with your CoC's anti-discrimination policies.

(limit 2,500 characters)

1)The CoC regularly collaborates with regional LGBTQ+ organizations to update its CoC-wide anti-discrimination policy as included within the Written Standards. Input is gathered from stakeholders throughout the year & during the annual review of the Written Standards. This process ensures, among other priorities, all housing & services provided in the CoC are trauma-informed & able to meet the needs of LGBTQ+ individuals & families. Specifically, the Collaborative Applicant (CA) annually reviews & recommends updates to the anti- discrimination policy to the Board. The Board & then Membership make further edits & vote to implement the policy, ensuring a comprehensive review by a myriad of agencies.

2)The CoC assisted providers in developing & implementing project-level anti-discrimination policies consistent with the CoC-wide policy by providing an agency-level policy template & offering TA during the development & implementation anti-discrimination policies. The CoC also assists agencies during project monitoring which includes review of agency-level policies, including anti-discrimination, to ensure alignment with current CoC policies, HUD regulations, & best practices. 3) The CoC evaluates compliance w/ anti-discrimination policies during annual program monitoring, the Rank & Review (R&R) process & CoC-offered trainings. The annual monitoring process ensures agency-level anti-discrimination policies exist (& clearly detail who to contact if a client's civil rights are violated), are being implemented, & are shared w/all clients & staff. The R&R process provides further verification by requiring renewal project applicants to submit an up-to-date anti-discrimination policy w/their application. Points are awarded to projects that have policies that affirm LGBTQ+ households will receive services & housing free from discrimination. Finally, CoC & ESG-funded agencies participate in annual, mandatory anti-discrimination training during which the CoC can gauge if any concerns w/compliance exist. 4) The CoC's process for addressing non- compliance w/ the anti-discrimination policy as outlined in the Written Standards includes notifying the agency & scheduling TA provided by the CA during which a corrective action plan is developed, immediately implemented, & reviewed after 30 days. Non-compliance is also indirectly addressed through the R&R process whereby renewal project apps receive lower scores if up-to-date anti-discrimination policies are not in place.

1C-7.	Public Housing Agencies within Your CoC's Geographic Area–New Admissions–General/Limited Preference–Moving On Strategy.	
	NOFO Section V.B.1.g.	

You must upload the PHA Homeless Preference\PHA Moving On Preference attachment(s) to the 4B. Attachments Screen.

Enter information in the chart below for the two largest PHAs highlighted in gray on the current CoC-PHA Crosswalk Report or the two PHAs your CoC has a working relationship with—if there is only one PHA in your CoC’s geographic area, provide information on the one:

Public Housing Agency Name	Enter the Percent of New Admissions into Public Housing and Housing Choice Voucher Program During FY 2022 who were experiencing homelessness at entry	Does the PHA have a General or Limited Homeless Preference?	Does the PHA have a Preference for current PSH program participants no longer needing intensive supportive services, e.g., Moving On?
NYS Homes & Community Renewal	11%	Yes-HCV	No
Catskill Housing Authority	0%	No	No

1C-7a. Written Policies on Homeless Admission Preferences with PHAs.	
NOFO Section V.B.1.g.	

Describe in the field below:

1. steps your CoC has taken, with the two largest PHAs within your CoC’s geographic area or the two PHAs your CoC has working relationships with, to adopt a homeless admission preference—if your CoC only has one PHA within its geographic area, you may respond for the one; or
2. state that your CoC has not worked with the PHAs in its geographic area to adopt a homeless admission preference.

(limit 2,500 characters)

1) The CoC has taken the following steps to strengthen existing relationships with the Catskill Housing Authority (CHA) & NYS Homes & Community Renewal (HCR), a Housing Choice Voucher administrator, to work towards the adoption of a homeless preference in their admission policies: a) focus on relationship building to ensure PHA participation & collaboration; & b) provide advocacy & education on homeless needs through data sharing. The CoC , through one-on-one meetings & email communication, encouraged PHA/HCV staff to participate in the CoC’s strategic planning process. Data collected during the strategic planning process & collaboration between the CoC & PHA/HCV staff highlighted for PHA/HCV staff the current needs of the homeless population & the need for & benefits of creating & sustaining a homeless preference. Additionally, this year the CoC hosted a ‘Unhoused to Housed’ event, in which over 40 agencies – including three local PHAs/HCV administrators – attended to discuss local needs related to homelessness, current services, and ways to better collaborate. In terms of HCR’s preference, local Housing Choice Voucher administrators who are also CoC members were instrumental in advocating to HCR which resulted in the addition of a homeless preference to HCR’s administrative plan in 2020. Specifically, JEM ,a CoC member agency, was instrumental in advocating with NYS to restore the homeless preference in the statewide Administrative Plan. The addition of this preference resulted in an increase in the availability of PHA resources for those exiting homelessness (5% set aside) or exited Rapid Rehousing project (5% set aside) statewide. Additionally, the CoC shares Point-in -Time & Homeless Management Information Systems (HMIS) data with the PHAs to a) review preference criteria to ensure they reflect local community needs; & b) educate administrators on the need for such policies. The CoC continues to work collaboratively with CHA to promote the adoption of a homeless preference in their administrative plan, utilizing the strategies therein.

1C-7b.	<b>Moving On Strategy with Affordable Housing Providers.</b>	
	Not Scored–For Information Only	

Select yes or no in the chart below to indicate affordable housing providers in your CoC's jurisdiction that your recipients use to move program participants to other subsidized housing:

1.	Multifamily assisted housing owners	Yes
2.	PHA	Yes
3.	Low Income Housing Tax Credit (LIHTC) developments	Yes
4.	Local low-income housing programs	Yes
	Other (limit 150 characters)	
5.		

1C-7c.	<b>Include Units from PHA Administered Programs in Your CoC's Coordinated Entry.</b>	
	NOFO Section V.B.1.g.	

In the chart below, indicate if your CoC includes units from the following PHA programs in your CoC's coordinated entry process:

1.	Emergency Housing Vouchers (EHV)	No
2.	Family Unification Program (FUP)	No
3.	Housing Choice Voucher (HCV)	No
4.	HUD-Veterans Affairs Supportive Housing (HUD-VASH)	Yes
5.	Mainstream Vouchers	No
6.	Non-Elderly Disabled (NED) Vouchers	No
7.	Public Housing	No
8.	Other Units from PHAs:	
		No

1C-7d.	<b>Submitting CoC and PHA Joint Applications for Funding for People Experiencing Homelessness.</b>	
	NOFO Section V.B.1.g.	

1.	Did your CoC coordinate with a PHA(s) to submit a competitive joint application(s) for funding or jointly implement a competitive project serving individuals or families experiencing homelessness (e.g., applications for mainstream vouchers, Family Unification Program (FUP), other programs)?	No
		Program Funding Source
2.	Enter the type of competitive project your CoC coordinated with a PHA(s) to submit a joint application for or jointly implement.	

1C-7e.	Coordinating with PHA(s) to Apply for or Implement HCV Dedicated to Homelessness Including Emergency Housing Voucher (EHV).	
	NOFO Section V.B.1.g.	

	Did your CoC coordinate with any PHA to apply for or implement funding provided for Housing Choice Vouchers dedicated to homelessness, including vouchers provided through the American Rescue Plan?	No
--	--	----

1C-7e.1.	List of PHAs with Active MOUs to Administer the Emergency Housing Voucher (EHV) Program.	
	Not Scored–For Information Only	

	Does your CoC have an active Memorandum of Understanding (MOU) with any PHA to administer the EHV Program?	No
--	--	----

	If you select yes to question 1C-7e.1., you must use the list feature below to enter the name of every PHA your CoC has an active MOU with to administer the Emergency Housing Voucher Program.	
--	---	--

<b>PHA</b>		
	This list contains no items	

## 1D. Coordination and Engagement Cont'd

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2023 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2023 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

1D-1.	Discharge Planning Coordination.	
	NOFO Section V.B.1.h.	

Select yes or no in the chart below to indicate whether your CoC actively coordinates with the systems of care listed to ensure persons who have resided in them longer than 90 days are not discharged directly to the streets, emergency shelters, or other homeless assistance programs.

1. Foster Care	Yes
2. Health Care	No
3. Mental Health Care	Yes
4. Correctional Facilities	Yes

1D-2.	Housing First—Lowering Barriers to Entry.	
	NOFO Section V.B.1.i.	

1.	Enter the total number of new and renewal CoC Program-funded PSH, RRH, SSO non-coordinated entry, Safe Haven, and Transitional Housing projects your CoC is applying for in FY 2023 CoC Program Competition.	8
2.	Enter the total number of new and renewal CoC Program-funded PSH, RRH, SSO non-coordinated entry, Safe Haven, and Transitional Housing projects your CoC is applying for in FY 2023 CoC Program Competition that have adopted the Housing First approach.	8
3.	This number is a calculation of the percentage of new and renewal PSH, RRH, SSO non-Coordinated Entry, Safe Haven, and Transitional Housing projects the CoC has ranked in its CoC Priority Listing in the FY 2023 CoC Program Competition that reported that they are lowering barriers to entry and prioritizing rapid placement and stabilization to permanent housing.	100%

1D-2a.	Project Evaluation for Housing First Compliance.	
	NOFO Section V.B.1.i.	

You must upload the Housing First Evaluation attachment to the 4B. Attachments Screen.

	Describe in the field below:
1.	how your CoC evaluates every project—where the applicant checks Housing First on their project application—to determine if they are using a Housing First approach;
2.	the list of factors and performance indicators your CoC uses during its evaluation; and
3.	how your CoC regularly evaluates projects outside of your local CoC competition to ensure the projects are using a Housing First approach.

**(limit 2,500 characters)**

1&3) The CoC regularly evaluates every project to ensure those checking Housing First (HF) on project applications carry out its core principles through Coordinated Entry (CE), Training & Technical Assistance (TA), the local CoC Competition, and Project Monitoring. The CoC continually evaluates Housing First practices outside the local competition through monthly CE [i.e., Single Point of Access (SPOA) or CE case review] meetings which allow members to assess in real time (peer-to-peer) if projects consistently adhere to the HF approach. When necessary, after meetings, the CE Lead [in collaboration with the Collaborative Applicant (CA)] follows up with any agencies/projects struggling to consistently apply HF practices to provide individualized training/TA to ensure project-based and system-wide adherence. The CoC’s annual Renewal & New/Bonus Rank & Review tools include point-bearing questions regarding applicants’ commitment to implementing Housing First (e.g., not requiring service participation or preconditions of program participants). Additionally, annual CoC project monitoring includes an initial review of Housing First (HF) practices (based on HUD’s HF Checklist) and, in alternating years, a more in-depth evaluation using HUD’s HF Assessment Tool. Projects out of compliance are issued concerns/findings and provided individualized training/TA. 2) The list of factors and performance indicators used by the CoC to evaluate the extent to which local programs implement Housing First include ensuring a) program access and continuation is not contingent on current or past substance use, treatment completion, service participation, income requirements, criminal record, or history of victimization (e.g., domestic violence, childhood abuse); b) programs do not deny access based on credit/financial history, poor/lack of rental history, or behaviors perceived as lacking “housing readiness”; c) service goals/plans are tenant-driven, engagement-focused (though not required) and grounded in the harm-reduction model; d) programs provide tenants flexibility to pay their portion of rent (on time), offering payment plans and/or financial management assistance as needed; and e) every effort is made to avoid returns to homelessness through program discharge (i.e., coordinating transfers to new housing/services through referrals & CE).

1D-3.	Street Outreach—Scope.	
	NOFO Section V.B.1.j.	

	Describe in the field below:
1.	your CoC’s street outreach efforts, including the methods it uses to ensure all persons experiencing unsheltered homelessness are identified and engaged;
2.	whether your CoC’s Street Outreach covers 100 percent of the CoC’s geographic area;
3.	how often your CoC conducts street outreach; and
4.	how your CoC tailored its street outreach to persons experiencing homelessness who are least likely to request assistance.

**(limit 2,500 characters)**

1)The CoC’s street outreach methods to identify and all engage persons experiencing unsheltered homelessness include a) street canvassing within local cities and b) coordinating with providers, businesses, police, and hospitals across the CoC to ensure there is coordination for services w/ the outreach teams when persons experiencing unsheltered homelessness are identified. Street Outreach services are provided throughout all of Columbia-Greene by Twin Recovery’s certified peer advocates and mobile outreach program that supports individuals with substance use disorders through a harm reduction and street outreach model. The Mental Health Association (MHA) Mobile Crisis Team identifies unhoused people in crisis and connects them to CoC programs. Columbia County also has a Multidisciplinary team that engages and coordinates services for high risk individuals of adult abuse through outreach with street homeless. The CoC also connects with the VA Outreach and SSVF Program-Soldier On, and Health Care for Homeless Veterans (HCHV). These outreach teams identify and engage unsheltered homeless veterans and connect them to VA services and housing.

2)The CoC provides street outreach throughout 70% of its geographic area but focuses services within the more densely populated villages and towns. 70 percent of the CoC’s geographic area is accessible to street outreach workers, while 30 percent is inaccessible to them because it is mountainous terrain, private farms, rivers, and lakes. The CoC provides outreach to 100% of the accessible geographic area of the CoC. 3) Large scale outreach methods are conducted at least annually through the Unsheltered Point-In-Time Count, but daily for specific populations (e.g., veterans and persons living with mental illness or substance use). 4) The CoC targets its street outreach to persons least likely to request assistance by utilizing client-centered, trauma-informed approaches in engagement, including

a)hiring staff with lived experience to conduct outreach; b) determining locations most visited by the unsheltered (i.e. public libraries, laundromats, convenience stores, outside of churches, parks); c) building trust over time through consistent engagement; and d) providing translation services and other accommodations (I.e. braille, sign-language interpreters) as needed to effectively communicate.

1D-4.	Strategies to Prevent Criminalization of Homelessness.	
	NOFO Section V.B.1.k.	

Select yes or no in the chart below to indicate strategies your CoC implemented to ensure homelessness is not criminalized and to reverse existing criminalization policies in your CoC’s geographic area:

	Your CoC’s Strategies	Ensure Homelessness is not Criminalized	Reverse Existing Criminalization Policies
1.	Engaged/educated local policymakers	Yes	No
2.	Engaged/educated law enforcement	Yes	No
3.	Engaged/educated local business leaders	Yes	No
4.	Implemented community wide plans	Yes	No

5.	Other:(limit 500 characters)		
----	------------------------------	--	--

1D-5.	Rapid Rehousing–RRH Beds as Reported in the Housing Inventory Count (HIC) or Longitudinal Data from HMIS.	
	NOFO Section V.B.1.I.	

	HIC Longitudinal HMIS Data	2022	2023
Enter the total number of RRH beds available to serve all populations as reported in the HIC or the number of households served per longitudinal HMIS data, e.g., APR.	Longitudinal HMIS Data	49	65

1D-6.	Mainstream Benefits–CoC Annual Training of Project Staff.	
	NOFO Section V.B.1.m.	

Indicate in the chart below whether your CoC trains program staff annually on the following mainstream benefits available for program participants within your CoC's geographic area:

	Mainstream Benefits	CoC Provides Annual Training?
1.	Food Stamps	Yes
2.	SSI–Supplemental Security Income	Yes
3.	SSDI–Social Security Disability Insurance	Yes
4.	TANF–Temporary Assistance for Needy Families	Yes
5.	Substance Use Disorder Programs	Yes
6.	Employment Assistance Programs	Yes
7.	Other (limit 150 characters)	

1D-6a.	Information and Training on Mainstream Benefits and Other Assistance.	
	NOFO Section V.B.1.m	

	Describe in the field below how your CoC:
1.	systemically provides up-to-date information on mainstream resources available for program participants (e.g., Food Stamps, SSI, SSDI, TANF, substance abuse programs) within your CoC's geographic area;
2.	works with project staff to collaborate with healthcare organizations, including substance abuse treatment and mental health treatment, to assist program participants with receiving healthcare services; and
3.	works with projects to promote SSI/SSDI Outreach, Access, and Recovery (SOAR) certification of program staff.

**(limit 2,500 characters)**

1) The CoC systematically provides up-to-date info on mainstream resources available for programs/ participants during biannual Membership Meetings. Agencies, including non-CoC members, are invited to provide updates, thus increasing the breadth of knowledge of community resources available. Examples include: Depts of Social Services (SNAP, TANF, Medicaid, employment, etc.); Columbia Opportunities- food pantries; Community Action of Greene County- DV; St. Catherines Children's Center- youth; Soldier On- vet providers; Mental Health Association of Columbia & Greene Counties- mental health (MH); Columbia-Greene Addiction Coalition- substance use disorder (SUD) programs; & Community Healthcare Consortium- Health Homes/Medicaid Care Management programs. The CoC also regularly updates its members on changes in accessing/utilizing mainstream resources via email. If a change in referral/ access to resources requires additional TA for agencies to enact, the Collaborative Applicant (CA) provides webinars as needed. 2) The CoC collaborates with healthcare orgs to assist program participants with receiving healthcare services (i.e. SA & MH treatment) by engaging healthcare partners, both CoC/non-CoC members to present at membership meetings. This information is communicated directly to program staff, who then connect clients with the appropriate healthcare services. Local Mental Health Programs also coordinate with the NYS Dept. of Mental Health's Single Point of Access (SPOA) who then bring this information to CE Case Conferencing sessions. On an annual basis, the CA provides TA to new project applicants on how to coordinate with healthcare providers to ensure program participants can receive necessary healthcare services. 3) The CoC actively promotes the SOAR model & trainings hosted by the regional SOAR TA provider during Membership meetings.

1D-7.	Increasing Capacity for Non-Congregate Sheltering.	
	NOFO Section V.B.1.n.	

Describe in the field below how your CoC is increasing its capacity to provide non-congregate sheltering.

**(limit 2,500 characters)**

The CoC is increasing its capacity to provide non-congregate sheltering by (1) advocating for the creation of new non-congregate shelter w/ affordable housing developers utilizing funding from foundations & other funding streams & (2) connecting clients sheltered in hotel/motels w/ case management (CM) services to create non-congregate-like settings & support. (1) The CoC advocated for the creation of & works directly w/the Galvan Foundation to increase the supply of non-congregate shelter. The Galvan Foundation developed the Galvan Civic Motel that houses individuals & families who are homeless in a non-congregate setting. Additionally, the Galvan has renovated small multi-family units that are used for non-congregate shelter beds on an as needed basis. In addition to this advocacy, the Collaborative Applicant organized a meeting w/ several CoCs in Upstate NY & NYS Homes & Community Renewal (HCR) to discuss how to best allocate these funds to address homelessness & housing instability, including advocating for non-congregate shelter. This advocacy resulted in NYS allocating \$7 million of its HOME-ARP funds to develop non-congregate shelter. (2) In Greene Co. there are no congregate shelter beds so all seeking shelter are placed in hotel/motels. Additionally, as a right to shelter state, if shelter beds are not available, the County Departments of Social Services (DSSs) shelter clients in hotel/motels. The CoC has worked to create non-congregate-like settings for clients in hotels/motels by providing on-site wrap-around services to clients placed in hotel/motels. Support services provided include CM, community referrals, & access to basic necessity items, such as food & hygiene kits. Specifically, Columbia County DSS has a contractual agreement w/ St. Catherine’s Center for Children & Greene County DSS has two full-time case workers to provide on-site supportive services. As a result, clients receive the necessary support services in a private room setting, similar to a non-congregate shelter, increasing self-sufficiency & referrals to wrap-around services. DSS in Greene Co. has two full-time staff dedicated to providing case management at non-congregate sites. Columbia Co. has an Adult Services Multi Disciplinary Team, that includes CoC funded agencies, for those w/ serious mental illness, substance use disorder or that are Chronically homeless. Both DSS’s contract w/ CoC funded agencies to ensure wrap around CM services are available.

ID-8.	Partnerships with Public Health Agencies—Collaborating to Respond to and Prevent Spread of Infectious Diseases.	
	NOFO Section V.B.1.o.	
	Describe in the field below how your CoC effectively collaborates with state and local public health agencies to:	
1.	develop CoC-wide policies and procedures to respond to infectious disease outbreaks; and	
2.	prevent infectious disease outbreaks among people experiencing homelessness.	

(limit 2,500 characters)

The CoC has developed partnerships w/ state & local public health agencies to ensure 1) the CoC has policies & procedures (P&P) in place to respond to infectious disease outbreaks & 2) the CoC can effectively prevent infectious disease outbreaks among people experiencing homelessness. 1) The CoC edited its Coordinated Entry Policies and Procedures and Prioritization Index to prioritize persons who are sick/quarantined or economically impacted by infectious diseases such as COVID-19. Additionally, the Collaborative Applicant is the lead agency on a statewide project in partnership with the Department of Health (DOH) & the University of Rochester to develop health policies, distribute PPE & cleaning supplies, and disseminate information on preventing outbreaks and the spread of infectious diseases in emergency shelters. Results and policies that have been created through this partnership will be shared with the CoC and incorporated into applicable CoC practices. The CoC will continue to collaborate w/state & local public health agencies to craft responsive CoC-wide Policies and Procedures that prioritize care through the lens of infectious disease prevention (i.e. safety measures, quarantine protocols), ensuring the CoC has a coordinated response to future infectious disease outbreaks. 2) The CoC effectively collaborates with state & local health departments providing education and access to vaccination clinics for homeless households. to prevent infectious disease outbreaks among people experiencing homelessness primarily through sharing info/resources at CoC Membership meetings & ensuring representation from state and local Health Dept. staff at meetings. For example, a) a rep from the Columbia Co. Mental Health Clinic & local DSS's for both counties. share info at membership meetings and via email on health services available (i.e. info related to reducing the spread of Monkeypox, COVID, flu); b) agencies that work primarily w/clients w/disabling conditions present resources at CoC membership meetings on supporting immunocompromised clients; & c) the CA shares updates related to the DOH statewide project to prevent infections in emergency shelters. Together, development of infectious disease procedures & resource sharing has resulted in a community of providers that are well-informed & prepared to respond to ongoing/future public health crises.

ID-8a.	Collaboration With Public Health Agencies on Infectious Diseases.	
	NOFO Section V.B.1.o.	
	Describe in the field below how your CoC:	
1.	shared information related to public health measures and homelessness, and	
2.	facilitated communication between public health agencies and homeless service providers to ensure street outreach providers and shelter and housing providers are equipped to prevent or limit infectious disease outbreaks among program participants.	

(limit 2,500 characters)

1) The CoC shares info related to public health measures & homelessness by promoting best practices collected through the Collaborative Applicant's (CA) partnership w/ the Dept. of Health (DOH) shared via regular emails to membership and announcements at board and membership meetings. The CA supports direct service providers by processing & filtering all the updated public health/safety guidance/restrictions provided by the CDC, HUD, & state/local health depts through regular email communication and website updates. The CA also shares new public health measures related to homelessness through a partnership with the state DOH to disseminate supplies and research health measures to mitigate infectious disease for both sheltered & unsheltered populations. Through this partnership, the CA will develop policies and procedures w/ the University of Rochester to equip outreach programs, shelters & housing providers w/ strategies and best practices to limit and prevent infectious disease outbreaks. The CA will continue sharing necessary public health measures through emails and its up-to-date website. For pressing updates (i.e., vaccine availability, infectious disease protocols, COVID waves), CoC providers communicate to fellow outreach, shelter, & housing providers through the CoC Board & Membership email listservs. 2) The CoC facilitates communication between public health agencies & homeless service providers to ensure street outreach, shelter, & housing providers are equipped to prevent or limit infectious disease outbreaks among program participants by hosting online dialogues w/public health experts at Board & Membership meetings. At membership meetings, outreach providers have the opportunity to share best practices, trends they are seeing in the community, and concerns related to street homelessness & the rise of infectious diseases (i.e. COVID, flu season, and the return of Code Blue temps). The CoC brainstorms resources, strategies that have worked in other areas of the state, & possible next steps to address these concerns. The CoC hosts virtual/hybrid Board & Membership meetings that include presentations by public health agencies. Emergency shelter & housing providers share best practices/resources on ensuring staff & client safety compliance, reducing vaccine hesitancy, etc. The CA will continue hosting workshops and meetings that include public health officials to educate the community & prevent infectious disease outbreaks.

1D-9.	Centralized or Coordinated Entry System—Assessment Process.	
	NOFO Section V.B.1.p.	

Describe in the field below how your CoC's coordinated entry system:	
1.	covers 100 percent of your CoC's geographic area;
2.	uses a standardized assessment process; and
3.	is updated regularly using feedback received from participating projects and households that participated in coordinated entry.

(limit 2,500 characters)

1)The Columbia/Greene Coordinated Entry System (CES) is a “No Wrong Door” system reaching homeless households covering 100% of the CoC accessible geographic area of Columbia & Greene Counties. Agencies serving as Points of Entry (POE) for the system include outreach services, emergency shelters, Community Action Agencies, housing providers & local Departments of Social Services. The breadth of the system is captured by the CE priority list which documents client location at intake. The CE Committee reviews POE data to ensure the CoC has accessible CE sites. If a disparity is noted, the Committee engages providers to ensure CE access & address barriers impacting referrals. The CE Committee also considers geographic areas where no referrals are coming in and a reported homeless population exists and areas without access to emergency shelter.

2) The CoC uses a standardized assessment process and CE tool. The CoC updates the tool and process to ensure consistency with HUD requirements and to meet local needs. The assessment process prioritizes people in greatest need of assistance via a prioritization score, including homeless chronicity, disability, & legal system involvement. Participant prioritization is verified by the CE Committee which reviews the list at monthly case conferences to ensure prioritization is given to those with the most severe service needs. 3) The CoC assesses the CES using feedback from participating providers & households and reviews data from the CE/HMIS programs. During these meetings the process is discussed, and the tool is reviewed. The committee looks at current needs being prioritized within the CoC and compares them to the current priority list to ensure consistency. HMIS/CE data is reviewed to look at length of time individuals remain on the CE priority list awaiting housing referrals; extent of engagement w/individuals while on the list; and length of time between referral & placement. This data review helps to identify barriers to quickly obtain housing, ensure equity and informs necessary changes to the process/tool. In addition, the CoC Board acts as the CE Evaluation Entity. This evaluation entity is tasked with using participant/provider data to measure the functioning of the CES. They developed a survey to evaluate the CES which is given to and completed by providers/households that have participated in CE to gauge the effectiveness/efficiency of the CE process and the results are used to inform changes.

1D-9a.	Program Participant-Centered Approach to Centralized or Coordinated Entry.	
	NOFO Section V.B.1.p.	
	Describe in the field below how your CoC's coordinated entry system:	
1.	reaches people who are least likely to apply for homeless assistance in the absence of special outreach;	
2.	prioritizes people most in need of assistance;	
3.	ensures people most in need of assistance receive permanent housing in a timely manner, consistent with their preferences; and	
4.	takes steps to reduce burdens on people using coordinated entry.	

**(limit 2,500 characters)**

1) The CoCs Coordinated Entry System (CES) targets outreach to those least likely to apply for homeless assistance in the absence of special outreach as outlined in the CE Marketing Plan. This Plan incorporates outreach best practices such as street canvassing and developing one-on-one relationships to build/gain trust and peer referrals. 2) The CoC prioritizes people most in need by utilizing the standardized CE assessment tool and prioritization index. This tool uses a set of community-wide prioritization criteria such as length of time homeless, physical/mental/physical health barriers and prior legal system involvement to ensure persons with the greatest service need and/or most barriers are prioritized. 3) The CoC ensures people most in need of assistance receive permanent housing in a timely manner by ensuring their first point of entry/contact quickly shares their intake information for housing services with the CE Lead and referral agencies. The assessment documents persons’ needs including special needs, domestic violence, length of time homeless and familial status to ensure thoughtful referrals are made consistent with the client’s needs and preferences. Once assessed, these households are immediately added to the by-name priority list and referrals are sent to appropriate housing providers for review and consideration. 4) The NY 519 CoC has reduced burdens of those using the CES by adopting a “No Wrong Door” system which allows individuals experiencing a housing crisis to access the CES at numerous points within the CoC’s entire geographic area including emergency shelters, permanent housing agencies and local department of social services. The “No Wrong Door” system ensures the client is only required to make one connection/complete one application to be connected to the most appropriate homeless housing services within the CoC. This system alleviates the burden on the client to find the right service location for their needs. Clients will only be referred to projects where they meet eligibility requirements and criteria to avoid wasting their time. In addition, utilizing one application for all housing opportunities ensures the client will not be answering the same question multiple times or collecting duplicate documentation. The CE committee meets regularly to review the process, exclude invasive questions from the assessment tool, and ensure it remains client centered and efficient as possible.

1D-9b.	Informing Program Participant about Rights and Remedies through Centralized or Coordinated Entry–Reporting Violations.	
	NOFO Section V.B.1.p.	
	Describe in the field below how your CoC through its centralized or coordinated entry:	
1.	affirmatively markets housing and services provided within the CoC’s geographic area and ensures it reaches all persons experiencing homelessness;	
2.	informs program participants of their rights and remedies available under federal, state, and local fair housing and civil rights laws; and	
3.	reports any conditions or actions that impede fair housing choice for current or prospective program participants to the jurisdiction(s) responsible for certifying consistency with the Consolidated Plan.	

**(limit 2,500 characters)**

1) Through its Coordinated Entry System (CES) the NY 519 CoC affirmatively markets housing and services provided within the CoC’s geographic area and ensures it reaches all persons experiencing homelessness by employing strategies that are designed to be inclusive and considerate of the diverse population of individuals experiencing homelessness. The CoC partners with community agencies including translation and disability service providers to ensure that marketing materials are available in commonly spoken languages within the community and accessible to individuals with disabilities. The CoC also uses a variety of outreach channels to maximize its reach. This includes online platforms, social media, community events, and collaboration with local service providers specifically those outreaching to the BIPOC and LGBTQ+ communities. 2) All marketing materials explicitly state the CoC’s commitment to fair housing and non-discrimination, as well as clearly communicate the eligibility criteria for accessing housing and services within the CoC. The CoC also collaborates with community organizations, advocacy groups, and service providers, including Legal Aid, that educate CES providers and program participants of their rights and remedies available to them under federal, state, and local fair housing and civil rights laws. Legal Aid also conducts an annual training session open to the entire CoC, focusing on educating participants about fair housing principles, laws, and available courses of action. 3) The CoCs strategy for reporting observed conditions or actions that impede fair housing includes actively monitoring its coordinated entry system and participating programs to identify any conditions or actions that could potentially impede fair housing choice for program participants. This includes discriminatory practices, barriers to access, or any actions that hinder equal opportunity and the housing first principle. If the CES identifies such conditions or actions, it would be documented and communicated to the CoC as well as the jurisdiction(s) responsible for certifying consistency with the Consolidated Plan. The CoC will continue to monitor its coordinated entry system and programs to ensure that fair housing principles are upheld.

1D-10.	Advancing Racial Equity in Homelessness—Conducting Assessment.	
	NOFO Section V.B.1.q.	

1.	Has your CoC conducted a racial disparities assessment in the last 3 years?	Yes
2.	Enter the date your CoC conducted its latest assessment for racial disparities.	09/23/2022

1D-10a.	Process for Analyzing Racial Disparities—Identified Racial Disparities in Provision or Outcomes of Homeless Assistance.	
	NOFO Section V.B.1.q.	

Describe in the field below:	
1.	your CoC’s process for analyzing whether any racial disparities are present in the provision or outcomes of homeless assistance; and
2.	what racial disparities your CoC identified in the provision or outcomes of homeless assistance.

**(limit 2,500 characters)**

The CoC has made a commitment to identify and eradicate racial disparities in the provision and outcome of homeless assistance. 1) NY-519's process for analyzing racial disparities in the provision and outcomes of homeless assistance included requesting the Collaborative Applicant for an annual analysis of homeless services within the CoC using a REDI lens. Specific data points that indicate the presence of racial disparities are highlighted and discussed with the Board and Membership.2) Through this analysis, the CoC identified the following disparities: Black or African Americans make up 41% of the clients in Emergency shelters and outreach. However Black or African Americans comprise only 10% of the Coordinated Entry Waitlist. Additionally, regarding housing referrals from Coordinated Entry, only 20% of Black or African American clients on the Coordinated Entry waitlist were referred to Permanent Supportive Housing. These results can indicate that Black or African American clients are underrepresented in Coordinated Entry, and that there is racial disparity in Permanent Supportive Housing referrals.

1D-10b.	Implemented Strategies that Address Racial Disparities.	
	NOFO Section V.B.1.q.	

Select yes or no in the chart below to indicate the strategies your CoC is using to address any racial disparities.

1.	The CoC's board and decisionmaking bodies are representative of the population served in the CoC.	Yes
2.	The CoC has identified steps it will take to help the CoC board and decisionmaking bodies better reflect the population served in the CoC.	No
3.	The CoC is expanding outreach in geographic areas with higher concentrations of underrepresented groups.	No
4.	The CoC has communication, such as flyers, websites, or other materials, inclusive of underrepresented groups.	Yes
5.	The CoC is training staff working in the homeless services sector to better understand racism and the intersection of racism and homelessness.	Yes
6.	The CoC is establishing professional development opportunities to identify and invest in emerging leaders of different races and ethnicities in the homelessness sector.	No
7.	The CoC has staff, committees, or other resources charged with analyzing and addressing racial disparities related to homelessness.	No
8.	The CoC is educating organizations, stakeholders, boards of directors for local and national nonprofit organizations working on homelessness on the topic of creating greater racial and ethnic diversity.	No
9.	The CoC reviewed coordinated entry processes to understand their impact on people of different races and ethnicities experiencing homelessness.	Yes
10.	The CoC is collecting data to better understand the pattern of program use for people of different races and ethnicities in its homeless services system.	No
11.	The CoC is conducting additional research to understand the scope and needs of different races or ethnicities experiencing homelessness.	No
	Other:(limit 500 characters)	
12.		

1D-10c.	Implemented Strategies that Address Known Disparities.	
	NOFO Section V.B.1.q.	

Describe in the field below the steps your CoC is taking to address the disparities identified in the provision or outcomes of homeless assistance.

**(limit 2,500 characters)**

The CoC & local homeless providers have taken multiple steps to address disparities found in the provisions and outcomes of homeless assistance, including an analysis of Coordinated Entry data. Black and African American clients are underrepresented on the CE priority list compared to the homeless population. Both the CE priority list, and the percentage of Permanent Supportive Housing referrals per race indicate a disparity. To address these disparities, the CoC is looking internally to identify best practices. Steps that have been taken to ensure the CoC and agency level staff identify actionable steps to eliminate disparity include: 1) reviewed homeless program policies & procedures through a racial equity lens 2) the Rank & Monitoring Committee added a question to the rank and review tool addressing Racial Equity Diversity and Inclusion (REDI) training practices for project staff, and 3) the CE Lead conducted analysis of the Coordinated Entry priority list to identify disparities and develop actionable steps to further racial equity in the provision and outcomes of assistance. The CoC will discuss and review these steps in upcoming meetings to identify how they can be expanded upon in the next six months.

1D-10d.	Tracked Progress on Preventing or Eliminating Disparities.	
	NOFO Section V.B.1.q.	

Describe in the field below:

- |    |  |
|----|--|
| 1. | the measures your CoC has in place to track progress on preventing or eliminating disparities in the provision or outcomes of homeless assistance; and |
| 2. | the tools your CoC uses.   |

**(limit 2,500 characters)**

Analysis completed by NY-519 indicates disparities in the provision/outcomes of homeless assistance. Analysis indicates Black & African American clients are underrepresented on the CE priority list compared to the homeless population (sheltered and unsheltered), and that persons on the CE priority list & the percentage of Permanent Supportive Housing referrals per race reflect disparity compared to the CoC's homeless population. 1) Measures currently being used to track progress on preventing or eliminating disparity are a) tracking successful placements within the CE program by race, b) tracking the number of positive PSH program connections by race, and c) tracking the average length of stay on the CE list by race. These measures are used to illustrate whether positive and efficient housing outcomes on the CE list are proportional to the population size of each racial group. 2) The tools the CoC uses to measure and track progress are locally derived analysis platforms that utilize HMIS and CE data. The data analysis was modeled after the data sources and versions of analysis of HUD's recommended Racial Equity Analysis Tool.

1D-11.	Involving Individuals with Lived Experience of Homelessness in Service Delivery and Decisionmaking–CoC’s Outreach Efforts.	
	NOFO Section V.B.1.r.	

Describe in the field below your CoC’s outreach efforts (e.g., social media announcements, targeted outreach) to engage those with lived experience of homelessness in leadership roles and decision making processes.

**(limit 2,500 characters)**

The CoC’s outreach efforts to engage persons w/ lived experience & expertise of homelessness (PLEEH) in leadership roles & decision-making making processes include: a) surveying clients of Community Action & PH programs on gaps in services; b) CoC Board members recruiting prior/existing clients to join the Executive Board & c) keeping up to date meeting & committee information on the CoC website & encouraging providers to refer clients to this info. a) CoC provider agencies regularly and informally survey & interview clients accessing services to inform gaps in services, resource allocation (i.e. CoC Bonus), & the CoC’s foci to best address homelessness. b) CoC funded agencies reviewed the racial diversity and lived experience of their program personnel to ensure they reflect the homeless population they serve and allow the CoC to ensure participation of PLEEH in all levels of the CoC through annual surveys of board and membership demographics & areas of expertise. The CoC Education and Outreach Committee will use survey results to determine gaps in representation & provide recommendations to CoCs that will allow the CoC to better address those gaps in the future, including additional recruitment of PLEEH into leadership positions w/in the CoC. Currently, three members of the CoC Board are individuals with lived experience. Another individual with lived experience who was recruited via individual outreach from the Collaborative Applicant will be joining the board starting in October c) The CoC also conducts outreach by keeping up to date membership meetings & committee information on the CoC website & encouraging providers to refer clients to this information. Open Committee meetings are publicized, and important Committee information is featured on the Collaborative Applicant website.

1D-11a.	Active CoC Participation of Individuals with Lived Experience of Homelessness.	
	NOFO Section V.B.1.r.	

You must upload the Letter Signed by Working Group attachment to the 4B. Attachments Screen.  
Enter in the chart below the number of people with lived experience who currently participate in your CoC under the four categories listed:

	Level of Active Participation	Number of People with Lived Experience Within the Last 7 Years or Current Program Participant	Number of People with Lived Experience Coming from Unsheltered Situations
1.	Included in the decisionmaking processes related to addressing homelessness.	0	1
2.	Participate on CoC committees, subcommittees, or workgroups.	0	2
3.	Included in the development or revision of your CoC’s local competition rating factors.	0	1

4. Included in the development or revision of your CoC's coordinated entry process.	0	1
---	---	---

1D-11b. Professional Development and Employment Opportunities for Individuals with Lived Experience of Homelessness.	
NOFO Section V.B.1.r.	

Describe in the field below how your CoC or CoC membership organizations provide professional development and employment opportunities to individuals with lived experience of homelessness.

**(limit 2,500 characters)**

The CoC & CoC membership organizations provide professional development & employment opportunities to individuals with lived experience of homelessness by 1) promoting connection between the CoC & employment agencies and 2) creating employment programs for those with lived experience where there were gaps in such services. 1) The CoC continually reaches out to agencies whose experience/knowledge would promote linkages to employment opportunities for clients. For example, through outreach, the Community Action Programs from Columbia and Greene Counties, which both have employment supports, are CoC Executive Board Members and participate in CE. Including agencies that foster upward economic mobility for their clients in membership and CoC leadership allows CoC providers to share professional development and employment resources with current/prior clients with lived experience of homelessness (i.e. those in PH programs or who have graduated from PH programs). Mental Health Association of Columbia and Greene Counties (MHACG) offers a (PROS) Personalized Recovery Oriented Services. The PROS program includes skills training and employment support. 2) CoC member organizations have also created programs that directly connect individuals with lived experience of homelessness to employment. For example, Mental Health Association of Columbia and Greene Counties hire applicants who have lived experience of homelessness and some who were former program participants. Their employment programs offer opportunities for people with lived experience to obtain certifications and credentials in several areas. For example, Peer Specialist positions assist others in the community who are experiencing homelessness. The initiative provides an opportunity for people with lived experience to build hard & soft skills, & gain confidence. These individuals are hired in front line staff positions and have potential to be promoted into supervisory level positions.

1D-11c. Routinely Gathering Feedback and Addressing Challenges of Individuals with Lived Experience of Homelessness.	
NOFO Section V.B.1.r.	

Describe in the field below:

1. how your CoC routinely gathers feedback from people experiencing homelessness;
2. how your CoC routinely gathers feedback from people who have received assistance through the CoC or ESG Programs; and
3. the steps your CoC has taken to address challenges raised by people with lived experience of homelessness.

**(limit 2,500 characters)**

1 & 2) The CoC routinely gathers feedback from Persons with Lived Experience homelessness (PWLE) who received assistance through CoC/ESG programs on their experience by: a) administering client surveys & hosting interviews to assess gaps in homeless services & areas for system improvement; & b) CoC funded CAP agencies have PWLE on their boards to provide insights into the provision of homeless services in the CoC from the client perspective. a) CoC member agencies conducted focus groups & surveyed clients accessing services at provider agencies to identify gaps in services, how funds should be spent, (i.e. CoC Bonus, ARPA funds), & the CoC's strategies to best address homelessness. The CoC also included a question on the local Rank & Review tool about how agencies collect & implement feedback from their clients to encourage agency participation in client engagement. Information from this data collection was formally presented to the Board, informing the focus of CoC work & resource allocation. The CoC also annually assesses the CE system for accessibility, responsiveness, & effectiveness by surveying clients who are/were previously on the CE priority list. b) The CoC encourages PWLE of homelessness to join the Board through targeted outreach. Moving forward, the CoC is developing a formal system to gather feedback from PWLE that will help inform CoC funding priorities, who should be included in leadership, & what projects are needed to have an impact. 3) The CoC has taken steps to address challenges raised by PWLE by a) advocating for funding to address identified needs, b) developing &/or charging CoC committees w/actions to address identified needs, & c) updating CoC processes to reduce barriers to housing & services. To increase the amount of affordable housing & prevention assistance in the community, an issue identified by PWLE through surveys & focus groups, the CoC advocated for NYS HOME-ARP funds to be allocated to fund prevention & support affordable housing dev. In response to PWLE feedback that affordable housing units are challenging to find even w/ rental assistance in hand, the CoC Education & Outreach Committee has been working to cultivate new relationships w/ landlords and create a larger pool of readily available units. In terms of updating processes, feedback from CE client surveys is discussed at CE Advisory Committee meetings & used to improve CE accessibility & intake processes.

1D-12.	Increasing Affordable Housing Supply.	
	NOFO Section V.B.1.t.	
	Describe in the field below at least 2 steps your CoC has taken in the past 12 months to engage city, county, or state governments that represent your CoC's geographic area regarding the following:	
	1. reforming zoning and land use policies to permit more housing development; and	
	2. reducing regulatory barriers to housing development.	

**(limit 2,500 characters)**

1&2) The CoC has engaged local governments, meeting with elected/non-elected officials within the last 12 months to reform zoning and land use policies to permit more housing and reduce regulatory barriers to housing development by taking the following steps: 1) participating in a housing needs assessment, and 2) meeting with elected/non-elected officials to advocate for affordable housing siting. 1) CoC members participated in a housing needs assessment conducted in the City of Hudson to determine the gaps in affordable housing. This assessment was completed within the last 12 months as part of a NYS Downtown Revitalization Initiative Grant (DRI) aimed to support housing & economic development. This assessment resulted in the commitment from the city to take action to stop gentrification of minority communities within the city. The city set aside \$2 million of the DRI funding to rehab smaller multi-family city owned properties to create new affordable housing rentals. In Greene County, the CoC participated in a collaborative effort which included housing developers & local government officials on the development of a rezoned parcel of land to create new emergency, transitional & affordable rental housing. The same collaborative effort is ongoing in Columbia County to identify city owned parcels to develop new rental housing & emergency shelter. As a result of CoC member advocacy, both counties are considering mandatory set asides of affordable housing units as part of any new proposed housing development. 2) The City of Hudson & Columbia County (CoC members) have also taken actions to reduce regulatory barriers to new affordable housing development. The city & county are partnering with the affordable housing developers Galvan Housing Resources & RUPCO (CoC agency) to identify potential sites for affordable housing development. Similarly, the city & county have identified sites for redevelopment & are working with non-profit developers on developing workforce housing for low & very low-income households. As part of the site identification, both the city & county are working with developers to reduce regulatory barriers & streamline the approval processes including permitting & environmental reviews in advance to attract & streamline processes for affordable housing developers.

## 1E. Project Capacity, Review, and Ranking–Local Competition

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2023 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2023 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

1E-1.	<b>Web Posting of Your CoC’s Local Competition Deadline–Advance Public Notice.</b> NOFO Section V.B.2.a. and 2.g. You must upload the Web Posting of Local Competition Deadline attachment to the 4B. Attachments Screen.	
-------	---	--

1.	Enter your CoC’s local competition submission deadline date for New Project applicants to submit their project applications to your CoC—meaning the date your CoC published the deadline.	07/24/2023
2.	Enter the date your CoC published the deadline for Renewal Project applicants to submit their project applications to your CoC’s local competition—meaning the date your CoC published the deadline.	06/08/2023

1E-2.	<b>Project Review and Ranking Process Your CoC Used in Its Local Competition. We use the response to this question and the response in Question 1E-2a along with the required attachments from both questions as a factor when determining your CoC’s eligibility for bonus funds and for other NOFO criteria below.</b> NOFO Section V.B.2.a., 2.b., 2.c., 2.d., and 2.e. You must upload the Local Competition Scoring Tool attachment to the 4B. Attachments Screen. Select yes or no in the chart below to indicate how your CoC ranked and selected project applications during your local competition:	
-------	---	--

1.	Established total points available for each project application type.	Yes
2.	At least 33 percent of the total points were based on objective criteria for the project application (e.g., cost effectiveness, timely draws, utilization rate, match, leverage), performance data, type of population served (e.g., DV, youth, Veterans, chronic homelessness), or type of housing proposed (e.g., PSH, RRH).	Yes
3.	At least 20 percent of the total points were based on system performance criteria for the project application (e.g., exits to permanent housing destinations, retention of permanent housing, length of time homeless, returns to homelessness).	Yes
4.	Provided points for projects that addressed specific severe barriers to housing and services.	Yes

5.	Used data from comparable databases to score projects submitted by victim service providers.	Yes
6.	Provided points for projects based on the degree the projects identified any barriers to participation (e.g., lack of outreach) faced by persons of different races and ethnicities, particularly those over-represented in the local homelessness population, and has taken or will take steps to eliminate the identified barriers.	Yes

1E-2a.	Scored Project Forms for One Project from Your CoC's Local Competition. We use the response to this question and Question 1E-2. along with the required attachments from both questions as a factor when determining your CoC's eligibility for bonus funds and for other NOFO criteria below.	
	NOFO Section V.B.2.a., 2.b., 2.c., and 2.d.	

You must upload the Scored Forms for One Project attachment to the 4B. Attachments Screen.  
 Complete the chart below to provide details of your CoC's local competition:

1.	What were the maximum number of points available for the renewal project form(s)?	188
2.	How many renewal projects did your CoC submit?	9
3.	What renewal project type did most applicants use?	PH-PSH

1E-2b.	Addressing Severe Barriers in the Local Project Review and Ranking Process.	
	NOFO Section V.B.2.d.	

Describe in the field below:

1.	how your CoC analyzed data regarding each project that has successfully housed program participants in permanent housing;
2.	how your CoC analyzed data regarding how long it takes to house people in permanent housing;
3.	how your CoC considered the specific severity of needs and vulnerabilities experienced by program participants preventing rapid placement in permanent housing or the ability to maintain permanent housing when your CoC ranked and selected projects; and
4.	considerations your CoC gave to projects that provide housing and services to the hardest to serve populations that could result in lower performance levels but are projects your CoC needs in its geographic area.

(limit 2,500 characters)

1) The CoC collected & analyzed data on projects that successfully housed program participants in permanent housing (PH) using HMIS/CE project data (or comparable database) to answer objective questions in the local Rank & Review (R&R) tool. The tool scores on utilization, the number of chronically homeless (CH) persons served, positive outcomes, returns to homelessness, & income growth. The Ranking & Monitoring Committee updates the R&R tool, including data to assess project performance. The tool is approved by the Board, and HMIS pulls data or collects aggregate data from a comparable database & sends it to applicants to utilize when completing the local R&R tool. 2) This year the CoC decided not to analyze data regarding length of time between program entry and housing placement. However, CoC monitoring assessed each project's average length of time from clients' entry to housing placement, and such monitoring findings were scored as part of the local R&R tool. 3) The CoC considered the specific severity of needs when ranking projects by including quantitative & qualitative questions within the R&R application process (including the application tools & interviews). Specifically, the R&R tool prioritized projects serving CH, youth, veterans, or victims of DV. Through narrative & interview portions of the R&R application, agencies explain & can recoup points based on unique client needs & vulnerabilities that may have impacted project performance & housing stability. This year's tool included a narrative question for applicants to respond to how their project serves those w/ the most severe service needs (MSSN) & addresses barriers to accessing housing. The CoC considers these factors to ensure effective prioritization & allocation of resources to serve those w/ the MSSN w/i the CoC's geographic area. The CoC also specifically included questions on the local R&R tool for DV & Youth providers to explain positive outcomes that don't meet HUD's traditional definitions of positive outcomes. The corresponding attachment, 1E-2 documents these practices. 4) The CoC considered the following severity of needs & vulnerabilities when ranking projects: CH, Veteran status, history of DV, youth populations, chronic illness, & clients severe service needs. The local R&R interview process also allowed for agencies to explain how serving those w/ the MSSN impacted their performance levels & could recoup points through that explanation.

1E-3.	Advancing Racial Equity through Participation of Over-Represented Populations in the Local Competition Review and Ranking Process.	
NOFO Section V.B.2.e.		
Describe in the field below:		
1.	how your CoC used the input from persons of different races and ethnicities, particularly those over-represented in the local homelessness population, to determine the rating factors used to review project applications;	
2.	how your CoC included persons of different races and ethnicities, particularly those over-represented in the local homelessness population in the review, selection, and ranking process; and	
3.	how your CoC rated and ranked projects based on the degree to which their project has identified any barriers to participation (e.g., lack of outreach) faced by persons of different races and ethnicities, particularly those over-represented in the local homelessness population, and has taken or will take steps to eliminate the identified barriers.	

(limit 2,500 characters)

1) The CoC obtained & included input from persons of different races, particularly those over-represented in the local homeless pop, when determining rating factors used to review project apps. This year the CoC hosted a forum with a variety of stakeholders in an attempt to diversify membership. Currently, Black or African American individuals are overrepresented in the CoC’s HMIS at 19%, compared to 5% of the general population. 2) Input from persons of different races affected how the CoC determined rating factors used to review project apps resulting in R&R tools that rated projects on their agency practices to increase racial equity & address existing racial disparities in the system. The Committee promotes diversification & recruitment/inclusion of non-traditional agencies in local CoC bodies through regular assessment of current CoC member demographics and creation of CoC outreach/education materials. The CoC prioritized ensuring diversity within the review team to ensure persons of different races were included in the review, selection & ranking process. This team is responsible for scoring the renewal, new, DV, & HMIS/CE bonus apps for the NOFO competition. The CoC does not currently survey for the percentage of BIPOC individuals involved in the rank and review process, but it intends to do so next year. 3) The CoC rated & ranked projects based on the degree to which projects have identified barriers to participation & have taken steps to eliminate those barriers by asking projects in the R&R tools a) to identify the degree to which program participants mirrored the homeless population; b) how they achieved equitable mirroring or how they plan to improve outreach & assess policies that may contribute to current racial disparity; c) to attach their agency’s anti-discrimination policy; & d) if project staff participated in DEI training. 14% of the CoC’s rank and review tool questions regard racial equity.

<b>1E-4.</b>	<b>Reallocation—Reviewing Performance of Existing Projects.</b>	
	NOFO Section V.B.2.f.	
	Describe in the field below:	
	1. your CoC’s reallocation process, including how your CoC determined which projects are candidates for reallocation because they are low performing or less needed;	
	2. whether your CoC identified any low performing or less needed projects through the process described in element 1 of this question during your CoC’s local competition this year;	
	3. whether your CoC reallocated any low performing or less needed projects during its local competition this year; and	
	4. why your CoC did not reallocate low performing or less needed projects during its local competition this year, if applicable.	

(limit 2,500 characters)

The CoC determines candidates for reallocation due to low performance or less needed projects as an important tool to make strategic improvements to the homeless system. 1) The reallocation process is outlined in the Rank & Review Written Process, which is reviewed, updated, posted for public comment, and approved by the Ranking & Monitoring Committee and CoC Board on an annual basis. The project review team flags projects that demonstrate inadequate financial management, a history of expending funds on ineligible activities, a history of returning funds that could have been utilized, ongoing poor project performance outcomes, and consistently low scores on the Rank & Review tool. From Rank & Review and monitoring, recommendations are made regarding reallocation to the Board. The Board makes the final decision to reallocate funding to create a new high performing project by reviewing the project's performance outcomes, populations served and the need for the project and shares its decision with CoC Membership. If a project is considered needed in the community (i.e. uniquely serves a hard-to-serve population), the Board works with the Collaborative Applicant to provide TA to the agency to address underperformance. If it is decided reallocation would be a better use of CoC funds to best serve homeless clients, funding is made available through the new project Rank & Review process. 2) The CoC did not identify any low performing or less needed projects through this process this year. High project performance was demonstrated through Rank & Review and monitoring and the need for each project is demonstrated by CoC projects actively accepting clients with the most severe service needs from the CE Priority List. 3) As such, no projects were identified for reallocation during the local competition. 4) Through the local competition it was determined not only that all projects are high performing, but that they are also fulfilling needs within the community.

1E-4a.	Reallocation Between FY 2018 and FY 2023.	
	NOFO Section V.B.2.f.	

	Did your CoC cumulatively reallocate at least 20 percent of its ARD between FY 2018 and FY 2023?	No
--	--	----

1E-5.	Projects Rejected/Reduced–Notification Outside of e-snaps.	
	NOFO Section V.B.2.g.	
	You must upload the Notification of Projects Rejected-Reduced attachment to the 4B. Attachments Screen.	

1.	Did your CoC reject any project application(s) submitted for funding during its local competition?	No
2.	Did your CoC reduce funding for any project application(s) submitted for funding during its local competition?	No
3.	Did your CoC inform applicants why your CoC rejected or reduced their project application(s) submitted for funding during its local competition?	No
4.	If you selected Yes for element 1 or element 2 of this question, enter the date your CoC notified applicants that their project applications were being rejected or reduced, in writing, outside of e-snaps. If you notified applicants on various dates, enter the latest date of any notification. For example, if you notified applicants on 06/26/2023, 06/27/2023, and 06/28/2023, then you must enter 06/28/2023.	

1E-5a.	Projects Accepted–Notification Outside of e-snaps.	
	NOFO Section V.B.2.g.	
	You must upload the Notification of Projects Accepted attachment to the 4B. Attachments Screen.	

	Enter the date your CoC notified project applicants that their project applications were accepted and ranked on the New and Renewal Priority Listings in writing, outside of e-snaps. If you notified applicants on various dates, enter the latest date of any notification. For example, if you notified applicants on 06/26/2023, 06/27/2023, and 06/28/2023, then you must enter 06/28/2023.	08/30/2023
--	--	------------

1E-5b.	Local Competition Selection Results for All Projects.	
	NOFO Section V.B.2.g.	
	You must upload the Local Competition Selection Results attachment to the 4B. Attachments Screen.	

	Does your attachment include: 1. Project Names; 2. Project Scores; 3. Project accepted or rejected status; 4. Project Rank–if accepted; 5. Requested Funding Amounts; and 6. Reallocated funds.	Yes
--	---	-----

1E-5c.	Web Posting of CoC-Approved Consolidated Application 2 Days Before CoC Program Competition Application Submission Deadline.	
	NOFO Section V.B.2.g. and 24 CFR 578.95.	
	You must upload the Web Posting–CoC-Approved Consolidated Application attachment to the 4B. Attachments Screen.	

	Enter the date your CoC posted the CoC-approved Consolidated Application on the CoC’s website or partner’s website–which included: 1. the CoC Application; and 2. Priority Listings for Reallocation forms and all New, Renewal, and Replacement Project Listings.	09/21/2023
--	--	------------

1E-5d.	Notification to Community Members and Key Stakeholders that the CoC-Approved Consolidated Application is Posted on Website.	
	NOFO Section V.B.2.g.	
	You must upload the Notification of CoC-Approved Consolidated Application attachment to the 4B. Attachments Screen.	

	Enter the date your CoC notified community members and key stakeholders that the CoC-approved Consolidated Application was posted on your CoC’s website or partner’s website.	09/21/2023
--	---	------------

## 2A. Homeless Management Information System (HMIS) Implementation

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2023 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2023 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

2A-1.	HMIS Vendor.	
	Not Scored—For Information Only	

	Enter the name of the HMIS Vendor your CoC is currently using.	Foothold Technology
--	--	---------------------

2A-2.	HMIS Implementation Coverage Area.	
	Not Scored—For Information Only	

	Select from dropdown menu your CoC’s HMIS coverage area.	Multiple CoCs
--	--	---------------

2A-3.	HIC Data Submission in HDX.	
	NOFO Section V.B.3.a.	

	Enter the date your CoC submitted its 2023 HIC data into HDX.	04/26/2023
--	---	------------

2A-4.	Comparable Database for DV Providers—CoC and HMIS Lead Supporting Data Collection and Data Submission by Victim Service Providers.	
	NOFO Section V.B.3.b.	

	In the field below:	
1.	describe actions your CoC and HMIS Lead have taken to ensure DV housing and service providers in your CoC collect data in HMIS comparable databases;	
2.	state whether DV housing and service providers in your CoC are using a HUD-compliant comparable database—compliant with the FY 2022 HMIS Data Standards; and	

3. state whether your CoC's HMIS is compliant with the FY 2022 HMIS Data Standards.

(limit 2,500 characters)

The CoC and HMIS lead ensure DV housing and service providers in the CoC collect data in databases that meet HUD's comparable database requirements by attending monthly meetings held by the Regional Domestic Violence Advisory Board. This Advisory Board's priority is to ensure this compliance and offer technical assistance if needed. 1) Specifically, the Collaborative Applicant, CARES of NY, Inc, engaged DV providers from a variety of CoC's they work with to form a Regional DV Advisory Board. One task of this Regional DV Board is to ensure compliance within the comparable database and the 2022 HMIS Data Standards. To meet this goal, CARES requested HUD TA for the Regional DV Board, and was provided guidance. This TA resulted in clarification of comparable database requirements and how CoCs can ensure compliance. All providers completed an annual survey with questions naming their current comparable database and its reporting abilities. CARES of NY, Inc. (the HMIS Lead) vetted each identified software vendor to ensure their database is compliant. 2&3) With the guidance from HUD TA and CoC oversight, our CoC DV providers are compliant with the 2022 HMIS Data Standards. Currently, the CoC's DV Comparable database is Empower. Examples of compliance include submitting de-identified aggregate data to the CoC for inclusion in the Housing Inventory Chart and Point In Time Count and utilizing the data from DV providers in the Rank and Review tool. Additionally, CoC DV providers regularly perform CSV uploads for ESG-CV funding reporting as well as uploads to Sage for APRs.

2A-5.	Bed Coverage Rate—Using HIC, HMIS Data—CoC Merger Bonus Points.	
	NOFO Section V.B.3.c. and V.B.7.	

Enter 2023 HIC and HMIS data in the chart below by project type:

Project Type	Total Year-Round Beds in 2023 HIC	Total Year-Round Beds in HIC Operated by Victim Service Providers	Total Year-Round Beds in HMIS	HMIS Year-Round Bed Coverage Rate
1. Emergency Shelter (ES) beds	23	0	0	0.00%
2. Safe Haven (SH) beds	0	0	0	
3. Transitional Housing (TH) beds	12	0	0	0.00%
4. Rapid Re-Housing (RRH) beds	6	0	6	100.00%
5. Permanent Supportive Housing (PSH) beds	48	0	40	83.33%
6. Other Permanent Housing (OPH) beds	0	0	0	

2A-5a.	Partial Credit for Bed Coverage Rates at or Below 84.99 for Any Project Type in Question 2A-5.	
	NOFO Section V.B.3.c.	

For each project type with a bed coverage rate that is at or below 84.99 percent in question 2A-5, describe:

1.	steps your CoC will take over the next 12 months to increase the bed coverage rate to at least 85 percent for that project type; and
2.	how your CoC will implement the steps described to increase bed coverage to at least 85 percent.

**(limit 2,500 characters)**

1&2) While the bed coverage rate for Emergency Shelter (ES) and Transitional Housing (TH) fell below the required 85% benchmark, this is a result of the beds being funded by VAWA and entering into a comparable database. The 23 year-round ES beds and 12 TH beds are beds dedicated to victims of domestic violence operated by Community Action of Greene County. This agency is not a designated VSP, but they receive VAWA funding for these beds and are prohibited from entering these beds into the HMIS. Additionally, this agency also operates an 8 bed PSH program dedicated to victims of domestic violence using VAWA funding and are prohibited from entering this program into HMIS. As such, at this time, there are no actions for the CoC to take.

2A-6.	Longitudinal System Analysis (LSA) Submission in HDX 2.0.	
	NOFO Section V.B.3.d.	
	You must upload your CoC's FY 2023 HDX Competition Report to the 4B. Attachments Screen.	

Did your CoC submit at least two usable LSA data files to HUD in HDX 2.0 by February 28, 2023, 8 p.m. EST?	Yes
--	-----

## 2B. Continuum of Care (CoC) Point-in-Time (PIT) Count

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2023 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2023 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

2B-1.	PIT Count Date.	
	NOFO Section V.B.4.a	

	Enter the date your CoC conducted its 2023 PIT count.	01/26/2023
--	---	------------

2B-2.	PIT Count Data–HDX Submission Date.	
	NOFO Section V.B.4.a	

	Enter the date your CoC submitted its 2023 PIT count data in HDX.	04/26/2023
--	---	------------

2B-3.	PIT Count–Effectively Counting Youth in Your CoC’s Most Recent Unsheltered PIT Count.	
	NOFO Section V.B.4.b.	

	Describe in the field below how your CoC:	
	1. engaged unaccompanied youth and youth serving organizations in your CoC’s most recent PIT count planning process;	
	2. worked with unaccompanied youth and youth serving organizations to select locations where homeless youth are most likely to be identified during your CoC’s most recent PIT count planning process; and	
	3. included youth experiencing homelessness as counters during your CoC’s most recent unsheltered PIT count.	

**(limit 2,500 characters)**

The CoC implemented measures in the planning process for the 2023 PIT Count to 1) engage unaccompanied youth and RHY-funded/youth focused agencies, 2) connect with unaccompanied youth and youth serving organizations to identify hotspots or locations where homeless youth are most likely to be identified, and 3) engage youth experiencing homelessness as counters during the unsheltered Point in Time (PIT) Count. 1) During the planning process for the 2023 PIT Count the Collaborative Applicant facilitated meetings with Unsheltered PIT Lead and the Regional Advisory Board on Youth Homelessness (RABYH), a group of key RHY-funded agencies, McKinney-Vento Homeless Liaisons, and youth-focused service providers, to discuss ways to engage additional RHY funded/youth focused agencies to expand the geographic reach and recruit volunteers focused on surveying youth during the count. As a result of this collaborative planning effort between mainstream housing providers, youth serving agencies, and the RABYH, a list of best practices was created and integrated into the CoC PIT Lead training. 2) This collaborative planning effort between the unsheltered PIT Lead and youth serving organizations also resulted in selecting locations where homeless youth are most likely to be identified during the PIT count. Specifically, youth serving organizations (i.e. Columbia Opportunities, Mental Health Association, & St. Catherine’s Center for Children) reported hotspots that were collected by surveying youth & unaccompanied youth during outreach shifts, at schools, or at agency drop-in centers. Youth serving agencies relayed these identified hotspots reported by youth/unaccompanied youth when planning for the annual PIT count. 3) The Unsheltered PIT Lead, MHA, and Collaborative Applicant engaged/trained in advance a wide range of community stakeholders who encounter unsheltered homeless youth, such as law enforcement, faith-based organizations, soup kitchens/pantries, public libraries, and other human service providers to encourage youth experiencing homelessness to participate as counters during the unsheltered Point in Time Count. Additionally, the McKinney-Vento Homeless liaisons assisted in identifying homeless youth within the school system to participate.

2B-4.	PIT Count–Methodology Change–CoC Merger Bonus Points.	
	NOFO Section V.B.5.a and V.B.7.c.	
	In the field below:	
	1. describe any changes your CoC made to your sheltered PIT count implementation, including methodology or data quality changes between 2022 and 2023, if applicable;	
	2. describe any changes your CoC made to your unsheltered PIT count implementation, including methodology or data quality changes between 2022 and 2023, if applicable; and	
	3. describe how the changes affected your CoC’s PIT count results; or	
	4. state “Not Applicable” if there were no changes or if you did not conduct an unsheltered PIT count in 2023.	

(limit 2,500 characters)

1) From 2022 to 2023 the CoC implemented data quality actions to improve the validity of the sheltered PIT count; no methodology changes were made. The data quality changes included a) tailored technical assistance w/ non-HMIS providers (i.e., Departments of Social Services & DV providers) & b) improved HMIS training w/ participating HMIS agencies. These data quality activities improved the validity of the count & played a role in confirming an increase in shelter stays on the night of the count. Tailored technical assistance w/ non-HMIS agencies improved data quality by confirming numbers submitted. The CoC has strengthened relationships w/ non- HMIS agencies through their participation in Coordinated Entry, allowing for better collaboration during the PIT Count. Specifically, the CE Lead & Collaborative Applicant worked w/ agencies who provide Code Blue (extreme weather) services, faith-based shelters, DSS, & DV shelters. Training focused on understanding that 100% data completeness for this vulnerable population, although important, was not necessary when reporting for the PIT count. Similarly, improved data quality training w/ HMIS-participating agencies supported improved data collection & timely data submission. The Collaborative Applicant, in coordination w/ the HMIS Lead, organized & analyzed PIT data reports from the HMIS, focusing on data quality & completeness, & had one-on- one phone calls w/ each provider to ensure timely data entry & data accuracy. Review of intake dates noted within HMIS ensured a proper count of those utilizing shelter services on the night of the count. This review & subsequent data correction by agencies resulted in a more accurate census count. 2) Similarly, for the 2023 unsheltered PIT, the CoC implemented data quality actions to improve the validity of the count, including increased/improved PIT count training to ensure de-duplication and effective interview techniques . 3) As the result of these improvements in data quality, the sheltered PIT count increased from 111 in 2021 to 126 in 2023. As a result of the increased/improved training and expanded partnerships in 2023, the unsheltered PIT count identified 3 unsheltered persons on the night of the count in 2022 and 9 in 2023.

## 2C. System Performance

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2023 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2023 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

<b>2C-1.</b>	<b>Reduction in the Number of First Time Homeless–Risk Factors Your CoC Uses.</b>	
	NOFO Section V.B.5.b.	
	In the field below:	
	1. describe how your CoC determined the risk factors to identify persons experiencing homelessness for the first time;	
	2. describe your CoC’s strategies to address individuals and families at risk of becoming homeless; and	
	3. provide the name of the organization or position title that is responsible for overseeing your CoC’s strategy to reduce the number of individuals and families experiencing homelessness for the first time	

**(limit 2,500 characters)**

The CoC continues to develop its process to determine risk factors used to identify persons that become homeless for the first time, with the goal to decrease the number of first time homeless from year to year. 1) The process includes analyzing HMIS and LSA (Stella, SPMs, & CE) data & hosting community discussions to identify risk factors for becoming homeless for the first time. The Ranking & Monitoring Committee is responsible for reviewing HMIS data (Stella, SPMs, CE) to identify & consider characteristics of those who are first-time homeless, including demographics, cause of homelessness, & disabling conditions as potential factors. The CoC also identifies factors contributing to first-time homelessness through community conversations & CE case conferencing with prevention providers, emergency shelters, Dept. of Social Services, & faith-based leaders. This qualitative info supplements HMIS data to create a holistic picture of local causes of first-time homelessness. 2) The CoC has developed four strategies to address households at risk of becoming homeless for the first time. The strategies include a) to educate community providers who serve populations with the most severe service needs (i.e. prevention providers, food pantries, health clinics) about risk factors & newly developed CE prevention referral protocols to support those households; b) to communicate risk factors for first time homelessness identified through data analysis with CE. The CE committee utilizes this info to continually update the CE priority index w/characteristics associated with first time homelessness; c) to increase the amount of prevention funding available in the community on an ongoing basis (i.e. STEHP, HOME-ARP), an essential component of increasing the number of households able to remain stably housed, preventing new episodes of homelessness; & d) to increase the amount of affordable housing options for those at risk, such as through partnering with NYS to access Emergency Housing Vouchers (which served those at risk of homelessness) & advocating to NYS for affordable housing development through HOME-ARP funds. 3) The Ranking & Monitoring Committee, which reports to the CoC Board, oversees these strategies.

<b>2C-1a.</b>	<b>Impact of Displaced Persons on Number of First Time Homeless.</b>	
	NOFO Section V.B.5.b	

Was your CoC's Number of First Time Homeless [metric 5.2] affected by the number of persons seeking short-term shelter or housing assistance displaced due to:

1.	natural disasters?	No
2.	having recently arrived in your CoCs' geographic area?	No

<b>2C-2.</b>	<b>Length of Time Homeless—CoC's Strategy to Reduce.</b>	
	NOFO Section V.B.5.c.	

- In the field below:
- |    |  |
|----|--|
| 1. | describe your CoC's strategy to reduce the length of time individuals and persons in families remain homeless;   |
| 2. | describe how your CoC identifies and houses individuals and persons in families with the longest lengths of time homeless; and   |
| 3. | provide the name of the organization or position title that is responsible for overseeing your CoC's strategy to reduce the length of time individuals and families remain homeless. |

**(limit 2,500 characters)**

1)The CoC’s strategy to reduce the length of time (LOT) individuals & families remain homeless includes: a) increase the number of appropriate housing options by advocating for additional affordable housing, engaging systems of care that provide housing (DV, Mental Health, PHAs, etc.) & engaging landlords in the region; b) ensure CoC & program policies remove barriers to rapid housing & c) coordinate housing opps through the Coordinated Entry (CE) system. To increase the number of appropriate housing options, the CoC advocates for & supports increasing permanent housing.

Specifically, the CoC collaborates w/ the Galvan Foundation Initiatives on the creation of emergency & permanent housing to ensure rents & utilities are within FMR. Providers around the CoC gathered at a summit to share resources & connect about housing options for households w/ high LOT. The CoC also uses housing navigators & peer outreach approaches to assist those w/ high LOT in attaining permanent housing. To implement policies to remove barriers to housing, the CoC encourages Housing First (HF) policies within all programs, prioritizes HF projects through the Rank & Review process & provides 1-on-1 TA w/housing providers on implementing HF. The CE system works to reduce LOT homeless by including LOT as a prioritizing criterion within the CE’s prioritization process. Together, these strategies result in an increase in immediate housing opportunities for homeless households. 2) The CoC identifies, prioritizes, & houses households w/ the longest LOT homeless through the CE system.

During bi-weekly CE case conferencing, staff discuss barriers to housing those who have remained homeless the longest. The CE Committee develops creative solutions to finding the most immediate/appropriate housing for these households.

The CoC engages non-CoC-funded housing providers to increase the number of appropriate housing options to those coming through CE. Specifically, the CE Lead connects w/ the Residential Division Director of the Mental Health Association of Columbia-Greene Counties, thus creating a connection for households coming through CE to OMH housing. 3) The Ranking & Monitoring & CE Committees, which report to the CoC Board, oversee these strategies.

2C-3.	Exits to Permanent Housing Destinations/Retention of Permanent Housing–CoC’s Strategy	
	NOFO Section V.B.5.d.	

In the field below:

1.	describe your CoC’s strategy to increase the rate that individuals and persons in families residing in emergency shelter, safe havens, transitional housing, and rapid rehousing exit to permanent housing destinations;
2.	describe your CoC’s strategy to increase the rate that individuals and persons in families residing in permanent housing projects retain their permanent housing or exit to permanent housing destinations; and
3.	provide the name of the organization or position title that is responsible for overseeing your CoC’s strategy to increase the rate that individuals and families exit to or retain permanent housing.

**(limit 2,500 characters)**

1) The CoC developed effective strategies to increase the rate at which households in ES, TH and RRH exit to permanent housing destinations. Current strategies include a) identifying & connecting unsheltered persons through street outreach, & those w/ the most severe service needs in ES to RRH & PSH through an efficient and effective Coordinated Entry (CE) System; b) expanding housing opportunities through CE by forging partnerships with non-CoC-funded entities, such as OMH housing through collaboration w/ the Mental Health Association of Columbia-Greene Counties; c) connecting households to housing subsidies and wrap-around services and benefits (e.g., PHA, Housing Choice Voucher, Social Security, DSS rental allowance, substance use or mental health treatment); & d) connecting households with education/employment training opportunities to improve earned income. These combined strategies ensure households are linked to affordable housing options to be rapidly housed from ES, TH, SH & RRH, have the necessary income to access & maintain that housing, & have support services within the community to ensure ongoing housing stability. 2) The CoC increases the rate households residing in PH retain housing or exit to other PH destinations through several successful strategies. Current strategies include a) engaging w/ clients to ensure they are meeting their individualized goals (e.g., physical/mental health appts, securing/maintaining employment) to remain stably housed; b) connecting those timing out of RRH programs who still need intensive case management services to supports to remain stably housed & providing rental assistance that exceeds FMR, which allows access to additional rental inventory; c) implementing the CoC Moving On Strategy by providing pre- transition services (e.g., life skills training, employment, community integration supports) & strong aftercare supports to ensure successful transition from supportive housing; & d) partnering w/ affordable housing providers (e.g. working w/ the Galvan Housing Foundation Initiatives) & cultivating relationships w/ local landlords to maintain an active list of apartment vacancies. These combined strategies ensure clients in PSH programs are supported to maintain their housing while fostering opportunities for greater independence within the community. 3) The CoC Board oversees strategies aimed at increasing the rate of households exiting to &/or retaining permanent housing in the CoC.

2C-4.	Returns to Homelessness—CoC's Strategy to Reduce Rate.	
	NOFO Section V.B.5.e.	
	In the field below:	
1.	describe your CoC's strategy to identify individuals and families who return to homelessness;	
2.	describe your CoC's strategy to reduce the rate of additional returns to homelessness; and	
3.	provide the name of the organization or position title that is responsible for overseeing your CoC's strategy to reduce the rate individuals and persons in families return to homelessness.	

**(limit 2,500 characters)**

1) The CoC identifies individuals & families who return to homelessness by analyzing quantitative data [i.e., HMIS & Coordinated Entry (CE)] & qualitative information (i.e., through CE). System Performance Measures (SPM) and LSA (Stella) data identify trends related to returns to homelessness, w/ a specific emphasis on assessing racial disparities in this data. The Ranking & Monitoring (R&M) Committee utilizes this data to assess potential causes for increases/decreases in returns to homelessness & relays the analysis to the CoC Board. The R&M Committee will continue to work w/ the HMIS Lead to conduct deeper dives into SPM & CE data, assessing commonalities of those who return to homelessness, including sources of income, race, disabling conditions & cause of homelessness. The CoC also identifies persons who return to homelessness through CE assessment & case conferencing. Specifically, the CE assessment form asks about prior episodes of homelessness. During CE case conferencing, case managers discuss common barriers to remaining housed. CE conferencing supports subsequent successful placement of households by addressing common needs among those who return to homelessness & specific needs of the individual households being rehoused. Trends/common factors related to returns to homelessness will be reported from the CE & HMIS Leads to the Board and Membership at least quarterly at meetings, & data analyses will be used to influence edits to the CE tool to better prioritize housing & assistance.

2)The CoC's strategy to reduce the rate of returns to homelessness is to continue fostering strong collaborations w/ systems partners, including eviction prevention providers, education & workforce development agencies, the local Dept. of Social Services, health/behavioral healthcare agencies, & DV providers. Outreach & shelter programs work to link clients to resources & create ongoing service plans & supports that will continue once clients are stably housed. These collaborations foster linkages & resources to provide necessary, uninterrupted support to households who are at risk of returning to homelessness. Specific needs of individual households that have returned to homelessness are addressed through CE case conferencing, allowing for provider collaboration around the most effective housing & service plan to propose to the household.

3)Overseeing these strategies are the Ranking & Monitoring and Coordinated Entry Committees, which report to the Board.

2C-5.	Increasing Employment Cash Income–CoC's Strategy.	
	NOFO Section V.B.5.f.	
	In the field below:	
	1. describe your CoC's strategy to access employment cash sources;	
	2. describe how your CoC works with mainstream employment organizations to help individuals and families experiencing homelessness increase their employment cash income; and	
	3. provide the organization name or position title that is responsible for overseeing your CoC's strategy to increase income from employment.	

**(limit 2,500 characters)**

1) The CoC’s strategy to increase employment income is to a) educate providers on NYS benefits regulations relative to earned employment cash income through ongoing dialogue with local Departments of Social Services; and b) foster systems-level engagement with employers and mainstream employment organizations. Specifically, the CoC educates providers on NYS benefits by fostering regular dialogue between local Departments of Social Services and CoC providers on benefits regulations. This increases provider, and in turn, client understanding of opportunities to maintain necessary benefits (e.g., TANF, SNAP, Medicaid, SSI/SSDI) while increasing employment. 2) The CoC also increases access to employment by partnering with mainstream employment agencies. The CoC makes direct referrals to the Columbia-Greene Community College Workforce Investment Program (CGCC WIP) which provides free employment/education training and is creating a pipeline to newly available career pathways due to local and national economic shifts. The CoC also works to keep the region’s 211 service updated and refers clients to 211 of NorthEastern NY to find support and resources related to job search and career readiness. Additionally, there is an MOU in place/implemented with the CGCC WIP. Through this partnership with CGCC WIP, the CoC will identify characteristics/qualifications of clients which seem to indicate the likelihood of their being successful in the CGCC WIP (including self-identification of readiness/desire for educational/employment training programs); and will maintain a communication mechanism between PSH providers and workforce agency staff regarding client progress. Moving forward, the CoC and CGCC WIP will assess progress on increased income on an annual basis; utilizing this information to make programmatic improvements. 3) The CoC Board is responsible for overseeing these strategies to increase income from employment.

2C-5a.	Increasing Non-employment Cash Income–CoC’s Strategy	
	NOFO Section V.B.5.f.	
	In the field below:	
	1. describe your CoC’s strategy to access non-employment cash income; and	
	2. provide the organization name or position title that is responsible for overseeing your CoC’s strategy to increase non-employment cash income.	

(limit 2,500 characters)

1) The CoC's strategy to increase access to non-employment cash income (NECI) for project participants is to foster systems level engagement w/ nonemployment cash income providers; promote benefits info to all shelter & housing providers; & increase access to NECI through sharing of resources & inclusion of partners from healthcare, the legal system, & other providers that intersect w/ homeless services, so they have the resources & knowledge to refer clients to appropriate sources for NECI. The CoC developed systems-level coordination between the County Departments of Social Services (DSSs) and shelter & housing providers. DSSs connect clients w/ necessary benefits (e.g., TANF, SNAP, rental & utilities assistance). Shelter/housing providers advocate on households' behalf to access all the available non-employment cash income through DSS. At CoC Membership & Board meetings, DSS provides regular updates on changes to benefits regulations or staffing structure, allowing for shelter and housing providers to efficiently work w/ clients to increase non-employment cash income. CoC-Funded agencies COI and CAGC also promoted an Earned Income Tax Credit program for people at risk of homelessness to increase NECI. The CoC promotes resources for accessing benefits, SOAR training, regulatory updates, and agency updates on its website and at CoC Membership meetings, providing shelter and housing providers with necessary updates on qualifications and steps for accessing benefits, which is in turn shared w/ clients. 2) The CoC's strategy to increase access to non-employment cash sources includes promoting access to non-employment cash income providers and training on best practices (e.g., SOAR). The CoC promotes access to income providers (e.g., DSS) by promoting materials that walk both providers and clients through accessing benefits at DSS, as well as clients' rights in accessing those benefits. DSS staff actively participate in Membership, allowing for direct communication about any changes impacting access to DSS services. The CoC encourages agencies during Membership meetings to access trainings hosted by the regional SOAR TA provider. The resulting increase in case managers attending SOAR training has ensured that clients throughout the community have access to SOAR trained case managers who work to increase access to SSI/SSDI. 3) The Community Outreach Committee, which reports to the CoC Board, is responsible for overseeing the CoC's strategy to increase NECI.

### 3A. Coordination with Housing and Healthcare

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2023 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2023 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

<b>3A-1.</b>	<b>New PH-PSH/PH-RRH Project–Leveraging Housing Resources.</b>	
	NOFO Section V.B.6.a.	
	You must upload the Housing Leveraging Commitment attachment to the 4B. Attachments Screen.	

	Is your CoC applying for a new PH-PSH or PH-RRH project that uses housing subsidies or subsidized housing units which are not funded through the CoC or ESG Programs to help individuals and families experiencing homelessness?	No
--	--	----

<b>3A-2.</b>	<b>New PH-PSH/PH-RRH Project–Leveraging Healthcare Resources.</b>	
	NOFO Section V.B.6.b.	
	You must upload the Healthcare Formal Agreements attachment to the 4B. Attachments Screen.	

	Is your CoC applying for a new PH-PSH or PH-RRH project that uses healthcare resources to help individuals and families experiencing homelessness?	Yes
--	--	-----

<b>3A-3.</b>	<b>Leveraging Housing/Healthcare Resources–List of Projects.</b>	
	NOFO Sections V.B.6.a. and V.B.6.b.	
	If you selected yes to questions 3A-1. or 3A-2., use the list feature icon to enter information about each project application you intend for HUD to evaluate to determine if they meet the criteria.	

Project Name	Project Type	Rank Number	Leverage Type
CG PSH (2023)	PH-PSH	10	Healthcare

### **3A-3. List of Projects.**

1. What is the name of the new project? CG PSH (2023)
  
2. Enter the Unique Entity Identifier (UEI): UUYJFNCF2K39
  
3. Select the new project type: PH-PSH
  
4. Enter the rank number of the project on your CoC's Priority Listing: 10
  
5. Select the type of leverage: Healthcare

### 3B. New Projects With Rehabilitation/New Construction Costs

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2023 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2023 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

<b>3B-1.</b>	<b>Rehabilitation/New Construction Costs–New Projects.</b>	
	NOFO Section V.B.1.s.	

Is your CoC requesting funding for any new project application requesting \$200,000 or more in funding for housing rehabilitation or new construction?	No
--	----

<b>3B-2.</b>	<b>Rehabilitation/New Construction Costs–New Projects.</b>	
	NOFO Section V.B.1.s.	

If you answered yes to question 3B-1, describe in the field below actions CoC Program-funded project applicants will take to comply with:

1.	Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u); and
2.	HUD’s implementing rules at 24 CFR part 75 to provide employment and training opportunities for low- and very-low-income persons, as well as contracting and other economic opportunities for businesses that provide economic opportunities to low- and very-low-income persons.

### 3C. Serving Persons Experiencing Homelessness as Defined by Other Federal Statutes

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2023 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2023 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

3C-1.	Designating SSO/TH/Joint TH and PH-RRH Component Projects to Serving Persons Experiencing Homelessness as Defined by Other Federal Statutes.	
	NOFO Section V.F.	

	Is your CoC requesting to designate one or more of its SSO, TH, or Joint TH and PH-RRH component projects to serve families with children or youth experiencing homelessness as defined by other Federal statutes?	No
--	--	----

3C-2.	Serving Persons Experiencing Homelessness as Defined by Other Federal Statutes.	
	NOFO Section V.F.	

You must upload the Project List for Other Federal Statutes attachment to the 4B. Attachments Screen.

If you answered yes to question 3C-1, describe in the field below:

1.	how serving this population is of equal or greater priority, which means that it is equally or more cost effective in meeting the overall goals and objectives of the plan submitted under Section 427(b)(1)(B) of the Act, especially with respect to children and unaccompanied youth than serving the homeless as defined in paragraphs (1), (2), and (4) of the definition of homeless in 24 CFR 578.3; and
2.	how your CoC will meet requirements described in Section 427(b)(1)(F) of the Act.

(limit 2,500 characters)

## 4A. DV Bonus Project Applicants for New DV Bonus Funding

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) for Fiscal Year (FY) 2023 Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2023 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

4A-1.	New DV Bonus Project Applications.	
	NOFO Section I.B.3.I.	

Did your CoC submit one or more new project applications for DV Bonus Funding?	Yes
--	-----

4A-1a.	DV Bonus Project Types.	
	NOFO Section I.B.3.I.	

Select yes or no in the chart below to indicate the type(s) of new DV Bonus project(s) your CoC included in its FY 2023 Priority Listing.

	Project Type	
1.	SSO Coordinated Entry	Yes
2.	PH-RRH or Joint TH and PH-RRH Component	No

**You must click "Save" after selecting Yes for element 2 PH-RRH or Joint TH/RRH Component to view questions 4A-3b. through 4A-3h.**

4A-2.	Information About the Project Applicant for the New Support Services Only Coordinated Entry (SSO-CE) DV Bonus Project.	
	NOFO Section I.B.3.I(3)	

Enter in the chart below information about the project applicant applying for the new SSO-CE DV Bonus project:

1.	<b>Applicant Name</b>	CARES of NY Inc.
2.	<b>Project Name</b>	Columbia Greene DV Coordinated Entry Project Expansion (2023)
3.	<b>Project Ranking on Priority Listing</b>	11
4.	<b>Unique Entity Identifier (UEI)</b>	LXNGE7LJSNM1
5.	<b>Amount Requested</b>	\$27,500

4A-2a.	<b>Addressing Coordinated Entry Inadequacies through the New SSO-CE DV Bonus Project.</b>	
	NOFO Section I.B.3.I.(3)(c)	

Describe in the field below:

1.	the inadequacies of your CoC's current Coordinated Entry that limits its ability to better meet the needs of survivors of domestic violence, dating violence, sexual assault, or stalking; and
2.	how the proposed project addresses inadequacies identified in element 1 of this question.

**(limit 2,500 characters)**

1)The current DV- Coordinated Entry (CE) system has inadequacies, specifically lack of funding for staffing, that limits its ability to best meet the needs of survivors of domestic violence, dating violence, sexual assault, and stalking. The Current CE project lacks the funding to hire additional staff to complete the increased number of coordinated entry assessments in a timely manner resulting from the increase of survivors currently experiencing homelessness. Lack of staff impacts the current project's ability to give the attention and time needed to provide services to survivors waiting for housing on the CE list. Maintaining the necessary contact with those on the waitlist is critical to ensure clients maintain their prioritization status, and ensuring assessments are up to date reflecting the clients' current priorities. Current staffing shortages also make it impossible for case managers to assist clients with locating/securing available affordable units. The CoC has limited affordable housing options and clients are spending increased time looking for available/affordable and livable units. Increased staffing is also needed to maintain the DV CE priority list in the comparable database. This priority list must be well-managed with attention to detail ensure housing referrals to DV and mainstream housing agencies are made immediately and convey the survivors' priority needs. 2) With the additional funding the CE DV project will be able to hire additional staff to address the gaps listed above. Additional staff will enable the project to provide targeted outreach to complete CE assessments, support the client through the entire CE journey from assessment to securing housing, track each client's eligibility on the priority list, maintain the comparable database and train mainstream providers on best practices when working with DV survivors. With this increased funding dedicated staff will focus on locating units, working with landlords and assisting clients with securing identified units. These activities are not possible with the current staffing levels. Additional staffing for the new project will lead to reduced time for homeless survivors with better services focused on securing and maintaining permanent housing.

	4A-2b.	Involving Survivors in Policy and Program Development, Operations, and Evaluation in the New SSO-CE DV Bonus Project.	
		NOFO Section I.B.3.I.(3)(d)	
		Describe in the field below how the new project will involve survivors:	
	1.	with a range of lived expertise; and	
	2.	in policy and program development throughout the project's operation.	

**(limit 2,500 characters)**

1)Survivors with a range of lived experiences will be included in all phases in the development and operation of the DV Coordinated Entry project building on the policy and procedures already established. The CoC Board is required to conduct at minimum an annual evaluation of the current DV Coordinated Entry project. The new project evaluation will mirror the existing CE evaluation process. The evaluation is based on survivor feedback via an anonymous survey asking about their experiences navigating the CE process. Survivors will be asked about barriers and/or gaps in services they experienced that delayed or impeded their connection to housing and/or other services available to them while in the CE project. The NY 519 CoC is in the process of establishing a Persons with Lived Expertise (PWLE) workgroup. Survivors of domestic violence who have experienced homelessness will be included in this workgroup. This group will be instrumental in developing and refining the evaluation tool, so it accurately reflects the perspective and experience of this group. The PWLE will also be asked to make recommendations for additional support programs, improved methods of communication and changes to current rules, policies, and procedures. Project staff and CoC Board members will be held accountable to create opportunities to collaborate with survivors to secure the feedback listed above and create a meaningful role for their involvement in program development, respecting their lense of experience.
