Documentation Checklist & Template for New CoC Project Applicants: Leveraging Healthcare Resources

Background Information

Leveraging Healthcare Resources. These points are available for CoCs that apply for at least one **new** permanent supportive housing or rapid re-housing project that utilizes healthcare resources to help individuals and families experiencing homelessness. Sources of health care resources include:

- Direct contributions from a public or private health insurance provider to the project (e.g., Medicaid) and
- Provision of health care services by a private or public organization (e.g., Federally Qualified Health Centers) tailored to the program participants of the project.

Eligibility for the project must comply with HUD program and fair housing requirements. Eligibility criteria cannot be restricted by the eligibility requirements of the health care service provider.

CoCs must demonstrate through a **written commitment** from a health care organization that:

- a. in the case of a substance abuse treatment or recovery provider, it will provide access to treatment or recovery services for all program participants who qualify and choose those services; or
- b. in the case of non substance abuse treatment or recovery provider, the value of assistance being provided is at least an amount that is equivalent to **25 percent of the funding** being requested for the new CoC project, which will be covered by the healthcare organization.

Acceptable forms of commitment are formal written agreements and must include:

- the name of the project
- the value of healthcare resources
- dates the healthcare resources will be provided
- for substance abuse treatment or recovery providers, the written commitment must include all of the above and demonstrate the providers will provide access to treatment or recovery for all program participants who qualify and choose the services.

In-kind resources must be valued at the local rates consistent with the amount paid for services not supported by grant funds. CoCs can receive less than full points for demonstrating commitments less than the threshold described above.

Checklist for New CoC Project Applicants that are Leveraging Healthcare Resources

You have indicated that your proposed project will be able to **leverage healthcare resources**. You must submit to CARES (1) the below checklist and (2) a contract, letter of commitment, or other formal commitment that includes the following:

The name of the project

Project name:

Amount of assistance to be provided by the healthcare organization:

The value (dollar amount) of the healthcare commitment being provided (must be at least 25% of the total funding requested)

OR

If the partner agency is a substance abuse and/or recovery program, a guarantee that the services will be provided to all eligible participants of this project.

Calculation showing the amount of healthcare resources committed in the written commitment, and that this is at least 25% of funding requested through the proposed New CoC Project Application, OR confirm the substance abuse and/or recovery program will offer services to all eligible participants.

The date** that the services and/or committed funding will be available is on the written commitment (must run concurrently with the new project)

***Must be dated between May 1, 2023 and September 28, 2023.*

Date of healthcare commitment:

Affirmation that project eligibility for program participants in the new PH-PSH or PH-RRH project will be based on CoC Program fair housing requirements and will not be restricted by the health care service provider.

Documentation Checklist & Template for New CoC Project Applicants: Leveraging Housing Resources

Background Information

Leveraging Housing Resources. These points are available for CoCs that apply for at least one new permanent supportive housing or rapid re-housing project that utilizes housing subsidies or subsidized housing units not funded through the CoC or ESG programs. Housing subsidies or subsidized housing units may be funded through any of the following sources:

- Private organizations;
- State or local government, including through the use of HOME funding provided through the American Rescue Plan;
- Public Housing Agencies, including through the use of a set aside or limited preference;
- Faith-based organizations; or
- Federal programs other than the CoC or ESG programs.

CoC's will receive full (7) points by demonstrating that they have applied for at least one **new** permanent supportive housing or rapid re-housing project that utilizes housing subsidies or subsidized housing units not funded through the CoC or ESG programs. The CoC must demonstrate that these housing units will:

(i) in the case of a permanent supportive housing project, **provide at least 25 percent of the units** included in the project (reference 4B in your new project PSH application); or (ii) in the case of a rapid re-housing project, **serve at least 25 percent of the program participants** anticipated to be served by the project (reference 5A in your new project RRH application).

CoCs must attach letters of commitment, contracts, or other formal written documents that demonstrate the number of subsidies or units being provided to support the project. CoCs can receive less than full points for demonstrating commitments less than the threshold described above.

Checklist for New CoC Project Applicants that are Leveraging Housing Resources

You have indicated that your proposed project will be able to **leverage housing resources**. You must submit to CARES (1) the below checklist and (2) a contract, letter of commitment, or other formal written documents from the funding body that includes:

- Project name should be listed in the commitment documentation

Project name:

- Source of commitment should be listed in the commitment documentation (i.e. private organizations, state or local government, PHAs, faith-based organizations, federal programs other than CoC or ESG programs)

Source of Commitment:

- Amount of funding committed per the following:

PSH: the number of housing units for a PSH project that are not funded through the CoC or ESG Programs. The number of units must be at least 25% of the total units to be provided by the proposed new CoC project application for full points.

OR

RRH or TH-RRH: The number of program participants to be provided RRH or TH-RRH that is not funded through the CoC or ESG Programs. The number of program participants to be served must be at least 25% of the total participants to be served in the proposed CoC new project application for full points.

Calculation showing the amount of non-CoC/ESG resources committed in the written commitment, and that this is at least 25% of units (for PSH) or participants (for RRH) to be served through the proposed New CoC Project Application:

- The date** that the funding (outside of CoC or ESG programs) will be available is on the written commitment (should run concurrently with the new project).
