Documentation Checklist & Template for New CoC Project Applicants: Leveraging Healthcare Resources

Background Information

Leveraging Healthcare Resources. These points are available for CoCs that apply for at least one **new** permanent supportive housing or rapid re-housing project that utilizes healthcare resources to help individuals and families experiencing homelessness. Sources of health care resources include:

- Direct contributions from a public or private health insurance provider to the project (e.g., Medicaid) and
- Provision of health care services by a private or public organization (e.g., Federally Qualified Health Centers) tailored to the program participants of the project.

Eligibility for the project must comply with HUD program and fair housing requirements. Eligibility criteria cannot be restricted by the eligibility requirements of the health care service provider.

CoCs must demonstrate through a **written commitment** from a health care organization that:

- a. in the case of a substance abuse treatment or recovery provider, it will provide access to treatment or recovery services for all program participants who qualify and choose those services; or
- b. in the case of non substance abuse treatment or recovery provider, the value of assistance being provided is at least an amount that is equivalent to **25 percent of the funding** being requested for the new CoC project, which will be covered by the healthcare organization.

Acceptable forms of commitment are formal written agreements and must include:

- the name of the project
- the value of healthcare resources
- dates the healthcare resources will be provided
- for substance abuse treatment or recovery providers, the written commitment must include all of the above and demonstrate the providers will provide access to treatment or recovery for all program participants who qualify and choose the services.

In-kind resources must be valued at the local rates consistent with the amount paid for services not supported by grant funds. CoCs can receive less than full points for demonstrating commitments less than the threshold described above.

Checklist for New CoC Project Applicants that are Leveraging Healthcare Resources

You have indicated that your proposed project will be able to **leverage healthcare resources**. You must submit to CARES (1) the below checklist and (2) a contract, letter of commitment, or other formal commitment that includes the following:

Documentation Checklist & Template for New CoC Project Applicants: Leveraging Housing Resources

Background Information

Leveraging Housing Resources. These points are available for CoCs that apply for at least one new permanent supportive housing or rapid re-housing project that utilizes housing subsidies or subsidized housing units not funded through the CoC or ESG programs. Housing subsidies or subsidized housing units may be funded through any of the following sources:

- Private organizations;
- State or local government, including through the use of HOME funding provided through the American Rescue Plan;
- Public Housing Agencies, including through the use of a set aside or limited preference;
- Faith-based organizations; or
- Federal programs other than the CoC or ESG programs.

CoC's will receive full (7) points by demonstrating that they have applied for at least one **new** permanent supportive housing or rapid re-housing project that utilizes housing subsidies or subsidized housing units not funded through the CoC or ESG programs. The CoC must demonstrate that these housing units will:

(i) in the case of a permanent supportive housing project, **provide at least 25 percent of the units** included in the project (reference 4B in your new project PSH application); or (ii) in the case of a rapid re-housing project, **serve at least 25 percent of the program participants** anticipated to be served by the project (reference 5A in your new project RRH application).

CoCs must attach letters of commitment, contracts, or other formal written documents that demonstrate the number of subsidies or units being provided to support the project. CoCs can receive less than full points for demonstrating commitments less than the threshold described above.
