20. Community Priorities (9 pts)

The CoC consistently has people with serious mental illness and substance use diagnoses on the Coordinated Entry waitlist for longer periods of time, on average, than other population types. Those with an SMI make up 59% of the Continuum's waitlist and those with physical disabilities make up 30% of the Continuum's waitlist. These populations are on the CE waitlist for over 147 days, on average, and agencies have reported that these populations have much more significant & severe service needs than other/past persons served.

Please check all services/supports that your proposed project will provide (**1 pt per service checked**):

- Supporting and accompanying clients to apartment searches to attain housing, including searching for ADA-compliant units.
- Providing dedicated case management that is offered 2x per week.
- Providing a connection to supportive services (e.g. professional/clinical support services, medical care, insurance, benefits support)
- Incorporating a move-on strategy for each client into individual service plans.
- Project will provide services to clients who may have been denied from projects previously.
- Project will provide accessible units for those with physical disabilities.
- Project will provide education on reasonable accommodations to landlords/tenants.
- An MOU or letter of support with a SUD provider to provide treatment services, case management and/or support services.

Please identify the provider you would partner with _____
