

Before Starting the CoC Application

You must submit all three of the following parts in order for us to consider your Consolidated Application complete:

1. the CoC Application,
2. the CoC Priority Listing, and
3. all the CoC's project applications that were either approved and ranked, or rejected.

As the Collaborative Applicant, you are responsible for reviewing the following:

1. The FY 2024 CoC Program Competition Notice of Funding Opportunity (NOFO) for specific application and program requirements.
2. The FY 2024 CoC Application Detailed Instructions which provide additional information and guidance for completing the application.
3. All information provided to ensure it is correct and current.
4. Responses provided by project applicants in their Project Applications.
5. The application to ensure all documentation, including attachment are provided.

Your CoC Must Approve the Consolidated Application before You Submit It
- 24 CFR 578.9 requires you to compile and submit the CoC Consolidated Application for the FY 2024 CoC Program Competition on behalf of your CoC.
- 24 CFR 578.9(b) requires you to obtain approval from your CoC before you submit the Consolidated Application into e-snaps.

Answering Multi-Part Narrative Questions

Many questions require you to address multiple elements in a single text box. Number your responses to correspond with multi-element questions using the same numbers in the question. This will help you organize your responses to ensure they are complete and help us to review and score your responses.

Attachments

Questions requiring attachments to receive points state, "You Must Upload an Attachment to the 4B. Attachments Screen." Only upload documents responsive to the questions posed—including other material slows down the review process, which ultimately slows down the funding process. Include a cover page with the attachment name.

- Attachments must match the questions they are associated with—if we do not award points for evidence you upload and associate with the wrong question, this is not a valid reason for you to appeal HUD's funding determination.

- We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).

1A. Continuum of Care (CoC) Identification

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

1A-1. CoC Name and Number: NY-503 - Albany City & County CoC

1A-2. Collaborative Applicant Name: CARES of NY, Inc.

1A-3. CoC Designation: UFA

1A-4. HMIS Lead: CARES of NY, Inc.

1B. Coordination and Engagement–Inclusive Structure and Participation

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

1B-1.	Inclusive Structure and Participation–Participation in Coordinated Entry.	
	NOFO Sections V.B.1.a.(1), V.B.1.e., V.B.1f., and V.B.1.p.	
	In the chart below for the period from May 1, 2023 to April 30, 2024:	
	1. select yes or no in the chart below if the entity listed participates in CoC meetings, voted—including selecting CoC Board members, and participated in your CoC’s coordinated entry system; or	
	2. select Nonexistent if the organization does not exist in your CoC’s geographic area:	

	Organization/Person	Participated in CoC Meetings	Voted, Including Electing CoC Board Members	Participated in CoC’s Coordinated Entry System
1.	Affordable Housing Developer(s)	Yes	Yes	Yes
2.	CDBG/HOME/ESG Entitlement Jurisdiction	Yes	Yes	Yes
3.	Disability Advocates	Yes	Yes	Yes
4.	Disability Service Organizations	Yes	Yes	Yes
5.	EMS/Crisis Response Team(s)	Yes	Yes	Yes
6.	Homeless or Formerly Homeless Persons	Yes	Yes	Yes
7.	Hospital(s)	Yes	Yes	Yes
8.	Indian Tribes and Tribally Designated Housing Entities (TDHEs) (Tribal Organizations)	Nonexistent	No	No
9.	Law Enforcement	Yes	Yes	Yes
10.	Lesbian, Gay, Bisexual, Transgender (LGBTQ+) Advocates	Yes	Yes	Yes
11.	LGBTQ+ Service Organizations	Yes	Yes	Yes
12.	Local Government Staff/Officials	Yes	Yes	Yes
13.	Local Jail(s)	Yes	No	Yes
14.	Mental Health Service Organizations	Yes	Yes	Yes
15.	Mental Illness Advocates	Yes	Yes	Yes
16.	Organizations led by and serving Black, Brown, Indigenous and other People of Color	Yes	Yes	Yes

17.	Organizations led by and serving LGBTQ+ persons	Yes	Yes	Yes
18.	Organizations led by and serving people with disabilities	Yes	Yes	Yes
19.	Other homeless subpopulation advocates	Yes	Yes	Yes
20.	Public Housing Authorities	Yes	Yes	Yes
21.	School Administrators/Homeless Liaisons	Yes	No	No
22.	Street Outreach Team(s)	Yes	Yes	Yes
23.	Substance Abuse Advocates	Yes	Yes	Yes
24.	Substance Abuse Service Organizations	Yes	Yes	Yes
25.	Agencies Serving Survivors of Human Trafficking	Yes	Yes	Yes
26.	Victim Service Providers	Yes	Yes	Yes
27.	Domestic Violence Advocates	Yes	Yes	Yes
28.	Other Victim Service Organizations	Yes	Yes	Yes
29.	State Domestic Violence Coalition	Yes	Yes	Yes
30.	State Sexual Assault Coalition	Yes	Yes	Yes
31.	Youth Advocates	Yes	Yes	Yes
32.	Youth Homeless Organizations	Yes	Yes	Yes
33.	Youth Service Providers	Yes	Yes	Yes
	Other: (limit 50 characters)			
34.	Legal Services	Yes	Yes	Yes
35.	Health Insurance/Managed Care	Yes	Yes	Yes

1B-1a.	Experience Promoting Racial Equity.	
	NOFO Section III.B.3.c.	

Describe in the field below your CoC's experience in effectively addressing the needs of underserved communities, particularly Black and Brown communities, who are substantially overrepresented in the homeless population.

(limit 2,500 characters)

NY-503 is committed to identifying and enacting system changes to improve how the CoC directly addresses the needs of underserved communities, particularly the substantially overrepresented BIPOC communities. A.2) The CoC successfully advances racial equity through actions taken as participants of the Regional Racial Justice Advisory Committee (RRJAC). Through RRJAC participation, the CoC worked collaboratively with the Collaborative Applicant and the HMIS and CE Leads to conduct quantitative and qualitative analysis. Actionable steps taken over the past year include CoC reporting on the Board/Membership Diversity Assessment Survey and the development of a Persons with Lived Experience Committee. To identify inequalities of diversity within leadership of the local homeless service system, the CoC reviewed demographics of the Board and Membership to identify if leaders were reflective of those served through the local homeless system; with priority of comparing Board demographics. To accurately document housing and services needs of overrepresented persons, the CoC has developed a Persons with Lived Experience Committee. The Committee is comprised of persons who have lived expertise and will directly and continually provide input to the Board and Membership. To ensure equity, the Committee strives to be reflective of the homeless population and therefore gives a voice to the community’s most underserved and overrepresented population. A.1) The CoC ensures organizations led by and serving Black, Brown, Indigenous, and other people of color hold positions of decision making within the CoC and that projects focused on serving the underserved BIPOC communities are prioritized through the Ranking and Tiering process. An example of this commitment is the FY22 CoC-funded Joint TH-RRH program administered by In Our Own Voices (IOOV); whose Executive Director sits on the CoC Board. IOOV is an Albany, NY based agency with the mission “...to work for and ensure the physical, mental, spiritual, political, cultural and economic survival and growth of Lesbian, Gay, Bisexual and Transgender people of color communities.” During this application cycle, IOOV’s project has been prioritized for bonus funding to expand services.

1B-2.	Open Invitation for New Members.	
	NOFO Section V.B.1.a.(2)	
	Describe in the field below how your CoC:	
1.	communicated a transparent invitation process annually (e.g., communicated to the public on the CoC’s website) to solicit new members to join the CoC;	
2.	ensured effective communication and access for persons with disabilities, including the availability of accessible electronic formats; and	
3.	invited organizations serving culturally specific communities experiencing homelessness in your CoC’s geographic area to address equity (e.g., Black, Latino, Indigenous, LGBTQ+, and persons with disabilities).	

(limit 2,500 characters)

1) The CoC communicates the invitation process annually to solicit new members to join the CoC by a) sharing the invitation & New Member app via the CoC’s website, b) asking listserv recipients to forward invitations, c) announcements at full Membership meetings encouraging current members to invite others, & d) phone convos w/ key systems partners focusing on the benefits & responsibilities of CoC membership. The Membership app is posted year-round on the CoC’s website & accepted on a rolling basis. To solicit new members to join the CoC, the CoC assesses current members & conducts targeted outreach. Annually, the CoC Board assesses what orgs participate in CoC Membership, on the Board, & on Committees, & identifies missing stakeholders to engage to support community efforts to address homelessness. The Board creates an outreach plan in collab w/the Collaborative Applicant. 2) The CoC ensures effective communication w/individuals w/disabilities by sharing invites/apps in accessible electronic formats, including the CoC webpage, which is responsive to screen reader software & email listservs. The public can access communication on how to join the CoC through announcements made during in-person & virtual/remote meetings & invitations extended at housing & human service coalitions public events/venues. 3) The CoC has invited orgs serving culturally specific communities experiencing homelessness to become members by a) assessing representation at the Membership & Board levels through an annual Diversity Assessment tool & b) conducting targeted personal outreach when representation among orgs serving culturally specific communities is lacking. Additionally, the Regional Racial Justice Advisory Committee (on which the CoC participates) presented the CoC 101 series to the Persons w/Lived Experience Committee which provides a comprehensive overview of the CoC, its benefits, & requirements to encourage diverse participation on Membership & Board. New CoC members are encouraged to watch the recorded series on the CoC webpage. As a result of this assessment, education, & outreach, In Our Own Voices, a local org dedicated to BIPOC & LGBTQ+ youth, has joined CoC Membership & the Board, received CoC funding in FY22, & has been operating a CoC project targeted toward LGBTQ+ Youth in the CoC. They are regularly consulted on topics of equity within the CoC.

1B-3.	CoC's Strategy to Solicit/Consider Opinions on Preventing and Ending Homelessness.	
	NOFO Section V.B.1.a.(3)	

Describe in the field below how your CoC:	
1.	solicited and considered opinions from a broad array of organizations and individuals that have knowledge of homelessness, or an interest in preventing and ending homelessness;
2.	communicated information during public meetings or other forums your CoC uses to solicit public information;
3.	ensured effective communication and access for persons with disabilities, including the availability of accessible electronic formats; and
4.	took into consideration information gathered in public meetings or forums to address improvements or new approaches to preventing and ending homelessness.

(limit 2,500 characters)

1) The CoC uses specific strategies to solicit & consider opinions from a broad array of organizations & individuals with knowledge of/interest in preventing & ending homelessness. Input is solicited from knowledgeable stakeholders (e.g., persons w/lived experience, housing providers, physical/mental/behavioral health providers, law enforcement, faith-based orgs, & gov't agencies). Strategies to solicit opinions include web-based forums (e.g., interactive webinars/trainings, email listservs, email submission form on Collaborative Applicant's (CA's) website, regular interviews w/current program clients & recruiting agencies to join the CoC/CoC meetings). Specifically, the CoC has developed, presented at CoC Membership, recorded, and stored on its website for public viewing a CoC 101 presentation series to communicate info about the CoC to potential new members. Additionally, the CA leads a workshop series w/ expert panelists from the community intended to solicit feedback & spark dialogue on topics relevant to the community. These workshops reach interested parties across the community through live streaming/archived videos.

2) The CoC communicated info during public meetings &/or other forums year-round through direct community interaction (e.g., CoC Membership meetings held six times/year, web postings, email listservs & monthly Newsletters).

3) The CoC ensures effective communication w/ & access for individuals w/ disabilities through online, in-person, & public events and/or meetings by sharing info (invites/apps, workshops, solicitation for public input, etc.) in a variety of accessible electronic formats, including the CoC webpage, which is responsive to screen reader software (e.g., accessibility tags to PDF docs), at housing &/or human services public events/venues, & email listservs.

4) Info gathered through this outreach is considered by the CoC to develop new approaches to prevent/end homelessness (e.g., The CA led a workshop and discussion based on recent safety concerns expressed in membership meetings and workgroups; utilizing input at CoC membership meetings & funding forums to determine priorities for ESG, CoC, & HOME-ARP funding). Minutes taken at every public meeting provide the CoC Board w/ considerations of how further work may be assigned to standing committees (which update the Board on findings/suggest next steps). Developments are shared during full Membership meetings.

1B-4.	Public Notification for Proposals from Organizations Not Previously Awarded CoC Program Funding.	
	NOFO Section V.B.1.a.(4)	
	Describe in the field below how your CoC notified the public:	
1.	that your CoC will consider project applications from organizations that have not previously received CoC Program funding;	
2.	about how project applicants must submit their project applications—the process;	
3.	about how your CoC would determine which project applications it would submit to HUD for funding; and	
4.	ensured effective communication and access for persons with disabilities, including the availability of accessible electronic formats.	

(limit 2,500 characters)

1) The CoC notified the public the local competition was open & accepting project applications (including ones from non-CoC funded organizations) via a public posting on the Collab Applicant's (CA's) website & listserv email announcement, which recipients were encouraged to forward to non-CoC members. A public posting on the CA's website, an email invitation, & notifications on the City of Albany's website & in the Times Union newspaper explicitly targeted non-CoC funded organizations, community stakeholders & the public to participate in an in-depth discussion (via webinar) about new CoC funding opportunities. The discussion & Q&A were recorded & posted on the CA website for agencies/public to reference throughout the application process. The invitation to potential applicants stated that "[agencies] do not have to be currently CoC funded to apply." 2) All communications made clear that proposals must be submitted via email to the CA using the New Project, DV Bonus Project, or HMIS/CE Bonus Project applications posted on the CA website. The webinar detailed the application process, including eligibility & ensured all parties understood the method for submitting proposals. CA staff were available throughout the process to field questions from the public. 3) The CoC notified the public on how the CoC would determine which project/s would be submitted to HUD, including how the CoC scored applications, minimum requirements for applications to be considered, threshold requirements, & prioritized subpopulations, through public posting of the Written Process on the CoC website; announcements via the membership listserv; & by communicating local competition priorities and the Rank & Review process during the webinar & Membership meetings. The CoC determines if projects will be submitted to HUD for funding using a CoC-created and approved Rank & Review process that includes criteria to score all new projects based on local community need, HUD best practices, agency experience, equitable program outcomes, fiscal capacity, etc. The Board reviews all projects included in the Priority Listing and provides final approval for all new projects. 4) The CA ensured effective communication with individuals with disabilities by posting content, documents & a recording of the New Project webinar on its website that is responsive to screen-reader software (e.g., accessibility tags to PDF documents).

1C. Coordination and Engagement

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

1C-1.	Coordination with Federal, State, Local, Private, and Other Organizations.	
	NOFO Section V.B.1.b.	
	In the chart below:	
	1. select yes or no for entities listed that are included in your CoC's coordination, planning, and operations of projects that serve individuals, families, unaccompanied youth, persons who are fleeing domestic violence who are experiencing homelessness, or those at risk of homelessness; or	
	2. select Nonexistent if the organization does not exist within your CoC's geographic area.	

	Entities or Organizations Your CoC Coordinates with for Planning or Operations of Projects	Coordinates with the Planning or Operations of Projects?
1.	Funding Collaboratives	Yes
2.	Head Start Program	Yes
3.	Housing and services programs funded through Local Government	Yes
4.	Housing and services programs funded through other Federal Resources (non-CoC)	Yes
5.	Housing and services programs funded through private entities, including Foundations	Yes
6.	Housing and services programs funded through State Government	Yes
7.	Housing and services programs funded through U.S. Department of Health and Human Services (HHS)	Yes
8.	Housing and services programs funded through U.S. Department of Justice (DOJ)	Yes
9.	Housing Opportunities for Persons with AIDS (HOPWA)	Yes
10.	Indian Tribes and Tribally Designated Housing Entities (TDHEs) (Tribal Organizations)	Nonexistent
11.	Organizations led by and serving Black, Brown, Indigenous and other People of Color	Yes
12.	Organizations led by and serving LGBTQ+ persons	Yes
13.	Organizations led by and serving people with disabilities	Yes
14.	Private Foundations	Yes
15.	Public Housing Authorities	Yes
16.	Runaway and Homeless Youth (RHY)	Yes
17.	Temporary Assistance for Needy Families (TANF)	Yes
	Other:(limit 50 characters)	
18.		

1C-2.	CoC Consultation with ESG Program Recipients.	
	NOFO Section V.B.1.b.	

In the chart below select yes or no to indicate whether your CoC:

1.	Consulted with ESG Program recipients in planning and allocating ESG Program funds?	Yes
2.	Provided Point-in-Time (PIT) count and Housing Inventory Count (HIC) data to the Consolidated Plan jurisdictions within its geographic area?	Yes
3.	Ensured local homelessness information is communicated and addressed in the Consolidated Plan updates?	Yes
4.	Coordinated with ESG recipients in evaluating and reporting performance of ESG Program recipients and subrecipients?	Yes

1C-3.	Ensuring Families are not Separated.	
	NOFO Section V.B.1.c.	

Select yes or no in the chart below to indicate how your CoC ensures emergency shelter, transitional housing, and permanent housing (PSH and RRH) do not deny admission or separate family members regardless of each family member's self-reported sexual orientation and gender identity:

1.	Conducted mandatory training for all CoC- and ESG-funded service providers to ensure families are not separated?	Yes
2.	Conducted optional training for all CoC- and ESG-funded service providers to ensure family members are not separated?	Yes
3.	Worked with CoC and ESG recipient(s) to adopt uniform anti-discrimination policies for all subrecipients?	Yes
4.	Worked with ESG recipient(s) to identify both CoC- and ESG-funded facilities within your CoC's geographic area that might be out of compliance and took steps to work directly with those facilities to bring them into compliance?	Yes
5.	Sought assistance from HUD by submitting questions or requesting technical assistance to resolve noncompliance by service providers?	No

1C-4.	CoC Collaboration Related to Children and Youth—SEAs, LEAs, School Districts.	
	NOFO Section V.B.1.d.	

Select yes or no in the chart below to indicate the entities your CoC collaborates with:

1.	Youth Education Provider	Yes
2.	State Education Agency (SEA)	Yes
3.	Local Education Agency (LEA)	Yes
4.	School Districts	Yes

1C-4a.	Formal Partnerships with Youth Education Providers, SEAs, LEAs, School Districts.	
	NOFO Section V.B.1.d.	

Describe in the field below the formal partnerships your CoC has with at least one of the entities where you responded yes in question 1C-4.

(limit 2,500 characters)

The CoC has formal partnerships w/ youth ed. providers, State Ed. Agencies (SEA), Local Ed. Agencies (LEA), & School Districts by engaging such agencies to fill out CoC Membership/ Board applications (formal agreement); participate in the Regional Advisory Board on Youth Homelessness (RABYH); formally partner during the annual PIT Count; & agreeing to partner in the CoC's concept & app. for the YHSI grant. The CoC engages youth education providers, SEAs, LEA's, & school districts through annual one-on-one outreach by the Collab. Applicant (CA) & CoC Board to join the CoC & fill out formal CoC Membership/Board applications. As a result, the CoC recruited the Albany Community Action Partnership (Head Start provider) & St. Anne's (youth special ed. provider) to join the CoC Board/Membership. The CoC engages, through invitations to participate, youth ed. providers, SEA, LEA, & school districts to attend monthly RABYH meetings, facilitated by the CA. RABYH is comprised of CoC representatives from upstate NY that work collaboratively to identify the extent of youth homelessness, advocate for resources, & address concerns identified regionally in programs/policies related to youth homelessness. Reps from the CoC on the RABYH include youth ed. providers & school districts, such as: Equinox, St. Anne's, St. Catherine's, Northern Rivers, & Glenmont Job Corps. Youth Ed. providers in collab. w/ the RABYH created a regional systems map of services available to unaccompanied youth & youth experiencing homelessness to assist in connecting youth to local resources while minimizing the disturbances to their education. The CoC annually partners w/youth ed. providers & school districts by asking these agencies to commit in writing to assist with the annual PIT count. The CoC collects data from participating youth ed. providers & school districts (i.e., McKinney-Vento Liaisons) that report demographics on youth at-risk of/experiencing homelessness. This data & trending data analyzed from the last several years is used to inform the RABYH action plan for the upcoming year. Finally, the CoC further formalized these partnerships for the future through its successful award of the YHSI grant. This award ensures the CA will partner w/St. Anne's, & Albany County Youth Bureau to create & staff a Youth Action Board, develop & implement a new Coordinated Entry system for youth, & work on housing coordination & comprehensive data analysis to ensure equity.

1C-4b.	Informing Individuals and Families Who Have Recently Begun Experiencing Homelessness about Eligibility for Educational Services. NOFO Section V.B.1.d.	
--------	---	--

Describe in the field below written policies and procedures your CoC uses to inform individuals and families who have recently begun experiencing homelessness of their eligibility for educational services.

(limit 2,500 characters)

The CoC has adopted policies & procedures within its Written Standards to ensure all programs consistently & accurately inform individuals & families who have recently begun experiencing homelessness about available education services & related eligibility. This CoC policy requires CoC providers serving households w/children to designate a specialized staff person to serve as the educational liaison to inform individuals & families of their eligibility for schooling & to provide direct support to set up services to ensure no disruption in current education services for students entering shelter or transitioning from shelter into permanent housing. Specifically, educational liaisons are responsible for ensuring children continue to be enrolled in school & connected to age-appropriate services in the community (e.g., Head Start, public Pre-K, Individuals w/Disabilities Education Act Part C: Infant & Toddler Program, McKinney-Vento Education Services, as well as county opportunities for High School Equivalency (HSE), job training, & higher education courses). Educational liaisons are expected to connect & work w/homeless individuals, families, schools, & education programs to ensure the most appropriate educational services are made available & barriers to accessing these educational services are removed. For example, staff are required to coordinate w/McKinney-Vento Liaisons in families' existing school districts to coordinate transportation services & ongoing enrollment. The Regional Advisory Board on Youth Homelessness regularly conducts a survey of all CoC funded agencies to collect contact information on identifying agency-appointed staff serving as the educational liaison. Moving forward, the CoC program monitoring process will incorporate a review of agency connection w/the local schools & corresponding McKinney-Vento representatives & will follow protocols to ensure all children are appropriately served by their school. At the CoC system level, the CoC fosters strong partnerships w/education via the McKinney-Vento homeless liaisons by encouraging liaison participation on the CoC Board & relevant committee work. The CoC meets at least annually w/McKinney-Vento liaisons to specifically review CoC policies & procedures to ensure full compliance & best practice w/regulations. Lastly, the Department of Social Services links individuals & families to accessible job training, & higher education courses within the county.

1C-4c.	Written/Formal Agreements or Partnerships with Early Childhood Services Providers.	
	NOFO Section V.B.1.d.	

Select yes or no in the chart below to indicate whether your CoC has written formal agreements or partnerships with the listed providers of early childhood services:

	MOU/MOA	Other Formal Agreement
1. Birth to 3 years	Yes	Yes
2. Child Care and Development Fund	No	Yes
3. Early Childhood Providers	Yes	Yes
4. Early Head Start	Yes	Yes
5. Federal Home Visiting Program–(including Maternal, Infant and Early Childhood Home and Visiting or MIECHV)	No	No
6. Head Start	Yes	Yes
7. Healthy Start	No	No

8.	Public Pre-K	No	Yes
9.	Tribal Home Visiting Program	No	No
	Other (limit 150 characters)		
10.			

1C-5.	Addressing Needs of Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking—Collaboration with Federally Funded Programs and Victim Service Providers.
	NOFO Section V.B.1.e.

In the chart below select yes or no for the organizations your CoC collaborates with:

	Organizations	
1.	State Domestic Violence Coalitions	Yes
2.	State Sexual Assault Coalitions	Yes
3.	Anti-trafficking Service Providers	Yes
	Other Organizations that Help this Population (limit 500 characters)	
4.	Victim Service Provider: Equinox	Yes

1C-5a.	Collaborating with Federally Funded Programs and Victim Service Providers to Address Needs of Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.
	NOFO Section V.B.1.e.

Describe in the field below how your CoC regularly collaborates with organizations that you selected yes to in Question 1C-5 to:

1.	update CoC-wide policies; and
2.	ensure all housing and services provided in the CoC's geographic area are trauma-informed and can meet the needs of survivors.

(limit 2,500 characters)

The CoC regularly collaborates with NYS’s Domestic Violence Coalition, NYS’s Coalition Against Sexual Assault, Anti-Trafficking Service Providers and other organizations that help survivors of DV to update CoC policies. These collaborations ensure that Victim Service Providers (VSPs) are informed and assist in the process of developing and updating CoC-wide policies and ensure that all housing and services provided in the CoC are trauma-informed and meet the needs of survivors who present at mainstream programs within the CoC. 1) Equinox Inc, which is a VSP and part of the NYS DV and Sexual Assault Coalitions and an anti-trafficking service provider, actively participates on both the CoC Board and Governance committees, and line staff attend CoC membership meetings. Equinox has been involved in the process of updating the CoC governance charter and Written Standards, which also dictates ESG funded programs. Equinox is also the lead agency for the parallel DV Coordinated Entry (CE) system serving survivors of domestic violence, dating violence, sexual assault, and stalking, and is active in developing CE processes within the CoC. Unity House, another VSP, also participates in Albany CoC and attends membership meetings. Unity House’s participation has allowed the CoC to have access to perspectives of multiple VSPs in the Capital Region with overlapping service areas to better inform policies and procedures within the CoC. Both Equinox and Unity House participate in a Domestic Violence Regional Advisory Board on behalf of the NY 503 CoC. 2) Training provided by state coalitions to VSP’s, such as Equinox, ensures all housing and services provided in the CoC (which includes ESG programs) are trauma-informed and meet the needs of providers through annual and as-needed training. The DV Regional Advisory Board, comprised of VSPs across New York State hosts annual safety planning training to all CoC member providers on trauma-informed care & best practices to meet the need of survivors. Policy adoption of a Housing First approach by all CoC-funded providers ensures survivors presenting at any location will be served quickly and appropriately. Resources and training provided by state coalitions are shared at CoC membership and CE meetings. Finally, the CoC awards points in its NOFO Rank & Review process to agencies providing proof of trauma-informed care & provision of equitable services.

1C-5b.	Implemented Safety Planning, Confidentiality Protocols in Your CoC’s Coordinated Entry to Address the Needs of Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	
	Describe in the field below how your CoC’s coordinated entry addresses the needs of DV survivors by including:	
1.	safety planning protocols; and	
2.	confidentiality protocols.	

(limit 2,500 characters)

The CoC's Coordinated Entry (CE) process includes policies & procedures in place ensuring 1) Safety protocols and 2) Confidentiality protocols for survivors of domestic violence, dating violence, sexual assault & stalking to safely access needed services, as outlined in the CE Policies & Procedures Manual & the Written Standards (addendum: Emergency Transfer Plan). 1) The CoC's CE safety protocols include adopting a "No Wrong Door" approach; implementing safety planning; & offering referrals to DV providers. This approach ensures housing assessments are completed at the location survivors present for housing and feel safest at the time. The CoC coordinates housing referrals of both DV/ non-DV providers to ensure mainstream housing programs adhere to DV safety protocols (i.e. implementing a safety plan w/ clients) and providing survivors a wide range of service options. Survivors presenting at non-DV providers are offered to be linked w/ DV services via a phone assessment. 2) Confidentiality protocols involve gathering only self-reported information from survivors within the HMIS. Clients have the option to skip questions to avoid providing information they are uncomfortable sharing in the system. In addition, the CoC also has an anonymization policy that facilitates the collection of de-identified data during intake. This allows for the Coordinated Entry assessment to be completed for a client without sensitive information being entered into the main CE database. The CoC CE confidentiality protocol requires each client participating within the CE project to complete the HMIS inclusion disclosure form. This document clearly informs clients of their rights surrounding data collection & entry - including the right to refuse entry into the HMIS & instead choosing to use the comparable database w/ de-identified data. Another protocol for survivors in place for CE is the VAWA compliant informed consent forms which prohibit agencies from discussing client specific information with another participating provider agency. Finally, the CoC has a parallel & comparable CE database for survivors of DV, capturing only de-identified information. Victim Service Provider agency staff are trained annually in how to complete client intakes & service referrals.

1C-5c.	Coordinated Annual Training on Best Practices to Address the Needs of Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking Survivors.	
	NOFO Section V.B.1.e.	

In the chart below, indicate how your CoC facilitates training for project staff and coordinated entry staff that addresses best practices on safety planning and confidentiality protocols:

		Project Staff	Coordinated Entry Staff
1.	Training Occurs at least annually?	Yes	Yes
2.	Incorporates Trauma Informed best practices?	Yes	Yes
3.	Incorporates Survivor-Centered best practices?	Yes	Yes
4.	Identifies and assesses survivors' individual safety needs?	Yes	Yes
5.	Enhances and supports collaboration with DV organizations?	Yes	Yes
6.	Ensures survivors' rights, voices, and perspectives are incorporated?	Yes	Yes
	Other? (limit 500 characters)		
7.	The CE Policies and Procedures Manual includes safety and confidentiality protocols for survivors applying for housing programs with Equinox ensuring they are built on a trauma-informed, victim-centered lens.	Yes	Yes

1C-5d.	Implemented VAWA-Required Written Emergency Transfer Plan Policies and Procedures for Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	

Describe in the field below:	
1.	whether your CoC's written policies and procedures include an emergency transfer plan;
2.	how your CoC informs all households seeking or receiving CoC Program assistance about their rights to an emergency transfer;
3.	what your CoC requires households to do to request emergency transfers; and
4.	what your CoC does in response to households requesting emergency transfers.

(limit 2,500 characters)

1) The CoC has implemented the VAWA -required written Emergency Transfer Plan Policy (the Plan) and included it in both the CoC Written Standards and Coordinated Entry (CE) Policies and Procedures. The Plan is reviewed by both the CoC Board and membership annually. During the review, members discuss the Plan including eligibility, documentation required, confidentiality/safety precautions and the transfer process itself. CoC members responsible for review include private sector, healthcare, housing, faith based and advocacy groups that forward information to all those seeking/receiving CoC program funding assistance. The Plan is posted on the CoC's website and updated as necessary. 2) The CoC communicates the plan for survivors to all households seeking/receiving CoC Program assistance by posting the CoC's policies and procedures (including the Plan) on the CoC's website, posting the process for individuals and families to request an emergency transfer and documenting the process the CoC uses to respond to transfer requests. This Plan identifies households who are eligible for an emergency transfer; the documentation needed to request an emergency transfer; confidentiality protections; and how an emergency transfer may occur. The CoC also provides training to providers on how to identify households who will benefit from the plan and how to discuss this process with households who request services. 3) To request an emergency transfer, a household must verbally notify the housing program's administrator and submit a written request. The CoC DV-CE and mainstream CE programs are responsible for educating case managers and clients involved in CE on how to request an emergency transfer. Once informed about the emergency transfer process, clients and case managers from referral agencies collaborate to ensure the client's safety and confidentiality. 4) The CoC responds to a household's emergency transfer request by quickly moving the survivor of domestic violence, dating violence, sexual assault, or stalking to a new unit, subject to the availability/safety of the unit. If the current housing program does not expect to have another unit available shortly, it will contact other housing programs to locate an available unit. De-identifiable information is provided to the partnering agency. The case manager working with those requesting an emergency transfer communicates with the case manager of the referral agency and initiates a warm hand off.

1C-5e.	Facilitating Safe Access to Housing and Services for Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	

Describe in the field below how your CoC ensures households experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking have safe access to all of the housing and services available within your CoC's geographic area.

(limit 2,500 characters)

The CoC ensures survivors of domestic violence, dating violence, sexual assault or stalking are provided safe access to the same housing and services as all other populations experiencing homelessness within the CoC's geographic area by operating and monitoring a coordinated DV and mainstream Coordinated Entry Program (CE). The coordination of both CE programs ensures the same access to all housing and services to survivors as all other populations experiencing homelessness—not just assistance from victim service organizations within the CoC's geographic area. Equinox, a DV provider and the mainstream CE lead, jointly host biweekly case conferences with participating providers to review all clients placed on both CE wait lists. Providers work directly with both CE Leads to ensure safety and confidentiality protocols are in place for all participants with a focus on the unique needs of survivors. The CoC ensures households experiencing trauma or a lack of safety related to fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking have safe access to all housing and services available within the CoC's geographic area through the CE process in numerous ways. The CoC's CE assessment tool was developed with CE participating providers including VSPs to ensure it is trauma informed. Questions are framed sensitively to avoid re-traumatization, ensuring clients feel safe and supported. The tool is client driven and focuses on a client's experiences and service needs as opposed to vulnerabilities. The CoC's policies and procedures ensure that in cases when immediate safety is a concern, there are established emergency protocols to expedite referrals to safe housing options. The CE process ensures all client information is kept confidential, with strict policies in place to protect participants' identities. This process includes safe data management practices and confidential communication methods. By incorporating these safety measures into the CE process, the CoC effectively establishes a safe environment for households facing trauma or insecurity, enabling them to access the housing and services they require.

1C-5f.	Identifying and Removing Barriers for Survivors of Domestic Violence, Dating Violence, Sexual Assault, and Stalking.	
	NOFO Section V.B.1.e.	

Describe in the field below how your CoC ensures survivors receive safe housing and services by:

1.	identifying barriers specific to survivors; and
2.	working to remove those barriers.

(limit 2,500 characters)

1) The CoC proactively identifies systemic barriers within the homeless response system that create barriers to safely house and provide services to survivors of domestic violence, dating violence, sexual assault, or stalking. 1) Barriers specific to survivors include financial limitations as many survivors have limited access to financial resources making it difficult to afford rent, security deposits and utilities. In addition, poor credit history, often brought on by financial abuse, can make it difficult for survivors to secure rental agreements. Survivors also face the challenge of landlord discrimination based on history of evictions and/or poor rental history due to violent episodes or police involvement. Additionally, many survivors face legal challenges such as custody issues and protective orders which can complicate housing stability. 2) The CoC works to remove those barriers by ensuring regular assessment of the CE Policy and procedure manual, which details safety planning protocol, and by participating in and requesting feedback specifically regarding systemic barriers to housing from the DV Regional Advisory Board (DVRAB). This Committee is comprised of representatives from 12 NYS CoCs across the state, many of whom are Survivors with Lived Expertise themselves, who work collaboratively w/ local CoCs to directly inform CoC policy & program priorities & ensure survivor voices are heard. These proactive measures have allowed the CoC to better identify barriers and allowed mainstream and DV providers to better serve those in need.

1C-6.	Addressing the Needs of Lesbian, Gay, Bisexual, Transgender and Queer+--Anti-Discrimination Policy and Equal Access Trainings.	
	NOFO Section V.B.1.f.	

	1. Did your CoC implement a written CoC-wide anti-discrimination policy ensuring that LGBTQ+ individuals and families receive supportive services, shelter, and housing free from discrimination?	Yes
	2. Did your CoC conduct annual CoC-wide training with providers on how to effectively implement the Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity (Equal Access Final Rule)?	Yes
	3. Did your CoC conduct annual CoC-wide training with providers on how to effectively implement Equal Access in Accordance With an Individual's Gender Identity in Community Planning and Development Programs (Gender Identity Final Rule)?	Yes

1C-6a.	Anti-Discrimination Policy--Updating Policies--Assisting Providers--Evaluating Compliance--Addressing Noncompliance.	
	NOFO Section V.B.1.f.	

Describe in the field below:	
1.	how your CoC regularly collaborates with LGBTQ+ and other organizations to update its CoC-wide anti-discrimination policy, as necessary to ensure all housing and services provided in the CoC are trauma-informed and able to meet the needs of LGBTQ+ individuals and families;
2.	how your CoC assisted housing and services providers in developing project-level anti-discrimination policies that are consistent with the CoC-wide anti-discrimination policy;
3.	your CoC's process for evaluating compliance with your CoC's anti-discrimination policies; and
4.	your CoC's process for addressing noncompliance with your CoC's anti-discrimination policies.

(limit 2,500 characters)

1) The CoC regularly collabs. w/ LGBTQ+ & other orgs to update its CoC wide anti-discrimination policy (embedded in the CoC Written Standards) by gathering stakeholder input throughout the year & during the annual review of Written Standards. This process ensures among other priorities, all housing & services provided in the CoC are trauma-informed & able to meet the needs of LGBTQ+ indivs. & families. Specifically, the Collab. Applicant (CA) annually reviews & recommends updates to the anti-discrimination policy to the Governance Committee, Board, & then Membership Committees. The committees make edits & vote to implement the revised policy, ensuring a comprehensive review by multiple agencies. 2) The CoC assisted housing & service providers in developing & implementing project-level anti-discrimination policies consistent w/the CoC-wide policy by providing an agency-level policy template & offering TA during the development & implementation of the provider anti-discrimination policies. The CoC also assists agencies during its project monitoring which includes a review of agency level policies, including anti-discrimination, to ensure alignment w/current CoC policies & HUD regs, & best practices. 3) The CoC evaluates compliance w/anti-discrimination policies during annual program monitoring, the Rank & Review (R&R) process, & CoC offered trainings. The annual monitoring process ensures agency-level anti-discrimination policies exist (& clearly detail who to contact if a client's civil rights are violated), are being implemented, & are shared w/all clients & staff. The R&R process provides further verification by requiring renewal project applicants to submit an up-to-date anti-discrimination policy w/ their app. Points are awarded to projects ensuring LGBTQ+ households will receive services & housing free from discrimination. Finally, CoC & ESG-funded agencies participate in annual, mandatory anti-discrimination trainings during which the CoC can gauge if any concerns w/compliance exist. 4) The CoC's process for addressing non-compliance with CoC anti-discrimination policy as outlined in the Written Standards includes notifying the agency & scheduling TA provided by the CA during which time a corrective action plan is developed, implemented & reviewed after 30 days. Non-compliance is indirectly addressed through the R&R process when a renewal project app receives lower scores if the agency does not have an up-to-date policy to incentivize best practices.

1C-7.	Public Housing Agencies within Your CoC's Geographic Area–New Admissions–General/Limited Preference–Moving On Strategy.	
	NOFO Section V.B.1.g.	

You must upload the PHA Homeless Preference\PHA Moving On Preference attachment(s) to the 4B. Attachments Screen.

Enter information in the chart below for the two largest PHAs highlighted in gray on the current CoC-PHA Crosswalk Report or the two PHAs your CoC has a working relationship with—if there is only one PHA in your CoC's geographic area, provide information on the one:

Public Housing Agency Name	Enter the Percent of New Admissions into Public Housing or Housing Choice Voucher Program During FY 2023 who were experiencing homelessness at entry	Does the PHA have a General or Limited Homeless Preference?	Does the PHA have a Preference for current PSH program participants no longer needing intensive supportive services, e.g., Moving On?
Albany Housing Authority	25%	Yes-Both	Yes
Town of Colonie	5%	Yes-HCV	No

1C-7a.	Written Policies on Homeless Admission Preferences with PHAs.	
	NOFO Section V.B.1.g.	
	Describe in the field below:	
1.	steps your CoC has taken, with the two largest PHAs within your CoC's geographic area or the two PHAs your CoC has working relationships with, to adopt a homeless admission preference—if your CoC only has one PHA within its geographic area, you may respond for the one; or	
2.	state that your CoC has not worked with the PHAs in its geographic area to adopt a homeless admission preference.	

(limit 2,500 characters)

1) The CoC has taken robust steps to strengthen existing relationships with the Albany Housing Authority (AHA) & the Town of Colonie, a Housing Choice Voucher (HCV) administrator, which resulted in the adoption of a homeless preference in their admission policies. These steps include: focusing on relationship building to ensure PHA participation & collaboration with the CoC & providing advocacy & education on the unhoused community's needs through data sharing. The CoC, through email communication, one-on-one, & community meetings, encourage PHA/HCV staff to engage in the CoC's strategic planning process, CoC leadership, & regularly participate in the CoC's Landlord Engagement & Special Initiatives committees. As a result of these efforts, the Executive Director of AHA has served on the CoC Board since 2020 & was elected as CoC Chair in 2022. The CoC's collaborative relationship with AHA underscores the continued need for a homeless preference, as well as the development of new pathways to address homelessness through PHA resources, including implementing the Empire State Supportive Housing Initiative (ESSHI) program- targeted to clients with a serious mental illness. This collaborative program will house 14 individuals in AHA units with a CoC member agency providing support & case management. The CoC maintains a collaborative relationship with the Town of Colonie to promote & support its homeless admission preferences. The CoC also shares data collected from strategic planning the Point-in-Time (PIT) Count, & Homeless Management Information Systems (HMIS) with the PHAs. Data sharing & collaboration between the CoC & PHA/HCV staff highlights the current need for a homeless preference in their admission policies & the community benefits of sustaining this preference. Additionally, access to PIT & HMIS data from the CoC supports PHAs with: reviewing preference criteria to ensure it reflects the community's needs & educating administrators on the continued benefit of such policies. As a result of these efforts, the CoC has a robust pool of PHA resources (i.e., PHA preferences, EHV) to support homeless clients transitioning to stable housing opportunities.

1C-7b.	Moving On Strategy with Affordable Housing Providers.	
	Not Scored—For Information Only	
	Select yes or no in the chart below to indicate affordable housing providers in your CoC's jurisdiction that your recipients use to move program participants to other subsidized housing:	

1.	Multifamily assisted housing owners	Yes
2.	PHA	Yes
3.	Low Income Housing Tax Credit (LIHTC) developments	Yes
4.	Local low-income housing programs	Yes
	Other (limit 150 characters)	
5.		

1C-7c.	Include Units from PHA Administered Programs in Your CoC's Coordinated Entry. NOFO Section V.B.1.g.	
--------	--	--

In the chart below, indicate if your CoC includes units from the following PHA programs in your CoC's coordinated entry process:

1.	Emergency Housing Vouchers (EHV)	Yes
2.	Family Unification Program (FUP)	No
3.	Housing Choice Voucher (HCV)	No
4.	HUD-Veterans Affairs Supportive Housing (HUD-VASH)	No
5.	Mainstream Vouchers	No
6.	Non-Elderly Disabled (NED) Vouchers	No
7.	Public Housing	No
8.	Other Units from PHAs:	
		No

1C-7d.	Submitting CoC and PHA Joint Applications for Funding for People Experiencing Homelessness. NOFO Section V.B.1.g.	
--------	--	--

1.	Did your CoC coordinate with a PHA(s) to submit a competitive joint application(s) for funding or jointly implement a competitive project serving individuals or families experiencing homelessness (e.g., applications for mainstream vouchers, Family Unification Program (FUP), other programs)?	Yes
		Program Funding Source
2.	Enter the type of competitive project your CoC coordinated with a PHA(s) to submit a joint application for or jointly implement.	Mainstream Housing Vouchers, Foster Youth Initiative Vouchers, NYS ESSHI

1C-7e.	Coordinating with PHA(s) to Apply for or Implement HCV Dedicated to Homelessness Including Emergency Housing Voucher (EHV). NOFO Section V.B.1.g.	
--------	--	--

	Did your CoC coordinate with any PHA to apply for or implement funding provided for Housing Choice Vouchers dedicated to homelessness, including vouchers provided through the American Rescue Plan?	Yes
--	--	-----

1D. Coordination and Engagement Cont'd

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

1D-1.	Preventing People Transitioning from Public Systems from Experiencing Homelessness.	
	NOFO Section V.B.1.h.	

Select yes or no in the chart below to indicate whether your CoC actively coordinates with the public systems listed to ensure persons who have resided in them longer than 90 days are not discharged directly to the streets, emergency shelters, or other homeless assistance programs.

1.	Prisons/Jails?	Yes
2.	Health Care Facilities?	Yes
3.	Residential Care Facilities?	Yes
4.	Foster Care?	Yes

1D-2.	Housing First—Lowering Barriers to Entry.	
	NOFO Section V.B.1.i.	

1.	Enter the total number of new and renewal CoC Program-funded PSH, RRH, SSO non-coordinated entry, Safe Haven, and Transitional Housing projects your CoC is applying for in FY 2024 CoC Program Competition.	28
2.	Enter the total number of new and renewal CoC Program-funded PSH, RRH, SSO non-coordinated entry, Safe Haven, and Transitional Housing projects your CoC is applying for in FY 2024 CoC Program Competition that have adopted the Housing First approach.	28
3.	This number is a calculation of the percentage of new and renewal PSH, RRH, SSO non-Coordinated Entry, Safe Haven, and Transitional Housing projects the CoC has ranked in its CoC Priority Listing in the FY 2024 CoC Program Competition that reported that they are lowering barriers to entry and prioritizing rapid placement and stabilization to permanent housing.	100%

1D-2a.	Project Evaluation for Housing First Compliance.	
	NOFO Section V.B.1.i.	

You must upload the Housing First Evaluation attachment to the 4B. Attachments Screen.
 Describe in the field below:

1.	how your CoC evaluates every project—where the applicant checks Housing First on their project application—to determine if they are using a Housing First approach;
2.	the list of factors and performance indicators your CoC uses during its evaluation;
3.	how your CoC regularly evaluates projects outside of your local CoC competition to ensure the projects are using a Housing First approach; and
4.	what your CoC has done to improve fidelity to Housing First.

(limit 2,500 characters)

1) The CoC evaluates every project where the applicant checks Housing First (HF) on their project application by: carefully reviewing the project description on the local rank and review tool, reviewing APR project performance data, and coordinating with the Coordinated Entry (CE) Lead to review HF adherence. This process ensures program access and continuation is not contingent on current or past substance use, treatment completion, service participation, income requirements, criminal record, or history of victimization (e.g., domestic violence, childhood abuse) & that programs do not deny access based on credit/financial history, poor/lack of rental history, or behaviors perceived as lacking “housing readiness”. 2) Specific factors and performance indicators used during evaluation include but are not limited to APR questions: Q17- Income at Entry, Q22-Length of Stay, Q24b-Moving on Assistance provided to households and Q23-Exit Destination. If any concern is raised regarding alignment with HF during this time the Collaborative Applicant promptly monitors for compliance. 3) The CoC regularly evaluates projects outside of the local CoC competition through regular coordination with the CE Lead to ensure HF adherence, on-going agency specific HF TA, and Project Monitoring. 4) In order to ensure fidelity to HF, when necessary, the CE Lead [with the Collaborative Applicant (CA)] follows up with projects struggling to consistently apply HF practices to provide individualized training/TA to ensure project-based and system-wide adherence.

1D-3.	Street Outreach—Data—Reaching People Least Likely to Request Assistance.	
	NOFO Section V.B.1.j.	

Describe in the field below how your CoC tailored its street outreach to people experiencing homelessness who are least likely to request assistance.

(limit 2,500 characters)

The CoC has developed effective street outreach strategies tailored to address the needs of people experiencing homelessness who are least likely to request assistance. Strategies focus on collaborating with partners including human services orgs (Albany Community Action Program), culturally informed orgs (In Our Own Voices), faith-based orgs Albany Public Library staff, public transit authorities (CDTA), Albany Medical Center, City of Albany EMS, City of Albany Police Dept. and Albany Co. Sheriff. The CoC continues to prioritize and implement new Street Outreach teams and programs to increase the System Performance Measures % of PH placements and retentions. This includes coordinating multiple outreach programs administered by Joseph’s House and Shelter (JH), St Catherine’s Center for Children (SCCC) and Rehabilitation Support Services RSS. Outreach teams coordinate with service community partners noted above through a new Albany Co./City funded project Albany Navigates- Housing/Health Care which includes direct connection with behavioral health (BH) services and Coordinated Entry utilizing weekly case conferencing and a by-name list to ensure continued service provision. Other street outreach strategies tailored to people experiencing homelessness least likely to request assistance include coordination with programs that offer BH expertise, including coordination with Albany Co.’s Mobile outreach incorporating health workers within the Street Outreach team. Teams identify/maintain regular presence in areas frequented by unsheltered persons and connect them to appropriate BH services. Additionally, JH outreach employs a nurse practitioner to document disabling conditions, removing barriers to supported housing. RSS administers a NYS OMH project providing daily street-outreach with JH and SCCC and incorporates clinical staff as part of the Outreach team. Additionally, the VA Outreach, Soldier On, & Health Care for Homeless Vets programs engage unsheltered vets and connect them to medical and BH services. The CoC also has a relationship w/ Co. Mental Health which administers the Assertive Community Treatment program, a multidisciplinary team that engages unsheltered persons experiencing mental health crises. All outreach programs utilize client-centered & trauma-informed approaches, hiring staff w/lived experience to conduct outreach and ensure client connection to services without requiring adherence to service or treatment.

1D-4.	Strategies to Prevent Criminalization of Homelessness.	
	NOFO Section V.B.1.k.	

Select yes or no in the chart below to indicate your CoC’s strategies to prevent the criminalization of homelessness in your CoC’s geographic area:

	Your CoC’s Strategies	Engaged/Educated Legislators and Policymakers	Implemented Laws/Policies/Practices that Prevent Criminalization of Homelessness
1.	Increase utilization of co-responder responses or social services-led responses over law enforcement responses to people experiencing homelessness?	Yes	Yes
2.	Minimize use of law enforcement to enforce bans on public sleeping, public camping, or carrying out basic life functions in public places?	Yes	Yes

3.	Avoid imposing criminal sanctions, including fines, fees, and incarceration for public sleeping, public camping, and carrying out basic life functions in public places?	Yes	Yes
4.	Other:(limit 500 characters)	No	No

1D-5.	Rapid Rehousing–RRH Beds as Reported in the Housing Inventory Count (HIC) or Longitudinal Data from HMIS.	
	NOFO Section V.B.1.i.	

		HIC Longitudinal HMIS Data	2023	2024
	Enter the total number of RRH beds available to serve all populations as reported in the HIC or the number of households served per longitudinal HMIS data, e.g., APR.	HIC	283	218

1D-6.	Mainstream Benefits–CoC Annual Training of Project Staff.	
	NOFO Section V.B.1.m.	

Indicate in the chart below whether your CoC trains program staff annually on the following mainstream benefits available for program participants within your CoC's geographic area:

	Mainstream Benefits	CoC Provides Annual Training?
1.	Food Stamps	Yes
2.	SSI–Supplemental Security Income	Yes
3.	SSDI–Social Security Disability Insurance	Yes
4.	TANF–Temporary Assistance for Needy Families	Yes
5.	Substance Use Disorder Programs	Yes
6.	Employment Assistance Programs	Yes
7.	Other (limit 150 characters)	

1D-6a.	Information and Training on Mainstream Benefits and Other Assistance.	
	NOFO Section V.B.1.m	

Describe in the field below how your CoC:

- works with projects to collaborate with healthcare organizations, including those that provide substance use disorder treatment and mental health treatment, to assist program participants with receiving healthcare services, including Medicaid; and
- promotes SSI/SSDI Outreach, Access, and Recovery (SOAR) certification of program staff.

(limit 2,500 characters)

1) The CoC works w/projects to collaborate w/healthcare orgs to assist program participants w/receiving healthcare services (i.e. SA/MH treatment) by engaging healthcare partners, CoC/non-CoC members, to present at Membership meetings; supporting an active committee to focus on health & mental health (MH) care; & through CE collaboration w/community partners & d.) through partnerships w/local Managed Care Orgs (MCO). The VP of Comm. Engagement at the local MCO, CDPHP, regularly shares on vaccine availability (COVID19, flu, Mpox) & the Albany Damien Center provides medical & MH resources specific to clients living w/HIV/AIDS. The CoC provides up to date info on resources for programs/participants during their bi-monthly membership meetings. Agencies, including non-CoC funded members provide updates, thus increasing the breadth of knowledge of healthcare resources available. Examples include County Mental Health (MH), SPARC (SUD & Naloxone training programs); & Alliance for Positive Health (Health Homes/Medicaid case mgmt.) This info is communicated directly w/ program staff, who connect participants w/ appropriate healthcare services. Additionally, the Albany Navigates Committee has convened CoC meetings w/MH/SUD providers & hospitals w/CoC outreach, shelter & housing programs to discuss & establish referral processes to streamline access to health care & MH navigators. Through CE, the CoC also coordinates case conferencing w/NYS Dept of MH's SPOA through Albany Co. Dept of MH. The CoC also provides TA annually to new CoC project applicants in coordination w/healthcare providers to ensure participants receive necessary healthcare services. Finally, the CoC partners w/MCOs to directly connect participants to healthcare. Specifically, in partnership w/ CDPHP, the CoC developed an HMIS question on intake that asks about CDPHP membership. This allows program staff to connect participants to CDPHP care managers who support ongoing physical/mental/behavioral healthcare. 2) The CoC actively promotes SOAR certification of the CoC Member program staff by providing training information during membership meetings. The CoC prioritized SOAR training among program staff in this year's rank and review process. There are currently 7 SOAR trained agencies the CoC can refer participants to.

ID-7.	Partnerships with Public Health Agencies—Collaborating to Respond to and Prevent the Spread of Infectious Diseases.	
	NOFO Section V.B.1.n.	
	Describe in the field below how your CoC effectively collaborates with state and local public health agencies to develop CoC-wide policies and procedures that:	
1.	respond to infectious disease outbreaks; and	
2.	prevent infectious disease outbreaks among people experiencing homelessness.	

(limit 2,500 characters)

The CoC effectively collaborates w/ New York State & Albany County public health agencies to develop and review CoC-wide policies and procedures to ensure that CoC policies include 1) a rapid system response to infectious disease outbreaks among people experiencing homelessness & 2) an effective policy to prevent infectious disease outbreaks among people experiencing homelessness. 1) The CoC edited its Coordinated Entry Policies and Procedures and Vulnerability Index to prioritize persons who are sick/quarantined or economically impacted by infectious diseases such as COVID-19, Mpox, Measles, Tuberculosis and Hepatitis A. The Collaborative Applicant (CA) is the lead agency on a statewide project with the Department of Health (DOH) and the University of Rochester to develop health policies, distribute PPE and cleaning supplies, and disseminate information on preventing outbreaks and the spread of infectious diseases in emergency shelters. Results & policies created through this partnership have been shared with the CoC and integrated into relevant CoC practices. The CoC will continue to craft responsive CoC-wide Policies/Procedures that prioritize care through the lens of infectious disease prevention (i.e. safety measures, quarantine protocols, accessing PPE), ensuring the CoC has a coordinated response to future infectious disease outbreaks. 2) The CoC effectively collaborates with state & local public health agencies to prevent infectious disease outbreaks among people experiencing homelessness through sharing info/resources at CoC Membership meetings & ensuring representation from state and local public health officials at meetings. For example, the CA shares updates related to the DOH statewide procedures preventing infections in emergency shelters projects; the Albany Co DSS & Dept. of Mental Health regularly share via CoC Membership presentations & email blast updates on public health & county services available to people at risk of severe infectious disease; provider agencies that work primarily w/clients w/ HIV/AIDS diagnoses present resources at CoC membership meetings on supporting immunocompromised clients; & the CoC has a close partnership with CDPHP, a local Managed Care Organization, that shares resources & updates at membership and board meetings. Together, development of infectious disease procedures & resource sharing has resulted in a community of providers that are able respond to ongoing/future public health crises.

ID-7a.	Collaboration With Public Health Agencies on Infectious Diseases.	
	NOFO Section V.B.1.n.	
	Describe in the field below how your CoC:	
1.	effectively shared information related to public health measures and homelessness; and	
2.	facilitated communication between public health agencies and homeless service providers to ensure street outreach providers and shelter and housing providers are equipped to prevent or limit infectious disease outbreaks among program participants.	

(limit 2,500 characters)

The CoC effectively shares info related to public health measures & homelessness through the Collaborative Applicant's (CA) partnership with the Dept. of Health (DOH) on shelter best practices related to infectious disease & sharing public health information through newsletters to membership. 1) The CA supports direct service providers by sharing necessary public health information provided by the CDC, HUD, & state/local health depts via email and website on an as needed basis. The CA also shares new public health measures related to homelessness through a partnership w/ the state DOH to disseminate supplies & research measures to mitigate infectious disease for both sheltered & unsheltered populations. Through this partnership, the CA develops policies & procedures, in collaboration w/ the University of Rochester, to equip outreach programs, shelters & housing providers w/ strategies & best practices to limit & prevent infectious disease outbreaks. The CA will continue sharing necessary public health measures through newsletters & website as needed. For pressing updates (i.e., vaccine availability, infectious disease protocols, COVID waves), CoC providers communicate to fellow outreach, shelter, & housing providers through the CoC Board & Membership email listservs. 2) The CoC facilitates communication between public health agencies & homeless service providers to ensure service providers are equipped to prevent/limit infectious disease outbreaks among program participants by hosting online dialogues w/public health experts at Board & Membership meetings & participating in collaborative street outreach to provide resources and PPE supplies to people experiencing unsheltered homelessness. The CoC hosts virtual/hybrid Board & Membership meetings that include presentations by public health agencies. Emergency shelter & housing providers share best practices/resources on ensuring staff & client safety compliance, vaccine hesitancy, etc. & Joseph's House, St. Catherine's Center for Children, & CARES work together to conduct outreach in Albany through the Albany Navigates Project, demonstrating the CoC's effective partnership w/multiple agencies to prevent the spread of infectious diseases (e.g. COVID, flu, Mpox, Tuberculosis and Hepatitis A). The CA will continue to host opportunities to communicate w/ public health & pilot programs that mirror the success of this above Lark St. initiative.

1D-8.	Coordinated Entry Standard Processes.	
	NOFO Section V.B.1.o.	
	Describe in the field below how your CoC's coordinated entry system:	
1.	can serve everybody regardless of where they are located within your CoC's geographic area;	
2.	uses a standardized assessment process to achieve fair, equitable, and equal access to housing and services within your CoC;	
3.	collects personal information in a trauma-informed way; and	
4.	is updated at least annually using feedback received from participating projects and households that participated in coordinated entry.	

(limit 2,500 characters)

1) The Albany CES can serve everybody regardless of location due to its No Wrong Door approach and its use of street outreach engagement. Agencies serving as Points of Entry (POE) are located across the CoC geographic area and include outreach shelters, housing providers, and the local department of social service. Coordinated efforts with new and existing outreach programs have enhanced connectivity to the CES and additional interventions for individuals experiencing unsheltered homelessness have increased. Increased street outreach program staffing and extended outreach hours have allowed increased CE access at each point of engagement for those with the most severe service needs. The CE priority list documents client location at intake. The CE Committee reviews POE data to ensure accessible CE sites. The Committee engages providers to ensure CE access and address barriers for engagement. 2) The CoC uses a standardized assessment to achieve fair, equitable and equal access to CoC services. The CoC updates the process to ensure consistency with HUD requirements and local needs. The CES prioritizes people in greatest need of assistance via an assessment which considers homeless chronicity, reported service needs, and justice system involvement. Participant prioritization is verified by the CE Committee which reviews the by-name list at bi-weekly meetings to ensure prioritization is determined by service need. 3) CE collects personal information in a trauma informed way by allowing individuals full control of decision making throughout the process. The tool collects essential information and allows participants to access CE through several POE sharing their story one time and receiving access to multiple service options. 4) The assessment is updated using feedback from participating projects and households. Annually the CoC uses feedback from providers and reviews data from the CE program. On an ongoing basis, during CE meetings the process/tool is discussed and reviewed. The committee reviews the current priorities within the CoC and compares them to criteria used to develop the priority list. In addition, the CoC Board is the CES Evaluation Entity tasked with using participant/provider data to measure the CES' functioning. To measure this a survey was developed and is completed by participating providers/households gauge the effectiveness of the CES and the results inform changes.

1D-8a.	Coordinated Entry–Program Participant-Centered Approach.	
	NOFO Section V.B.1.o.	

	Describe in the field below how your CoC's coordinated entry system:
1.	reaches people who are least likely to apply for homeless assistance in the absence of special outreach;
2.	prioritizes people most in need of assistance;
3.	ensures people most in need of assistance receive permanent housing in a timely manner, consistent with their needs and preferences; and
4.	takes steps to reduce burdens on people seeking assistance.

(limit 2,500 characters)

1) The CoCs Coordinated Entry System (CES) targets outreach to those least likely to apply for homeless assistance in the absence of special outreach as outlined in the CE Marketing Plan. This Plan incorporates outreach best practices such as street canvassing and developing one-on-one relationships to build/gain trust and peer referrals. 2) The CoC prioritizes people most in need by utilizing the standardized CE assessment tool. This tool uses community-wide prioritization criteria such as length of time homeless, physical/mental health barriers and prior justice system involvement to ensure persons with the greatest need and/or most barriers are prioritized first. 3) The CoC ensures people most in need of assistance receive permanent housing in a timely manner by ensuring their first point of entry quickly shares the persons intake information for housing services with the CE Lead and referral agencies. The assessment documents persons' needs including conditions reported, domestic violence, length of time homeless and familial status to ensure thoughtful referrals are made consistent with the client's needs and preference. Once assessed, these persons are immediately added to the by-name priority list and referrals are sent to appropriate housing providers for review. 4) The NY 503 CoC has taken the following steps to reduce the burden of those using the coordinated entry system including adopting a No Wrong Door approach. This allows individuals experiencing a housing crisis to access the CES at numerous points within the CoC's entire geographic area such as emergency shelters, permanent housing agencies and local department of social services. The No Wrong Door system ensures the client is only required to make one connection/complete one assessment to be connected to the most appropriate crisis interventions within the CoC. This system alleviates the burden on the client to find the right service location for their needs. Clients will only be referred to projects where they meet eligibility requirements and criteria. In addition, utilizing one assessment for all housing opportunities ensures the client will not be answering the same questions multiple times or asked to provide duplicate documentation. The CE committee meets regularly to review the process and ensure it remains person centered and efficient as possible.

1D-8b.	Coordinated Entry–Informing Program Participants about Their Rights and Remedies–Reporting Violations.	
	NOFO Section V.B.1.o.	

Describe in the field below how your CoC through its coordinated entry:	
1.	affirmatively markets housing and services provided within the CoC's geographic area and ensures it reaches all persons experiencing homelessness;
2.	informs program participants of their rights and remedies available under federal, state, and local fair housing and civil rights laws; and
3.	reports any conditions or actions that impede fair housing choice for current or prospective program participants to the jurisdiction(s) responsible for certifying consistency with the Consolidated Plan.

(limit 2,500 characters)

1) Through its Coordinated Entry System (CES) The NY 503 CoC affirmatively markets housing and services provided within the CoC's geographic area and ensures it reaches all persons experiencing homelessness by employing marketing strategies designed to be inclusive and considerate of the diverse population of individuals experiencing homelessness. The CoC will confer with the Lived Experience Advisory Board when developing new marketing materials and strategies. The CoC partners with community agencies to ensure marketing materials are available in requested languages and accessible to individuals with disabilities. The CoC also uses a variety of outreach channels to maximize its reach. This includes online platforms, social media, community events, and collaboration with local service providers specifically those outreaching to BIPOC and LGBTQ+ communities. 2) All marketing materials explicitly state the CoC's commitment to fair housing and non-discrimination, and clearly communicate the eligibility criteria for accessing housing and services within the CoC. The CoC also collaborates with community organizations, advocacy groups, and service providers including Legal Aid and United Tenants that educate CES providers and program participants of their rights and remedies available to them under federal, state, and local fair housing and civil rights laws. These agencies conduct an annual training session open to the entire CoC, focusing on educating participants about fair housing principles, laws, and available courses of action. 3) The CoC's strategy for reporting observed conditions or actions that impede fair housing includes actively monitoring its coordinated entry system and participating programs to identify any conditions or actions that could impede fair housing choice for program participants. This includes discriminatory practices, barriers to access, or any actions that hinder equal opportunity and the housing first principle. If the CES identifies such conditions or actions, it would be documented and communicated to the CoC as well as the City of Albany and NYS Homes and Community Renewal the jurisdiction(s) responsible for certifying consistency with the local and state Consolidated Plan. The CoC will continue to monitor its coordinated entry system and programs to ensure that fair housing principles are upheld.

1D-9.	Advancing Racial Equity in Homelessness—Conducting Assessment.	
	NOFO Section V.B.1.p.	

1.	Has your CoC conducted a racial disparities assessment in the last 3 years?	Yes
2.	Enter the date your CoC conducted its latest assessment for racial disparities.	06/13/2024

1D-9a.	Using Data to Determine if Racial Disparities Exist in Your CoC's Provision or Outcomes of CoC Program-Funded Homeless Assistance.	
	NOFO Section V.B.1.p.	

Describe in the field below:

1.	the data your CoC used to analyze whether any racial disparities are present in your CoC's provision or outcomes of CoC Program-funded homeless assistance; and
----	---

2.	how your CoC analyzed the data to determine whether any racial disparities are present in your CoC's provision or outcomes of CoC Program-funded homeless assistance.
----	---

(limit 2,500 characters)

NY-503, in partnership and collaboration, with the CoC Regional Racial Justice Advisory Committee (RRJAC), and the CoC Persons with Lived Experience (PWLE) committee, uses a variety of local quantitative and qualitative data to determine if racial disparities are present in the provision or outcomes of its CoC program-funded homeless response system. 1) NY-503 utilizes HMIS/Coordinated Entry (CE)/Stella P, American Community Survey for its quantitative analysis and the majority of its qualitative data is collected from the work of the NY-503 PWLE committee. Specifically, the PWLE reviews and provides feedback, during its meetings, on the CoC's CE vulnerability index, the rank and review tool, and existing system barriers they identify-this topic is a standing agenda item. 2) NY-503 CoC relies on the work of the RRJAC, its analysis of both quantitative and qualitative data sources, to determine if racial disparities exist in the CoC's provision or outcomes of CoC Program-funded homeless assistance. The RRJAC's, comprised of 11 New York State CoCs, mission is to serve local CoCs as a primary resource and catalyst for addressing racial disparities and representation within the homeless service system and therefore the ideal committee to take on this important analytical work. The Committee reviews all available data with a racial equity lens and then presents its findings to the Board and Membership with recommendations. For example, the most recent data analysis focused on those who were street homeless or in an emergency shelter (ES) pathway to Permanent Supportive Housing (PSH) through CE by race. The analysis identified the following disparity: Black/African Americans made up 55% of the clients in ES and outreach and 62% of those on the CE priority list. However, regarding housing referrals from CE during the reporting window, only 18% of Black/African American clients were referred to PSH. This result indicates that Black/African American clients are underrepresented in and that there is racial disparity in PSH referrals. Findings are made accessible online for full community transparency. In addition, the CoC PWLE Committee contributes its findings and suggestions to the Board and Membership annually. This committee presents recommendations to the CoC Board and membership bi-monthly actionable items for change in the provision or outcomes of the CoC program funded homeless response system.

1D-9b.	Implemented Strategies to Prevent or Eliminate Racial Disparities.	
	NOFO Section V.B.1.p	

Select yes or no in the chart below to indicate the strategies your CoC is using to prevent or eliminate racial disparities.

1.	Are your CoC's board and decisionmaking bodies representative of the population served in the CoC?	No
2.	Did your CoC identify steps it will take to help the CoC board and decisionmaking bodies better reflect the population served in the CoC?	Yes
3.	Is your CoC expanding outreach in your CoC's geographic areas with higher concentrations of underrepresented groups?	Yes
4.	Does your CoC have communication, such as flyers, websites, or other materials, inclusive of underrepresented groups?	Yes

5.	Is your CoC training staff working in the homeless services sector to better understand racism and the intersection of racism and homelessness?	Yes
6.	Is your CoC establishing professional development opportunities to identify and invest in emerging leaders of different races and ethnicities in the homelessness sector?	Yes
7.	Does your CoC have staff, committees, or other resources charged with analyzing and addressing racial disparities related to homelessness?	Yes
8.	Is your CoC educating organizations, stakeholders, boards of directors for local and national nonprofit organizations working on homelessness on the topic of creating greater racial and ethnic diversity?	Yes
9.	Did your CoC review its coordinated entry processes to understand their impact on people of different races and ethnicities experiencing homelessness?	Yes
10.	Is your CoC collecting data to better understand the pattern of program use for people of different races and ethnicities in its homeless services system?	Yes
11.	Is your CoC conducting additional research to understand the scope and needs of different races or ethnicities experiencing homelessness?	Yes
	Other:(limit 500 characters)	
12.		

1D-9c.	Plan for Ongoing Evaluation of System-level Processes, Policies, and Procedures for Racial Equity.	
	NOFO Section V.B.1.p.	

Describe in the field below your CoC's plan for ongoing evaluation of system-level processes, policies, and procedures for racial equity.

(limit 2,500 characters)

NY-503's plan to evaluate its CoC-level processes, policy, and procedures and implement ongoing evaluation to prevent or eliminate racial disparities in the provision or outcomes of CoC funding begins with and is centered around annual analysis of the CoC's Coordinated Entry (CE) program. CE is at the heart of the CoC's monitoring process. Annual evaluation of CE will aid in the creation of actionable steps to improve processes, policies, and procedures. Analysis of race/ethnicity of clients enrolled in/exiting out of CE will reveal the level of equity within the system. Analysis of CE data indicated Black & African American clients are underrepresented on the CE list compared to the homeless population, & that persons on CE & the percentage of PSH referrals by race reflect disparity compared to the CoC's homeless population. As a result, the CoC & providers dissected current processes and policies to determine needed changes. The CoC took the following steps to address these disparities: conducted analysis of CoC governing documents & Board composition; updated the Rank & Review tool to inquire about agency's focus on racial equity in its own programs and prioritized agencies that updated policies and procedures to mitigate inequity; participated in the Regional Racial Justice Summit and left with a plan to engage CoC membership and Board to adopt racial equity related policy recommendations. A step taken as part of the recommendations is the update made to the CoC bylaws & written standards to include a commitment to center client voices in the creation of CoC policies with the goal of creating more racially equitable service provider practices; the CoC updated CE program's process and tool to directly increase equity in housing outcomes; and the CoC analyzed the demographic composition of its Board by distributing a diversity assessment tool which tracks recruitment of board members that identify as BIPOC & persons w/ lived experience. The CoC will continue to focus on an annual evaluation of its CE through data analysis and qualitative interviews with clients on the CE priority list and clients who were placed into PH/PSH. Analysis will monitor system improvement of racial equity by tracking the demographics of those referred to the CE program for housing placement, the wait time of those on the CE priority list by race, and the demographics of those successfully placed in PH/PSH.

1D-9d.	Plan for Using Data to Track Progress on Preventing or Eliminating Racial Disparities. NOFO Section V.B.1.p.	
	Describe in the field below:	
1.	the measures your CoC plans to use to continuously track progress on preventing or eliminating racial disparities in the provision or outcomes of homeless assistance; and	
2.	the tools your CoC plans to use to continuously track progress on preventing or eliminating racial disparities in the provision or outcomes of homeless assistance.	

(limit 2,500 characters)

NY-503 has developed a plan for using data to track progress on preventing or eliminating racial disparities. 1) The measures the Continuum of Care (CoC) plans to continuously use to track progress on preventing or eliminating racial disparity are tracking successful placements within the Coordinated Entry (CE) program by race, tracking the number of positive PSH program placements by race, and tracking the average length of stay on the CE list by race. These measures are currently and will continuously be used to illustrate whether positive and efficient housing outcomes on the CE list are proportional to the population size of each racial group within the homeless population. The CoC participates in the Regional Racial Justice Advisory Committee (RRJAC), a regional committee comprised of 11 New York State CoCs formed to provide opportunities for community members to get involved in actionable systems change to address racial disparities within the homelessness service sector. The committee’s mission is to serve local CoCs as a primary resource and catalyst for the work of racial justice within the homeless service system. The RRJAC, in partnership with the CoC, will collect and analyze, annually, the above three measures for NY-503. 2) The tools the CoC plans to use to continuously track progress on preventing or eliminating racial disparities in the provision or outcomes of homeless assistance are locally derived analysis reports/dashboards from HMIS/CE data, HUD HDX 2.0 Stella P, and US Census data. Reports are built using Tableau and are modeled after the data sources and versions of analysis of HUD’s recommended Racial Equity Analysis Tool. By federating the datasets through Tableau, the CoC can highlight racial disparities through visualizations at each of the measures highlighted above and compare them yearly.

1D-10.	Involving Individuals with Lived Experience of Homelessness in Service Delivery and Decisionmaking—CoC’s Outreach Efforts.	
	NOFO Section V.B.1.q.	

Describe in the field below your CoC’s outreach efforts (e.g., social media announcements, targeted outreach) to engage those with lived experience of homelessness in leadership roles and decisionmaking processes.

(limit 2,500 characters)

The CoC's outreach efforts to engage persons w/ lived experience and expertise of homelessness (PLEEH) in leadership roles & decision-making processes includes the development of a Persons with Lived Experience Advisory Committee, promotion of open board positions to those with lived experience via direct client outreach, and ensuring transparent and publicly posted Membership and Committee information for full public participation. In collaboration with the Regional Racial Justice Advisory Committee (RRJAC), the CoC has developed a Persons with Lived Experience (PWLE) Advisory Committee, which provides recommendations to improve the homeless response system. These recommendations are provided to the CoC Board, which determines the method/process for addressing those recommendations as a system. The CoC sought to recruit PLEEH through disseminating a short survey to employees from CoC-member agencies and stakeholders who are experiencing or have experienced homelessness. The survey asked questions pertaining to the type of homelessness they experienced (sheltered or unsheltered), how long ago they experienced homelessness, and assessing their interest in joining a PWLE Advisory Committee to pull on their lived experience. The PWLE Advisory Committee was tasked with analyzing specific CoC policies and processes for areas of improvement, which was used to inform board decisions. The CoC Board promoted open Board seats via a monthly newsletter, at membership meetings and within their own agencies emphasizing the intent to recruit PLEEH. CoC members were also encouraged to promote the open board seats throughout their agency and networks to PLEEH. The CoC promotes public participation by hosting persons with lived experience focus group sessions and by keeping up to date membership & committee meeting dates and information on the CoC website, advertising the meetings as open to the public & encouraging providers to share this site and information to program participants.

1D-10a.	Active CoC Participation of Individuals with Lived Experience of Homelessness.	
	NOFO Section V.B.1.q.	

You must upload the Lived Experience Support Letter attachment to the 4B. Attachments Screen.
 Enter in the chart below the number of people with lived experience who currently participate in your CoC under the four categories listed:

	Level of Active Participation	Number of People with Lived Experience Within the Last 7 Years or Current Program Participant	Number of People with Lived Experience Coming from Unsheltered Situations
1.	Routinely included in the decisionmaking processes related to addressing homelessness.	1	0
2.	Participate on CoC committees, subcommittees, or workgroups.	1	1
3.	Included in the development or revision of your CoC's local competition rating factors.	1	0
4.	Included in the development or revision of your CoC's coordinated entry process.	1	0

1D-10b.	Professional Development and Employment Opportunities for Individuals with Lived Experience of Homelessness.	
	NOFO Section V.B.1.q.	

Describe in the field below how your CoC or CoC membership organizations provide professional development and employment opportunities to individuals with lived experience of homelessness.

(limit 2,500 characters)

The CoC & its membership orgs provide professional development & employment opportunities to persons w/lived experience of homelessness (PWLE) by maintaining connections with employment and workforce agencies/services and creating employment programs for PWLE where service gaps exist. The CoC continually reaches out to agencies whose exp/knowledge promote linkages to employment opportunities for clients. Through this outreach, Albany Community Action Partnership (ACAP), which offers employment & ed. training programs, has become an active CoC member, holds a seat on the CoC Board & participates in CE. The CoC includes ACAP's intake information on the CE intake for clients interested in connecting with employment & ed. opportunities offered by ACAP. Including agencies that foster upward economic mobility for clients in membership & CoC leadership allows CoC providers to share professional development & employment resources with current/prior participants w/ lived experience of homelessness (i.e. those in PSH programs/those who graduated from PSH programs). The Collaborative Applicant has a partnership with the Albany Career Center (DOL funded) and informs and connects CoC funded agencies with staff at the Center to assist with referrals, job programs, and placement. CoC member orgs have created programs that connect PWLE to employment. For example, Interfaith Partnership for the Homeless (IPH) hires PWLE as Albany Ambassadors, which provides hospitality services for local theaters in downtown Albany. The initiative provides an opportunity for PWLE to build hard & soft employment skills, expand their resumes, & gain confidence. IPH also directly hires clients/prior clients to fulfill duties in the programs, facilities, and kitchens. The CoC funded Albany Damien Center hires peer advocates who act as liaisons between tenants, case managers, & landlords/property managers. Finally, the Regional Racial Justice Advisory Committee, which NY-503 participates in, has developed professional training for PWLE: CoC Board 101 sessions and Facilitation/Chairperson 101 series to encourage PWLE leadership and participation.

1D-10c.	Routinely Gathering Feedback and Addressing Challenges of Individuals with Lived Experience of Homelessness.	
	NOFO Section V.B.1.q.	

Describe in the field below:

1.	how your CoC gathers feedback from people experiencing homelessness;
2.	how often your CoC gathers feedback from people experiencing homelessness;
3.	how your CoC gathers feedback from people who received assistance through the CoC Program or ESG Program;
4.	how often your CoC gathers feedback from people who have received assistance through the CoC Program or ESG Program; and

5.	steps your CoC has taken to address challenges raised by people with lived experience of homelessness.
----	--

(limit 2,500 characters)

The CoC routinely and frequently gathers feedback from and addresses challenges of individuals with Lived Experience of Homelessness. 1)The CoC gathers feedback from people experiencing homelessness through the Persons with Lived Experience (PWLE) Committee and hosting focus groups sessions. The CoC developed a formal PWLE Advisory committee to gather feedback from PWLE that helps inform CoC policies & procedures, project & funding priorities. 2) The feedback is collected from this Advisory committee bimonthly and focus groups quarterly. 3)The CoC Gathers feedback from people who received assistance through the CoC program and ESG program through the CoC Systems Committee which surveys & interviews clients served by CoC and ESG programs at provider agencies. 4) The CoC Systems Committee collects this feedback annually. 5) The CoC has taken steps to address challenges raised by individuals with lived experience of homelessness by advocating for funding to directly address service needs identified by PWLE, developing &/or assigning Systems Committee's work w/actions to address needs, & updating CoC processes to reduce barriers to housing & services. Specific challenges identified by PWLE through surveys and focus groups were the lack of affordable housing and eviction prevention funding available. The CoC advocated for the City of Albany & NYS Home-ARP to prioritize emergency rental assistance & support affordable housing development. The CoC supports applicants for both funding types with letters of support. In response to PWLE feedback that affordable housing units are challenging to find even w/ rental assistance in hand, the CoC created a Landlord Engagement working group & supported the CE Lead in hiring a landlord navigator who has built new, trusting relationships w/ landlords to create a larger pool of readily available, affordable units. In terms of updating processes, feedback from CE client surveys is discussed at CE Advisory Committee meetings & used to improve CE accessibility & intake processes.

1D-11.	Increasing Affordable Housing Supply.	
	NOFO Section V.B.1.s.	

Describe in the field below at least two steps your CoC has taken in the past 12 months to engage city, county, or state governments that represent your CoC's geographic area regarding the following:

1.	reforming zoning and land use policies to permit more housing development; and
2.	reducing regulatory barriers to housing development.

(limit 2,500 characters)

1&2) The CoC has engaged local govts. w/in its geographic area in the last 12 mos. to reform zoning & land use policies to permit more housing & reduce regulatory barriers to housing development by: 1) advocating to local govts., by meeting w/ elected officials, for zoning changes & land use policies when developing housing, & 2) providing housing data to influence decision making in support of reducing barriers to development. Examples include: 1a) CoC members engaged local govt. officials & planning boards to advocate for new affordable housing by rezoning & reducing barriers to housing development. For example, the CoC member agency, United Tenants of Albany, engaged city council members on the effort to "ReZone Albany". The CoC supported the city's effort to draft the most significant updates to the city's zoning map in 40 yrs, leading to overlay districts being approved, resulting in development of affordable rental housing. 1b) CoC agencies advocate for zoning changes & reduction of regulatory barriers when developing housing projects- CoC member agencies partner w/ and/or develop affordable housing & work w/ local planning bodies to obtain permits & approvals, including zoning variances. E.g., IPH, a CoC-funded agency, successfully secured zoning variances to build addnl. units onto their Community Connections Center, a repurposed school that required zoning approvals from City Council. Similarly, CARES, the Collab App, educated both the Council & the public to get approvals for the Elm Street Project (15 units of PSH in a highly resourced community). 1c) The CoC collaborates w/ local coalitions to advocate for specific housing projects by providing support letters, attending public hearings, & providing written comments. Several affordable housing proposals in the CoC geographic area prompted CoC member orgs to become more involved in local efforts for zoning/regulatory changes or approval of projects. 2) Using data & best practice research, the CoC conducts outreach to educate localities & the public on the need for & value of addnl. affordable rental units. The CoC provides data from the Housing Inventory (HIC) & Point in Time (PIT) counts for housing needs assessments & Consolidated Plans. This HIC/PIT data & CoC system performance data (i.e. average length of time homeless & first-time homeless) demonstrate a need to create affordable units & provide demographic info. to ensure new units will fit the needs of the homeless & low-income pops.

1E. Project Capacity, Review, and Ranking–Local Competition

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

1E-1.	Web Posting of Advance Public Notice of Your CoC’s Local Competition Deadline, Scoring and Rating Criteria.	
	NOFO Section V.B.2.a. and 2.g.	

1.	Enter the date your CoC published its submission deadline and scoring and rating criteria for New Project applicants to submit their project applications for your CoC’s local competition.	08/19/2024
2.	Enter the date your CoC published its submission deadline and scoring and rating criteria for Renewal Project applicants to submit their project applications for your CoC’s local competition.	06/04/2024

1E-2.	Project Review and Ranking Process Your CoC Used in Its Local Competition. We use the response to this question and the response in Question 1E-2a along with the required attachments from both questions as a factor when determining your CoC’s eligibility for bonus funds and for other NOFO criteria below.	
	NOFO Section V.B.2.a., 2.b., 2.c., 2.d., and 2.e.	

You must upload the Local Competition Scoring Tool attachment to the 4B. Attachments Screen.

Select yes or no in the chart below to indicate how your CoC ranked and selected project applications during your local competition:

1.	Established total points available for each project application type.	Yes
2.	At least 33 percent of the total points were based on objective criteria for the project application (e.g., cost effectiveness, timely draws, utilization rate, match, leverage), performance data, type of population served (e.g., DV, youth, Veterans, chronic homelessness), or type of housing proposed (e.g., PSH, RRH).	Yes
3.	At least 20 percent of the total points were based on system performance criteria for the project application (e.g., exits to permanent housing destinations, retention of permanent housing, length of time homeless, returns to homelessness).	Yes
4.	Provided points for projects that addressed specific severe barriers to housing and services.	Yes
5.	Used data from comparable databases to score projects submitted by victim service providers.	Yes

6.	Provided points for projects based on the degree the projects identified any barriers to participation (e.g., lack of outreach) faced by persons of different races and ethnicities, particularly those over-represented in the local homelessness population, and has taken or will take steps to eliminate the identified barriers.	Yes
----	---	-----

1E-2a.	Scored Project Forms for One Project from Your CoC's Local Competition. We use the response to this question and Question 1E-2. along with the required attachments from both questions as a factor when determining your CoC's eligibility for bonus funds and for other NOFO criteria below. NOFO Section V.B.2.a., 2.b., 2.c., and 2.d.	
--------	---	--

You must upload the Scored Forms for One Project attachment to the 4B. Attachments Screen.
 Complete the chart below to provide details of your CoC's local competition:

1.	What were the maximum number of points available for the renewal project form(s)?	222
2.	How many renewal projects did your CoC submit?	28
3.	What renewal project type did most applicants use?	PH-PSH

1E-2b.	Addressing Severe Barriers in the Local Project Review and Ranking Process. NOFO Section V.B.2.d.	
--------	--	--

Describe in the field below:

1.	how your CoC analyzed data regarding each project that has successfully housed program participants in permanent housing;
2.	how your CoC analyzed data regarding how long it takes to house people in permanent housing;
3.	how your CoC considered the specific severity of needs and vulnerabilities experienced by program participants preventing rapid placement in permanent housing or the ability to maintain permanent housing when your CoC ranked and selected projects; and
4.	the severe barriers your CoC considered.

(limit 2,500 characters)

1) The CoC collected & analyzed data on projects that successfully housed program participants in permanent housing (PH) using HMIS/CE project data (or a comparable database) to answer objective questions in the local Rank & Review (R&R) tool. Specifically, the tool scores on utilization, the number of chronically homeless (CH) persons served, positive outcomes, & income growth. The NOFA Committee updates the R&R tool, including data to assess project performance. The tool is approved by the Board & the HMIS Lead pulls data or collects aggregate data from a VSP (a comparable database) & sends it to applicants to utilize when completing the local R&R tool. 2) The CoC assessed the length of time between program entry & housing placement using APR data and providing points to those projects that are able to house clients quickly. 3) The CoC considered the specific severity of needs when ranking projects by including quantitative (i.e. prioritizing specific populations) & qualitative questions within the R&R application process. Specifically, the R&R tool prioritized those with serious mental health issues and/or substance abuse issues, which were the populations identified as being the most common & having the longest wait times on the Coordinated Entry priority list. The tools this year also included questions regarding clients entering projects with zero income & clients with 2 or more disabling conditions, giving points to those projects that serve populations with severe service needs. The CoC considers these factors to ensure effective prioritization & allocation of resources to serve those with the most severe service needs within the CoC's geographic area. The CoC specifically included bonus questions on the local R&R tool for DV & Youth providers to explain positive outcomes that don't meet HUD's traditional definitions of positive outcomes. Att. 1E-2: Summary of Selection Criteria for R&R of Projects documents these practices. 4) The CoC considered the following severity of needs & vulnerabilities when ranking projects: CH, history of DV, disability, severe mental illness, youth populations, low/no income, & substance abuse. The narrative portion of the R&R process also allowed for agencies to explain how serving those with the most severe service needs impacted their performance levels for specific system performance measures, such as preventing rapid placement in permanent housing & housing stability & could recoup points through that explanation.

1E-3.	Advancing Racial Equity through Participation of Over-Represented Populations in the Local Competition Review and Ranking Process.	
NOFO Section V.B.2.e.		
Describe in the field below:		
1.	how your CoC used input from persons of different races and ethnicities, particularly those over-represented in the local homelessness population, to determine the rating factors used to review project applications;	
2.	how your CoC included persons of different races and ethnicities, particularly those over-represented in the local homelessness population in the review, selection, and ranking process; and	
3.	how your CoC rated and ranked projects based on the degree that proposed projects identified any barriers to participation (e.g., lack of outreach) faced by persons of different races and ethnicities, particularly those over-represented in the local homelessness population, and steps the projects took or will take to eliminate the identified barriers.	

(limit 2,500 characters)

1) The CoC obtained & included input from persons of different races, particularly those over-represented in the local homeless pop, when determining rating factors used to review project apps by engaging the Regional Racial Justice Advisory Committee (RRJAC) & the Persons w/ Lived Experience Committee (PWLE) in creating/editing Rank & Review (R&R) tool questions. The CoC works to identify & implement strategic initiatives that promote racial equity w/in the CoC & homeless services system. This year, the CoC worked w/the RRJAC & PWLE to create/edit/review app questions from a Racial Equity, Diversity & Inclusion perspective. According to HUD's CoC Analysis Tool for Race & Ethnicity, Black/ African American individuals are experiencing homelessness in the CoC at a rate of 54%, compared to 12% of the general pop. 2) Input from persons of different races affected how the CoC determined rating factors used to review project apps resulting in R&R tools that rated projects on their agency practices to increase racial equity & address existing racial disparities in the system. The CoC included persons of different races, particularly those identified as over-represented in the local homelessness pop, in the review, selection, & ranking process by working w/ the RRJAC to ensure a diverse CoC Membership, Board, & committees. The RRJAC promotes diversification through annual assessments of current CoC member demographics & creation of CoC outreach/education materials. The CoC prioritized ensuring diversity w/in the NOFA Committee to ensure persons of different races were included in the review, selection, & ranking process. This Committee is responsible for updating the renewal, new, & DV & HMIS/CE bonus apps for the NOFO competition. 3) The CoC rated & ranked projects based on the degree to which projects have identified barriers to participation & have taken steps to eliminate those barriers by asking projects via the R&R tools a) to identify structural inequities within their projects & how they are eliminating them; b) how the agency participates in committee & systems work to promote racial equity & engage professional organizations w/ this expertise; c) what barriers related to race/ethnicity exist in the CoC's CE process; d) how agencies demonstrate inclusive hiring practices; & e) if project staff participate in DEI trainings. It should be noted that 9% of the CoC's R&R tool questions focus on steps agencies are taking to eliminate barriers based on race.

1E-4.	Reallocation—Reviewing Performance of Existing Projects.	
	NOFO Section V.B.2.f.	
	Describe in the field below:	
	1. your CoC's reallocation process, including how your CoC determined which projects are candidates for reallocation because they are low performing or less needed;	
	2. whether your CoC identified any low performing or less needed projects through the process described in element 1 of this question during your CoC's local competition this year;	
	3. whether your CoC reallocated any low performing or less needed projects during its local competition this year; and	
	4. why your CoC did not reallocate low performing or less needed projects during its local competition this year, if applicable.	

(limit 2,500 characters)

The CoC determines candidates for reallocation due to low performance or less needed projects as a tool to make strategic improvements to the homeless system. 1) The reallocation process is outlined in the Rank & Review (R&R) Written Process, which is reviewed, updated, posted for public comment, & approved by the NOFA Co. & CoC Board on an annual basis. The process starts w/UFA Fiscal monitoring, as mandated by the UFA Standard Operating Procedure (SOP). The Fiscal Committee (FC) regularly reviews expenditure percentages & SOP benchmarks to ensure all funds will be spent, identifies projects that have a history of inadequate financial mgmt. or recaptured funds, & recommends reallocation of poor performing projects to the Board. Additionally, the R&R tool is annually updated to assess projects on performance & local HUD priorities, including utilization, serving the chronically homeless, returns to homelessness, positive outcomes, client income growth, & serving local priority populations. The R&R Review Team flags projects that a) demonstrate ongoing poor project performance outcomes &/or b) consistently score low on the R&R tool. From R&R & monitoring, recommendations are made regarding reallocation to the Board. The Board makes the final decision to reallocate funding to create a new high performing project by reviewing the project's performance outcomes, pops served & the need for the project & shares its decision with CoC Membership. If a project is considered needed in the community (i.e. uniquely serves a hard-to-serve population), the Board works w/the Collaborative Applicant to provide TA to address underperformance. If it is decided reallocation would be a better use of CoC funds to best serve homeless clients, funding is made available through the new project R&R process. 2) The CoC did not identify any low performing or less needed projects through this process this year. High project performance was demonstrated through the FC, R&R, and monitoring, & the need for each project is demonstrated by CoC projects actively accepting the most vulnerable clients from the CE waitlist. 3) As such, no projects were identified for reallocation during the local competition. Between 2019-2024, no CoC funding has been reallocated. This is a direct result of the CoC being a UFA, which ensures funds are seamlessly moved between projects as needed. 4) Through the local competition it was determined all projects are high performing & address community needs.

1E-4a.	Reallocation Between FY 2019 and FY 2024.	
	NOFO Section V.B.2.f.	

	Did your CoC cumulatively reallocate at least 20 percent of its ARD between FY 2019 and FY 2024?	No
--	--	----

1E-5.	Projects Rejected/Reduced–Notification Outside of e-snaps.	
	NOFO Section V.B.2.g.	
	You must upload the Notification of Projects Rejected-Reduced attachment to the 4B. Attachments Screen.	

1.	Did your CoC reject any project application(s) submitted for funding during its local competition?	No
2.	Did your CoC reduce funding for any project application(s) submitted for funding during its local competition?	No
3.	Did your CoC inform applicants why your CoC rejected or reduced their project application(s) submitted for funding during its local competition?	
4.	If you selected Yes for element 1 or element 2 of this question, enter the date your CoC notified applicants that their project applications were being rejected or reduced, in writing, outside of e-snaps. If you notified applicants on various dates, enter the latest date of any notification. For example, if you notified applicants on 06/26/2024, 06/27/2024, and 06/28/2024, then you must enter 06/28/2024.	

1E-5a.	Projects Accepted–Notification Outside of e-snaps.	
	NOFO Section V.B.2.g.	
	You must upload the Notification of Projects Accepted attachment to the 4B. Attachments Screen.	

	Enter the date your CoC notified project applicants that their project applications were accepted and ranked on the New and Renewal Priority Listings in writing, outside of e-snaps. If you notified applicants on various dates, enter the latest date of any notification. For example, if you notified applicants on 06/26/2024, 06/27/2024, and 06/28/2024, then you must enter 06/28/2024.	09/25/2024
--	--	------------

1E-5b.	Local Competition Selection Results for All Projects.	
	NOFO Section V.B.2.g.	
	You must upload the Local Competition Selection Results attachment to the 4B. Attachments Screen.	

	Does your attachment include: 1. Project Names; 2. Project Scores; 3. Project Status–Accepted, Rejected, Reduced Reallocated, Fully Reallocated; 4. Project Rank; 5. Amount Requested from HUD; and 6. Reallocated Funds +/-.	Yes
--	---	-----

1E-5c.	Web Posting of CoC-Approved Consolidated Application 2 Days Before CoC Program Competition Application Submission Deadline.	
	NOFO Section V.B.2.g. and 24 CFR 578.95.	
	You must upload the Web Posting–CoC-Approved Consolidated Application attachment to the 4B. Attachments Screen.	

	Enter the date your CoC posted the CoC-approved Consolidated Application on the CoC’s website or partner’s website—which included: 1. the CoC Application; and 2. Priority Listings for Reallocation forms and all New, Renewal, and Replacement Project Listings.	10/21/2024
--	--	------------

1E-5d.	Notification to Community Members and Key Stakeholders by Email that the CoC-Approved Consolidated Application is Posted on Website.	
	NOFO Section V.B.2.g.	

You must upload the Notification of CoC-Approved Consolidated Application attachment to the 4B. Attachments Screen.

	Enter the date your CoC notified community members and key stakeholders that the CoC-approved Consolidated Application was posted on your CoC's website or partner's website.	10/21/2024
--	---	------------

2A. Homeless Management Information System (HMIS) Implementation

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

2A-1.	HMIS Vendor.	
	Not Scored—For Information Only	

	Enter the name of the HMIS Vendor your CoC is currently using.	Foothold Technology
--	--	---------------------

2A-2.	HMIS Implementation Coverage Area.	
	Not Scored—For Information Only	

	Select from dropdown menu your CoC's HMIS coverage area.	Multiple CoCs
--	--	---------------

2A-3.	HIC Data Submission in HDX.	
	NOFO Section V.B.3.a.	

	Enter the date your CoC submitted its 2024 HIC data into HDX.	05/09/2024
--	---	------------

2A-4.	Comparable Databases for DV Providers—CoC and HMIS Lead Supporting Data Collection and Data Submission by Victim Service Providers.	
	NOFO Section V.B.3.b.	

	In the field below:	
	1. describe actions your CoC and HMIS Lead have taken to ensure DV housing and service providers in your CoC collect data in HMIS comparable databases; and	
	2. state whether DV housing and service providers in your CoC are using a HUD-compliant comparable database—compliant with the FY 2024 HMIS Data Standards.	

(limit 2,500 characters)

The CoC and HMIS leads ensure DV housing and service providers in the CoC collect data in databases that meet HUD’s comparable database requirements by creating a Regional Domestic Violence Committee. This committee meets monthly to discuss the data collection and submission requirements with the group. This Committee’s stated priority is to ensure this compliance and offer HMIS and CoC technical assistance if needed to be and remain in compliance.

1) CARES of NY, Inc, the CoC Collaborative Applicant (CA), engaged Domestic Violence providers from this CoC and the others it works with, to form a Regional DV Committee. A priority goal of this Regional DV Committee is to ensure compliance within the comparable database and with the 2024 HMIS Data Standards. To meet this goal, CARES requested HUD TA for the Committee and received guidance resulting in clarification of comparable database requirements and instructions on how CoCs can ensure compliance. Based on the guidance received, CARES requested all providers complete an annual survey indicating the name of their current comparable database and it’s reporting capabilities. CARES of NY, Inc (the HMIS Lead) vetted each identified software vendor to ensure the database is compliant.

2) With the guidance from HUD TA and CoC oversight, the Albany CoC DV provider, Equinox Inc. is compliant with the FY 2024 HMIS Data Standards. Currently, the Equinox Inc’s comparable database is Empower Db. Examples of compliance include submitting de-identified aggregate data to the CoC for inclusion in the Housing Inventory Chart and Point In Time Count; and utilizing the data in the Rank and Review tool. Additionally, Equinox Inc. regularly performs CSV uploads for ESG funding reporting as well as uploads to Sage for APRs.

2A-5.	Bed Coverage Rate—Using HIC, HMIS Data—CoC Merger Bonus Points.	
	NOFO Section V.B.3.c. and V.B.7.	

Using the 2024 HDX Competition Report we issued your CoC, enter data in the chart below by project type:

Project Type	Adjusted Total Year-Round, Current Non-VSP Beds [Column F of HDX Report]	Adjusted Total Year-Round, Current VSP Beds [Column K of HDX Report]	Total Year-Round, Current, HMIS Beds and VSP Beds in an HMIS Comparable Database [Column M of HDX Report]	HMIS and Comparable Database Coverage Rate [Column O of HDX Report]
1. Emergency Shelter (ES) beds	515	0	398	77.28%
2. Safe Haven (SH) beds	4	0	4	100.00%
3. Transitional Housing (TH) beds	155	0	41	26.45%
4. Rapid Re-Housing (RRH) beds	218	0	218	100.00%
5. Permanent Supportive Housing (PSH) beds	838	0	828	98.81%
6. Other Permanent Housing (OPH) beds	0	0	0	0.00%

2A-5a.	Partial Credit for Bed Coverage Rates at or Below 84.99 for Any Project Type in Question 2A-5.	
	NOFO Section V.B.3.c.	
	For each project type with a bed coverage rate that is at or below 84.99 percent in question 2A-5, describe:	
1.	steps your CoC will take over the next 12 months to increase the bed coverage rate to at least 85 percent for that project type; and	
2.	how your CoC will implement the steps described to increase bed coverage to at least 85 percent.	

(limit 2,500 characters)

1) Over the next 12 months the CoC, Collaborative Applicant and HMIS lead will take the following step to increase the bed coverage rate to at least 85% for the ES & TH project types by engaging the Capital City Rescue Mission to participate in HMIS. The Capital City Rescue Mission (Mission) is a faith-based organization with large ES and TH programs, whose lack of participation in HMIS has resulted in the low bed coverage rates for these components. The Mission identifies as a religious organization with a philosophy not to participate in any government funded or sponsored activity. The CoC and stakeholders have tried for the past 15 years to obtain the data from the Mission asking for data reports from the Mission's data base or offering CoC funded staff to sit at the Mission and capture intake data from clients directly – they continue to decline. Therefore, the workaround to obtain its ES and TH data is to work instead with the local Department of Social Service (DSS) which refers homeless persons to the Mission for shelter – DSS does not pay for placements to the Rescue Mission and therefore refers most unsheltered homeless men to this agency. 2) HMIS will work with the Department of Social Services (DSS) to retrieve data for all persons it refers to the Capital City Rescue Mission. The HMIS lead and the DSS Commissioner will put in writing the agreement including the timing of and method for getting the data from DSS. This step will result in the needed increase in bed data from the Capital City Rescue Mission to 60% to 80% in HMIS. The Collaborative Applicant, Board, and Operations Committee will simultaneously continue working with the Capital City Rescue Mission directly to try and come to a data entry agreement that includes either data integration or direct data entry.

2A-6.	Longitudinal System Analysis (LSA) Submission in HDX 2.0.	
	NOFO Section V.B.3.d.	
	You must upload your CoC's FY 2024 HDX Competition Report to the 4B. Attachments Screen.	

Did your CoC submit at least two usable LSA data files to HUD in HDX 2.0 by January 24, 2024, 11:59 p.m. EST?	Yes
---	-----

2B. Continuum of Care (CoC) Point-in-Time (PIT) Count

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

2B-1.	PIT Count Date.	
	NOFO Section V.B.4.a	

	Enter the date your CoC conducted its 2024 PIT count.	01/25/2024
--	---	------------

2B-2.	PIT Count Data–HDX Submission Date.	
	NOFO Section V.B.4.a	

	Enter the date your CoC submitted its 2024 PIT count data in HDX.	05/10/2024
--	---	------------

2B-3.	PIT Count–Effectively Counting Youth in Your CoC’s Most Recent Unsheltered PIT Count.	
	NOFO Section V.B.4.b.	

	Describe in the field below how your CoC:	
1.	engaged unaccompanied youth and youth serving organizations in your CoC’s most recent PIT count planning process;	
2.	worked with unaccompanied youth and youth serving organizations to select locations where homeless youth are most likely to be identified during your CoC’s most recent PIT count planning process; and	
3.	included youth experiencing homelessness as counters during your CoC’s most recent unsheltered PIT count.	

(limit 2,500 characters)

The CoC implemented measures to engage unaccompanied youth and agencies serving youth & young adults (YYA) as part of the planning process for the CoC’s 2024 unsheltered PIT Count. To encourage participation from youth providers the CoC 1) engaged youth and RHY-funded/youth focused agencies, 2) connected with organizations serving unaccompanied YYA, to identify hotspots or locations where homeless youth are most likely to be identified, and 3) engaged youth experiencing homelessness as counters during the unsheltered Point in Time (PIT) Count. 1) During the planning process for the 2024 PIT Count, the Collaborative Applicant facilitated meetings with the CoC unsheltered PIT Leads and the Regional Advisory Board on Youth Homelessness (RABYH) comprised of RHY/youth-funded agencies and McKinney-Vento Homeless Liaisons. These meetings discussed strategies to increase geographical coverage when surveying & to recruit volunteers specifically focused on surveying youth during the count. The collaborative planning effort between mainstream housing providers, youth serving agencies, and the RABYH, resulted in the development of a youth survey that was integrated into the unsheltered PIT Survey. 2) The collaborative planning effort between the unsheltered PIT Lead and youth serving organizations also resulted in collecting locations where homeless youth are most likely to be identified during the PIT count. Specifically, youth organizations (St. Anne’s & Equinox) reported hotspots that were identified by surveying youth & unaccompanied youth during outreach shifts and agency drop-in centers. Youth serving agencies relayed identified hotspots reported by youth when planning the annual PIT count. 3) The 2024 PIT volunteer counters included youth experiencing homelessness or that have previous lived experience as counters. Joseph’s House engaged/trained a wide range of community stakeholders including youth with lived experience that participated in the unsheltered PIT Count.

2B-4.	PIT Count–Methodology Change–CoC Merger Bonus Points.	
	NOFO Section V.B.5.a and V.B.7.c.	

	In the field below:	
1.	describe any changes your CoC made to your sheltered PIT count implementation, including methodology or data quality changes between 2023 and 2024, if applicable;	
2.	describe any changes your CoC made to your unsheltered PIT count implementation, including methodology or data quality changes between 2023 and 2024, if applicable;	
3.	describe whether your CoC’s PIT count was affected by people displaced either from a natural disaster or seeking short-term shelter or housing assistance who recently arrived in your CoCs’ geographic; and	
4.	describe how the changes affected your CoC’s PIT count results; or	
5.	state “Not Applicable” if there were no changes or if you did not conduct an unsheltered PIT count in 2024.	

(limit 2,500 characters)

4) Changes in data quality implemented between 2023 and 2024 positively affected the CoC's sheltered and unsheltered PIT count results by improving accuracy and validity. There were no changes made to methodology. 1) As the result of improvements in data quality, the CoC was able to administer a more accurate sheltered PIT count which indicated an increase from 788 in 2023 to 838 in 2024. Data quality changes included tailored TA w/non-HMIS providers (i.e., DSS & DV providers) & improved HMIS training w/participating HMIS agencies. Tailored TA w/non-HMIS agencies improved data quality by confirming numbers submitted. The CoC has strengthened relationships w/non-HMIS agencies through their participation in CE, allowing for better collaboration during the Count. The CE & HMIS Leads worked w/agencies who provide Code Blue services, DSS, faith-based & DV shelters. Training focused on understanding that 100% data completeness for this population was not necessary when reporting for the PIT count. Similarly, improved data quality training w/HMIS-participating agencies supported improved data collection and timely data submission. The HMIS Lead, organized and analyzed PIT data reports from HMIS, focusing on data quality and completeness, and had calls w/each provider to ensure timely data entry and data accuracy. Review of intake dates noted within HMIS ensured a proper count of those utilizing shelter services on the night of the count. This review and subsequent data correction resulted in a more accurate census count. 2) The CoC implemented data quality actions, including increased training of volunteers to improve the validity of the unsheltered PIT count. No methodology changes were made. The unsheltered PIT count was improved through increased/improved training to ensure de-duplication and effective interview techniques. As a result of the increased/improved training in 2024, the CoC was able to administer a more accurate unsheltered PIT count which indicated an increase from 101 in 2023 to 173 in 2024. 3) The CoC does not have any data that would indicate that PIT Count numbers were impacted by people displaced from a natural disaster or who recently arrived in the geographic area seeking shelter.

2C. System Performance

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

2C-1.	Reducing the Number of First Time Homeless—Risk Factors Your CoC Uses.	
	NOFO Section V.B.5.b.	
	In the field below:	
1.	describe how your CoC determined the risk factors to identify persons experiencing homelessness for the first time;	
2.	describe your CoC’s strategies to address individuals and families at risk of becoming homeless; and	
3.	provide the name of the organization or position title that is responsible for overseeing your CoC’s strategy to reduce the number of individuals and families experiencing homelessness for the first time	

(limit 2,500 characters)

The CoC continues to develop its process to determine risk factors used to identify persons that may become homeless for the first time, with the goal to decrease the number of first time homeless from year to year. 1) The process includes analyzing HMIS & LSA (Stella, SPMs, & CE) data & hosting community discussions to identify risk factors for becoming homeless for the first time. The HMIS & CE Advisory Committees are responsible for reviewing HMIS data (Stella, SPMs, CE) to identify & consider characteristics of those who are first-time homeless, including demographics, cause of homelessness, & disabling conditions. Race & ethnicity of those who are first time homeless is assessed as the CoC/Regional Racial Justice Advisory Committee continues to identify ways to address the role structural racism plays in housing & eviction. The CoC also identifies factors contributing to first-time homelessness through community conversations & CE case conferencing with prevention providers, emergency shelters, Dept. of Social Services, & faith-based leaders. This qualitative info supplements HMIS data to create a holistic picture of local causes of first-time homelessness. 2) The CoC has developed four strategies to address individuals & families at risk of becoming homeless for the first time. These strategies include a) educate community providers who serve priority populations (i.e. prevention providers, food pantries, health clinics) about risk factors & newly developed CE prevention referral protocols to support those individuals & families; b) communicate risk factors for first time homelessness identified through data analysis w/CE- the CE committee utilizes this info to continually update the CE tool w/ characteristics associated w/first time homelessness; c) increase the amount of prevention funding available in the community on an ongoing basis (i.e. HOME-ARP, EHV), an essential component of increasing the number of individuals & families able to remain stably housed, preventing new episodes of homelessness; & d) to advocate to state and local government for affordable housing development through HOME-ARP funds. 3) The CE Advisory and HMIS Advisory Committees, which report to the CoC Board, oversee these strategies.

2C-1a.	Impact of Displaced Persons on Number of First Time Homeless.	
	NOFO Section V.B.5.b	

Was your CoC's Number of First Time Homeless [metric 5.2] affected by the number of persons seeking short-term shelter or housing assistance displaced due to:

1.	natural disasters?	No
2.	having recently arrived in your CoC's geographic area?	No

2C-2.	Reducing Length of Time Homeless—CoC's Strategy.	
	NOFO Section V.B.5.c.	

- In the field below:
- | | |
|----|--|
| 1. | describe your CoC's strategy to reduce the length of time individuals and persons in families remain homeless; |
| 2. | describe how your CoC identifies and houses individuals and persons in families with the longest lengths of time homeless; and |
| 3. | provide the name of the organization or position title that is responsible for overseeing your CoC's strategy to reduce the length of time individuals and families remain homeless. |

(limit 2,500 characters)

1) The CoC’s strategy to reduce the length of time (LOT) households remain homeless includes increasing the number of affordable housing (AH) options through advocacy for AH development; engaging systems of care to provide & increase units of homeless & affordable housing (DV, Mental Health, PHAs, etc.); and engaging landlords to rent to tenants using subsidies. Additionally, the CoC ensures CoC & program policies remove system barriers to rapid housing & coordinates housing opportunities through the CE program. The CoC routinely advocates for increasing permanent housing (PH) options. The CoC advocated to the City of Albany to increase units of affordable rental housing through HOME-ARP funding, secured dedicated homeless beds from the Albany Housing Authority (AHA) through partnership with a newly funded CoC program, and partnered w/ AHA to implement Emergency Housing Vouchers through CE. The CoC routinely supports members applying for state funding for PH construction and operation with letters of support & data demonstrating need. The CoC ensures units are accessible in conjunction w/ rental assistance by building partnerships w/ developers & landlords. For example, the CoC’s Landlord Engagement (LE) workgroup created a consolidated list of landlords w/ quality, affordable vacant units to streamline housing search & placement. The CE Lead’s Housing Navigator, a newly funded position, was hired to collaborate with the LE workgroup to locate units & to foster new & retain landlord relationships. These efforts ensure households rapidly access AH by removing barriers for the most vulnerable persons w/the longest LOT homeless. The CoC also provides 1-on-1 technical assistance on implementing Housing First policies within all programs. 2) The CoC identifies, prioritizes, & houses individuals/families w/ the longest LOT homeless through the CE program. During bi-weekly CE case conferencing, SO, ES, & PH staff discuss barriers to housing persons who have remained homeless the longest, including any relevant characteristics of those w/ the longest LOT homeless. Through this case conferencing, the CE Committee develops solutions to find the most immediately available appropriate housing for these individuals/families. These combined strategies of increased supply & prioritizing LOT on the CE list aim to lower the average LOT homeless in the CoC. 3) Coordinated Entry Advisory Committee oversees these strategies and reports progress to the CoC board.

2C-3.	Successful Permanent Housing Placement or Retention –CoC’s Strategy.	
	NOFO Section V.B.5.d.	

	In the field below:
1.	describe your CoC’s strategy to increase the rate that individuals and persons in families residing in emergency shelter, safe havens, transitional housing, and rapid rehousing exit to permanent housing destinations;
2.	describe your CoC’s strategy to increase the rate that individuals and persons in families residing in permanent housing projects retain their permanent housing or exit to permanent housing destinations; and
3.	provide the name of the organization or position title that is responsible for overseeing your CoC’s strategy to increase the rate that individuals and families exit to or retain permanent housing.

(limit 2,500 characters)

1)The CoC works to increase the rate that households in ES, SH, TH, & RRH exit to permanent housing destinations through several strategies including connecting unsheltered persons & those w/ the most severe service needs in ES to PH through an efficient & effective Coordinated Entry (CE) program; expanding housing opps through CE by partnering w/ non-CoC-funded agencies such as mental health housing (e.g., County Mental Health Dept.), substance abuse disorder housing (e.g., Office of Addiction Services), non-profit affordable housing (e.g., DePaul) & PHAs for project-based Housing Choice Vouchers & Emergency Housing Vouchers; connecting households to wrap-around services (substance abuse or mental health treatment) & non-employment income benefits (e.g., SSI, DSS rental allowance); & connecting households to education/training/employment opportunities to improve earned income. These strategies ensure households are rapidly housed from ES, TH, SH & RRH, linked to affordable/supportive housing options & have the necessary income to pay rent and access support services w/in the community to ensure ongoing housing stability. 2) The CoC works to increases the rate households residing in PH retain housing or exit to PH through several successful strategies, including engaging w/ clients to aid in meeting individualized goals (e.g., physical/mental health appts, securing/maintaining employment) to remain stably housed; connecting those timing out of RRH programs who still need intensive case management services to remain stably housed; implementing the CoC Moving On Strategy by providing pre-transition services (e.g., living skills training, employment, community integration supports) & strong aftercare supports to ensure successful transition from supportive housing; & partnering w/ affordable housing providers (e.g., working w/ PHA to prioritize those moving on from EHV) & cultivating relationships w/ local landlords to maintain an active list of vacancies. The CoC has a landlord engagement subgroup to identify landlords w/ available, quality, affordable housing. The subgroup consolidated this rental info into a usable resource, which leads to more efficient housing placement & allows clients to transition from PH to privately sustained housing. These strategies ensure clients are supported to maintain housing while fostering opportunities for greater independence. 3) The CoC Board oversees these strategies.

2C-4.	Reducing Returns to Homelessness—CoC's Strategy.	
	NOFO Section V.B.5.e.	
	In the field below:	
1.	describe your CoC's strategy to identify individuals and families who return to homelessness;	
2.	describe your CoC's strategy to reduce the rate that individuals and families return to homelessness; and	
3.	provide the name of the organization or position title that is responsible for overseeing your CoC's strategy to reduce the rate individuals and persons in families return to homelessness.	

(limit 2,500 characters)

1) The CoC identifies individuals & families who return to homelessness by analyzing quantitative data [i.e., HMIS and Coordinated Entry (CE)] & qualitative information (i.e., through CE case conferencing). System Performance Measures and LSA (Stella) data identify trends related to returns to homelessness, w/ a specific emphasis on assessing racial disparities in this data. The Regional Racial Justice Advisory Committee and CE Committee utilize this data to assess potential variables influencing returns to homelessness. The CE Committee will continue to work with the HMIS Lead to conduct deeper dives into SPM and CE data, assessing commonalities of those who return to homelessness, including sources of income, disabling conditions and cause of homelessness. The CoC also identifies persons who return to homelessness through CE assessment and case conferencing. The CE assessment form asks about prior episodes of homelessness. During CE case conferencing, case managers discuss common barriers to remaining housed. This conferencing supports subsequent successful placement of households by addressing common needs among those who return to homelessness & specific needs of the individual households being rehoused. Trends/common factors related to returns to homelessness will be reported by the CE and HMIS leads bi-monthly to the Board and Membership and will be used to influence edits to the CE tool to better prioritize housing & assistance. 2) The CoC's strategy to reduce the rate of returns to homelessness is to continue fostering strong collaborations w/ systems partners, including eviction prevention providers, education & workforce development agencies, the local Dept. of Social Services, health/behavioral healthcare agencies, & DV providers. For example, outreach & shelter programs work to link clients to resources & create ongoing service plans and support that will continue after clients are stably housed. These collaborations focus on developing linkages & resources to provide uninterrupted support to households identified as at risk of returning to homelessness. Specific needs of households that have returned to homelessness are addressed through CE case conferencing, allowing for provider collaboration around the most effective housing & service plan to propose to the household. 3) Overseeing these strategies are the CE Advisory Committee and the Board.

2C-5.	Increasing Employment Cash Income—CoC's Strategy.	
	NOFO Section V.B.5.f.	
	In the field below:	
1.	describe your CoC's strategy to access employment cash sources;	
2.	describe how your CoC works with mainstream employment organizations to help individuals and families experiencing homelessness increase their employment cash income; and	
3.	provide the organization name or position title that is responsible for overseeing your CoC's strategy to increase income from employment.	

(limit 2,500 characters)

1) As a resource hub, the CoC’s strategy to increase employment income is to educate providers on NYS benefits regulations relative to earned employment cash income through ongoing dialogue w/ local Departments of Social Services (DSS) & foster systems-level engagement w/ employers & mainstream employment orgs. Specifically, the CoC educates providers on NYS benefits by fostering regular dialogue between County DSSs & CoC providers on benefits regs. This ensures provider, & in turn client, understanding of opportunities to maintain necessary benefits (e.g., TANF, SNAP, SSI/SSDI) while increasing employment. 2) The CoC also fosters relationships with employment programs and mainstream employment agencies. The CoC makes direct referrals to agencies that provide free employment/education training, including Albany Community Action Program (ACAP). Clients are screened for interest in and eligibility for DOL-funded Albany County Career Central & One Stop Employment Center while completing the CE tool. Several CoC agencies prioritize hiring program participants or people with lived experience of homelessness which creates opportunities for earned employment income. For example, a local shelter & housing provider (IPH) offers employment opportunities through the Albany Ambassadors employment initiative, partnering with local theaters & business improvement districts where Ambassadors are paid to provide hospitality services to theater patrons & visitors to the downtown area. Through partnerships with the agencies mentioned above, the CoC is better prepared to encourage and assist CoC Program participants to engage and be successful in workforce agencies’ programs (including self-identification of readiness/desire for educational/employment training programs). The CoC developed a formal, direct referral process to workforce programs; & will create a communication mechanism between PSH case managers & workforce agency staff regarding client progress and to support client employment/program retention. Moving forward, the CoC & workforce agencies will assess progress on increased income on an annual basis, utilizing this information to make programmatic improvements. 3) The Board & CE Advisory Committee are responsible for overseeing these strategies to increase income from employment.

2C-5a.	Increasing Non-employment Cash Income–CoC’s Strategy	
	NOFO Section V.B.5.f.	
	In the field below:	
	1. describe your CoC’s strategy to access non-employment cash income; and	
	2. provide the organization name or position title that is responsible for overseeing your CoC’s strategy to increase non-employment cash income.	

(limit 2,500 characters)

1) The CoC's strategy to increase access to non-employment cash income (NECI) for project participants is to foster systems level engagement w/ NECI providers; promote benefits info & regulatory updates to all shelter & housing providers; and increase access to NECI through sharing of resources & inclusion of partners from healthcare, legal system, & other providers that intersect w/ homeless services for client referral. The CoC developed systems-level coordination between the Dept. of Social Services (DSS) & shelter & housing providers. DSS connects program participants w/ necessary benefits (e.g., TANF, SNAP, rent & utility assistance). Shelter & housing providers advocate on households' behalf, educate them on how to access, and inform them of their rights on all available NECI through DSS. At CoC Membership & Board mtgs, DSS provides updates on changes to benefits regulations or staffing structure, allowing for shelter & housing providers to efficiently work w/ program participants to increase NECI. The CoC shares resources on benefits, SOAR training, & agency updates via an email newsletter, website updates, & at membership meetings. These resources provide shelter & housing providers w/ necessary updates on qualifications & steps for accessing benefits, which is in turn shared w/ program participants. The DSS Commissioner sits on the CoC's Board & DSS staff actively participate in committees, allowing for direct communication about changes impacting access to DSS services. The CoC encourages member agencies to access trainings hosted by the regional SOAR TA provider, resulting in an increase in SOAR trained staff & ensuring program participants in the community have access to SOAR-trained case managers working to increase access to and approval for SSI/SSDI. The Systems Committee ensures those experiencing homelessness are connected to NECI. Conversations at mtgs include how & where program participants can access NECI, making agencies that do not provide direct homeless services better able to refer participants to resources. 2) The Systems Committee, in conjunction w/ the Board, is responsible for overseeing the CoC's strategy to increase NECI.

3A. Coordination with Housing and Healthcare

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

3A-1.	New PH-PSH/PH-RRH Project–Leveraging Housing Resources.	
	NOFO Section V.B.6.a.	
	You must upload the Housing Leveraging Commitment attachment to the 4B. Attachments Screen.	

	Is your CoC applying for a new PH-PSH or PH-RRH project that uses housing subsidies or subsidized housing units which are not funded through the CoC or ESG Programs to help individuals and families experiencing homelessness?	Yes
--	--	-----

3A-2.	New PH-PSH/PH-RRH Project–Leveraging Healthcare Resources.	
	NOFO Section V.B.6.b.	
	You must upload the Healthcare Formal Agreements attachment to the 4B. Attachments Screen.	

	Is your CoC applying for a new PH-PSH or PH-RRH project that uses healthcare resources to help individuals and families experiencing homelessness?	Yes
--	--	-----

3A-3.	Leveraging Housing/Healthcare Resources–List of Projects.	
	NOFO Sections V.B.6.a. and V.B.6.b.	

If you selected yes to questions 3A-1. or 3A-2., use the list feature icon to enter information about each project application you intend for HUD to evaluate to determine if they meet the criteria.

Project Name	Project Type	Rank Number	Leverage Type
CARES of NY, Inc....	PH-PSH	30	Both
CARES of NY, Inc....	PH-RRH	31	Housing

3A-3. List of Projects.

1. What is the name of the new project? CARES of NY, Inc. Kendal House Expansion
2. Enter the Unique Entity Identifier (UEI): LXNGE7LJSNM1
3. Select the new project type: PH-PSH
4. Enter the rank number of the project on your CoC's Priority Listing: 30
5. Select the type of leverage: Both

3A-3. List of Projects.

1. What is the name of the new project? CARES of NY, Inc. In Our Own Voices LGBTQ Housing Project
2. Enter the Unique Entity Identifier (UEI): LXNGE7LJSNM1
3. Select the new project type: PH-RRH
4. Enter the rank number of the project on your CoC's Priority Listing: 31
5. Select the type of leverage: Housing

3B. New Projects With Rehabilitation/New Construction Costs

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

3B-1.	Rehabilitation/New Construction Costs–New Projects.	
	NOFO Section V.B.1.r.	

Is your CoC requesting funding for any new project application requesting \$200,000 or more in funding for housing rehabilitation or new construction?	No
--	----

3B-2.	Rehabilitation/New Construction Costs–New Projects.	
	NOFO Section V.B.1.r.	

If you answered yes to question 3B-1, describe in the field below actions CoC Program-funded project applicants will take to comply with:

1.	Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. 1701u); and
2.	HUD’s implementing rules at 24 CFR part 75 to provide employment and training opportunities for low- and very-low-income persons, as well as contracting and other economic opportunities for businesses that provide economic opportunities to low- and very-low-income persons.

(limit 2,500 characters)

3C. Serving Persons Experiencing Homelessness as Defined by Other Federal Statutes

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

3C-1.	Designating SSO/TH/Joint TH and PH-RRH Component Projects to Serve Persons Experiencing Homelessness as Defined by Other Federal Statutes.	
	NOFO Section V.F.	

	Is your CoC requesting to designate one or more of its SSO, TH, or Joint TH and PH-RRH component projects to serve families with children or youth experiencing homelessness as defined by other Federal statutes?	No
--	--	----

3C-2.	Cost Effectiveness of Serving Persons Experiencing Homelessness as Defined by Other Federal Statutes.	
	NOFO Section V.F.	

You must upload the Project List for Other Federal Statutes attachment to the 4B. Attachments Screen.

If you answered yes to question 3C-1, describe in the field below:

1.	how serving this population is of equal or greater priority, which means that it is equally or more cost effective in meeting the overall goals and objectives of the plan submitted under Section 427(b)(1)(B) of the Act, especially with respect to children and unaccompanied youth than serving the homeless as defined in paragraphs (1), (2), and (4) of the definition of homeless in 24 CFR 578.3; and
2.	how your CoC will meet requirements described in Section 427(b)(1)(F) of the Act.

(limit 2,500 characters)

4A. DV Bonus Project Applicants for New DV Bonus Funding

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants;
- 24 CFR part 578;
- FY 2024 CoC Application Navigational Guide;
- Section 3 Resources;
- PHA Crosswalk; and
- Frequently Asked Questions

4A-1.	New DV Bonus Project Applicants.	
	NOFO Section I.B.3.j.	

	Did your CoC submit one or more new project applications for DV Bonus Funding?		No
Applicant Name
