

4B. Attachments Screen For All Application Questions

We have provided the following guidance to help you successfully upload attachments and get maximum points:

1. You must include a Document Description for each attachment you upload; if you do not, the Submission Summary screen will display a red X indicating the submission is incomplete.
2. You must upload an attachment for each document listed where 'Required?' is 'Yes'.
3. We prefer that you use PDF files, though other file types are supported—please only use zip files if necessary. Converting electronic files to PDF, rather than printing documents and scanning them, often produces higher quality images. Many systems allow you to create PDF files as a Print option. If you are unfamiliar with this process, you should consult your IT Support or search for information on Google or YouTube.
4. Attachments must match the questions they are associated with.
5. Only upload documents responsive to the questions posed—including other material slows down the review process, which ultimately slows down the funding process.
6. If you cannot read the attachment, it is likely we cannot read it either.
 - . We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).
 - . We must be able to read everything you want us to consider in any attachment.
7. After you upload each attachment, use the Download feature to access and check the attachment to ensure it matches the required Document Type and to ensure it contains all pages you intend to include.
8. Only use the "Other" attachment option to meet an attachment requirement that is not otherwise listed in these detailed instructions.

Homes and Community Renewal

STATEWIDE SECTION 8 VOUCHER PROGRAM

Section 8 Housing Choice Voucher Administrative Plan

Effective April 26, 2021

Version 2021 - 1

INTRODUCTION

The overall mission of the New York State Homes and Community Renewal (HCR) is Partnering to Improve and Preserve our Homes and Communities.

The New York State Homes and Community Renewal comprises all the State's major housing and community renewal agencies, among which are the Division of Housing and Community Renewal (DHCR) and the Housing Trust Fund Corporation (HTFC), a subsidiary public benefit corporation of the NYS Housing Finance Agency (HFA). HTFC contracts with DHCR to administer some of the activities of the Section 8 program.

Within the overall mission of the agency, this Administrative Plan serves as the HCR operational handbook for implementing the U. S. Department of Housing and Urban Development's (HUD) Section 8 Housing Choice Voucher (HCV) Program, including Enhanced and Project-based Vouchers). This Plan has been prepared in such a manner as to ensure compliance with all requirements set forth in 24 CFR §982.54 (Administrative Plan).

In the implementation of the Section 8 Housing Choice Voucher (HCV) Program, HCR acts as the Public Housing Agency (PHA) for all local programs under its purview. In this capacity as PHA, HCR has full responsibility for the satisfactory completion of all contractual obligations with HUD. The Section 8 tenant-based assistance programs are federally funded and administered for the State of New York by HCR through its Statewide Section 8 Voucher Program Office.

To effectively and efficiently implement the program over its entire Statewide jurisdiction, HCR has contracted with Local Administrators (LAs) to undertake necessary field activities. Day-to-day responsibility for local administration of the HCV Program in the field is assumed by each LA in its designated local area of operation. The divisions of responsibilities are detailed in a contract between HCR and each of its LAs.

The NYS HCR/Statewide Section 8 Voucher Program is authorized to administer the Section 8/Housing Choice Voucher Program statewide, currently in the following NYS jurisdictions: Allegany, Cattaraugus, Cayuga, Chautauqua, Chemung, Chenango, Clinton, Columbia, Delaware, Dutchess, Essex, Franklin, Fulton, Genesee, Greene, **Hamilton**, Herkimer, Jefferson, Lewis, Livingston, Madison, Nassau, New York (*Bronx, Brooklyn, Manhattan, Queens, Staten Island*), Niagara, Oneida, Ontario, Orange, Orleans, Oswego, Otsego, Putnam, Rockland, **Saratoga**, Seneca, Schuyler, Steuben, St. Lawrence, Suffolk, Sullivan, Tioga, Tompkins, Ulster, **Washington**, Wayne, Westchester, Wyoming and Yates Counties. HCR is also authorized to administer a mobility counseling program in Westchester County.

Administration of the Section 8 Program and the functions and responsibilities of the HCR staff will be in compliance with the HCR Personnel Policy and HUD's Section 8 Regulations as well as all Federal, State and local Fair Housing Laws and Regulations.

rules and regulations and HCR's Administrative Plan. The standards and policies currently used to safeguard the privacy and confidentiality of tenant information and tenant files should apply equally to the employee. Special efforts should be taken to assure that the employee/applicant is not receiving preferential treatment. This policy also applies to relatives of employees.

The word "relative" as used in this section pertains to parent, child, grandparent, grandchild, sister, or brother of any employee.

1.03 Preferences

HCR has established local preferences for tenant-based vouchers within the Housing Choice Voucher Program to further objectives towards improved residential stability, expanding housing opportunities and alleviating homelessness within New York State.

Each LA must give preference to applicants on their general tenant-based waiting list for the Housing Choice Voucher Program, as described below:

First priority shall be given to the following:

Households defined as Homeless.

A qualified household must fall under one of the two categories listed below as defined by HUD (10% of each LA's general allocation of regular vouchers must be dedicated to this preference - additional information below):

Category 1: An individual or family who *lacks a fixed, regular, and adequate nighttime residence*, meaning:

a. An individual or family with a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings, including a car, park, abandoned building, bus or train station, airport, or camping ground; *or*

b. An individual or family living in a supervised publicly or privately operated shelter designated to provide **temporary** living arrangements (including congregate shelters, transitional housing, and hotels and motels paid for by charitable organizations or by federal, state, or local government programs for low-income individuals); *or*

c. An individual who is exiting an institution where he or she resided for 90 days or less and who resided in an emergency shelter or place not meant for human habitation immediately before entering that institution.

Category 4: Any individual or family who:

a. Is *fleeing, or is attempting to flee, domestic violence, dating violence, sexual assault, stalking*, or other dangerous or life-threatening conditions that relate to violence against the individual or a family member, including a child, that has either taken place within the individual's or family's primary nighttime residence or has made the individual or family afraid to return to their primary nighttime residence; *and*

b. Has no other residence; *and*

c. Lacks the resources or support networks, e.g., family, friends, and faith-based or other social networks, to obtain other permanent housing.

In addition to identifying as one of the categories listed above, **HCR requires** the applicant provide or obtain written verification from a coordinating shelter, housing provider, service agency or institution (for those being discharged) confirming the same.

Second priority will be given to the following (No limitation):

Households identified as Elderly and/or Disabled (as defined by HUD) or Families with Dependent Children.

Third priority (No limitation):

All applicants who do not meet the criteria to claim one of the preferences described above but meet all other eligibility criteria as described in HUD regulations and this Administrative Plan.

As allowed under HUD regulations, HCR has exercised its' discretion to limit the number of applicants that may qualify for a local preference, therefore, 10% of each LA's general allocation of regular vouchers, not including those programs with a separate project number (i.e., Mainstream, VASH), must be designated for the above stated homeless preference. As long as the maximum threshold of 10% for each LA has not been reached, the homeless preference remains active within their jurisdiction. Once an LA has reached the maximum allowable participants for this preference, all remaining applicants will be chosen in order of remaining priorities and by position on the waiting list. Once a participant's voucher, that was initially qualified for assistance under the homeless preference has been terminated or relinquished, the LA must re-activate the homeless preference until the maximum allowable threshold is reached. Each LA will be responsible for maintaining their tenant-based waiting list in accordance with these requirements.

For the PBV program, while the homeless preference stated above is not applicable, each project sponsor is encouraged to consider a homeless preference for their project as allowed by and through the competitive selection process, funding requirements and any additional programmatic requirements applicable at the time of award.

All LA's with closed waiting lists must first offer current applicants on the waiting list who qualify to receive the benefit of the preference to move up on the waiting list accordingly. The notice to applicants must include how to successfully apply and establish themselves with the homeless preference status which would include the same format we implement for new applicants including contacting the partnering agencies for referrals and/or determination of preference eligibility. If a closed waiting list is opened to establish homeless applicants, the LA should specify on any public notice that current waiting list applicants will also be given the benefit of the preference.

General/Limited Preference

2. Glens Falls Housing Authority (GFHA) - PHA

a. Administrative Plan – General Preference - Highlighted Section: Homeless Preference

If a family from the waiting list qualifies for the First Time Homeownership Program, they will be given priority, as they can only be considered qualified for this program prior to the closing. If for some reason the family does not end up purchasing a home, their name will be returned to the waiting list with their original application date but given no preference.

Resident Living Within Jurisdiction; The Glens Falls Housing Authority will grant all individuals or families, who meet all eligibility criteria and who are living in the jurisdiction at the time of application a preference.

homeless preference

Homeless: Applicant must be documented homeless and must be able to provide third party documentation of their homelessness that they:

1) Lack, fixed, regular, and adequate nighttime residence, OR

2) Has primary nighttime residence that is:

A supervised public or privately operated shelter designated to provide temporary living accommodations. (Welfare Hotels, congregate shelters and transitional housing).

An institution that provides temporary residence for individuals intended to be institutionalized (not incarcerated).

A public or private place not designated or normally used as regular sleeping place for humans.

If an individual or family is homeless or about to be homeless, they will be given a wait list priority preference and assigned the next available Housing choice Voucher, Shelter Plus Care or VASH voucher.

Moving-on Preference

If an individual or family exiting/graduating from Permanent Supportive Housing Programs (PSH) will be given preference to the next available Housing Choice Voucher (HCV).

Domestic Violence: An applicant who vacated their unit because of domestic violence or lives in a unit with a person who engages in violence.

Documented actual or threatened violence directed toward self or member(s) of household by spouse or other member of applicant's household must come from a third-party source, i.e. shelter advocate, social worker, law enforcement agency, etc.

The domestic violence should have occurred recently or be of a continuing nature.

For appropriate documentation for this preference please refer to form VAWA HUD -5382 & VAWA HUD - 5383.

Section 18 Blend: Right to Return - Every resident in good standing who is displaced from the site will have the right to reapply for occupancy once the general contractor finishes construction of the project. After completion, GFHA will contact every resident who received assistance as a "displaced person" and offer the head of household the opportunity to reapply for occupancy in the newly revitalized Larose. The former occupant will also receive a priority preference.

PBV site-based: GFHA will preference its existing community-wide Senior Public Housing wait list, to a new PBV project wide waiting list. Applicants shall have priority on the wait list to which their application was transferred in accordance with the date and time of their application on the original GFHA waiting list.

D. Organization of the Waiting List

The waiting list will be maintained in accordance with the following guidelines:

1. The application will become part of the family's permanent file until 3 years of becoming inactive;
2. All applications will be maintained in order of preference and then in order of date and time.
3. Any contact between the Glens Falls Housing Authority and the applicant must be done in writing. Any changes will be documented in the applicant file.
4. GFHA chooses to use a separate waiting list for admission to PBV units. GFHA will offer to place eligible applicants who are listed on the waiting list for tenant-based assistance(Section 8) on the waiting list for PBV assistance.

E. Placement on the Waiting List

If a preliminary application indicates that a family is potentially eligible, that family will be placed on the waiting list. All applicants are placed on the waiting list because of the need to track the PHA's system for assisting families according to PHA policies and HUD regulations.

Applicants placed on the waiting list are notified of such placement in writing. Applicants are provided with an approximation of the length of time they will remain on the waiting list before being considered for occupancy, but this time limit could change at any time due to preferences and/or funding.

If HUD awards funding that is targeted for families with specific characteristics or families living in specific units, the Glens Falls Housing Authority will use the assistance for those families.

F. Selecting Applicants from the Waiting List

As openings occur in the program, applicants are selected from the waiting list by the highest preference (if any) and date and time of application received within that preference.

When a family appears to be within 2 months of being offered assistance, the family will be notified in writing and sent necessary paperwork to update, and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Glens Falls Housing Authority must notify the family in writing of this determination and give the family the opportunity for an informal review.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Homeless Preference

Notwithstanding the above, if necessary, to meet the statutory requirement that 75% of newly admitted families in any fiscal year be families who are extremely low-income, the Glens Falls Housing Authority retains the right to skip higher income families on the waiting list to reach extremely low-income families. This measure will only be taken if it appears the goal will not otherwise be met. To ensure this goal is met, the Housing Authority will monitor incomes of newly admitted families and the income of the families on the waiting list.

If there are not enough extremely low-income families on the waiting list, the Glens Falls Housing Authority will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

MOVE ON STRATEGY FOR RECOGNITION OF TENANT INDEPENDENCE

Saratoga North Country Continuum of Care (SNC) has created a Move On Strategy to transition households in Supportive Housing (including Permanent Supportive Housing (PSH) and Rapid Rehousing (RRH)) who no longer need intensive services to affordable housing. This strategy is broken into Phase I and Phase II and sets out the actions SNC will take to ensure the community has suitable long-term, affordable housing options for tenants ready to move on, and that tenants have the skills and are empowered to make this decision. The fundamental goal of the Move On Strategy is to promote the highest levels of independence and choice for tenants, as well as to create flow in supportive housing units to ensure these units are available for currently homeless families and individuals with disabilities who need housing combined with services. Promoting economic mobility and self-sufficiency, the Move On Strategy is first and foremost about celebrating growth, recovery and tenant success, and ensures all services are provided using strengths-based language and a recovery-focused model. Below details the CoC's process for identifying tenants who are eligible to move on; documentation needed to request ideal candidates for the strategy; and providing guidance for tenants on safety and security while prioritizing resources where they are most needed. The plan is based on a model Move On strategy discussed by the U.S. Department of Housing and Urban Development (HUD) and the Corporation for Supportive Housing. The SNC, Saratoga County Housing Alliance, Warren/Washington/Hamilton County Housing Alliance, and Data and Goals Committees will be responsible for providing regular trainings, resources, relationship building, and outcome tracking to support implementation of and monitor the Move On Strategy.

Recruiting Affordable Housing Providers

The Move On Strategy targets existing tenants in supportive housing who are stable and require only minimal supportive services. These tenants are, with client choice, assisted to transition to a mainstream rent subsidy (typically the Housing Choice Voucher program) or an affordable housing unit, which frees up their subsidy for someone who is chronically homeless and needs the intensive services and long-term subsidies offered in supportive housing. The mainstream rent subsidy may include programs like Public Housing Authorities (PHAs), multifamily assisted housing owners, Low Income Tax Credit (LIHTC) developments, and local low-income housing programs. Phase I of the Move On Strategy has been implemented with the Glens Falls Housing Authority (GFHA), who has a preference for individuals and families moving on from supportive housing units. Phase II of the Move On Strategy will include recruiting other local affordable housing providers to participate in the program, by setting preferences for tenants moving on from supportive housing.

Identifying Households for Moving On

Housing providers identify households in supportive housing that may be ready to move on through ongoing case management with tenants. Specifically, program staff meet with tenants on an ongoing basis to establish tenant goals and set a plan towards meeting those goals, utilizing strengths-based language and a recovery-focused model. Program staff implement a client-choice model by ensuring tenants know there is a voluntary option to move on. Program staff ensure tenants interested in moving on (1) have demonstrated the ability to live stably and maintain housing, (2) will meet PHA (or other affordable housing providers) screening criteria, and (3) understand the decision to move on from supportive housing is voluntary. During Phase II of this strategy, a standardized assessment for moving on will be developed and implemented.

Program staff work with tenants to create a formal and comprehensive transition plan that identifies tenant strengths, living skills and the supports necessary to help them meet transition goals. Pre-transition plans are individualized to meet the specific needs of each household. Some common resources or supports tenants often need and are connected to include: employment supports, benefits counseling, activities of daily living

skills, community living skills, and connection to community-based services. As households volunteer, housing providers make referrals to the PHA (or other affordable housing providers).

Eligibility Considerations for Tenants

Individuals are identified by housing provider program staff who work directly with clients in the housing programs. Clients should meet four basic criteria to be recommended to move on: 1) a good rental history of on-time payments, 2) evidence of “good neighbor” behavior without any complaints or property management conflicts, 3) supported progress of quantitative areas and 4) low service needs. Housing providers identify households in supportive housing who may be candidates for moving on by analyzing observations (interviews/surveys, demonstrated ability to live stably and maintain housing or any other mitigating circumstances) combined with quantitative key areas for assessing tenant capacity, motivation, confidence and emotional readiness. These key quantitative areas include:

- Emotional independence (interest and confidence in moving on),
- Financial Capacity (employment, income, savings, budgeting skills),
- Housing history (housing tenure, rent arrears, past evictions, neighbor/landlord relationships)
- Intensity of service use (need for on-site services),
- Health/behavioral health (substance use, mental health, medication management, treatment engagement, mobility),
- Connection to mainstream resources (rental supports if needed),
- Connection to family or other natural supports,
- Community living skills (self-managing behavior, limit setting relating to drugs, etc.),
- Activities of daily living skills (ability to get meals, keep apartment clean, follow lease), and
- Housing goals (location, size, affordability, live with family/friends).

Transition Services

Housing Providers are required to provide assistance with locating and securing a housing unit; case management to support transition including but not limited to assistance building linkages to community supports and services, such as mental and physical health services, substance use treatment, stores for groceries and other necessities, recreational activities and public transportation options; and support with landlord negotiations. Services offered may also include providing funds to cover moving services, utility deposits/arrears and furniture/household items, and assistance with family reunification.

Aftercare Supports

SNC recommends housing providers offer voluntary aftercare services to individuals who have moved on for at least six months after their move-out, and track types of supports provided and outcomes of those supports. It is recommended housing providers provide a minimum of two check-ins per month that can be in-person, by phone or by email.

Creating a Culture of Move On

SNC believes a programmatic reward/incentive structure for Move On can assist in further promoting a culture of independence and self-sufficiency. The CoC will develop a variety of strategies to publicize and build interest in Move On opportunities, including providing trainings on and working with providers to: post fliers in highly visible locations; host community meetings on Move On; conducting one-on-one outreach to tenants; and encourage Move On peers to talk about their experiences and engage tenants.

Move on Timing and Availability

SNC understands a Move On request may not be able to be satisfied immediately due to a variety of variables. However, the housing program will act as quickly as possible with community partners to move a tenant into appropriate affordable housing.

Ongoing CoC Assessment of Move On Strategy

Once annually the CoC will assess the success of this Move On Strategy, reviewing number/percentage of persons who have moved on and rate of retention in affordable housing destinations. The CoC will also discuss strengths/weaknesses related to the strategy's recommendations for recruiting affordable housing providers, identifying households for moving on, eligibility considerations for tenants, transition services, aftercare supports, and creating a culture of moving on.

1. Signed Letter from the Chairperson of the CoC's Committee of individuals with lived experience of homelessness.

To Whom it May Concern,

The NY-523 Saratoga North Country CoC has established an committee for Persons with Lived Experience of Homelessness named: Lived Experience Advisory Committee. The intent of the Committee is to gather first-person feedback to develop the CoC's priorities to prevent and end homelessness. The CoC has created a method for those served to voice their thoughts, suggestions, opinions, and concerns and have them directly shape the CoC system. The Committee is instrumental in developing and supporting the CoC's priorities and strategies for serving individuals and families experiencing homelessness.

The Advisory Committee collects feedback regarding a range of CoC related topics. Topics include but are not limited to: reviewing the Coordinated Entry intake form in coordination with the CE Lead (e.g. culturally competent and trauma informed language), reviewing the CE system evaluation tool to better identify gaps and barriers to services, and evaluating the Rank and Review Tool (e.g. annual funding priorities and agencies' ability to address racial disparities in service provision).

I am the chairperson of the Committee. I am an individual with lived experience of homelessness, and all active members of the committee are persons with lived experience. As the facilitator and lead of this committee, I attest that our members are committed to developing and supporting the CoC's priorities for serving individuals and families experiencing homelessness with severe service needs in the CoC's geographic area.

<ul style="list-style-type: none"> Discussion on the Draft of the SNC Action Plan CARES share the SNC Action Plan with the Board. While looking at this plan, as far as the North Country, and collab. With the hospital we just received Arbor funds, and all outreach teams ASCEND, Open Door, WAIT House have come together and we are getting referrals to house people. Rosemary indicated that in Saratoga the same collab. is not happening. RSS may be able to fill the gap. Rosemary indicated that when the plan was created, there was no one from the North Country. Amber said what they are doing with collaborations is new and does belong in an action plan. Other Board members made suggestions about the action plan. CARES indicated the document was just a draft and can be changed. Suggestions were made to keep this document more broadly and look at it annually. CARES suggested reconvening the meeting with the same people and Amber to redraft the document. Community Updates Rosemary Royce indicated that the county of Saratoga agreed to purchase land and signed an MOU with Shelters of Saratoga for a Perm. Code Blue Shelter. This has been a decade long struggle. We may be leaning on the CoC for support. There was also PSH and RRH info made available. This information is available on the website. HMIS CARES presented a new report that is a snapshot of what the prior month looked like. It discussed housing in the emergency shelters and where they go when discharged. Households being served are growing. A discussion ensued about whether this new doc should be given monthly or quarterly. CARES shared they would be creating this report monthly Collaborative Applicant- All webinars are up on the website so please watch them. New Projects 279.715, DV Bonus \$289,143 Sept. 3rd is the date for renewal applications, and Sept 27th for new projects. 1D-2a: Project Evaluation for **Housing First Compliance**

This attachment details how **NY-523** regularly evaluates its projects to ensure those that commit to using a Housing First approach are **evaluated outside of the local competition rating and ranking process**. It includes:

1. An example evaluation of at least one project
 - a) Domestic Violence and Rape Crisis Services dba Wellspring: New View Permanent Program

Housing First Standards Assessment Tool

Overview: This tool aims to assess and document how closely a housing and service provider adheres to the recommended best practice standards of the Housing First model, in the context of the broader work to implement a Housing First orientation at the system-level. This tool specifically evaluates project-level fidelity to Housing First, which directly impacts a system’s fidelity to Housing First. In addition to the universal best practice standards identified in this tool, Continuums should also take into account their local community context and local written standards pertaining to Housing First when assessing projects. A Continuum of Care can use this tool to prompt

Provider Info tab: The Provider Information tab should be completed *prior* to beginning the assessment. Specifically, the **Project Name, Project Type, Target Sub-Population served, and Date of Assessment** fields need to be completed in order to populate the assessment standards and report summary with questions that are specific to the project type and population. Please complete this section prior to printing any standards for assessment.

Standards: The standards have been arranged into the following categories: *Access, Evaluation, Services, Housing, Leases, and Project-Specific*. The “Tab” chart at the bottom of this page describes each of the categories in more detail. Some of the categories are not applicable for all project types, and those standards do not need to be

Project Type	Applicable Standards
Coordinated Entry	Access & Evaluation; Project-specific
Street Outreach	Access & Evaluation; Project-specific
Emergency Shelter	Access & Evaluation; Service & Housing; Project-specific
Transitional Housing	Access & Evaluation; Service & Housing; Leases; Project-specific
Rapid Rehousing	Access & Evaluation; Service & Housing; Leases; Project-specific
Permanent Supportive Housing	Access & Evaluation; Service & Housing; Leases; Project-specific

Safeguarding: Please keep in mind safeguarding concerns when assessing projects. In particular, we advise Continuums of Care to work with projects with victims of domestic violence to make sure that adequate safety and confidentiality policies and practices are in place before beginning assessments.

Scoring: For each standard, there are three scoring criteria: “Say It”, “Document It”, and “Do It” (as explained further below). To show that a project is in full compliance with each standard, the assessor should mark “Always” for each scoring criteria. Use the drop down in the three columns to the right to select “Always” or “Somewhat” or

- “Say It” means that project and agency staff can describe verbally what they do concerning each standard. The assessor should be able to identify that the organizational culture supports the standard by how staff talks about what is done.
- “Document It” means that there is written documentation that supports the project’s compliance with each standard. Written documentation could include Policies and Procedures, Personnel Handbooks, Professional Development Plans, Project Rules, etc.
- “Do It” means that the assessor was able to find evidence that supports the project’s compliance with each standard. Evidence could include information contained in client or other administrative files, client acknowledgement that something is being done, staff can point to documentation that supports implementation of the standard, etc.

Assessor Notes: A cell below each individual standard allows the assessor to add optional notes about the information collected for that particular standard. The notes can include where information was found, what questions were asked, who answered the questions, what additional information is needed to be able to mark that

Housing First Standards

For each standard, please use the drop down boxes in the three columns to the right to select "Not at all" or "Sometimes" or "Always". Marking "Always" signifies full compliance for the standard.

No.	Standard	Access Definition / Evidence	Say It	Document it	Do it
Access 1	Projects are low-barrier	Admission to projects is not contingent on pre-requisites such as abstinence of substances, minimum income requirements, health or mental health history, medication adherence, age, criminal justice history, financial history, completion of treatment, participation in services, "housing readiness," history or occurrence of victimization, survivor of sexual assault or an affiliated person of such a survivor or other unnecessary conditions unless required by law or funding source. <i>This program serves individuals and families where the head of household has a documented disability and is also a survivor of relationship/domestic abuse</i>	Always	Always	Always
Access 2	Projects do not deny assistance for unnecessary reasons	Procedures and oversight demonstrate that staff do everything possible to avoid denying assistance or rejecting an individual or family for the reasons listed in Access Standard #1. <i>Optional notes here</i>	Always	Always	Always
Access 3	Access regardless of sexual orientation, gender identity, or marital status	Equal access is provided in accordance with the 2012 and 2016 Equal Access Rules, meaning that any project funded by HUD must ensure equal access for persons regardless of one's sexual orientation or marital status, and in accordance with one's gender identity. Adult only households, regardless of marital status, should have equal access to projects (if these project types are not available within a CoC, the CoC should conduct an assessment to determine if these project types are needed and work with providers to accommodate the need). Please see Equal Access Rules here: https://www.hudexchange.info/resource/1991/equal-access-to-housing-final-rule/ <i>Optional notes here</i>	Always	Always	Always
Access 4	Admission process is expedited with speed and efficiency	Projects have expedited admission processes, to the greatest extent possible, including helping participants obtain documentation required by funding sources, as well as processes to admit participants regardless of the status of their eligibility documentation whenever applicable. <i>Optional notes here</i>	Always	Always	Always
Access 5	Intake processes are person-centered and flexible	Intake and assessment procedures are focused on the individual's or family's strengths, needs, and preferences. Projects do not require specific appointment times, but have flexible intake schedules that ensure access to all households. Assessments are focused on identifying household strengths, resources, as well as identifying barriers to housing that can inform the basis of a housing plan as soon as a person is enrolled in the project. <i>Optional notes here</i>	Always	Always	Always
Access 6	The provider/project accepts and makes referrals directly through Coordinated Entry	Projects actively participate in the CoC-designated Coordinated Entry processes as part of streamlined community-wide system access and triage. If these processes are not yet implemented, projects follow communities' existing referral processes. Referrals from Coordinated Entry are rarely rejected, and only if there is a history of violence, the participant does not want to be in the project, there are legally valid grounds (such as restrictions regarding sex offenders) or some other exceptional circumstance that is well documented. <i>Optional notes here</i>	Always	Always	Always
Access 7	Exits to homelessness are avoided	Projects that can no longer serve particular households utilize the coordinated entry process, or the communities' existing referral processes if coordinated entry processes are not yet implemented, to ensure that those individuals and families have access to other housing and services as desired, and do not become disconnected from services and housing. Households encounter these exits under certain circumstances, such as if they demonstrate violent or harassing behaviors, which are described within agencies' regulation-adherent policies.	Always	Always	Always
Name	Participant Input Definition / Evidence		Say It	Document it	Do it
Participant Input 1	Participant education is ongoing	Project participants receive ongoing education on Housing First principles as well as other service models employed in the project. In the beginning of and throughout tenancy, participants are informed about their full rights and responsibilities as lease holders, including the potential causes for eviction. <i>Optional notes here</i>	Always	Always	Always
Participant Input 2	Projects create regular, formal opportunities for participants to offer input	Input is welcomed regarding the project's policies, processes, procedures, and practices. Opportunities include involvement in: quality assurance and evaluation processes, a participant leadership/advisory board, processes to formally communicate with landlords, the design of and participation in surveys and focus groups, planning social gatherings, integrating peer specialists and peer-facilitated support groups to compliment professional services. <i>Optional notes here</i>	Always	Always	Always

Housing First Standards

For each standard, please use the drop down boxes in the three columns to the right to select "Not at all" or "Sometimes" or "Always". Marking "Always" signifies full compliance for the standard.

	Standard	Lease and Occupancy Definition / Evidence	Say It	Document It	Do It
Leases 1	Housing is considered permanent (not applicable for Transitional Housing)	Housing is not time-limited (though rent assistance may be) and leases are automatically renewable upon expiration, except with prior notice by either party. <i>Optional notes here</i>	Always	Always	Always
Leases 2	Participant choice is fundamental	A participant has, at minimum, choices in deciding the location and type of housing based on preferences from a range of housing types and among multiple units, as available and as practical. In project-based settings, participants should be offered choice of units within a particular building, or within the portfolio of single site properties. In projects that use shared housing, i.e. housing with unrelated roommates, participants should be offered choice of roommates, as available and as practical. Additionally, as applicable, participants are able to choose their roommates when sharing a room or unit. <i>Optional notes here</i>	Always	Always	Always
Leases 3	Leases are the same for participants as for other tenants	Leases do not have any provisions that would not be found in leases held by any other tenant in the property or building and is renewable per the participants' and owner's choice. People experiencing homelessness who receive help moving into permanent housing should have leases that confer the full rights, responsibilities, and legal protections under Federal, state, and local housing laws. For transitional housing, there may be limitations on length of stay, but a lease/occupancy agreement should look like a lease that a person would have in the normal rental market. <i>Optional notes here</i>	Always	Always	Always
Leases 4	Participants receive education about their lease or occupancy agreement terms	Participants are also given access to legal assistance and encouraged to exercise their full legal rights and responsibilities. Landlords and providers abide by their legally-defined roles and responsibilities. <i>Optional notes here</i>	Always	Always	Always
Leases 5	Measures are used to prevent eviction	Property or building management, with services support, incorporates a culture of eviction avoidance, reinforced through practices and policies that prevent lease violations and evictions among participants, and evict participants only when they are a threat to self or others. Clear eviction appeal processes and due process is provided for all participants. Lease bifurcation is allowed so that a tenant or lawful occupant who is a victim of a criminal act of physical violence committed against them by another tenant or lawful occupant is not evicted, removed or penalized if the other is evicted. <i>Optional notes here</i>	Always	Always	Always
Leases 6	Providing stable housing is a priority	Providers engage in a continued effort to hold housing for participants, even if they leave their housing for short periods due to treatment, illness, or any other temporary stay outside of the unit. <i>Optional notes here</i>	Always	Always	Always
Leases 7	Rent payment policies respond to tenants' needs (as applicable)	While tenants are accountable to the rental agreement, adjustments may be needed on a case by case basis. As necessary, participants are given special payment arrangements for rent arrears and/or assistance with financial management, including representative payee arrangements. <i>Optional notes here</i>	Always	Always	Always

Housing First Standards

For each standard, please use the drop down boxes in the three columns to the right to select "Not at all" or "Sometimes" or "Always". Marking "Always" signifies full compliance for the standard.

	Standard	Services Definition / Evidence	Say it	Document it	Do it
Services 1	Projects promote participant choice in services	Participants are able to choose from an array of services. Services offered are housing focused and include the following areas of support: employment and income, childhood and education, community connection, and stabilization to maintain housing. These should be provided by linking to community-based services. <i>Optional notes here</i>	Always	Always	Always
Services 2	Person Centered Planning is a guiding principle of the service planning process	Person-centered Planning is a guiding principle of the service planning process <i>Optional notes here</i>	Always	Always	Always
Services 3	Service support is as permanent as the housing	Service connections are permanently available and accessible for participants in Permanent Supportive Housing. Rapid Re-Housing projects should, at a minimum, be prepared to offer services for up to 6 months after the rental assistance ends. In emergency shelter and transitional housing, services are available as long as the participant resides in the unit or bed – and up to 6 months following exit from transitional housing. <i>Optional notes here</i>	Always	Always	Always
Services 4	Services are continued despite change in housing status or placement	Wherever possible, participants continue to be offered services even if they lose their housing unit or bed (for congregate projects), or if they are placed in a short-term inpatient treatment. Ideally, the service relationship should continue, despite a service hiatus during some institutional stays. <i>Optional notes here</i>	Always	Always	Always
Services 5	Participant engagement is a core component of service delivery	Staff provide effective services by developing relationships with participants that provide immediate needs and safety, develop trust and common ground, making warm hand-offs to other mainstream service providers, and clearly explain staff roles. Engagement is regular and relationships are developed over time. <i>Optional notes here</i>	Always	Always	Always
Services 6	Services are culturally appropriate with translation services available, as needed	Project staff are sensitive to and support the cultural aspects of diverse households. Wherever possible, staff demographics reflect the participant population they serve in order to provide appropriate, culturally-specific services. Translation services are provided when needed to ensure full comprehension of the project. Projects that serve families with children should have family-friendly rules that allow for different schedules based on work and school hours and have services that allow parents to participate in activities without having to constantly supervise their children themselves (i.e. can use the bathroom or take a shower without their children being in the bathroom with them). <i>Optional notes here</i>	Always	Always	Always
Services 7	Staff are trained in clinical and non-clinical strategies (including harm reduction, motivational interviewing, trauma-informed approaches, strength-based)	Services support a participant's ability to obtain and retain housing regardless of changes in behavior. Services are informed by a harm-reduction philosophy, such as recognizing that substance use and addiction are a part of some participants' lives. Participants are engaged in non-judgmental communication regarding their behavior and are offered education regarding how to avoid risky behaviors and engage in safer practices. <i>Optional notes here</i>	Always	Always	Always
	Standard	Housing Definition / Evidence	Say it	Document It	Do it
Housing 1	Housing is not dependent on participation in services	Participation in permanent and temporary housing settings, as well as crisis settings such as emergency shelter, is not contingent on participating in supportive services or demonstration of progress made on a service plan. Services must be offered by staff, but are voluntary for participants. <i>Optional notes here</i>	Always	Always	Always
Housing 2	Substance use is not a reason for termination	Participants are only terminated from the project for violations in the lease or occupancy agreements, as applicable. Occupancy agreements or an addendum to the lease do not include conditions around substance use or participation in services. If the project is a recovery housing model focused on people who are in early recovery from drugs or alcohol (as outlined in HUD's Recovery Housing Brief), different standards related to use and subsequent offer of treatment may apply. See HUD's Recovery Housing brief here: https://www.hudexchange.info/resource/4852/recovery-housing-policy-brief/ <i>Optional notes here</i>	Always	Always	Always
Housing 3	The rules and regulations of the project are centered on participants' rights	Project staff have realistic expectations and policies. Rules and regulations are designed to support safe and stable communities and should never interfere with a life in the community. Participants have access to the project at all hours (except for nightly in and out shelter) and accommodation is made for pets.	Always	Always	Always
Housing 4	Participants have the option to transfer to another project	Transfers should be accommodated for tenants who reasonably believe that they are threatened with imminent harm from further violence if the tenant remains in the same unit. Whenever possible, transfers occur before a participant experiences homelessness. <i>The participant always has the option of to move. Our program is scattered site in the community with the unity chosen by the participant, so transferring to another unit is not always possible. We routinely work with the tenant to safety plan and if necessary assist with searching for alternate housing opportunities in the community.</i>	Always	Always	Always

Housing First Standards

For each standard, please use the drop down boxes in the three columns to the right to select "Not at all" or "Sometimes" or "Always". Marking "Always" signifies full compliance for the standard.

Standard		Project -Specific Standards	Say It	Document it	Do it
Project 1	Quick access to RRH assistance	A permanent supportive housing project ensures quick linkage to a unit and wrap around services, based on participant needs, preferences, and resource availability. <i>Optional notes here</i>	Always	Always	Always
Project 2	PSH is focused on ending homelessness for those with the most severe barriers to maintaining housing	Participants and staff understand that a primary goal of permanent supportive housing is to end homelessness for people with the most severe service needs and help participants stay housed, regardless of other perceived barriers. <i>Optional notes here</i>	Always	Always	Always
Project 3	Property Management duties are separate and distinct from services/case management	In order to provide clear roles of staff for participants in terms of lease and rules enforcement as well as tenant advocacy, property management and service provider staff should be separate roles. However, they should work together on a regular basis through regular communications and meetings regarding Participants to address tenancy issues in order to preserve tenancy. <i>Our program is scattered site in the community. Property management is handled by the landlord and not our agency. Our advocates can work as a liaison with the participant and the landlord as needed.</i>	Always	Always	Always

Standard		Population Specific Standards	Say It	Document It	Do It
Population 1	Participant safety is a priority at all points of engagement and in all planning processes	Led by the survivor, a safety plan is developed that includes an assessment of danger, particular points of vulnerability, and best approaches to increasing safety. <i>Optional notes here</i>	Always	Always	Always
Population 2	Survivor-driven advocacy is available	The unique needs and strengths of each individual survivor and their children are taken into account with regard to the types of services that are available and offered. Project uses flexible and survivor-focused approaches to overcome barriers survivors may face in accessing services through traditional models. <i>Optional notes here</i>	Always	Always	Always
Population 3	Housing stability is a priority	Providers support survivors and their children to retain or obtain safe, stable housing. Survivors choose the type of housing and location of housing. Housing is located in an area that is considered safe from the abusive relationship. <i>Optional notes here</i>	Always	Always	Always

5. Provide the "Total Number of Persons Served" in this project. (APR Q5) *

This number will include all individual persons served, including children.

6. Provide the "Total Number of Adults Served" in this project. (APR Q5) *

Of all people in this project, how many are 18+? This number will be used when calculating income increases so that children are not included in the final percentages.

7. Provide the "Number of Chronically Homeless Persons" in your project. (APR Q5) *

A homeless individual with a disability as defined in section 401(9) of the McKinney-Vento Assistance Act (42 U.S.C. 11360(9)), who:

- Lives in a place not meant for human habitation, a safe haven, or in an emergency shelter, and has been homeless and living as described for at least 12 months* or on at least 4 separate occasions in the last 3 years, as long as the combined occasions equal at least 12 months and each break in homelessness separating the occasions included at least 7 consecutive nights of not living as described; or
- An individual who has been residing in an institutional care facility for less, including jail, substance abuse or mental health treatment facility, hospital, or other similar facility, for fewer than 90 days and met all of the criteria of this definition before entering that facility**; or
- A family with an adult head of household (or, if there is no adult in the family, a minor head of household) who meets all of the criteria of this definition, including a family whose composition has fluctuated while the head of household has been homeless.

8. What was the number of individuals who exited to a Permanent Housing destination? *

APR Q23, "Permanent Situations", "PS Subtotal", under the "Total" column.

9. Provide the "Number of Leavers" in this project. (APR Q5) *

Leavers are persons who exited the project and are no longer enrolled in the project as of the last day of the reporting period.

10. What was the number of leavers discharged to Homelessness? *

Exits to homelessness include: exiting a person to a shelter, the street, or a place not meant for human habitation. APR Q23, "Homeless Situations", "HS Subtotal", under the "Total" columns.

11. What was the number of adult **stayers** who increased Income? *

Stayer: a client active in a program before 09/30/2023, must have at least 365 days in latest stay, be an adult and the most recent assessment is compared to the one prior to it.

Increased income can include employment or non-employment income.

APRQ19a1. In row 5, entitled "Number of Adults with Any Income (i.e., Total Income)" under column "Performance Measure: Percent of persons who accomplished this measure".

The value must be a number

12. What was the number of adult **leavers** who increased Income? *

Leaver: Must have exited between 10/01/2022 and 09/30/2023, be an adult and income assessment based on the assessment at project exit compared to income assessment at project start

Increased income can include employment or non-employment income.

APR Q19a2. In row 5, entitled "Number of Adults with Any Income (i.e., Total Income)" under column "Performance Measure: Percent of persons who accomplished this measure".

The value must be a number

13. How many project participants had at least one form of health insurance? *

This number should include all individual clients with health insurance. Add **APR Q21.** Column 1 Row 15 and APR Q21. Column 1 Row 16 together.

14. How many project participants **entered the program with zero income?** *

Clients with no income at start: **APR Q18 Column 1 Row 4**

15. How many project participants entered the program with **2 or more physical and/or mental health conditions?** *

Clients with 2 or more conditions at program start: Add **APR Q13a2.** Column 1 Row 3 and APR Q13a2. Column 1 Row 4 together

SARATOGA NORTH COUNTRY

CONTINUUM OF CARE

2024 RANK AND REVIEW PROCESS

Background

HUD's Continuum of Care (CoC) homeless assistance programs serve as a source of funding for homeless services in the Counties of Saratoga, Warren, Washington and Hamilton (collectively referred to as the Saratoga-North Country Continuum of Care). HUD awards homeless assistance grants through an annual application process known as the CoC Program Competition.

In order for the CoC to gain insight into programs that are best serving the community at the local level, the community has implemented a Rank & Review Process for new and renewal projects. This process will help the CoC gain knowledge of project performance and effectiveness within the full CoC system.

In the Saratoga-North Country CoC, the Data and Goals Committee is charged with overseeing the Rank & Review Process. As described in the SNC CoC Bylaws, the Continuum of Care is responsible to design, operate, and follow a collaborative process for the development of funding applications, including funding priorities and the number and type of applications. Each year the Data and Goals Committee reviews the Rank & Review Process and Application and makes revisions to reflect changing priorities. The Data and Goals Committee is also responsible for establishing a Review Team. The Written Process, Application and the reviewers are submitted annually for approval by the Board. Once Board approved, the Written Process and Application are posted for review and comment by full Membership.

CoC Transparency

The annual Rank & Review process is conducted in a transparent manner to ensure a fair and consistent way to prioritize projects. Each year, feedback regarding the process and tools is solicited. The process is publicly announced by the CoC, distributed in writing to CoC Membership, and posted publicly on the CARES, Inc. website for all community members to review and comment.

FY2024 Rank and Review Application

The SNC CoC emphasizes the importance and impact of using the Rank & Review Application as the primary basis for determining the Project Listing submitted as part of the CoC Consolidated Application. The Rank & Review Application is thoughtfully revised each year to include both HUD and CoC standards, incorporating both national and local priorities, balancing objective performance measures with subjective narrative descriptions of project operations.

Review and Approval of the Rank & Review Renewal Application

After the CoC Consolidated Application is submitted to HUD by the Collaborative Applicant, the Data and Goals Committee reviews that prior year's Rank & Review process, including reviewer feedback and SNC member comments. The Committee considers information gained on behalf of the CoC over the past year and makes revisions to the application. The Committee also considers asking new members to join the Committee and participate on the Review Team.

In phases, the Data & Goals Committee presents the Written Process and Application Tools to the SNC Board and Membership for one-week public comment periods. The Data & Goals Committee considers submitted comments for inclusion. The Data & Goals Committee updates the Board on any edits, incorporates any additional changes from the Board, and secures a vote for approval. Finally, the Written Process and Application Tools are shared with Membership.

Project Participation

Renewal Projects

Each Renewal project completes a Rank & Review Application. The 2024 Rank & Review Renewal Application process will occur in two parts, with the intent to allow agencies adequate time to complete the full Rank & Review Application. *Completed applications (including required attachments) for each CoC project must be submitted to CARES of NY, Inc. by the stated deadline to be considered complete and sent to the Review Team.*

Applications that are submitted after the deadline and/or submitted incomplete will automatically receive a 5-point deduction on their overall score.

* Please Note: Coordinated Entry, Planning, Renewal Projects with less than one full year's worth of data at the time of the annual Rank & Review process, and HMIS projects are not required to fill out a renewal application.

Part 1 focuses on project and system outcomes, using project data entered in HMIS and objective questions to "rate" projects. The HMIS data used in Part 1 is from the previous HUD Fiscal Year (Oct 1 - Sep 30). This HMIS data used in Part 1 has been cleaned and reviewed for data quality errors when submitted to HUD for the Longitudinal Systems Analysis (LSA) report. The tool will indicate where agencies can find data for relevant questions. Agencies will also receive a data attachment to assist in completing their application. Data on this attachment will be based on APRs submitted by agencies earlier in the year.

If errors are identified on the Data Attachment, the agency must contact CARES by the deadline noted when the data attachment is released. If the request is a calculation error, CARES staff will correct the error and resubmit the Data Attachments for the agency's review.

Part 2 includes narrative questions to further evaluate the efficacy of each renewal project. Questions are derived from the Data & Goals committee based on HUD priorities and is reviewed by the Regional Racial Justice Advisory Committee to ensure that the tool is equitable and inclusive. Questions on part 2 are scored by the external review team.

An optional Part 3 form may be released following the release of the annual NOFO for the CoC to demonstrate the incorporation of HUD priorities into our annual Rank & Review process. If there are no significant HUD priorities identified or all major priorities are addressed in Part 1 and Part 2, this form will not be released.

At the end of each part, renewal projects will have an opportunity to request a debriefing of their scores with the Collaborative Applicant.

New Projects

New projects are created through bonus funds or reallocated funds. A separate RFP will be completed for new projects. If additional money becomes available through reallocation after the ranking process, the new project RFP will re-open. RFPs submitted during the second application process will automatically be ranked below the round 1 projects. New project applicants will also be invited to a required interview to discuss the details of their proposed project with the review team. Scores from the interview will be added to the

New project applications will be ranked, approved by the Board, and presented to Membership. The community's goal is to apply for the maximum amount of available funds. The same appeals process that applies to Renewal applications applies to New/Bonus project applications.

Bonus Projects

Each year, HUD *may* offer bonus funding and the NOFO outlines how the funds may be spent. Bonus project proposals must fill an unmet need as noted within the CoC's Strategic Plan or locally determined priorities. Bonus applications will be ranked and approved by the Board and presented to Membership. The community's goal is to apply for the maximum amount of available funds. The same appeals process that applies to Renewal applications applies to New/Bonus project applications.

Reallocation

Reallocation is the process by which the CoC shifts funds, in whole or in part, from existing eligible renewal grants to create new projects to fill an unmet need within the community, as noted within the SNC Strategic Plan. Reallocating funds is one of the most important tools by which communities can make strategic improvements to their homeless service system.

Projects that can be flagged for reallocation consideration include those which have demonstrated inadequate financial management, a history of expending funds on ineligible activities, a lack of full expenditure of funds, and those which consistently score low on the Rank & Review. Reallocation is recommended for any project *not* participating in Coordinated Entry, HMIS or the annual Point-in-Time. The Board may determine reallocation of a particular project as in the best interest of the CoC and essential

to maintaining full funding. Further, agencies may voluntarily choose to reallocate funds from their own projects. New project proposals developed by agencies through reallocation of their own funds will be prioritized during the ranking process. All other proposed projects using reallocated funds will be ranked according to general ranking procedures.

Project proposals developed with reallocated funds must fill an unmet need and submit a New/Bonus application. Agencies interested in applying for reallocated funds are required to interview with the Review Team. Applications for New/Bonus projects will be ranked separately from Renewal projects, and the final ranking will be approved by the Board presented to CoC Membership.

Review Team

Reviewers must be individuals from the community who are not CoC-funded or from neighboring communities and knowledgeable about the CoC process, services, and providers. Review Team members are considered by the Data & Goals Committee and invited by the Collaborative Applicant (CARES) to participate. After reviewers agree to participate, they are given project applications and scorecards and instructed to score applications with an objective lens. Three reviewers are recruited each year to score the narrative portions of each application.

Reviewers are provided a copy of each project's full application for review and score forms to complete. Scores for each application are averaged between the 3 reviewer scores to create the final score.

New project applicants will also be invited to a required interview to discuss the details of their proposed project with the review team. Scores from the interview will be added to the

In the event project applications initially receive the same score, it is the responsibility of the Review Team to reconsider scoring to break the tie. The Review Team also considers any submitted appeals (see **Appeals Process** outlined below) and provides any final comments to be shared with agencies. Final scores result in the project ranking.

Threshold Review

In order to ensure CoC projects are high performing, all project applications must also meet a minimum scoring threshold of 50% of total possible application points. The Threshold Review will be conducted by the Review Team after the Rank and Review process is complete and final project scores determined. If the pre-determined threshold is not met, the Review Team may recommend the SNC Board consider the possibility of reallocation or amendments to the project application/s with said agency.

Project Ranking

The NOFO requires that the CoC conduct a transparent and objective process to review and rank all application for renewal of existing projects and applications for new/bonus projects. Using a CoC approved Rank & Review tool, all projects seeking funding are scored and placed in numerical order. The Committee reviews the process and project scores. Projects projected to fall into Tier 2 will be contacted and notified of their ranking and offered the opportunity to go over the project's scores. HMIS and CE projects do not fill out a renewal application but are ranked at the bottom of Tier 1. Project ranking is shared with the Data & Goals Committee,

then presented to the Board for their consideration to either finalize the ranking or adjust in order to continue meeting current community needs and resources. The board may change the ranking at their discretion before finalizing. Afterwards, the ranking is shared with full Membership. At that time, each project receives a copy of their individual scores and is given the opportunity to meet with the Collaborative Applicant to debrief. If during this debriefing, a mathematical error is found by the project, the error can be corrected, and notice of the correction will be provided to the Data and Goals Committee and the Board. No formal appeal is needed for a mathematical error.

Appeals Process

1. Who May Appeal?

Agencies may formally appeal a decision concerning a Renewal or New/Bonus project application submitted by that agency. If a project was submitted by a collaboration of agencies, only one joint appeal may be made.

2. What May Be Appealed?

The appeals process applies to project scoring and ranking ***only***. *There is no appeal for project tiering.* An appeal may ***not*** be based on the following:

- Failure to answer any question/s on the application
- Failure to submit required attachments to the application
- Failure to submit the application by the required deadline

Any mathematical errors found by an applicant will be corrected by the Collaborative Applicant.

3. Timing of an Appeal

Formal appeals may be submitted by a project within **three (3) business days** of debriefing. Appeals must be submitted in writing to the Collaborative Applicant (mvandeusen@caresny.org), who will then forward to the Review Team. The written appeal must consist of a brief statement no longer than one page, and can be in the form of a letter, memo or email.

Appeals Decisions

The Review Team for the Rank & Review process will also serve as the Appeals Review Team. Appeals are decided by majority vote of the Review/Appeals Team, and once decided, are final and may not be overturned by the Data & Goals Committee, Board or Membership.

Project Tiering

When the NOFO is released, the priorities and tiering outlined in the application are strategically applied by the CoC to the project ranking. Reallocation, new projects, and other CoC priorities are considered through CoC discussions. The tiering is presented by the Data and Goals Committee to the Board who approves then

presented to Membership. Membership votes on the tiering and approves the Project Listing and the CoC Application.

PROJECT DESCRIPTION

This section provides reviewers with a synopsis of your project; **it is not scored.**

Provide a brief project overview to describe program characteristics listed below:

- a. Target Population
- b. Project goals and achievements

1. Addressing Program Challenges in Part 1

After seeing your preliminary **Part 1 score**, please identify up to 3 questions from Part 1 where you did not score full points. Applicants can use this section to detail unique circumstances for why they did not score full points. Reviewers may score up to 50% of the points lost in Part 1 for each question identified. CARES will calculate total points available for each question.

Part 1 Question #__

Part 1 Question #__

Part 1 Question #__

2. Diversity and Inclusion: (0-5 pts)

Please tell us what your agency has done over the last year to promote Diversity, Equity, and Inclusion (DEI) at the program and agency level.

- 2 pts for providing a specific example of an action or initiative taken to promote DEI;
- 2 pts for identifying specific hiring initiatives to increase DEI within your agency;
- 1 pt for participating in outside committees or workgroups that promote DEI in the CoC.

3. Including Transgender and Gender Non-conforming clients: (0-4 pts)

How does your program ensure housing and support service options that are tailored to support people who identify as LGBTQIA+? [Check out HUD's Fair Housing Tool Kit.](#)

- 2 pts if agency describes how information is provided to clients and staff on how to report housing discrimination.
- 2 pts if agency describes training provided to agency staff to ensure a safe and equitable atmosphere for clients.

4. Feedback from Clients (0-6 pts)

What proactive processes does your agency have to receive and incorporate feedback from persons with lived experience?

- 3 pts if applicant specifies how clients are asked for feedback about their programs and services;
- 3 pts if applicant provides an example of feedback from a client that was implemented to make a positive change in the program.

5. Staff with Lived Experience (0-4 pts)

Does your agency employ people with lived experience of homelessness? If so, are they involved in any decision-making or policy creation?

- 2 pts if agency employs people with lived experience of homelessness.
- 2 pts if agency describes how employees with lived experience are involved in decision-making and/or policy creation.

6. Addressing Severe Service Needs (0-12 pts)

Describe the severe service needs of clients within your project, and why the services provided in your project are needed in the CoC. Please use local data and examples to back up your claim if applicable.

- 7 pts if agency describes the ability to provide services and support to a population(s) with the most severe service needs in Saratoga, Warren, Washington, and Hamilton Counties.
- 5 pts if the agency adequately demonstrates/cites evidence of the need for their project in the community due to their capacity to serve those with the most severe service needs.

7. Racial Equity and Barriers to Participation (0-8 pts)

Has your project identified any barriers to participation (e.g., lack of outreach) faced by persons of different races and ethnicities, particularly those over-represented in the local homelessness population? What steps have you taken or will take to eliminate the identified barriers?

Examples could include: lack of access to transportation/services that is rooted in racial/ethnic discrimination, cultural barriers to accessing traditional services, barriers created by structural racism in the community, etc.

- 2 pts if the applicant describes barriers related to race/ethnicity to participation faced by those over-represented in the local homeless population;
- 6 pts if the applicant describes tangible actions taken at the agency and/or project level to eliminate any barriers to participation.

8. Domestic Violence Projects Only- Positive Outcomes/Safety (0-6 pts)

Outcomes considered positive for DV programs may not be the same as positive outcomes for Permanent Supportive Housing programs. How does your agency contribute to housing stability and ensure safety for victims of domestic violence across the CoC?

- Up to 3 pts awarded if the narrative clearly describes positive outcomes through the DV provider lens.
- Up to 3 pts awarded if the narrative clearly describes how the agency contributed to positive housing stability and ensure safety for victims of domestic violence across the CoC.

9. Dedicated Youth Projects Only- Positive Outcomes (0-6 pts)

Outcomes considered positive for youth programs may not be the same as positive outcomes for Permanent Supportive Housing programs. How does your agency contribute to housing stability across the CoC?

- Up to 3 pts awarded if the narrative clearly describes positive outcomes through the Youth provider lens.
- Up to 3 pts awarded if the narrative clearly describes how the agency contributed to positive housing stability across the CoC.

Part 2 Application Score Breakdown

For informational purposes only

	Question	Points Available
1	Addressing Program Challenges	30*
2	Diversity and Inclusion	5
3	Including LGBTQIA+	4
4	Feedback from PWLE	6

20 Community Priorities (18 pts)

The CoC consistently has people with serious mental illness and substance use diagnoses on the Coordinated Entry waitlist for longer periods of time, on average, than other population types. Those with an SMI make up 42% of the Continuum's waitlist and those with co-occurring disorders make up 29% of the Continuum's waitlist. These populations are on the CE waitlist for over 111 days, on average, and agencies have reported that these populations have much more significant & severe service needs than other/past persons served.

Please check all services/supports that your proposed project will provide **(2 pts per service checked)**:

- Supporting and accompanying clients to apartment searches to attain housing;
- Providing dedicated case management that is offered 2x per week;
- Providing a connection to peer support services;
- Providing a connection to professional/clinical support services;
- Incorporating a move-on strategy for each client into individual service plans;
- Project will provide services to clients who may have been denied from projects previously.
- An MOU with a SUD provider to provide intensive outpatient case management and/or support services.
- An MOU with a Mental Health provider to provide intensive outpatient case management and/or support services.
- Other (please describe):

RANK & REVIEW APPLICATION 2024

PART 1: DATA & OBJECTIVE MEASURES SECTION

NOTE: THIS SECTION OF THE APPLICATION IS BASED ON FEDERAL FISCAL YEAR 23 APR REPORTS (10/1/2022-9/30/2023). DATA SOURCES HAVE BEEN SUBMITTED TO HUD VIA LONGITUDINAL SYSTEMS ANALYSIS (LSAS) AND ARE USED TO EVALUATE PROJECTS TO ENSURE DATA CLEANLINESS.

Organization Name: _____

Project Name: _____

Project Type: PSH ORRH TH SSO

Project Type: Site-based Scattered-Site

Population Type: Domestic Violence Youth Serving

- 1. Utilization Rate: Using the FY23 Project Application and Federal Fiscal Year 2023 (FY23) APR, complete the chart below to calculate utilization rate (round up to closest whole number).**

Projected number served during average PIT (Esnaps Project Application Question 5A)	Actual number served during PIT (APR Questions 7b and 8b)		
		Persons	Households
Persons: _____	January		
Households: _____	April		
	July		
	October		
	Average:		

Persons: Average Actual _____ / Projected _____ = **Utilization** _____ %

Households: Average Actual _____ / Projected _____ = **Utilization** _____ %

What was your project utilization of households *or* persons served during the year? (use the higher of the two percentages)

15pts= 95-100%; 13pts=80-94; 10 pts =60-79%; 7 pts= 40-59%; 5 pts = 0-39%

Points earned: _____

2. Data Quality & Completeness: FY23 APR Q6 and Attachment 2b.

2a. FY23 APR Q6: Is there an error rate of more than 5% in any of the following HMIS elements: PII, Universal Data, Income and Housing? **Yes -0 points No-3 points Points Earned: _____**

2b. FY23 Timeliness of Data Entry: Do you have any number of project start records at 11+days?
(Use provided data attachment 2b to respond)

Yes-0 points No-3 points Points Earned: _____

3. Impact on Chronic Homeless: (10 possible pts.) (Attachment 3)

Points Earned: _____

To show the impact towards the CoC goal of ending Chronic Homelessness, refer to attachment 3 to see project score.

4. Positive Outcomes: (20 possible pts.) (Attachment 4)

Points Earned: _____

For PSH, RRH, and TH, programs, an outcome is positive if a client is a stayer or exited to a PH destination. Use attachment 4 to see project score.

5. Exits to Homelessness: (20 possible pts.) (Attachment 5)

Points Earned: _____

Please use Attachment 5 showing all project leavers and note the project score based on those who exited to the shelter or the street.

6. Income Growth – Project Performance (20 possible pts.) (Attachments 6a. and 6b.)

(Based on APR Q19. Cash Income – Changes over Time to respond to questions below.)

6a. What percentage of **clients** gained or increased **employment income or non-employment income at program exit?** (Note percent in **Q19a2. Row 5, Column 9**) Use attachment 6a. to see project score. (10 points)

***This question will be weighted if your project had no leavers in the year analyzed.*

Points Earned: _____

6b. What percentage of **clients** gained or increased **employment income or non-employment income between start and annual assessment?** (Note percent in **Q19a1. Row 5, Column 9**) Use attachment 6b. to see project score. (10 points) **Waived for RRH & TH*

Points Earned: _____

7. Physical and Mental Health Conditions- Number of conditions at Start (10 possible pts.)(Attachment 7) (Waived for TH & RRH Projects)

Based on APR Q13 a2- Number of Conditions at Start)

Projects serving clients with 2 or more conditions at project entry may be considered as serving those with the most severe service needs. This question awards points to projects serving those with 2 or more conditions at entry. Use attachment 7 to see project score.

Points Earned: _____

8. Length of Time between Project Start Date and Residential Move-in Date (2 possible pts) (Attachment 8)

On APR Q22c, refer to the column “Average length of time to housing”. Use attachment 8 to see project score.

Points Earned: _____

9. Health Insurance- Percentage of Stayers with Health Insurance at Annual Assessment (5 possible pts) (Attachment 9)

To calculate the percentage of clients who retained or acquired health insurance, add APR Q21. Column 2 Row 14, 15 and APR Q21. Column 2 Row 16 together. Divide this number by APR Q5. (Total number of stayers).

Points Earned: _____

10. Priority Population (Select ONE)

- 100% Chronically Homeless (CH), Youth, Veteran, or Survivors of DV = 5 pts**
- 50-100% Mental Health and/or substance use disorders = 3 pts**

PROJECT DESCRIPTION

This section provides reviewers with a synopsis of your project; **it is not scored.**

Provide a brief project overview to describe program characteristics listed below:

- a. Target Population
- b. Project goals and achievements

1. Addressing Program Challenges in Part 1

After seeing your preliminary **Part 1 score**, please identify up to 3 questions from Part 1 where you did not score full points. Applicants can use this section to detail unique circumstances for why they did not score full points. Reviewers may score up to 50% of the points lost in Part 1 for each question identified. CARES will calculate total points available for each question.

Part 1 Question #__

Part 1 Question #__

Part 1 Question #__

2. Diversity and Inclusion: (0-5 pts)

Please tell us what your agency has done over the last year to promote Diversity, Equity, and Inclusion (DEI) at the program and agency level.

- 2 pts for providing a specific example of an action or initiative taken to promote DEI;
- 2 pts for identifying specific hiring initiatives to increase DEI within your agency;
- 1 pt for participating in outside committees or workgroups that promote DEI in the CoC.

3. Including Transgender and Gender Non-conforming clients: (0-4 pts)

How does your program ensure housing and support service options that are tailored to support people who identify as LGBTQIA+? [Check out HUD's Fair Housing Tool Kit.](#)

- 2 pts if agency describes how information is provided to clients and staff on how to report housing discrimination.
- 2 pts if agency describes training provided to agency staff to ensure a safe and equitable atmosphere for clients.

4. Feedback from Clients (0-6 pts)

What proactive processes does your agency have to receive and incorporate feedback from persons with lived experience?

- 3 pts if applicant specifies how clients are asked for feedback about their programs and services;
- 3 pts if applicant provides an example of feedback from a client that was implemented to make a positive change in the program.

5. Staff with Lived Experience (0-4 pts)

Does your agency employ people with lived experience of homelessness? If so, are they involved in any decision-making or policy creation?

- 2 pts if agency employs people with lived experience of homelessness.
- 2 pts if agency describes how employees with lived experience are involved in decision-making and/or policy creation.

6. Addressing Severe Service Needs (0-12 pts)

Describe the severe service needs of clients within your project, and why the services provided in your project are needed in the CoC. Please use local data and examples to back up your claim if applicable.

- 7 pts if agency describes the ability to provide services and support to a population(s) with the most severe service needs in Saratoga, Warren, Washington, and Hamilton Counties.
- 5 pts if the agency adequately demonstrates/cites evidence of the need for their project in the community due to their capacity to serve those with the most severe service needs.

7. Racial Equity and Barriers to Participation (0-8 pts)

Has your project identified any barriers to participation (e.g., lack of outreach) faced by persons of different races and ethnicities, particularly those over-represented in the local homelessness population? What steps have you taken or will take to eliminate the identified barriers?

Examples could include: lack of access to transportation/services that is rooted in racial/ethnic discrimination, cultural barriers to accessing traditional services, barriers created by structural racism in the community, etc.

- 2 pts if the applicant describes barriers related to race/ethnicity to participation faced by those over-represented in the local homeless population;
- 6 pts if the applicant describes tangible actions taken at the agency and/or project level to eliminate any barriers to participation.

8. Domestic Violence Projects Only- Positive Outcomes/Safety (0-6 pts)

Outcomes considered positive for DV programs may not be the same as positive outcomes for Permanent Supportive Housing programs. How does your agency contribute to housing stability and ensure safety for victims of domestic violence across the CoC?

- Up to 3 pts awarded if the narrative clearly describes positive outcomes through the DV provider lens.
- Up to 3 pts awarded if the narrative clearly describes how the agency contributed to positive housing stability and ensure safety for victims of domestic violence across the CoC.

9. Dedicated Youth Projects Only- Positive Outcomes (0-6 pts)

Outcomes considered positive for youth programs may not be the same as positive outcomes for Permanent Supportive Housing programs. How does your agency contribute to housing stability across the CoC?

- Up to 3 pts awarded if the narrative clearly describes positive outcomes through the Youth provider lens.
- Up to 3 pts awarded if the narrative clearly describes how the agency contributed to positive housing stability across the CoC.

Part 2 Application Score Breakdown

Dear Project Applicant

As the Collaborative Applicant for the NY-523 CoC, CARES would like to congratulate XXX Agency on having the below **project accepted with a reduction** within NY-523's FY24 Continuum of Care local competition. Below is a detailed list of projects that have been reduced due to voluntary reallocation for this application:

Agency	Project name	Project score	Rank Order	Funding amount requested	Status	Reason for Reduced
Sample	Sample	###	###	\$\$\$	Reduced	ranked outside the available funding

Your agency has voluntarily reduced \$\$\$ from the above project, from \$\$\$ to \$\$\$. Funds voluntarily reallocated through this reduction will be utilized by another competitive program within the CoC in order to fully employ the CoC's resources. You can see the full CoC Project Ranking & Tiering [here](#).

Please note, this means your projects will be included within the NY-523 CoC NOFO application with the reduced amount; HUD will determine and announce which projects will officially receive funding at a later

Thank you,

CARES Planning Team

Dear Project Applicant

On behalf of the NY-523 CoC, we would like to thank XXX Agency for its application, XXX Project, for funding through NY-523's FY24 Continuum of Care local competition. Unfortunately, through the local Rank and Review competition for New Projects, your application was not selected to apply.

This project met all threshold criteria, however, the project was ranked outside the available funding and was ultimately not able to be included in this year's application. The CoC encourages you to apply again if funding becomes available in future CoC competitions.

Agency	Project name	Project score	Rank Order	Funding amount requested	Status	Reason for Rejection

Subject: SNC: Notification to Community Members of CoC Approved Consolidated Application Posting
Date: Monday, October 21, 2024 4:56:00 PM
Attachments: [image002.png](#)

Good Afternoon, CoC Membership & Key Stakeholders,

All parts of the 2024 CoC approved Consolidated Application and Priority Listing have been posted to the CARES website for public comment, which can be accessed here:

https://caresny.org/nofo-2024/#NY__523

Specifically, you will find the approved versions of:

- Consolidated Application Narratives & Attachments
- Priority Listing (including project rankings)
- Ranking & Tiering, detailing: accepted and rejected project applications as a result of

the local CoC competition, including each project's **ranking, score, and funding amount.**

- Planning Grant
- Project Descriptions for CoC Renewal & New Applications

CARES will be submitting the CoC Application & Priority Listing on behalf of the CoC on Friday, October 25th. If you have any questions or comments, please feel free to reach out.

Thank you,

CARES Planning Team

- 2) Because people have multiple stays in shelter over the course of a year and stay in different household configurations, a single person can be counted in more than one household type. Therefore, the sum of the number of people by household type may be greater than the unique count of people.
- 3) Total Sheltered count only includes those served in HMS participating projects reported by your CoC.
- 4) For CoCs that experienced mergers during any of these reporting periods, historical data will include only the original CoCs.

2024 HDX Competition Report

2024 Competition Report - SPM Data

NY-523 - Glens Falls, Saratoga Springs/Saratoga, Washington, Warren, Hamilton Counties CoC
FY 2023 Reporting Year: 10/1/2022 - 9/30/2023

Measure 1: Length of Time Persons Remain Homeless

This measures the number of clients active in the report date range across ES, SH (Metric 1.1) and then ES, SH and TH (Metric 1.2) along with their average and median length of time homeless. This includes time homeless during the report date range as well as prior to the report start date, going back no further than the look back stop date or client's date of birth, whichever is later.

Metric 1.1: Change in the average and median length of time persons are homeless in ES and SH projects.

Metric 1.2: Change in the average and median length of time persons are homeless in ES, SH, and TH projects.

a. This measure is of the client's entry, exit, and bed night dates strictly as entered in the HMIS system.

Metric	Universe (Persons)	Average		Median	
		Homeless (bed nights)	LOT	Homeless (bed nights)	LOT
1.1 Persons in ES-EE, ES-NbN, and SH	1,642	53.3		19.0	
1.2 Persons in ES-EE, ES-NbN, SH, and TH	1,716	57.0		20.0

NY-523 - Glens Falls, Saratoga Springs/Saratoga, Washington, Warren, Hamilton Counties CoC

FY 2023 Reporting Year: 10/1/2022 - 9/30/2023

b. This measure is based on data element 3.917

This measure includes data from each client's Living Situation (Data Standards element 3.917) response as well as time spent in permanent housing projects between Project Start and Housing Move-In. This information is added to the client's entry date, effectively extending the client's entry date backward in time. This "adjusted entry date" is then used in the calculations just as if it were the client's actual entry date.

Metric	Universe (Persons)	Average		Median	
		Homeless (bed nights)	LOT	Homeless (bed nights)	LOT
1.1 Persons in ES-EE, ES-NbN, SH, and PH (prior to "housing move in")	1,705	243.9	61.0		
1.2 Persons in ES-EE, ES-NbN, SH, TH, and PH (prior to "housing move in")	1,779	241.9	63.0

Measure 2: Returns to Homelessness for Persons who Exit to Permanent Housing (PH) Destinations

This measures clients who exited SO, ES, TH, SH or PH to a permanent housing destination in the date range two years prior to the report date range. Of those clients, the measure reports on how many of them returned to homelessness as indicated in the HMIS for up to two years after their initial exit.

Metric	Total # of Persons Exited to a PH Destination (2 Yrs Prior)		Returns to Homelessness in Less than 6 Months (0 - 180 days)		Returns to Homelessness from 6 to 12 Months (181 - 365 days)		Returns to Homelessness from 13 to 24 Months (366 - 730 days)		Number of Returns in 2 Years

Measure 3: Number of Homeless Persons

Metric 3.1 – Change in PIT Counts

Please refer to PIT section for relevant data.

Metric 3.2 – Change in Annual Counts

This measures the change in annual counts of sheltered homeless persons in HMIS.

Metric	Value
Universe: Unduplicated Total sheltered homeless persons	1,720
Emergency Shelter Total	1,645
Safe Haven Total	0
Transitional Housing Total	112

Measure 4: Employment and Income Growth for Homeless Persons in CoC Program-funded Projects

This measure is divided into six tables capturing employment and non-employment income changes for system leavers and stayers. The project types reported in these metrics are the same for each metric, but the type of income and universe of clients differs. In addition, the projects reported within these tables are limited to CoC-funded projects.

Metric 4.1 – Change in earned income for adult system stayers during the reporting period

Metric	Value
Universe: Number of adults (system stayers)	79
Number of adults with increased earned income	7
Percentage of adults who increased earned income	8.9%

Measure 5: Number of Persons who Become Homeless for the First Time

This measures the number of people entering the homeless system through ES, SH, or TH (Metric 5.1) or ES, SH, TH, or PH (Metric 5.2) and determines whether they have any prior enrollments in the HMIS over the past two years. Those with no prior enrollments are considered to be experiencing homelessness for the first time.

Metric 5.1 – Change in the number of persons entering ES, SH, and TH projects with no prior enrollments in HMIS

Metric	Value
Universe: Person with entries into ES-EE, ES-NbN, SH or TH during the reporting period.	1,557
Of persons above, count those who were in ES-EE, ES-NbN, SH, TH or any PH within 24 months prior to their entry during the reporting year.	318
Of persons above, count those who did not have entries in ES-EE, ES-NbN, SH, TH or PH in the previous 24 months. (i.e. Number of persons experiencing homelessness for the first time)	1,239

Measure 6: Homeless Prevention and Housing Placement of Persons defined by category 3 of HUD's Homeless Definition in CoC Program-funded Projects

Measure 6 is not applicable to CoCs in this reporting period.

Measure 7: Successful Placement from Street Outreach and Successful Placement in or Retention of Permanent Housing

This measures positive movement out of the homeless system and is divided into three tables: movement off the streets from Street Outreach (Metric 7a.1); movement into permanent housing situations from ES, SH, TH, and RRH (Metric 7b.1); and retention or exits to permanent housing situations from PH (other than PH-RRH).

Metric 7a.1 – Change in SO exits to temp. destinations, some institutional destinations, and permanent housing destinations

Metric	Value
Universe: Persons who exit Street Outreach	26
Of persons above, those who exited to temporary & some institutional destinations	2
Of the persons above, those who exited to permanent housing destinations	0

RE: Housing Leverage Commitment for Shelters of Saratoga's RRH 2024 NOFO proposal

This letter confirms that Shelters of Saratoga will commit two (2) of our non-CoC funded PSH units to the proposed RRH project (5), as proposed in our 2024 RRH application.

Rent from the units is paid by the tenant, not to exceed 30% of their income. Units may have additional subsidy if the tenant is eligible, including Section 8 vouchers.

Support services are funded in part by the New York State Supportive Housing Program.

All units are located at the agency's housing complex at 112 Washington Street or 128 Grand Ave, Saratoga Springs, NY 12866. The agency is committed to dedicating these two units to the RRH project, as vacancies occur for the duration of the project beginning October 1, 2025-September 30, 2026.

Sincerely,

Stephanie Romeo

Re: Leveraged funding for DV Bonus application

Lisa Munter
Vice President

The required match for the DV Bonus application is \$29,198. Wellspring will leverage this amount from our ESSHI grant at The Reserve at Tait Lane. As noted in the attached contract, the Reserve is a new build in Saratoga Springs of which Wellspring has ten apartments for domestic violence survivors and their children.

Ryan Shaw
Treasurer

Julia Marco
Secretary

Our DV Bonus application does not support rent subsidies for any units, but instead is a request for support of workforce development to promote economic stability and career advancement for the participants in our NewView Housing program (24 HUD-funded and 10 ESSHI funding units.) All New View participants will be offered participation in the workforce project.

RE: Health Home Commitment

Dear Ms. Romeo:

It is my pleasure to provide this letter of support to Shelters of Saratoga's Rapid Rehousing Project proposal to provide rental subsidies and supportive services to homeless individuals in Saratoga County.

The relationship between Adirondack Health Institute (AHI) and Shelters of Saratoga as a New York State Health Home provider offers comprehensive care management to Medicaid enrollees. Plans of care created by this relationship address medical, behavioral, functional, and social support concerns of participants. Shelters of Saratoga as the services provider will offer these services to participants of the Rapid Rehousing project where eligible. Services will be provided based on fair housing regulations.

We are excited about the possibilities to continue to support Shelters of Saratoga's housing program residents through the SOS Rapid Rehousing Project.

We again commit to this collaboration and will review and renew the commitment annually. The estimated value of the collaboration is established at \$216,000 per year, to provide care management services.

I look forward to our continuing relationship. Please contact me at 518-480-0111, ext. 201 or kashline@ahihealth.org.

Sincerely,

Karen L. Ashline
