ADDENDUM A

Bert's Place is a PSH project operated by Joseph's House. All clients served by Bert's Place are also either served by UH 804 JH or JH Consolidated. As such, in HMIS, an entitlement feature is used when pulling the data in order to only collect data on those clients served by Joseph's House's Bert's Place CoC contract.

JH Bethune serves distinct clients from UH 800 JH (which is also called JH Bethune).

In FY2022, Joseph's House consolidated the projects: JH-Consolidated and JH Bethune into **JH Consolidated**.

UH 800 is a consolidated PSH project operated by Unity House, with subcontracts to Joseph's House and YWCA. There are six sub-projects that make up UH 800.

Given Unity House is a Victim Service Provider and thus is prohibited from entering into HMIS, data was submitted to the CARES HMIS Team as a single number for each of UH 800 metrics shown.
