FY26 Continuum of Care Competition – Rank & Review Certification
Project Threshold Review

Instructions:

All agencies applying for CoC funding must review and sign off on the below Project Eligibility Threshold, Project Quality Threshold (broken down by New Projects and Renewal Projects), and Post Award Requirements as part of the Rank & Review process. Please return to CARES with your Rank & Review applications.

Project Eligibility Threshold (pg. 59-61 of the FY26 CoC NOFO)

Applicants who fail to meet the following threshold eligibility requirements are ineligible to apply for funds during this competition. Please review the following requirements and sign off at the end of the document to verify your project eligibility.

(1) Project applicants and potential subrecipients must meet the eligibility requirements of the CoC Program as described in the Act and the Rule and provide evidence of eligibility required in the application (e.g., nonprofit documentation).

(2) Project applicants and subrecipients must demonstrate the financial and management capacity and experience to carry out the project as detailed in the project application and the capacity to administer federal funds. Demonstrating capacity may include a description of the applicant and subrecipient experience with similar projects and with successful administration of SHP, S+C, or CoC Program funds or other federal, state, local, or private resources.

(3) Project applicants must submit the required certifications specified in this NOFO.

(4) The population to be served must meet program eligibility requirements as described in the Act, the Rule, and section III.G.10 of this NOFO.

(5) Project applicants, except Collaborative Applicants that only receive awards for CoC Planning costs and, if applicable, UFA Costs, must agree to participate in a local HMIS system. However, in accordance with Section 407 of the Act, any victim service provider that is a recipient or subrecipient must not disclose, for purposes of HMIS, any personally identifying information about any client. Victim service providers must use a comparable database that meets the needs of the local HMIS.

(6) Project applicants must certify affirmatively to the following:

- The project applicant will not engage in racial preferences or other forms of illegal discrimination.
- The project applicant will not operate drug injection sites or "safe consumption sites," knowingly distribute drug paraphernalia on or off of property under their control, permit the use or distribution of illicit drugs on property under their control, or conduct any of these activities under the pretext of "harm reduction."

I Certify that my project is eligible to apply for HUD CoC funding under the above criteria:

Signature of applicant: _____

NEW Projects: Project Quality Threshold (pg. 62 of the NOFO):

Please note: New Project Applications need to meet additional criteria to be eligible. Please see pg. 59-62 of the FY26 CoC NOFO.

HUD will review all new project applications to determine if they meet the following project quality threshold requirements HUD will not award funds to a new project unless the project was created through reallocation, or the CoC has demonstrated to HUD's satisfaction that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance.

(1) HUD will consider any project requesting renewal funding, including renewing YHDP and renewing Special NOFO projects, as having met project quality threshold requirements through its previously approved grant application unless HUD receives information to the contrary or if the renewal project has compliance issues which results in the project not operating in accordance with the Rule.

(2) HUD will consider YHDP Replacement project applications including applications for new YHDP projects created through YHDP reallocation as having met project quality threshold requirements if the project application activities and costs are eligible under this NOFO. If a YHDP Replacement (including YHDP Reallocation) project application is not for activities and costs that are eligible under this NOFO, HUD will not reject the project under this project quality threshold, but HUD will require the project applicant to correct or revise information submitted after the final CoC Program award announcement but before executing the grant agreement.

(3) HUD will review the UFA Costs submitted by the UFA designated Collaborative Applicant to ensure appropriate match and eligibility of costs requested.

(4) HUD will assess all new project applications for the following minimum project eligibility, capacity, timeliness, and performance standards.

> **(a)** project applicants must have satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project;
> **(b)** for expansion project applications, project applicants must describe the part of the project that is being expanded and demonstrate the project is not replacing other funding sources; and
> **(c)** project applicants must demonstrate their ability to meet all timeliness standards per 24 CFR 578.85. HUD reserves the right to deny a funding request for a new project, if the request is made by an existing recipient that HUD finds to have significant issues related to capacity, performance, unresolved audit, or monitoring findings related to one or more existing grants; or does not routinely draw down funds from eLOCCS at least once per quarter. HUD also reserves the right to withdraw funds if no APR is submitted on the prior grant.

(5) HUD reserves the right to verify past performance and evaluate the eligibility of a project application submitted during the CoC Program Competition for the following reasons:

> **(a)** evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
> **(b)** evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or

distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

(6) Additionally, for HUD to consider new projects as meeting project quality threshold, each new project must meet the following criteria as applicable. If awarded, a recipient must meet all the criteria listed in the criteria column for its component.

I Certify that my NEW project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

Renewal projects must meet the minimum project eligibility, capacity, timeliness, and performance standards identified in this NOFO or they will be rejected from consideration for funding:

(1) When considering renewal projects for award; HUD will review information in eLOCCS, APRs, and information provided from the local HUD CPD field office; including monitoring reports and audit reports as applicable, and performance standards on prior grants, and will assess projects using the following criteria on a pass/fail basis:

(a) whether the project applicant's performance met the plans and goals established in the initial application, or grant as amended;
(b) whether the project applicant demonstrated all timeliness standards for grants being renewed have been met, including those standards for the expenditure of grant funds;
(c) the project applicant's performance in assisting program participants to achieve and maintain self-sufficiency and independent living and records of success, except dedicated HMIS projects are not required to meet this standard; and
(d) evidence of unwillingness of project applicants to accept technical assistance, a history of inadequate financial accounting practices, indications of project mismanagement, a drastic reduction in the population served, program changes have been made without prior HUD approval, or the loss of project site control.

(2) HUD reserves the right to reduce or reject a project application submitted during the CoC Program Competition for the following reasons:

(a) outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed upon;
(b) audit finding(s) for which a response is overdue or unsatisfactory;
(c) history of inadequate financial management accounting practices;
(d) evidence of untimely expenditures on prior award;

(i) evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

I Certify that my RENEWAL project will pass quality threshold review to apply for HUD CoC funding under the above criteria:
