NEW PROJECTS

Hudson River Housing

Hillcrest Sober Housing

Project Description: Hudson River Housing's Transitional Housing at Hillcrest Sober Housing, a reallocated project aligned with HUD priorities, will provide 10 units of transitional housing for single adults who meet Categories 1, 2, or 4 of the HUD homeless definition and are committed to engaging in services that will lead to addiction recovery, increased self-sufficiency and discharge to appropriate permanent housing within two years.

Hudson River Housing

Bridges Transitional Housing

Project Description: Hudson River Housing's Bridges Transitional Housing program is a reallocated project to align with current HUD priorities. It will provide 10 units of transitional housing for families based in the city of Poughkeepsie.

Mental Health America of Dutchess County

MHA DC Transitional Housing

Project Description: Mental Health America of Dutchess County's Transitional Housing project is a reallocated project using partial funds from the existing shelter plus care program. This 10 unit project will serve individuals and families experiencing homelessness who have an identified disability and require supportive housing and services to achieve long-term housing stability. Eligible participants will be referred through the Dutchess County Coordinated Entry system and will receive transitional housing assistance for up to 24 months while working toward permanent housing placement and increased self-sufficiency.

HONORehg, Inc

Community Outreach and Housing Stability Program (COHSP)

Project Description: HONOR's Community Outreach and Housing Stability Program (COHSP) is a new SSO Street Outreach project for Dutchess County designed to strengthen the Dutchess County Continuum of Care's coordinated response to unsheltered homelessness by explaining field-based outreach, increasing housing navigation capacity, and improving access to permanent housing and community based supports.

People USA

BRIDGES

Project Description: People USA's BRIDGES is a reallocated Supportive Services Only (SSO) project designed to assist individuals and families experiencing homelessness in obtaining and maintaining permanent housing while increasing self-sufficiency and community stability. Without ongoing supportive services, these barriers can place households at increased risk of prolonged homelessness or a return to homelessness. This project will provide housing-focused case management, housing navigation, benefits assistance, service coordination, and connections to community resources that support long-term housing stability.

PEOPLE USA

Integrated Housing Progression Model (IHPM)
Project Description: People USA's Integrated Housing Progression Model (IHPM) is a new 12 unit Transitional Housing project designed to assist homeless individuals and families in obtaining permanent housing and achieving long-term housing stability and self-sufficiency. The project provides a structured housing progression model that combines transitional housing with intensive supportive services, allowing participants to stabilize, increase income, strengthen independent living skills, and successfully transition to permanent housing through coordinated housing and supportive services.

RENEWAL PROJECTS

CARES OF NY, INC.

Dutchess County Coordinated Entry Project
Grant Pin: NY1387
Project Description: CARES of NY, Inc. requests continued funding to support the Coordinated Entry (CE) program. Coordinated entry helps the CoC move toward the goal of ending homelessness by improving speed, accuracy, and consistency of the client screening and assessment process by targeting scarce resources more efficiently and accurately. Outreach for CE occurs at several levels within the community. Referrals are made via the Dutchess County Dept. of Community and Family Services and other community partners.
