4A. Attachments Screen For All Application Questions

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants; and
- Frequently Asked Questions

We have provided the following guidance to help you successfully upload attachments and get maximum points:

1.	You must include a Document Description for each attachment you upload; if you do not, the Submission Summary screen will display a red X indicating the submission is incomplete.
2.	You must upload an attachment for each document listed where 'Required?' is 'Yes'.
3.	We prefer that you use PDF files, though other file types are supported–please only use zip files if necessary. Converting electronic files to PDF, rather than printing documents and scanning them, often produces higher quality images. Many systems allow you to create PDF files as a Print option. If you are unfamiliar with this process, you should consult your IT Support or search for information on Google or YouTube.
4.	Attachments must match the questions they are associated with.
5.	Only upload documents responsive to the questions posed–including other material slows down the review process, which ultimately slows down the funding process.
6.	If you cannot read the attachment, it is likely we cannot read it either.
	. We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).
	. We must be able to read everything you want us to consider in any attachment.
7.	After you upload each attachment, use the Download feature to access and check the attachment to ensure it matches the required Document Type and to ensure it contains all pages you intend to include.
8.	Only use the 'Other' attachment option to meet an attachment requirement that is not otherwise listed in these detailed instructions.

SUPPORT SERVICES AGREEMENT

I agree to accept the following services from the agencies listed below at least as often and for as long as is stated:

1. _____
_____

2. _____
_____

3. _____
_____

I understand that CCC has agreed to provide me with housing assistance, and I agree to participate in the above noted individualized supportive service plan as a condition of my receipt of housing assistance. I further understand that the purpose of this program is to link housing assistance to supportive services for homeless persons and their families to achieve long-term housing stability. In recognizing the importance of receiving supportive services to achieve housing stability, I certify that the above individualized services plan was developed in a coordinated effort between myself and CCC. I understand that this agreement will be reviewed, and if necessary, revised no later than six months from the date it is signed, or sooner if there are serious changes in my health or support service's needs.

In consideration of the housing assistance and other services I will be receiving from CCC and other service providers, I agree to cooperate with such services providers and follow their recommendations. This includes receiving supportive services deemed appropriate for me by such services during the duration of my housing assistance. I understand that in the event I do not comply with the agreed upon service plan, my participation in the Gateways Transitional Housing program and continued housing assistance may be terminated.

OCCUPANCY AGREEMENT

As a program recipient in a Catholic Charities Chemung-Schuyler subsidized program, I _____ agree to comply with the following requirements:
Print name

1. _____ I agree to disclose all income to Catholic Charities staff. I understand that failure to report / submit income documentation as requested by Catholic Charities staff may result in a discharge from the program and termination of financial assistance. I understand that income documentation is reviewed/required every year at annual recertification. Failure to provide access to my annual income verification may jeopardize my rental stipend and support services.

2. _____ I agree to pay my portion of the occupancy charge/rent and utilities in full and on time each month to the landlord or Catholic Charities as determined upon admission.

3. _____ I agree that the apartment will be used only to live in as per requirements of the funding source. In order not to jeopardize my lease or funding, I agree that I will be the only one to occupy the space, unless another person is on the lease. I agree not to use the apartment to conduct illegal activity. I agree not to damage the apartment, the building, the grounds or the common areas or to interfere with the rights of other tenants.

4. _____ I agree to Apply for Section 8 rental assistance within six months of entering the program (for Rapid Re-Housing only). I will follow up on all correspondence and accept the Section 8 rental stipend when eligible.

5. _____ Except for emergencies, Catholic Charities staff will knock and receive permission prior to entering the apartment only during a reasonable hour and after advance notice.

6. _____ I agree to maintain a clean and orderly apartment in order to prevent eviction or an infestation. I agree to prevent bedbug/pest infestations by reporting any suspected bedbug/pest activity to staff immediately and follow their recommendations. If in need of assistance, I will allow Catholic Charities staff to enter my apartment to provide guidance to prevent future infestation and/or eviction.

7. _____ I am aware that it is highly recommended that while in this program I remain alcohol and substance abuse free. I understand that I may be required to participate in treatment as recommended by my treatment providers or DSS. I am aware that it is also highly recommended to refrain from possession or use of any synthetic drugs or use illegal drugs or take medication other than those that are prescribed for me.

8. _____ I agree to refrain from any illegal activities and any behavior that impacts the health, safety, and well being of myself and others. These actions can result in immediate discharge.

9. _____ I agree to have a minimum of one visit per month with my case manager. I understand that it is preferred that this visit take place in my home; however, it can take place via phone, telehealth or in the community if needed. I understand that my needs may change and additional visits and/or contacts may be necessary.

10. _____ No threats or violent acts will be committed either against myself, others, or against property. If so, I will be subject to immediate discharge.

Permanent Supportive Housing (PSH) & Rapid Re-Housing (RRH) Program Participation Agreement

The following is required for participation in the Program. Failure to comply with this Agreement may result in increased case management support, review of continued eligibility, corrective action, or termination of financial assistance in accordance with HUD requirements and agency policy.

Participant eligibility and progress will be reviewed at least every six (6) months. Continued participation is based on program eligibility, available funding, progress toward housing stability, and compliance with program requirements. Program assistance may continue for up to twenty-four (24) months, subject to HUD regulations and agency policy.

I _____agree to the following terms and conditions. I understand this program is voluntary.

I understand the maximum amount of time I may receive assistance from the program is 24 months.

I agree to provide all requested documentation, such as my lease, landlord information, financial information, releases to coordinate care, etc.

I agree to be honest and forthcoming regarding any income I receive. I will report any changes in income within 10 days.

I understand that my case manager is available to assist with the goals I choose. (ex. DSS assistance, Section 8 application process, disability process, education or employment goals) I agree to maintain regular contact with my assigned Case Manager and participate in meetings, home visits, and housing stabilization activities as determined by my individualized service plan and program requirements.

I understand that scheduled home visits may be conducted to provide supportive services, monitor housing stability, verify program eligibility, and comply with HUD program requirements.

I agree that I will not be permitted to move anyone into my apartment without approval from the landlord and my case manager. I will immediately report guests staying past 24 hours. I understand that any additional household members must comply with my lease agreement and may affect program eligibility or financial assistance.

I understand that I may be asked to sign releases of information necessary to verify eligibility, coordinate services, or assist with housing stability. I will be informed of the purpose of each release before signing.
Participant responsibilities

I agree to:

- Maintain my lease with my landlord.

- Pay my required portion of rent and utilities, if applicable.
- Notify the Agency of any notices from my landlord, including late rent notices, lease violations, or eviction proceedings.
- Report changes in income, employment, or household composition within ten (10) days.
- Maintain the housing unit in accordance with the terms of my lease and promptly report maintenance concerns to my landlord and Case Manager, as appropriate.

Participant rights

As a participant, I have the right to:

- Be treated with dignity and respect.
- Receive services free from discrimination.
- Participate in developing my housing stabilization plan.
- Request reasonable accommodations.
- File a grievance without retaliation.

Failure to comply with the requirements of this Program Agreement, including participation in required supportive services, may result in corrective action, review of continued eligibility, or termination of program assistance in accordance with HUD requirements and agency policies.

By signing below, I acknowledge that I have received, read, and understand this Agreement. I have had the opportunity to ask questions and agree to comply with the requirements of the Program.

Chances and Changes, Inc.
Transitional Housing Occupancy Agreement

This agreement does not create a landlord-tenant relationship. The Program Participant is granted a temporary, revocable license to occupy the unit as part of participation in the HUD Transitional Housing Program.

Occupancy is contingent upon active participation in program services and compliance with individualized service plans. The Program Provider retains the right of access and control over the unit as part of program operations. This agreement does not provide exclusive possession of the unit.

Participant Information
Participant(s): _____
Household Members: _____
Unit Address: _____
Occupancy Start Date: _____ Occupancy End Date: _____

Purpose
This Agreement establishes the terms and conditions under which Chances & Changes, Inc. permits the Participant to occupy a Transitional Housing unit. The purpose of the program is to provide temporary housing and supportive services while participants work toward obtaining and maintaining permanent housing.

Occupancy is contingent upon continued program eligibility and compliance with this Agreement, agency policies, and applicable laws.

Term of Occupancy
Occupancy begins on the date listed above and continues on a month-to-month basis while the Participant remains eligible for the Transitional Housing Program.
Occupancy may end due to:

- Successful completion of the program.
- Voluntary withdrawal from the program.
- Loss of program eligibility.
- Termination in accordance with agency policy and applicable law.

Occupancy

- Only individuals approved by Chances & Changes, Inc. may reside in the unit.
- Participants shall notify the agency before any changes in household composition.
- Participants are responsible for the conduct of all household members and guests.
- Participants shall notify the agency if they expect to be absent from the unit for more than seven (7) consecutive days.

Participant Responsibilities
Participants agree to:

- Maintain the unit in a clean, safe, and sanitary condition.
- Promptly report maintenance concerns or safety hazards.
- Avoid intentional or negligent damage to the property.
- Respect neighbors, staff, contractors, and visitors.
- Participate in required case management and housing stabilization services.
- Notify the agency of changes in income, employment, household composition, or contact information.
- Comply with all House Rules and agency policies.
- Comply with any applicable lease requirements imposed by the property owner.

Agency Responsibilities
Chances & Changes, Inc. agrees to:

- Administer the program in accordance with applicable HUD regulations and agency policies.
- Maintain participant confidentiality as required by law.
- Coordinate necessary repairs with the property owner.
- Provide supportive services and case management.
- Conduct required inspections and program reviews.
- Inform participants of their rights, grievance procedures, and available community resources.

Financial Responsibilities
Participants shall put utilities in their name and are responsible for timely payments.

All other utilities if desired shall be placed in the participants name and remain the responsibility of the participant.

The Participant remains responsible for any financial obligations not covered by program assistance, including damages beyond ordinary wear and tear.

Maintenance, Entry, and Inspections
Participants shall promptly report maintenance needs.
The agency, property owner, or their authorized representatives may enter the unit with reasonable notice to conduct:

- Repairs
- Maintenance
- Program inspections
- Annual inspections
- Required home visits

Immediate entry may occur without prior notice when necessary to address an emergency involving health or safety.

Visitors
Visitors are permitted provided they:

- Comply with House Rules.
- Do not disturb neighbors.
- Do not engage in illegal activity.
- Do not create safety concerns.

Unauthorized occupants are prohibited.

Safety
Participants agree to help maintain a safe living environment.

Threats, violence, illegal activity, intentional property damage, or conduct creating an immediate danger to others may result in immediate agency action consistent with agency policy and applicable law.

Ending Occupancy
Whenever appropriate, the agency will work with participants to resolve concerns before ending occupancy.
Occupancy may end due to:

- Successful completion of the program.
- Voluntary withdrawal.
- Loss of eligibility.
- Repeated or serious violations of this Agreement or House Rules.
- Health or safety concerns.
- Other reasons permitted by law or program requirements.

Participants will receive notice of agency decisions and information regarding available grievance or appeal procedures consistent with agency policy and applicable law.

Evidence of Coordination and Non-Interference with Local Efforts to Advance Protecting Public Safety

I am writing in support of the STEPS Continuum of Care (CoC), NY-501, and to affirm the CoC's ongoing coordination with local government, public safety agencies, first responders, and community partners serving individuals and families experiencing homelessness.

The STEPS CoC actively collaborates with local law enforcement, emergency medical services, behavioral health providers, healthcare systems, outreach teams, and other community stakeholders to address homelessness while advancing public safety objectives. Through coordinated partnerships, communication, referral processes, and participation in community planning efforts, the CoC assists first responders in connecting individuals experiencing homelessness to shelter, housing, treatment, and supportive services.

The CoC does not interfere with or impede local efforts to advance public safety or address homelessness in the community. The CoC supports collaborative approaches that help communities respond effectively to unsheltered homelessness, encampments, behavioral health crises, substance use disorders, and other challenges impacting vulnerable individuals and public spaces. The CoC's practices and governance structure promote cooperation among service providers, local governments, public safety agencies, and community organizations to improve outcomes for individuals experiencing homelessness while enhancing community safety and wellbeing.

Additionally, the CoC maintains a coordinated and person-centered response system that facilitates access to emergency shelter, permanent housing, healthcare, behavioral health services, and recovery supports. These efforts help ensure that first responders have viable service options available when assisting individuals experiencing homelessness and support coordinated community responses to complex needs.

Based on our experience working with the STEPS CoC, we affirm that the CoC is a valued partner in addressing homelessness and advancing public safety objectives through collaboration, communication, and coordinated service delivery.

1. Scoring tool CoC used in the NY-501 local competition to score new and renewal application and for all project application types.

(a) NY-501's Rank and Review Written Process

ELMIRA, STEUBEN, ALLEGANY, LIVINGSTON, CHEMUNG, SCHUYLER COUNTIES COC: 2026 RANK AND REVIEW PROCESS

Background

HUD's Continuum of Care (CoC) homeless assistance programs serve as a source of funding for homeless services in the City of Elmira, and Counties of Steuben, Allegany, Livingston, Chemung, and Schuyler, which together form NY-501. HUD awards homeless assistance grants through an annual application process known as the CoC Program Competition in response to the Notice of Funding Opportunity (NOFO).

For the CoC to prioritize programs which most effectively serve the community at the local level, the community has implemented a Rank and Review Process for renewal and new projects. This process helps the members of the CoC gain knowledge of project performance and effectiveness within the full CoC system.

Southern Tier Entry to Programs and Services (STEPS) has charged the Rank and Review Committee with overseeing the Rank and Review process. As described in the Continuum's bylaws, the Rank and Review Committee is responsible for "the design, operation, and following of a collaborative process for the development of funding applications, including funding priorities. Each year the Rank and Review Committee reviews the Rank and Review Process and Application and makes revisions to reflect changing priorities. The Rank and Review Committee is also responsible for establishing a Review Team. The Written Process, the Application and the Review Committee are submitted annually for approval by the Board. Once Board approved, the Written Process and Application are posted for review and comment by full Membership.

CoC Transparency

The CoC conducts the Rank and Review Process in a transparent manner to ensure fairness. Each year, the process is publicly announced by the CoC, shared in writing with the full CoC membership, and posted publicly on the CARES website for all community members to review and comment.

FY2026 Rank and Review Application

NY-501 emphasizes the importance and impact of using the Rank & Review Application as the primary basis for determining the Project Listing, submitted as part of the CoC Consolidated Application. The Rank and Review Application is thoughtfully revised each year to include both HUD and CoC standards, incorporating both national and local priorities, and balancing objective performance measures with subjective narrative description of project operations.

Review and Approval of the Rank & Review Renewal Application

After the annual CoC Consolidated Application is submitted to HUD by the Collaborative Applicant, the Rank and Review Committee:

1. Reviews the previous year's Rank & Review Application, Written Process, and feedback.
2. Considers information gained on behalf of the CoC over the past year and, if necessary, revises the application.
3. Suggests possible review team members, with consideration to previous reviewers and potential new members. The review team is then presented to the Board for approval.
4. Presents the application to the Board and membership for public comment.
5. Considers submitted comments for inclusion.
6. Rank and Review Committee shares the final application with Membership for projects to complete.

Renewal Projects: Each agency applying for a renewal project completes one Rank & Review Application per project. An application must include responses to all questions as well as required data and/or attachments from the most recent project application and Calendar Year Annual Performance Report (APR) in order to be considered complete. All completed applications will be shared with and reviewed by the Review Team.

The 2026 Rank and Review Renewal Application process will take place in two (2) parts. Parts 1 and 2 are distributed at the same time as one tool. The intention behind breaking down the Rank and Review process into 2 parts is to allow agencies adequate time to complete the full Rank and Review application.

Applications that are submitted after the deadline and/or submitted incomplete will automatically receive a 5-point deduction in their overall score.

* Please Note: Coordinated Entry, Planning, and HMIS projects are not required to fill out a renewal application. Projects that do not have one federal fiscal year's (Oct 1- Sept 30) worth of data are not required to submit a renewal application.

- **Part 1** focuses on project and system outcomes measured by data from the HMIS, using a project APR run by the HMIS Administrator (Catholic Charities) to "rate" projects. Agencies serving victims of domestic violence will provide the APR from the comparable database to the HMIS Administrator. The HMIS data used in Part 1 has been cleaned and reviewed for data quality errors when submitted to HUD for the Longitudinal Systems Analysis (LSA) report. The tool will indicate where agencies can find data for relevant questions. Agencies will also receive a data attachment to assist in completing their application. Data on this attachment will be based on FY25 LSAs submitted at the beginning of the year.
    - If errors are identified on the Data Attachment, the agency must contact CARES by the deadline noted when the data attachment is released. If the request is a calculation error,

CARES staff will correct the error and resubmit the Data Attachments for the agency's review. Note that the scores for part 1 are done by the agency completing the tool and verified by CARES staff.

- **Part 2** focuses on qualitative project and system outcome data, which allows the project to explain unique circumstances that may affect project performance. Part 2 includes narrative questions to further evaluate the efficacy of each renewal project. Questions are derived from Rank and Review Committee based on HUD and local priorities.

- **An optional Part 3 form** may be released following the release of the annual NOFO for the CoC to demonstrate the incorporation of HUD priorities into our annual Rank & Review process. If there are no significant HUD priorities identified or all major priorities are addressed in Part 1 and Part 2, this form will not be released.

Late submission, including incomplete submissions, of Rank & Review Applications will automatically have a 5-point penalty.

New Projects

New projects are created through bonus funds or reallocated funds. A separate RFP will be completed for new projects. If additional money becomes available through reallocation after the ranking process, the new project RFP will re-open for submission. RFPs submitted during the second application process will automatically be ranked below the round 1 projects in Tier 2, unless otherwise determined by the Board. New project applications will be integrated into the ranking according to project type and the PH-TH-SSO rotational sequence, then presented to the Board for approval. The community's goal is to apply for the maximum amount of available funds. The same appeals process that applies to Renewal applications applies to New/Bonus project applications.

In the event project applications initially receive the same score, it is the responsibility of the Review Team to reconsider scoring to break the tie. The Review Team also considers any submitted appeals (see **Appeals Process** outlined below) and provides any final comments to be shared with agencies. Final scores result in the project ranking.

Bonus Projects

Each year, HUD *may* offer bonus funding, and guidance is provided within the NOFO as to how the funds must be spent. Bonus projects compete nationally against other bonus projects. Bonus project proposals must fill an unmet need as noted within the CoC's Strategic Plan or locally determined priorities.

A new project application is required for bonus project proposals. The reviewers will score and rank the bonus projects; however, there are no interviews for bonus projects. Scores will be

determined by averaging the scores provided by all of the reviewers. Once ranked, the final ranking will be presented to the Board then CoC membership for approval. The community's goal is to apply for the maximum amount of available funds. The same appeals process that applies to renewal applications also applies to bonus project applications.

Reallocation

Reallocation is the process by which the CoC shifts funds, in whole or in part, from existing eligible renewal grants to create new projects that fill an unmet need within the community, such as balancing the types of projects available throughout the continuum. Reallocation is one of the most important tools by which communities can make strategic improvements to their homeless services system.

The CoC determines candidates for reallocation due to low performance or less needed projects as an important tool to make strategic improvements to the homeless system. The reallocation process is outlined in the Rank & Review Written Process, which is reviewed, updated, posted for public comment, and approved by the NOFO Committee and CoC Membership on an annual basis. The NOFO Committee and project review team flags projects that demonstrate inadequate financial management, a history of expending funds on ineligible activities, a history of returning funds that could have been utilized, ongoing poor project performance outcomes, and consistently low scores on the Rank & Review tool. From Rank & Review and monitoring, recommendations are made regarding reallocation to the Board. The Board makes the final decision to reallocate funding to create a new high performing project by reviewing the project's performance outcomes, populations served and the need for the project and shares its decision with CoC Membership. If a project is considered needed in the community (i.e. uniquely serves a hard-to-serve population), the Board works with the Planning Lead to provide TA to the agency to address underperformance. If it is decided reallocation would be a better use of CoC funds to best serve homeless clients, funding is made available through the new project Rank & Review process.

A new project application is required for projects being developed with reallocated funds, and the proposed projects must fill an unmet need. Applications for these projects are accepted while renewal applications are submitted for rank and review.

Project proposals developed with reallocated funds must fill an unmet need and submit a New/Bonus application. Reallocated and Bonus applications will be evaluated alongside Renewal Projects within a unified competitive ranking process. Each project will be scored using the appropriate tool and placed in the overall PH–TH–SSO rotational sequence. Reallocated projects will receive additional points to support HUD's intent to incentivize reallocation. The final ranking will be presented to the CoC board for approval. The CoC Board reserves the right to adjust the final ranking and tiering to meet community needs.

Review Team

Reviewers must be individuals from the community or neighboring communities who are knowledgeable about the CoC process, services, and its providers. Individuals on the Review Team must not be CoC-funded within NY-501. Review Team members are considered by the Rank and Review Committee and invited by the Collaborative Applicant (CARES) to participate. Suggested Review Team members are approved by the Rank & Review Committee and the NY-501 Board.

Each reviewer is provided with a copy of each project's full application and score forms to complete. Scores for each application are averaged between the Review Team member's scores to create the final score. These scores result in the project ranking. In the event project applications initially receive the same score, it is the responsibility of the Review Team to reconsider scoring to break the tie. The Review Team also considers any submitted appeals (see **Appeals Process** outlined below) and provides any final comments to be shared with agencies. Final scores result in the project ranking. The Review Team provides any final comments to be shared with projects or the Rank and Review committee.

Threshold Review

In order to ensure CoC projects are high performing, all project applications must also meet a minimum scoring threshold of 50% of total possible application points. The Threshold Review will be conducted by the Review Team after the Rank and Review process is complete and final project scores determined. If the pre-determined threshold is not met, the Review Team may recommend the Board consider reallocation or amendments to the project application/s with said agency.

Project Ranking

HUD requires that the CoC ranks projects into two tiers based on the funding allocation released in the NOFO. HUD also requires that the CoC conduct a transparent and objective process to review and rank all applications for renewal of existing projects and applications for new projects. Using a CoC-approved Rank and Review tool, all projects: Renewal, Reallocated, and Bonus, will be scored within a unified competitive ranking process, using tools with the same total possible points. After scoring, **starting with Renewals** projects will be grouped and ranked within their project type (PH, TH, SSO). These ranked lists will then be combined into the final ranking using a rotational sequence (PH - TH - SSO - Infrastructure). **With the exception that Renewal Projects without a year's worth of data, are ranked at the bottom of Tier 1.** Infrastructure grants- Coordinated Entry, HMIS, and DV Coordinated Entry projects will be placed into the overall ranking (in that order) according to the rotational sequence, following each PH, TH, and SSO grouping. All projects will receive their scores and will be offered the opportunity to debrief and review their project scores with the Collaborative Applicant. Projects will have the ability to submit an appeal within the allotted time frame regarding their score following their debriefing (See the **Appeals Process** outlined below). Following any debriefings and appeals, the project ranking is shared with the Rank and Review Committee. The Committee reviews the scoring in order to adopt the ranking. Projects projected to fall into Tier 2 are contacted and notified of their ranking and offered the opportunity to go over the project's scores (see Project Tiering section on page 5 for further information.) The ranking is presented to

the Board for review and final approval. The ranking is then shared with Membership. If the Board determines that changes to project ranking should be made on behalf of the CoC, the Board must make those determinations unanimously and have approval from all agencies whose ranking may be impacted by the changes.

Project Tiering

HUD requires that the CoC ranks projects into two tiers based on the funding allocation released in the NOFO. Tiering prioritizes projects for funding. Tier 1 is considered "safe" for continued funding and HUD specifies the percentage of the ARD amount that will make up Tier 1 each year when the NOFO is released. Tier 2 is the percentage of CoC funding that is at risk each year, per HUD's announcement in the NOFO. Being in Tier 2 does not guarantee that funding will be lost, but it does place projects at risk if the CoC is low performing in the national competition.

Higher ranked projects will be assigned to Tier 1 and lower ranked projects will be assigned to Tier 2. The purpose of this two-tiered approach is for CoCs to indicate which projects are prioritized for funding. The Collaborative Applicant uses the project ranking to tier the projects and presents the tiering to the Rank and Review Committee. Reallocation, new projects, and other CoC priorities are considered through CoC discussions. Tiering results are then presented to the Board for a vote and then shared with membership. When the NOFO is released, priorities outlined in the application may be strategically applied by the CoC to project tiering. Final tiering results are presented to the Board for approval and membership is informed of the results.

Debriefings

Renewal projects will receive a completed scorecard from the Collaborative Applicant and will have an opportunity to request a debriefing of their scores with the Collaborative Applicant.

Appeal Process

1. **Who May Appeal?**
   An agency may appeal a decision concerning a project application submitted by that agency. If a project was submitted by a collaboration of agencies, only one joint appeal may be made.

2. **What May Be Appealed?**
   An appeal may not be submitted if the basis of the appeal is one of the following: the applicant did not answer all the questions on the application, the applicant did not submit the application with all required attachments, or the applicant did not submit by the required deadline. The appeals process applies only to project scoring and ranking. There is no appeal for project tiering. If a mathematical error is found by the project, the error can be corrected and notice of the correction will be provided to the Rank and Review Committee and the Board.

3. **Timing of an Appeal**

   Formal appeals can only be submitted by a project **5 business days** after a debriefing has been completed. Appeals must be submitted in writing to the Collaborative Applicant who will forward them on to the Review Team. The written appeal must consist of a short statement, no longer than 1 page, of the agency's appeal. The written appeal can be in the form of a letter, memo or email. Any appeal via email must be sent to the Collaborative Applicant, CARES of NY, (agraves@caresny.org) and cc the NY-501 Rank and Review Committee chair.

4. **Appeals Decisions**

   The Review Team also serves as the Appeal Team. Appeals are decided by majority vote of the Appeal Team. Once decided, all appeals are final and may not be overturned by the Rank and Review Committee, Board or Membership.

PROJECT DESCRIPTION

Please provide a brief project overview.

Please include:

- The target population/s and number of participants served
- Number of contracted beds/units/vouchers
- Project goals and achievements

Please explain:

- The primary services provided to participants and how this will remove barriers to stable housing and increase participant self sufficiency
- Supplementary services available to participants and how this will remove barriers to stable housing and increase participant self sufficiency
- How you formulate an individualized service plan for each participant and how you effectively communicate the need for participants to engage in supportive services
- How your project coordinates services with other funded and non-funded providers to leverage services (if applicable.).

20. Cooperation with Local Law Enforcement/ First Responders **Max 5 Pts**

How does your agency cooperate with local law enforcement and first responders to help reduce encampments and enhance public safety?

21. System Performance- Housing Stability & Reducing Returns to Homelessness

Max 5 points

What strategies does your program use to ensure clients who exit to a permanent housing destination remain stably housed? (250 words or less)

- Up to 2.5 points awarded if the narrative clearly states the strategy your program uses.
- Up to 2.5 points awarded if the narrative clearly state(s) examples.

22. Connection to Services **Max 5 Pts.**

Describe how your project identifies individuals experiencing serious mental illness and connects them with the services necessary to promote stability.

Partnerships with programs such as Assertive Community Treatment Teams or other models that combine intensive care coordination, assertive outreach and comprehensive treatment are highly encouraged.

23. Substance Abuse Service Connections **Max 5 Pts.**

Does your project currently partner with Drug Court or other specialty courts serving individuals with mental and substance use disorders? Please describe how your project coordinates with these providers to support stability and movement towards independence, including leveraging court orders.

24. Supporting Self-Sufficiency **Max 10 Pts**

One of the goals of CoC-funded programs is to provide services that result in self-sufficiency and independence of participants to the extent possible. Provide specific examples of accomplishments offered through your program that demonstrate participants' ability to live more independently. Examples will vary by program (i.e. housing stability, attaining or sustaining mainstream benefits, connecting participants to health, behavioral health or substance use disorder treatment, etc.).

25. Dedicated Domestic Violence Projects *Only*- Positive Outcomes/Safety **Max 5 Pts**

Outcomes considered positive for DV programs may not be the same as positive outcomes for Permanent Supportive Housing programs. How does your agency contribute to housing stability and ensure safety for survivors of domestic violence across the CoC?

- Up to 2.5 points awarded if the narrative clearly describes positive outcomes through the DV provider lens.
- Up to 2.5 points awarded if the narrative clearly describes how the agency contributed to positive housing stability and ensure safety for survivors of domestic violence across the CoC.

26. Dedicated Youth Projects *Only*- Positive Outcomes **Max 5 Pts**

Outcomes considered positive for youth programs may not be the same as positive outcomes for Permanent Supportive Housing programs. How does your agency contribute to housing stability across the CoC?

- Up to 2.5 points awarded if the narrative clearly describes positive outcomes through the Youth provider lens.
- Up to 2.5 points awarded if the narrative clearly describes how the agency contributed to positive housing stability across the CoC.

FY26 Continuum of Care Competition – Rank & Review Certification
Project Threshold Review

Instructions:

All agencies applying for CoC funding must review and sign off on the below Project Eligibility Threshold, Project Quality Threshold (broken down by New Projects and Renewal Projects), and Post Award Requirements as part of the Rank & Review process. Please return to CARES with your Rank & Review applications.

Project Eligibility Threshold (pg. 59-61 of the FY26 CoC NOFO)

Applicants who fail to meet the following threshold eligibility requirements are ineligible to apply for funds during this competition. Please review the following requirements and sign off at the end of the document to verify your project eligibility.

(1) Project applicants and potential subrecipients must meet the eligibility requirements of the CoC Program as described in the Act and the Rule and provide evidence of eligibility required in the application (e.g., nonprofit documentation).

(2) Project applicants and subrecipients must demonstrate the financial and management capacity and experience to carry out the project as detailed in the project application and the capacity to administer federal funds. Demonstrating capacity may include a description of the applicant and subrecipient experience with similar projects and with successful administration of SHP, S+C, or CoC Program funds or other federal, state, local, or private resources.

(3) Project applicants must submit the required certifications specified in this NOFO.

(4) The population to be served must meet program eligibility requirements as described in the Act, the Rule, and section III.G.10 of this NOFO.

(5) Project applicants, except Collaborative Applicants that only receive awards for CoC Planning costs and, if applicable, UFA Costs, must agree to participate in a local HMIS system. However, in accordance with Section 407 of the Act, any victim service provider that is a recipient or subrecipient must not disclose, for purposes of HMIS, any personally identifying information about any client. Victim service providers must use a comparable database that meets the needs of the local HMIS.

(6) Project applicants must certify affirmatively to the following:

- The project applicant will not engage in racial preferences or other forms of illegal discrimination.
- The project applicant will not operate drug injection sites or "safe consumption sites," knowingly distribute drug paraphernalia on or off of property under their control, permit the use or distribution of illicit drugs on property under their control, or conduct any of these activities under the pretext of "harm reduction."

I Certify that my project is eligible to apply for HUD CoC funding under the above criteria:

NEW Projects: Project Quality Threshold (pg. 62 of the NOFO):

Please note: New Project Applications need to meet additional criteria to be eligible. Please see pg. 59-62 of the FY26 CoC NOFO.

HUD will review all new project applications to determine if they meet the following project quality threshold requirements HUD will not award funds to a new project unless the project was created through reallocation, or the CoC has demonstrated to HUD's satisfaction that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance.

(1) HUD will consider any project requesting renewal funding, including renewing YHDP and renewing Special NOFO projects, as having met project quality threshold requirements through its previously approved grant application unless HUD receives information to the contrary or if the renewal project has compliance issues which results in the project not operating in accordance with the Rule.

(2) HUD will consider YHDP Replacement project applications including applications for new YHDP projects created through YHDP reallocation as having met project quality threshold requirements if the project application activities and costs are eligible under this NOFO. If a YHDP Replacement (including YHDP Reallocation) project application is not for activities and costs that are eligible under this NOFO, HUD will not reject the project under this project quality threshold, but HUD will require the project applicant to correct or revise information submitted after the final CoC Program award announcement but before executing the grant agreement.

(3) HUD will review the UFA Costs submitted by the UFA designated Collaborative Applicant to ensure appropriate match and eligibility of costs requested.

(4) HUD will assess all new project applications for the following minimum project eligibility, capacity, timeliness, and performance standards.

> **(a)** project applicants must have satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project;
> **(b)** for expansion project applications, project applicants must describe the part of the project that is being expanded and demonstrate the project is not replacing other funding sources; and
> **(c)** project applicants must demonstrate their ability to meet all timeliness standards per 24 CFR 578.85. HUD reserves the right to deny a funding request for a new project, if the request is made by an existing recipient that HUD finds to have significant issues related to capacity, performance, unresolved audit, or monitoring findings related to one or more existing grants; or does not routinely draw down funds from eLOCCS at least once per quarter. HUD also reserves the right to withdraw funds if no APR is submitted on the prior grant.

(5) HUD reserves the right to verify past performance and evaluate the eligibility of a project application submitted during the CoC Program Competition for the following reasons:

> **(a)** evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
> **(b)** evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or

distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

(6) Additionally, for HUD to consider new projects as meeting project quality threshold, each new project must meet the following criteria as applicable. If awarded, a recipient must meet all the criteria listed in the criteria column for its component.

I Certify that my NEW project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

RENEWAL Projects: Project Renewal Threshold (pg. 61-62):

CoCs must consider the need to continue funding for projects expiring in CY 2026 (January 1, 2026 to December 31, 2026) when applying for FY 2026 CoC and YHDP funding. Renewal projects must meet the minimum project eligibility, capacity, timeliness, and performance standards identified in this NOFO or they will be rejected from consideration for funding:

(1) When considering renewal projects for award; HUD will review information in eLOCCS, APRs, and information provided from the local HUD CPD field office; including monitoring reports and audit reports as applicable, and performance standards on prior grants, and will assess projects using the following criteria on a pass/fail basis:

(a) whether the project applicant's performance met the plans and goals established in the initial application, or grant as amended;
(b) whether the project applicant demonstrated all timeliness standards for grants being renewed have been met, including those standards for the expenditure of grant funds;
(c) the project applicant's performance in assisting program participants to achieve and maintain self-sufficiency and independent living and records of success, except dedicated HMIS projects are not required to meet this standard; and
(d) evidence of unwillingness of project applicants to accept technical assistance, a history of inadequate financial accounting practices, indications of project mismanagement, a drastic reduction in the population served, program changes have been made without prior HUD approval, or the loss of project site control.

(2) HUD reserves the right to reduce or reject a project application submitted during the CoC Program Competition for the following reasons:

(a) outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed upon;
(b) audit finding(s) for which a response is overdue or unsatisfactory;
(c) history of inadequate financial management accounting practices;
(d) evidence of untimely expenditures on prior award;
(e) history of other major capacity issues that have significantly affected the operation of the project and its performance;
(f) history of not reimbursing subrecipients for eligible costs in a timely manner, or at least quarterly; and
(g) history of serving ineligible program participants, expending funds on ineligible costs, or failing to expend funds within statutorily established timeframes.
(h) evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
(i) evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

I Certify that my RENEWAL project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

FY26 Continuum of Care Competition – Rank & Review Certification
Project Threshold Review

Instructions:

All agencies applying for CoC funding must review and sign off on the below Project Eligibility Threshold, Project Quality Threshold (broken down by New Projects and Renewal Projects), and Post Award Requirements as part of the Rank & Review process. Please return to CARES with your Rank & Review applications.

Project Eligibility Threshold (pg. 59-61 of the FY26 CoC NOFO)

Applicants who fail to meet the following threshold eligibility requirements are ineligible to apply for funds during this competition. Please review the following requirements and sign off at the end of the document to verify your project eligibility.

(1) Project applicants and potential subrecipients must meet the eligibility requirements of the CoC Program as described in the Act and the Rule and provide evidence of eligibility required in the application (e.g., nonprofit documentation).

(2) Project applicants and subrecipients must demonstrate the financial and management capacity and experience to carry out the project as detailed in the project application and the capacity to administer federal funds. Demonstrating capacity may include a description of the applicant and subrecipient experience with similar projects and with successful administration of SHP, S+C, or CoC Program funds or other federal, state, local, or private resources.

(3) Project applicants must submit the required certifications specified in this NOFO.

(4) The population to be served must meet program eligibility requirements as described in the Act, the Rule, and section III.G.10 of this NOFO.

(5) Project applicants, except Collaborative Applicants that only receive awards for CoC Planning costs and, if applicable, UFA Costs, must agree to participate in a local HMIS system. However, in accordance with Section 407 of the Act, any victim service provider that is a recipient or subrecipient must not disclose, for purposes of HMIS, any personally identifying information about any client. Victim service providers must use a comparable database that meets the needs of the local HMIS.

(6) Project applicants must certify affirmatively to the following:

- The project applicant will not engage in racial preferences or other forms of illegal discrimination.
- The project applicant will not operate drug injection sites or "safe consumption sites," knowingly distribute drug paraphernalia on or off of property under their control, permit the use or distribution of illicit drugs on property under their control, or conduct any of these activities under the pretext of "harm reduction."

I Certify that my project is eligible to apply for HUD CoC funding under the above criteria:

NEW Projects: Project Quality Threshold (pg. 62 of the NOFO):

Please note: New Project Applications need to meet additional criteria to be eligible. Please see pg. 59-62 of the FY26 CoC NOFO.

HUD will review all new project applications to determine if they meet the following project quality threshold requirements HUD will not award funds to a new project unless the project was created through reallocation, or the CoC has demonstrated to HUD's satisfaction that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance.

(1) HUD will consider any project requesting renewal funding, including renewing YHDP and renewing Special NOFO projects, as having met project quality threshold requirements through its previously approved grant application unless HUD receives information to the contrary or if the renewal project has compliance issues which results in the project not operating in accordance with the Rule.

(2) HUD will consider YHDP Replacement project applications including applications for new YHDP projects created through YHDP reallocation as having met project quality threshold requirements if the project application activities and costs are eligible under this NOFO. If a YHDP Replacement (including YHDP Reallocation) project application is not for activities and costs that are eligible under this NOFO, HUD will not reject the project under this project quality threshold, but HUD will require the project applicant to correct or revise information submitted after the final CoC Program award announcement but before executing the grant agreement.

(3) HUD will review the UFA Costs submitted by the UFA designated Collaborative Applicant to ensure appropriate match and eligibility of costs requested.

(4) HUD will assess all new project applications for the following minimum project eligibility, capacity, timeliness, and performance standards.

(a) project applicants must have satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project;
(b) for expansion project applications, project applicants must describe the part of the project that is being expanded and demonstrate the project is not replacing other funding sources; and
(c) project applicants must demonstrate their ability to meet all timeliness standards per 24 CFR 578.85. HUD reserves the right to deny a funding request for a new project, if the request is made by an existing recipient that HUD finds to have significant issues related to capacity, performance, unresolved audit, or monitoring findings related to one or more existing grants; or does not routinely draw down funds from eLOCCS at least once per quarter. HUD also reserves the right to withdraw funds if no APR is submitted on the prior grant.

(5) HUD reserves the right to verify past performance and evaluate the eligibility of a project application submitted during the CoC Program Competition for the following reasons:

(a) evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
(b) evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or

distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

(6) Additionally, for HUD to consider new projects as meeting project quality threshold, each new project must meet the following criteria as applicable. If awarded, a recipient must meet all the criteria listed in the criteria column for its component.

I Certify that my NEW project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

RENEWAL Projects: Project Renewal Threshold (pg. 61-62): CoCs must consider the need to continue funding for projects expiring in CY 2026 (January 1, 2026 to December 31, 2026) when applying for FY 2026 CoC and YHDP funding. Renewal projects must meet the minimum project eligibility, capacity, timeliness, and performance standards identified in this NOFO or they will be rejected from consideration for funding:

(1) When considering renewal projects for award; HUD will review information in eLOCCS, APRs, and information provided from the local HUD CPD field office; including monitoring reports and audit reports as applicable, and performance standards on prior grants, and will assess projects using the following criteria on a pass/fail basis:

(a) whether the project applicant's performance met the plans and goals established in the initial application, or grant as amended;
(b) whether the project applicant demonstrated all timeliness standards for grants being renewed have been met, including those standards for the expenditure of grant funds;
(c) the project applicant's performance in assisting program participants to achieve and maintain self-sufficiency and independent living and records of success, except dedicated HMIS projects are not required to meet this standard; and
(d) evidence of unwillingness of project applicants to accept technical assistance, a history of inadequate financial accounting practices, indications of project mismanagement, a drastic reduction in the population served, program changes have been made without prior HUD approval, or the loss of project site control.

(2) HUD reserves the right to reduce or reject a project application submitted during the CoC Program Competition for the following reasons:

(a) outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed upon;
(b) audit finding(s) for which a response is overdue or unsatisfactory;
(c) history of inadequate financial management accounting practices;
(d) evidence of untimely expenditures on prior award;
(e) history of other major capacity issues that have significantly affected the operation of the project and its performance;
(f) history of not reimbursing subrecipients for eligible costs in a timely manner, or at least quarterly; and
(g) history of serving ineligible program participants, expending funds on ineligible costs, or failing to expend funds within statutorily established timeframes.
(h) evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
(i) evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

In addition:

1. Awards made under this NOFO will not be used to conduct activities that subsidize or facilitate racial preferences or other forms of illegal discrimination, including activities where race or intentional proxies for race will be used as a selection criterion for employment or program participation; or conduct activities that rely on or otherwise use a definition of sex as other than binary in humans 14332 (Improving Oversight of Federal Grantmaking).
2. Awards made under this NOFO will not be used to fund, promote, encourage, subsidize or facilitate the use of illicit drugs.
3. Awards made under this NOFO will not be used to fund any project, service provider, or organization that operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction." 14321 (Ending Crime and Disorder on America's Streets).
4. All agreements or contracts made with subrecipients under this NOFO must contain the identical terms and conditions as those in the grant agreement issued by HUD.

Any additional or conflicting terms and conditions must be approved by HUD.

I certify that if my project is awarded funding in the FY26 CoC NOFO Competition, I will comply with all of the above per the CoC Application requirements:

FY26 Continuum of Care Competition – Rank & Review Certification
Project Threshold Review

Instructions:

All agencies applying for CoC funding must review and sign off on the below Project Eligibility Threshold, Project Quality Threshold (broken down by New Projects and Renewal Projects), and Post Award Requirements as part of the Rank & Review process. Please return to CARES with your Rank & Review applications.

Project Eligibility Threshold (pg. 59-61 of the FY26 COC NOFO)

Applicants who fail to meet the following threshold eligibility requirements are ineligible to apply for funds during this competition. Please review the following requirements and sign off at the end of the document to verify your project eligibility.

(1) Project applicants and potential subrecipients must meet the eligibility requirements of the CoC Program as described in the Act and the Rule and provide evidence of eligibility required in the application (e.g., nonprofit documentation).

(2) Project applicants and subrecipients must demonstrate the financial and management capacity and experience to carry out the project as detailed in the project application and the capacity to administer federal funds. Demonstrating capacity may include a description of the applicant and subrecipient experience with similar projects and with successful administration of SHP, S+C, or CoC Program funds or other federal, state, local, or private resources.

(3) Project applicants must submit the required certifications specified in this NOFO.

(4) The population to be served must meet program eligibility requirements as described in the Act, the Rule, and section III.G.10 of this NOFO.

(5) Project applicants, except Collaborative Applicants that only receive awards for CoC Planning costs and, if applicable, UFA Costs, must agree to participate in a local HMIS system. However, in accordance with Section 407 of the Act, any victim service provider that is a recipient or subrecipient must not disclose, for purposes of HMIS, any personally identifying information about any client. Victim service providers must use a comparable database that meets the needs of the local HMIS.

(6) Project applicants must certify affirmatively to the following:

- The project applicant will not engage in racial preferences or other forms of illegal discrimination.
- The project applicant will not operate drug injection sites or "safe consumption sites," knowingly distribute drug paraphernalia on or off of property under their control, permit the use or distribution of illicit drugs on property under their control, or conduct any of these activities under the pretext of "harm reduction."

I Certify that my project is eligible to apply for HUD CoC funding under the above criteria:

Signature of applicant: _____

NEW Projects: Project Quality Threshold (pg. 62 of the NOFO):

Please note: New Project Applications need to meet additional criteria to be eligible. Please see pg. 59-62 of the FY26 CoC NOFO.

HUD will review all new project applications to determine if they meet the following project quality threshold requirements HUD will not award funds to a new project unless the project was created through reallocation, or the CoC has demonstrated to HUD's satisfaction that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance.

(1) HUD will consider any project requesting renewal funding, including renewing YHDP and renewing Special NOFO projects, as having met project quality threshold requirements through its previously approved grant application unless HUD receives information to the contrary or if the renewal project has compliance issues which results in the project not operating in accordance with the Rule.

(2) HUD will consider YHDP Replacement project applications including applications for new YHDP projects created through YHDP reallocation as having met project quality threshold requirements if the project application activities and costs are eligible under this NOFO. If a YHDP Replacement (including YHDP Reallocation) project application is not for activities and costs that are eligible under this NOFO, HUD will not reject the project under this project quality threshold, but HUD will require the project applicant to correct or revise information submitted after the final CoC Program award announcement but before executing the grant agreement.

(3) HUD will review the UFA Costs submitted by the UFA designated Collaborative Applicant to ensure appropriate match and eligibility of costs requested.

(4) HUD will assess all new project applications for the following minimum project eligibility, capacity, timeliness, and performance standards.

(a) project applicants must have satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project;
(b) for expansion project applications, project applicants must describe the part of the project that is being expanded and demonstrate the project is not replacing other funding sources; and
(c) project applicants must demonstrate their ability to meet all timeliness standards per 24 CFR 578.85. HUD reserves the right to deny a funding request for a new project, if the request is made by an existing recipient that HUD finds to have significant issues related to capacity, performance, unresolved audit, or monitoring findings related to one or more existing grants; or does not routinely draw down funds from eLOCCS at least once per quarter. HUD also reserves the right to withdraw funds if no APR is submitted on the prior grant.

(5) HUD reserves the right to verify past performance and evaluate the eligibility of a project application submitted during the CoC Program Competition for the following reasons:

(a) evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
(b) evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or

distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

(6) Additionally, for HUD to consider new projects as meeting project quality threshold, each new project must meet the following criteria as applicable. If awarded, a recipient must meet all the criteria listed in the criteria column for its component.

I Certify that my NEW project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

Project Threshold Review

RENEWAL Projects: Project Renewal Threshold (pg. 61-62):

CoCs must consider the need to continue funding for projects expiring in CY 2026 (January 1, 2026 to December 31, 2026) when applying for FY 2026 CoC and YHDP funding. Renewal projects must meet the minimum project eligibility, capacity, timeliness, and performance standards identified in this NOFO or they will be rejected from consideration for funding:

(1) When considering renewal projects for award; HUD will review information in eLOCCS, APRs, and information provided from the local HUD CPD field office; including monitoring reports and audit reports as applicable, and performance standards on prior grants, and will assess projects using the following criteria on a pass/fail basis:

(a) whether the project applicant's performance met the plans and goals established in the initial application, or grant as amended;
(b) whether the project applicant demonstrated all timeliness standards for grants being renewed have been met, including those standards for the expenditure of grant funds;
(c) the project applicant's performance in assisting program participants to achieve and maintain self-sufficiency and independent living and records of success, except dedicated HMIS projects are not required to meet this standard; and
(d) evidence of unwillingness of project applicants to accept technical assistance, a history of inadequate financial accounting practices, indications of project mismanagement, a drastic reduction in the population served, program changes have been made without prior HUD approval, or the loss of project site control.

(2) HUD reserves the right to reduce or reject a project application submitted during the CoC Program Competition for the following reasons:

(a) outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed upon;
(b) audit finding(s) for which a response is overdue or unsatisfactory;
(c) history of inadequate financial management accounting practices;
(d) evidence of untimely expenditures on prior award;
(e) history of other major capacity issues that have significantly affected the operation of the project and its performance;
(f) history of not reimbursing subrecipients for eligible costs in a timely manner, or at least quarterly; and
(g) history of serving ineligible program participants, expending funds on ineligible costs, or failing to expend funds within statutorily established timeframes.
(h) evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
(i) evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

I Certify that my RENEWAL project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

16. Applicable Violence Against Women Act requirements in the Housing Chapter of VAWA (34 USC § 12491-12496) 24 CFR part 5, subpart L, and program-specific regulations.
17. Conducting Business in Accordance with Ethical Standards/Code of Conduct, including 2 CFR 200.317, 2 CFR 200.318(c) and other applicable conflicts of interest requirements
18. Build America, Buy America (BABA) Act procurement purchase requirements
20. Environmental requirements that apply in accordance with 24 CFR part 50 or part 58
22. Unless prohibited by law and to the extent permitted under the Freedom of Information Act (FOIA), your application and post-award content may be released to the public in response to FOIA requests, except to the extent that certain information may be withheld under a FOIA exemption (5 USC § 552(b); 24 CFR 15.107(b)). HUD may also share your information within HUD or with other Federal agencies if HUD determines that sharing is relevant to the respective program's objectives.
23. Waste, Fraud, Abuse, and Whistleblower Protections. 41 USC § 4712, which includes informing your employees in writing of their rights and remedies, in the predominant native language of the workforce.

Under 41 U.S.C. § 4712, employees of a contractor, subcontractor, grantee, subgrantee, and personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant. (See Federal Contractor or Grantee Protections | Office of Inspector General, Department of Housing and Urban Development (hudoig.gov))

24. Implementing Presidential Executive Actions affecting federal financial assistance programs, as advised by the Department, unless otherwise restricted by law: Executive Order (EO) 14219 (Ensuring Lawful Governance and Implementing the President's "Department of Government Efficiency" Deregulatory Initiative); 14218 (Ending Taxpayer Subsidization of Open Borders); guidance resulting from the White House Task Force established by 14202 (Eradicating Anti-Christian Bias) and the Senior Advisor to the White House Faith Office assigned by 14205 (Establishment of the White House Faith Office); 14182 (Enforcing the Hyde Amendment); 14173 (Ending Illegal Discrimination and Restoring Merit-Based Opportunity); 14168 (Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government); 14151 (Ending Radical and Wasteful Government DEI Programs and Preferencing); and 14148 (Initial Rescissions of HarmfulExecutive Orders and Actions)

In addition:

1. Awards made under this NOFO will not be used to conduct activities that subsidize or facilitate racial preferences or other forms of illegal discrimination, including activities where race or intentional proxies for race will be used as a selection criterion for employment or program participation; or conduct activities that rely on or otherwise use a definition of sex as other than binary in humans 14332 (Improving Oversight of Federal Grantmaking).
2. Awards made under this NOFO will not be used to fund, promote, encourage, subsidize or facilitate the use of illicit drugs.
3. Awards made under this NOFO will not be used to fund any project, service provider, or organization that operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction." 14321 (Ending Crime and Disorder on America's Streets).
4. All agreements or contracts made with subrecipients under this NOFO must contain the identical terms and conditions as those in the grant agreement issued by HUD.

Any additional or conflicting terms and conditions must be approved by HUD.

I certify that if my project is awarded funding in the FY26 CoC NOFO Competition, I will comply with all of the above per the CoC Application requirements:

FY26 Continuum of Care Competition – Rank & Review Certification
Project Threshold Review

Instructions:

All agencies applying for CoC funding must review and sign off on the below Project Eligibility Threshold, Project Quality Threshold (broken down by New Projects and Renewal Projects), and Post Award Requirements as part of the Rank & Review process. Please return to CARES with your Rank & Review applications.

Project Eligibility Threshold (pg. 59-61 of the FY26 CoC NOFO)

Applicants who fail to meet the following threshold eligibility requirements are ineligible to apply for funds during this competition. Please review the following requirements and sign off at the end of the document to verify your project eligibility.

(1) Project applicants and potential subrecipients must meet the eligibility requirements of the CoC Program as described in the Act and the Rule and provide evidence of eligibility required in the application (e.g., nonprofit documentation).

(2) Project applicants and subrecipients must demonstrate the financial and management capacity and experience to carry out the project as detailed in the project application and the capacity to administer federal funds. Demonstrating capacity may include a description of the applicant and subrecipient experience with similar projects and with successful administration of SHP, S+C, or CoC Program funds or other federal, state, local, or private resources.

(3) Project applicants must submit the required certifications specified in this NOFO.

(4) The population to be served must meet program eligibility requirements as described in the Act, the Rule, and section III.G.10 of this NOFO.

(5) Project applicants, except Collaborative Applicants that only receive awards for CoC Planning costs and, if applicable, UFA Costs, must agree to participate in a local HMIS system. However, in accordance with Section 407 of the Act, any victim service provider that is a recipient or subrecipient must not disclose, for purposes of HMIS, any personally identifying information about any client. Victim service providers must use a comparable database that meets the needs of the local HMIS.

(6) Project applicants must certify affirmatively to the following:

- The project applicant will not engage in racial preferences or other forms of illegal discrimination.
- The project applicant will not operate drug injection sites or "safe consumption sites," knowingly distribute drug paraphernalia on or off of property under their control, permit the use or distribution of illicit drugs on property under their control, or conduct any of these activities under the pretext of "harm reduction."

I Certify that my project is eligible to apply for HUD CoC funding under the above criteria:

Signature of applicant: _____

NEW Projects: Project Quality Threshold (pg. 62 of the NOFO):

Please note: New Project Applications need to meet additional criteria to be eligible. Please see pg. 59-62 of the FY26 CoC NOFO.

HUD will review all new project applications to determine if they meet the following project quality threshold requirements HUD will not award funds to a new project unless the project was created through reallocation, or the CoC has demonstrated to HUD's satisfaction that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance.

(1) HUD will consider any project requesting renewal funding, including renewing YHDP and renewing Special NOFO projects, as having met project quality threshold requirements through its previously approved grant application unless HUD receives information to the contrary or if the renewal project has compliance issues which results in the project not operating in accordance with the Rule.

(2) HUD will consider YHDP Replacement project applications including applications for new YHDP projects created through YHDP reallocation as having met project quality threshold requirements if the project application activities and costs are eligible under this NOFO. If a YHDP Replacement (including YHDP Reallocation) project application is not for activities and costs that are eligible under this NOFO, HUD will not reject the project under this project quality threshold, but HUD will require the project applicant to correct or revise information submitted after the final CoC Program award announcement but before executing the grant agreement.

(3) HUD will review the UFA Costs submitted by the UFA designated Collaborative Applicant to ensure appropriate match and eligibility of costs requested.

(4) HUD will assess all new project applications for the following minimum project eligibility, capacity, timeliness, and performance standards.

> **(a)** project applicants must have satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project;
> **(b)** for expansion project applications, project applicants must describe the part of the project that is being expanded and demonstrate the project is not replacing other funding sources; and
> **(c)** project applicants must demonstrate their ability to meet all timeliness standards per 24 CFR 578.85. HUD reserves the right to deny a funding request for a new project, if the request is made by an existing recipient that HUD finds to have significant issues related to capacity, performance, unresolved audit, or monitoring findings related to one or more existing grants; or does not routinely draw down funds from eLOCCS at least once per quarter. HUD also reserves the right to withdraw funds if no APR is submitted on the prior grant.

(5) HUD reserves the right to verify past performance and evaluate the eligibility of a project application submitted during the CoC Program Competition for the following reasons:

> **(a)** evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
> **(b)** evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or

distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

(6) Additionally, for HUD to consider new projects as meeting project quality threshold, each new project must meet the following criteria as applicable. If awarded, a recipient must meet all the criteria listed in the criteria column for its component.

I Certify that my NEW project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

RENEWAL Projects: Project Renewal Threshold (pg. 61-62):

CoCs must consider the need to continue funding for projects expiring in CY 2026 (January 1, 2026 to December 31, 2026) when applying for FY 2026 CoC and YHDP funding. Renewal projects must meet the minimum project eligibility, capacity, timeliness, and performance standards identified in this NOFO or they will be rejected from consideration for funding:

(1) When considering renewal projects for award; HUD will review information in eLOCCS, APRs, and information provided from the local HUD CPD field office; including monitoring reports and audit reports as applicable, and performance standards on prior grants, and will assess projects using the following criteria on a pass/fail basis:

(a) whether the project applicant's performance met the plans and goals established in the initial application, or grant as amended;
(b) whether the project applicant demonstrated all timeliness standards for grants being renewed have been met, including those standards for the expenditure of grant funds;
(c) the project applicant's performance in assisting program participants to achieve and maintain self-sufficiency and independent living and records of success, except dedicated HMIS projects are not required to meet this standard; and
(d) evidence of unwillingness of project applicants to accept technical assistance, a history of inadequate financial accounting practices, indications of project mismanagement, a drastic reduction in the population served, program changes have been made without prior HUD approval, or the loss of project site control.

(2) HUD reserves the right to reduce or reject a project application submitted during the CoC Program Competition for the following reasons:

(a) outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed upon;
(b) audit finding(s) for which a response is overdue or unsatisfactory;
(c) history of inadequate financial management accounting practices;
(d) evidence of untimely expenditures on prior award;
(e) history of other major capacity issues that have significantly affected the operation of the project and its performance;
(f) history of not reimbursing subrecipients for eligible costs in a timely manner, or at least quarterly; and
(g) history of serving ineligible program participants, expending funds on ineligible costs, or failing to expend funds within statutorily established timeframes.
(h) evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
(i) evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

I Certify that my RENEWAL project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

18. Build America, Buy America (BABA) Act procurement purchase requirements
20. Environmental requirements that apply in accordance with 24 CFR part 50 or part 58
22. Unless prohibited by law and to the extent permitted under the Freedom of Information Act (FOIA), your application and post-award content may be released to the public in response to FOIA requests, except to the extent that certain information may be withheld under a FOIA exemption (5 USC § 552(b); 24 CFR 15.107(b)). HUD may also share your information within HUD or with other Federal agencies if HUD determines that sharing is relevant to the respective program's objectives.
23. Waste, Fraud, Abuse, and Whistleblower Protections. 41 USC § 4712, which includes informing your employees in writing of their rights and remedies, in the predominant native language of the workforce.

Under 41 U.S.C. § 4712, employees of a contractor, subcontractor, grantee, subgrantee, and personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant. (See Federal Contractor or Grantee Protections | Office of Inspector General, Department of Housing and Urban Development (hudoig.gov))

24. Implementing Presidential Executive Actions affecting federal financial assistance programs, as advised by the Department, unless otherwise restricted by law: Executive Order (EO) 14219 (Ensuring Lawful Governance and Implementing the President's "Department of Government Efficiency" Deregulatory Initiative); 14218 (Ending Taxpayer Subsidization of Open Borders); guidance resulting from the White House Task Force established by 14202 (Eradicating Anti-Christian Bias) and the Senior Advisor to the White House Faith Office assigned by 14205 (Establishment of the White House Faith Office); 14182 (Enforcing the Hyde Amendment); 14173 (Ending Illegal Discrimination and Restoring Merit-Based Opportunity); 14168 (Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government); 14151 (Ending Radical and Wasteful Government DEI Programs and Preferencing); and 14148 (Initial Rescissions of HarmfulExecutive Orders and Actions)

In addition:

1. Awards made under this NOFO will not be used to conduct activities that subsidize or facilitate racial preferences or other forms of illegal discrimination, including activities where race or intentional proxies for race will be used as a selection criterion for employment or program participation; or conduct activities that rely on or otherwise use a definition of sex as other than binary in humans 14332 (Improving Oversight of Federal Grantmaking).
2. Awards made under this NOFO will not be used to fund, promote, encourage, subsidize or facilitate the use of illicit drugs.
3. Awards made under this NOFO will not be used to fund any project, service provider, or organization that operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction." 14321 (Ending Crime and Disorder on America's Streets).
4. All agreements or contracts made with subrecipients under this NOFO must contain the identical terms and conditions as those in the grant agreement issued by HUD.

Any additional or conflicting terms and conditions must be approved by HUD.

I certify that if my project is awarded funding in the FY26 CoC NOFO Competition, I will comply with all of the above per the CoC Application requirements:

(i) Compliance Policy

- NY-501 implemented the Policy in July 2026
- The purpose of this policy is to ensure that all recipients of federal funding under the Continuum of Care (CoC) Program comply with the Project Eligibility Threshold Requirements and applicable federal regulations

HUD Continuum of Care (CoC) Federal Compliance Policy

1. Purpose

The purpose of this policy is to ensure that all recipients of federal funding under the Continuum of Care (CoC) Program comply with the Project Eligibility Threshold Requirements outlined in the FY2026 CoC Program Competition (page 85) and applicable federal regulations.

HUD is committed to promoting equal access to CoC programs for individuals and families experiencing homelessness, regardless of race or other protected characteristics. Consistent with federal requirements, the use of federal funds for unlawful discriminatory practices, including but not limited to racial preferences, is prohibited. All CoC-funded projects must comply with applicable nondiscrimination laws, including 2 CFR 200.300(a), and operate in a manner that promotes fair, equitable, and inclusive access to housing and services.

Additionally, CoC-funded projects must comply with all applicable federal laws related to controlled substances. Project applicants and recipients must not:

- Operate drug injection sites or "safe consumption sites" in violation of 21 U.S.C. § 856(a)(1);
- Knowingly permit the use or distribution of illicit drugs on property under their control in violation of 21 U.S.C. § 856(a)(2); or
- Knowingly distribute drug paraphernalia in violation of 21 U.S.C. § 863.

This policy is consistent with Section III.B of the CoC Program Competition and 2 CFR 200.300(a).

Nothing in this policy requires program participants to:

- Demonstrate sobriety as a condition of receiving assistance;
- Participate in substance use treatment as a condition of receiving assistance; or
- Be terminated or exited from assistance for a first-time violation of a drug-related policy or lease requirement.

The CoC, in coordination with the Collaborative Applicant, is responsible for:

- Ensuring compliance with HUD regulations and program requirements;
- Identifying noncompliance and providing technical assistance to resolve deficiencies;
- Promoting access to substance use disorder treatment and recovery supports;
- Supporting consistent and effective program operations;
- Protecting participant rights and HUD investments; and
- Strengthening overall program accountability.

2. Regulatory Authority

This policy is established in accordance with the following authorities:

- 2 CFR 200.300(a)
- 21 U.S.C. § 856(a)(1) and § 856(a)(2)
- 21 U.S.C. § 863
- 24 CFR Part 578 (CoC Program Rule)
- HUD CoC Program Competition NOFO Requirements
- HUD Equal Access Rule
- HUD Fair Housing and Civil Rights Requirements

---

3. Scope

This policy applies to all HUD CoC-funded projects within the Continuum of Care, including:

---

5. Monitoring Process

Step 1: Notification

The CoC will provide written notification prior to conducting a compliance review. The notice may include:

- Deadlines for submission of requested materials;
- A list of required documents; and
- Submission instructions.

Step 2: Document Review

The CoC may request and review:

- Client files;
- Policies and procedures;
- Supporting documentation and records.

Step 3: Compliance Review

The review may include:

- Client file analysis;
- Policy and procedure evaluation;
- Verification of compliance with applicable regulations.

Step 4: Exit Discussion

Preliminary observations and findings will be discussed with agency staff prior to issuing the final report.

Step 5: Compliance Report

A written report will be issued summarizing:

- Areas reviewed;
- Identified deficiencies or concerns;
- Required corrective actions; and
- Recommendations for technical assistance.

---

6. Classification

The following term shall be used consistently:

Deficiency
A condition in which an agency is found to be in violation of HUD-related policies, regulations, or requirements and is not in compliance with current standards.

---

7. Corrective Action Procedures

Programs with identified deficiencies will receive written notification outlining required corrective actions.

- Agencies must submit corrective actions within **14 calendar days**, unless otherwise specified.
- Responses must include:
    - Revised or updated documentation;
    - Updated policies and procedures;
    - A detailed explanation of corrective measures taken;
    - Evidence of staff training, where applicable.

The Collaborative Applicant may provide technical assistance during the corrective action period.

Failure to implement required corrective actions may result in referral to the CoC NOFO Committee for consideration of project reallocation during the next funding cycle.

---

8. Technical Assistance

The Collaborative Applicant will provide technical assistance when compliance concerns are identified.

Technical assistance may include:

- One-on-one consultations;
- Training sessions or workshops;
- Written guidance and clarification;
- Resource materials;
- Policy templates and tools.

---

9. Policy Review

This policy shall be reviewed annually and updated as necessary to reflect changes in HUD regulations, NOFO requirements, or CoC standards.

By partnering with landlords in the Opportunity Zone, the project helps improve the neighborhood by putting vacant housing units back into use and reducing the risk of deterioration and blight. Rental assistance provides landlords with a reliable source of income, helping support property maintenance, local ownership, and continued investment in the community.Stable housing also benefits the local economy by allowing program participants to spend more at nearby businesses and supporting local jobs and economic activity. In addition, having stable housing helps individuals and families focus on employment, education, and becoming self-sufficient. Overall, the project will help strengthen the Opportunity Zone and contribute to a more stable and thriving community.

☐ The proposed activities/projects will occur within the Opportunity Zone Census Tract(s) listed above and other communities.
☐ The proposed activities/projects will occur outside Opportunity Zone Census Tracts, but substantial and direct benefits will accrue within the Opportunity Zone Census Tracts listed above.

Note: Projects which substantially and directly benefit Opportunity Zone Census Tracts, but which do not consist of activities delivered within Opportunity Zone Census Tracts may be considered for competitive preference. If applicable, the respective Federal Agency will clearly define "substantially and directly" in the relevant funding announcement.

Estimated Funding Allocations
Estimate a percentage of the total dollar amount of federal funding awarded that would result in a direct benefit within the Opportunity Zone Census Tracts listed above:
☑ 76% - 100%
☐ 51% - 75%
☐ 26% - 50%
☐ 11% - 25%
☐ 1%- 10%

Provide a narrative explaining and/or reference the section in the application that explains how the project will support public and private investment in urban and economically distressed areas, specifically qualified Opportunity Zones (300-word limit):
Example: "The Main Street project described in this application will stimulate economic opportunity and mobility, encourage entrepreneurship, expand quality educational opportunities, and promote workforce development for those families residing within the XYZ Opportunity Zone."

By partnering with landlords in the Opportunity Zone, the project helps improve the neighborhood by putting vacant housing units back into use and reducing the risk of deterioration and blight. Rental assistance provides landlords with a reliable source of income, helping support property maintenance, local ownership, and continued investment in the community.Stable housing also benefits the local economy by allowing program participants to spend more at nearby businesses and supporting local jobs and economic activity. In addition, having stable housing helps individuals and families focus on employment, education, and becoming self-sufficient. Overall, the project will help strengthen the Opportunity Zone and contribute to a more stable and thriving community.

Check the following boxes that accurately reflect the nature or purpose of the proposed project:

- ☐ Access to Capital
- ☐ Asset Building
- ☐ Business Assistance
- ☐ Community Capacity Building
- ☐ Economic Development
- ☐ Education
- ☐ Healthy Food Access
- ☐ Health
- ☑ Housing
- ☐ Human Services and Family Support

Example: "The Main Street project described in this application will stimulate economic opportunity and mobility, encourage entrepreneurship, expand quality educational opportunities, and promote workforce development for those families residing within the XYZ Opportunity Zone."

The project will partner with private landlords and property owners to secure and maintain housing units for program participants. HUD-funded rental assistance and supportive services will provide a stable source of housing revenue, helping property owners maintain occupied units and continue investing in their properties. This public investment can complement private investment by reducing vacancy, supporting property maintenance, and encouraging continued use and improvement of residential properties within the Opportunity Zone. The project will also coordinate with local government, community-based organizations, service providers, and other community partners to connect participants with employment, benefits, health care, transportation, and other resources. These partnerships will help maximize the impact of HUD funding and connect the project to existing public and private resources in the community.

Example: "The Main Street project described in this application will stimulate economic opportunity and mobility, encourage entrepreneurship, expand quality educational opportunities, and promote workforce development for those families residing within the XYZ Opportunity Zone."

The project will utilize the local Coordinated Entry system to identify and refer eligible participants to the HUD-funded transitional housing program. By coordinating referrals through the established homeless response system, the project will complement existing public investments in homelessness prevention, emergency shelter, housing, supportive services, and mainstream benefits. This coordinated approach helps ensure that available public resources are used efficiently and that participants are connected to the housing and services most appropriate to their needs.When project housing is located within a qualified Opportunity Zone, HUD funding can also contribute to broader community stabilization by creating a reliable demand for housing and supporting the continued productive use of residential properties.

Example: "The Main Street project described in this application will stimulate economic opportunity and mobility, encourage entrepreneurship, expand quality educational opportunities, and promote workforce development for those families residing within the XYZ Opportunity Zone."

Example: By partnering with landlords within the Opportunity Zone, the project advances neighborhood revitalization by bringing housing units into productive use and reducing the risk of deterioration and blight associated with vacancy. Program-funded rental assistance leverages and sustains private investment in the community, providing a reliable source of revenue that supports property maintenance, local ownership, and reinvestment. Stable housing outcomes for program participants strengthen the local economy through increased consumer spending at neighborhood businesses, supporting job retention, sales tax generation, and broader economic activity. In addition, housing stability serves as a critical foundation for employment, education, and self-sufficiency, promoting economic mobility for households and fostering long-term community stability. Collectively, these investments contribute to the overall vitality, resilience, and economic growth of the Opportunity Zone and the surrounding community.

☐ 76% - 100%
☐ 51% - 75%
☐ 26% - 50%
☑ 11% - 25%
☐ 1%- 10%

Provide a narrative explaining and/or reference the section in the application that explains how the project will support public and private investment in urban and economically distressed areas, specifically qualified Opportunity Zones (300-word limit):
Example: "The Main Street project described in this application will stimulate economic opportunity and mobility, encourage entrepreneurship, expand quality educational opportunities, and promote workforce development for those families residing within the XYZ Opportunity Zone."

The Support Services Only project described in this application establishes a consistent, regionwide framework that brings critical supports to individuals who would otherwise remain disconnected from the homelessness response system, including those located in the identified Opportunity Zone. By standardizing access points and integrating AIM's multidisciplinary services into a single coordinated model, the program reduces fragmentation and ensures that individuals can move seamlessly from crisis to stabilization to housing. By moving from homelessness to housing, many individuals served by this project will be more likely to succeed in education, vocational development and employment.
