4A. Attachments Screen For All Application Questions

HUD publishes resources on the HUD.gov website at CoC Program Competition to assist you in completing the CoC Application. Resources include:

- Notice of Funding Opportunity (NOFO) Continuum of Care Competition and Noncompetitive Award of Youth Homeless Demonstration Program Renewal and Replacement Grants; and
- Frequently Asked Questions

We have provided the following guidance to help you successfully upload attachments and get maximum points:

1.	You must include a Document Description for each attachment you upload; if you do not, the Submission Summary screen will display a red X indicating the submission is incomplete.
2.	You must upload an attachment for each document listed where 'Required?' is 'Yes'.
3.	We prefer that you use PDF files, though other file types are supported–please only use zip files if necessary. Converting electronic files to PDF, rather than printing documents and scanning them, often produces higher quality images. Many systems allow you to create PDF files as a Print option. If you are unfamiliar with this process, you should consult your IT Support or search for information on Google or YouTube.
4.	Attachments must match the questions they are associated with.
5.	Only upload documents responsive to the questions posed–including other material slows down the review process, which ultimately slows down the funding process.
6.	If you cannot read the attachment, it is likely we cannot read it either.
	. We must be able to read the date and time on attachments requiring system-generated dates and times, (e.g., a screenshot displaying the time and date of the public posting using your desktop calendar; screenshot of a webpage that indicates date and time).
	. We must be able to read everything you want us to consider in any attachment.
7.	After you upload each attachment, use the Download feature to access and check the attachment to ensure it matches the required Document Type and to ensure it contains all pages you intend to include.
8.	Only use the 'Other' attachment option to meet an attachment requirement that is not otherwise listed in these detailed instructions.

GATEWAY RESIDENTIAL SERVICES

Supported Housing Program Participation Agreement

The purpose of the Gateway Supported Housing Program is to enhance individual participant's options for choosing, assessing, and maintaining preferred long-term housing. Gateway staff, along with other service providers, will comprise the Support Team who will provide the support needed to maximize the recipient's successful integration into independent community living. Self-responsibility is the foundation and expectation of this program. The following agreement is entered into by Gateway Hudson Valley Supported Housing Program and _____ **thereafter** known as the "Service Recipient".

As Service Recipient: **Admission Date:** _____ **Renewal Date:** _____

1. I agree to be honest and forthcoming with all program related information, documentation and to provide all necessary information requested in a timely manner. I will notify Gateway staff of any changes in my rent status and/or telephone number.

2. I agree to provide Gateway staff with a copy of my apartment key. I will notify staff if the apartment lock is changed and immediately provide all staff with a new, working key.

3. I agree to provide notice to Gateway / and or verification of any and all information necessary to Gateway staff within 30 days of any update or status change. This could include gas bill, electric bill, bank account and any source of income. This information could be necessary to calculate my rent stipend as well as obtain food stamps, etc. It could also be for physician or psychiatric records to verify my eligibility to remain a recipient of services.

4. I understand that upon admission into Gateway, it is encouraged that I secure an apartment which accepts Section 8. I understand that when Section 8 applications become available, that I work with my support counselor in completing said application. I understand the expectation that if a Section 8 voucher or other long term housing subsidy becomes available to me, that I accept this voucher and it replaces the OMH subsidy currently in place. I understand that in most cases, once Section 8 is awarded, that I will be able to retain the apartment in which I currently reside.

5. I understand that I am encouraged to develop independent budgeting skills to support my independence. I understand that should I be in need of a representative payee, I utilize natural supports such as family members or friends to serve in this role. In the event that family members or friends are not available or appropriate to serve as representative payee, I understand that I am encouraged to contract with a qualified organization for this purpose.

6. I agree to pay rent costs in accordance with calculation adjustments based on my income.

7. I understand that it is strongly recommended that I maintain the services of a Case Manager or Therapist for clinical support while in the Supported Housing Program.

8. I understand that it is strongly recommended that I participate in some form of therapeutic activity during the week (i.e. employment, day program, volunteer work, etc.)

9. I will notify Gateway staff of any change of therapist, counselors, etc., so that a new Consent for Release of Information may be signed and Gateway staff can make arrangements to review my Support Plan with this person and me. I will notify other Support Team Members of such changes.

10. I understand that my apartment lease will be solely in my name (except with permission from the CEO stating otherwise) and that I will pay my calculated rent stipend at the beginning of each month (in

accordance with provisions in the apartment lease, but no later than the 5th of the month) directly to the landlord, unless Gateway is the representative payee. (See Section 2 of Service Provider agreement below)

11. I will pay any back rent due in accordance with my approved re-payment plan.

12. I will pay any other utility; phone and cable cost that are accrued by me.

13. I will follow the provisions in the apartment lease.

14. I will maintain basic phone service for emergency notification purposes.

15. I understand that I need to meet face to face with my support counselor at least once a month, (In enhanced program, at least once a week). I understand that at least one of those face to face meetings must occur in the residence on a quarterly basis. I understand that Gateway reserves the right to make unannounced home visits.

16. I will participate with my Support Team members in the development of my Individual Support Plan (ISP) within 30 days of entering the Supported Housing Program, as well as review and/or update said plan with the Support Team on a quarterly (semi-annually for enhanced program) basis thereafter. I can expect all Support Team members who sign the ISP to be available as indicated and all can expect me to be available as indicated.

17. I understand that the apartment furnishings are initial and one-time grants only. Gateway expects that items will be used by me only. Items will not be transferred, swapped, sold, bought or returned for cash or services without written approval from Gateway. Should I sell, swap, give away, or loan any items, I will not expect Gateway to replace said items. I understand that Gateway will replace any item which is crucial to ensuring safety. I understand that blatant or repeated destruction of said items may not be replaced by Gateway and that I may be asked to replace such items.

18. I understand that items purchased for me by Gateway become my possession after graduation if I have successfully completed 1 year in the supported housing program. At that time I will be given a receipt, if requested, for items purchased for me since arrival. I understand that if I move into another Gateway operated facility, I will take with me, only the items not currently being provided by the new facility. I understand that the remaining items, should I choose to keep them, will go to a storage facility which will be my fiscal responsibility.

19. I understand that the initial security deposit set forth by Gateway, will be returned to Gateway, if I self-discharge or am terminated from the supported housing program within 90 days of admission. I understand that if I self-discharge or am terminated, and leave rent, damages, or cleaning costs unresolved, above what the security deposit covers, that I will be fiscally responsible in accordance with the provisions in the lease.

20. I am prohibited from using the premises for the manufacture, distribution, dispensation, possession or use of illegal substances. Anyone of these issues may be terms for eviction with the landlord(see item 21 also)

21. I understand that if I am suspected of using drugs or abusing prescribed medications while in the program, I may be subjected to random drug testing.

22. I realize that inappropriate use of alcohol, prescribed medications, or illegal substances could result in irresponsible behavior that could jeopardize the safety of myself and others. Should the Support Team determine this to be the case, it will be my responsibility to participate in and complete the treatment plan developed. (see item 21 also)

23. I understand that I am strongly encouraged to attend Residential Supported Housing Program meetings on a quarterly basis. If I am unable to, I will plan to meet with staff to receive updates of what was discussed.

24. I understand and agree that if I am engaging in illegal or endangering behaviors to myself or others, fail to follow the support plan or other agreed upon treatment, fail to provide access to my apartment or income verification, and am non-compliant with this participation agreement, I may be terminated from program participation including withdrawal of rent stipends, furnishings and security ownership and further support services. Termination from program participation will be determined as follows:

    a. A first time violation by a participant, to any section of the above mentioned agreement, will result in a written warning for that violation, as well as an assistance planning meeting to discuss further supports that can be put into place to prevent further violations. A repeat violation to the same section of the participation agreement, will result in a 2nd written warning and a 30 day preliminary notice of intent to discharge, followed by another assistance planning meeting. Any repeat violation thereafter, within a 12 month period, will result in a 30 day final notice of intent to discharge with reason.
    b. A total of 3 violations by a participant, to <u>any</u> section of the above mentioned agreement, within a 12 month period, will result in a preliminary 30 day notice of intent to discharge after the 2nd violation, followed by a 30 day final notice of intent to discharge with reason after the 3rd violation.
    c. Gateway will coordinate with the resident's clinical team to discuss additional supports that can put into place to help the resident be successful in the program prior to terminating residency involuntarily
    d. If Gateway Hudson Valley takes steps to terminate residency involuntarily:
        i. The resident will have 30 days to resolve the identified concerns in the 30 day preliminary notice of intent to discharge.
        ii. If resolution is not reached a final 30 day notice will be distributed giving the resident 30 days notice of intent to discharge.
        iii. Any resident who objects may provide written objection to the OMH field office within 5 days of the written final notice at:

NYS Office of Mental Health – Hudson River Field Office
Attn: Field Office Director
10 Ross Circle Suite 5N
Poughkeepsie, New York 12601
(845) 454 8229

        iv. The OMH designee shall offer a meeting to review the case and a final determination will be made.
        v. Should the resident be dissatisfied with the final determination they may request an administrative review by the commissioner of MH and / or his / her designee within 5 days of the date of the written OMH determination.
        vi. Mental Hygiene legal services may assist the resident in appealing the discharge:
        Ulster County: 785 Broadway 2nd Floor, Kingston NY 12401. Phone: (845) 481-9242
        Dutchess County: 170 Old Country Road Mineola, New York 11501. Phone: (516) 493-3976

vii. The commissioner will issue a final decision within 10 days and the decision shall be final and not subject to further review.
viii. Gateway will hold any bed during administrative review until such time as a determination is made.

As Service Provider:

1. Gateway staff must inspect an apartment before a lease can be (re)negotiated to ensure the apartment meets health and safety standards.

2. Gateway will encourage the participant to secure an apartment where Section 8 is accepted by the landlord. Gateway will facilitate participant access to Section 8 and other housing subsidies when they become available and assist with the process of completing relevant applications. Should Section 8 or other housing subsidies become available to the participant, Gateway will work with the participant and local mental health services on discharge planning to non-residential service providers.

3. In the event that Gateway is the representative payee for the participant, or the participant is in the Family or Ulster Gardens 2 programs, Gateway will pay the full rent amount, according to the lease, directly to the landlord each month.

4. In the event that Gateway is not the representative payee for the participant, the participant will pay their portion of the rent, according to their calculated rent stipend, directly to the landlord. Gateway will pay the remaining balance of the rent, according to the lease, directly to the landlord.

5. Gateway agrees to provide all needed security deposits and service installation fees. Maximum allowed security deposit shall = no more than 1 and ½ months rent unless with the approval of the Associate Vice President for Residential Services.

6. Gateway agrees to furnish the apartment prior to move in. Said furnishings shall consist only of items the tenant needs and shall be of modest quality. Furnishings are one time only and will be replaced as necessary to ensure the safety of the participant.

7. Gateway agrees to provide support services as identified in the Individual Support Plan. Said Support Plan will be reviewed and/or updated at least quarterly (semi-annually for enhanced program) or as necessary.

8. Gateway agrees to maintain all its financial responsibilities during a resident's hospitalization or other necessary absenteeism up to 90 days if the recipient is scheduled and expected to return to the apartment. This period can be extended if agreed to by Gateway.

9. Gateway agrees to be available for 24 hours a day emergency notification.

10. Gateway agrees to transfer ownership of apartment furnishings and security deposits (when I leave the apartment) to the recipient after graduation if I have successfully completed 1 year in the supported housing program. (See Sections 19 and 20 above for more detail)

11. In the event that Gateway pays the initial security deposit to the landlord, Gateway reserves the right to recoup that security deposit if the recipient self-discharges or is terminated from the program within 90

days of admission. If the recipient discharges, and leaves rent, damages, and cleaning costs unresolved, above what the security deposit covers, the recipient will be responsible for the damages in accordance with the provisions in the lease.

12. Discharge proceedings will be initiated when the resident:

    (a) wishes to be discharged (voluntary discharge)
    (b) has met the rehabilitation goals, is discharge ready (graduation)
    (c) meets discharge criteria, due to loss of self-preservation status (safety)
    (d) no longer benefits from the program
    (e) needs more supervision/assistance than the program can provide
    (f) repeatedly or seriously disregards provisions of this agreement (see section 24 above)

13. Gateway agrees to give a 30-day intent and final notice of service termination with reason for any involuntary discharge. (See Section 24 above for more detail)

14. Gateway agrees to assist in looking for alternative living arrangements within reason for recipients being terminated from program participation.

Ref: Evidence of Coordination and Non-Interference with Local Efforts to Advance Protecting Public Safety

I am writing in support of the Dutchess County Continuum of Care (CoC), NY-601, and to affirm the CoC's ongoing coordination with local government, public safety agencies, first responders, and community partners serving individuals and families experiencing homelessness.

The Dutchess County CoC actively collaborates with local law enforcement, emergency medical services, behavioral health providers, healthcare systems, outreach teams, and other community stakeholders to address homelessness while advancing public safety objectives. Through coordinated partnerships, communication, referral processes, and participation in community planning efforts, the CoC assists first responders in connecting individuals experiencing homelessness to shelter, housing, treatment, and supportive services.

The CoC does not interfere with or impede local efforts to advance public safety or address homelessness in the community. The CoC supports collaborative approaches that help communities respond effectively to unsheltered homelessness, encampments, behavioral health crises, substance use disorders, and other challenges impacting vulnerable individuals and public spaces. The CoC's practices and governance structure promote cooperation among service providers, local governments, public safety agencies, and community organizations to improve outcomes for individuals experiencing homelessness while enhancing community safety and wellbeing.

Additionally, the CoC maintains a coordinated and person-centered response system that facilitates access to emergency shelter, permanent housing, healthcare, behavioral health services, and recovery supports. These efforts help ensure that first responders have viable service options available when assisting individuals experiencing homelessness and support coordinated community responses to complex needs.

Based on our experience working with the Dutchess County CoC, we affirm that the CoC is a valued partner in addressing homelessness and advancing public safety objectives through collaboration, communication, and coordinated service delivery.

Sincerely,

Robert J. Benson, Chief of Police

Ref: CoC cooperation agreement

I am writing to express strong support for the Dutchess County Continuum of Care (CoC), NY-601, and to affirm the CoC's ongoing, proactive collaboration with local governments, public safety agencies, first responders, and community partners serving individuals and families experiencing homelessness—especially the City of Poughkeepsie and the City of Poughkeepsie Police Department.

The Dutchess County CoC plays a key role in uniting local law enforcement, emergency medical services, behavioral health providers, healthcare systems, outreach teams, and other stakeholders to address homelessness in ways that also advance public safety goals. Through coordinated partnerships, streamlined communication, effective referral processes, and active participation in community planning, the CoC assists first responders in connecting individuals experiencing homelessness to shelter, housing, treatment, and supportive services.

Importantly, the CoC operates in a manner that complements—not impedes—local efforts to improve public safety or address homelessness. The CoC champions collaborative strategies that help communities respond effectively to unsheltered homelessness, encampments, behavioral health crises, substance use disorders, and other urgent challenges impacting vulnerable individuals and public spaces.

The CoC's governance structure and operational practices foster cooperation among service providers, local governments, public safety agencies, and community organizations. This collaborative approach leads to improved outcomes for people experiencing homelessness while enhancing community safety and wellbeing.

Additionally, the CoC maintains a coordinated, person-centered response system that ensures access to emergency shelter, permanent housing, healthcare, behavioral health services, and recovery supports. These efforts equip first responders with viable service options, enabling them to assist individuals in crisis and support a unified, community-wide response to complex needs.

Based on our experience partnering with the Dutchess County CoC, we can affirm that the CoC is a highly valued partner in addressing homelessness and advancing public safety through ongoing communication, coordination, and shared service delivery.

DUTCHESS COUNTY CONTINUUM OF CARE: 2026 RANK AND REVIEW PROCESS

Rationale

HUD's Continuum of Care (CoC) homeless assistance programs serves as a source of funding for homeless services in Dutchess County, and the planning body coordinating these services is the Dutchess County Continuum of Care (DCCoC). Working with the CoC (DCCoC) and providing support and technical assistance is CARES of NY, Inc., the UFA/Collaborative Applicant.

HUD requires that the CoC (DCCoC) prioritize programs which most effectively serve the community at the local level. To reach this goal, a Rank & Review Process has been implemented for applicants who wish to renew their project/s and for new and/or bonus projects, if bonus funding is available. The process of ranking and reviewing projects is designed to help the CoC (DCCoC) learn about each project's performance and effectiveness.

The Program Review Committee is charged with overseeing the Rank and Review Process. As stated in the Dutchess CoC bylaws, the Program Review Committee is responsible to design, operate, and follow a collaborative process for the development of funding applications, including funding priorities and the number and type of applications. Each year the Program Design Committee reviews the Rank and Review Written Process and Application and makes any changes necessary to reflect changing priorities. The Program Review Committee is also responsible for establishing a Review Team for the Rank and Review Application. The Written Process and Application Tools (Renewal and New/Bonus) are posted for public comment. Feedback is considered by the Program Review Committee and final documents are submitted to the Steering Committee for approval and posted on the CoC's website.

CoC Transparency

The CoC conducts this Rank and Review Process in a transparent manner to ensure a fair and consistent way to prioritize projects. Each year, feedback regarding the process and tools is solicited. The process is publicly announced by the CoC, distributed in writing to the CoC Membership, and posted publicly on the

FINAL

CARES Inc. website for all community members to review and comment.

FY 2026 Rank and Review Application

The DCCoC emphasizes the importance and impact of using the Rank & Review Application as the primary basis for determining the Project Listing submitted to HUD as part of the CoC Consolidated Application.
The Rank and Review Application is thoughtfully revised each year to meet both HUD and CoC standards, incorporate both national and local priorities, and balance objective performance measures with subjective narrative descriptions of project operations.

Review and Approval of the Rank & Review Application

Once the CoC Application has been submitted to HUD by the Collaborative Applicant, the Program Review Committee reviews the prior year's Rank and Review process, including reviewer feedback and DCCoC member comments. The Program Review Committee also develops a list of Review Team members.
The Program Review Committee presents the Written Process and Application Tools to the DCCoC Steering Committee and Membership for one-week public comment periods. The Program Review Committee considers submitted comments for inclusion. The Program Review Committee updates the Steering Committee on any edits, incorporates any additional changes from the Steering Committee, and secures a vote for approval. Finally, the Written Process and Application Tools are shared with Membership.

Renewal Projects

Each renewal project completes a Rank and Review Application. The 2026Renewal Rank and Review Application process will occur in two (2) parts, Parts 1 & 2 are distributed at the same time as one tool to all with the intent to allow agencies adequate time to complete the full Rank & Review Application. An application must include responses to all questions as well as required data and/or attachments from the most recent project application and Calendar Year Annual Performance Report (APR) in order to be considered completed. All completed applications will be shared with *CARES of NY, Inc. by the stated deadline to be considered complete and sent to the Review Team*. Late applications will receive a 5-point penalty reduction and one additional point penalty reduction every day the application is late. Applications that are

submitted four days passed the deadline will not be accepted or scored.

* Please Note: Coordinated Entry, Planning, HMIS, and renewal projects with less than one federal fiscal year's (Oct. 1-Sept. 30) worth of data projects are not required to fill out a renewal application.

Part 1. focuses on project and system outcomes, using project data entered in HMIS and objective questions to "rate" projects. The HMIS data used in Part 1 is from the previous HUD Fiscal Year (Oct 1 - Sep 30). This HMIS data used in Part 1 has been cleaned and reviewed for data quality errors when submitted to HUD for the Longitudinal Systems Analysis (LSA) report. The tool will indicate where agencies can find data for relevant questions. Agencies will also receive a data attachment to assist in completing their application. Data on this attachment will be based on APRs submitted by agencies earlier in the year.
If errors are identified on the Data Attachment, the agency must contact CARES by the deadline noted when the data attachment is released. If the request is a calculation error, CARES staff will correct the error and resubmit the Data Attachments for the agency's review.

Part 2 focuses on qualitative project and system outcome data, which allows the project to explain unique circumstances that may affect project performance. Part 2 includes narratives questions to further evaluate the efficacy of each renewal project. Questions are derived from the Program Review Committee based on HUD priorities. . Questions on Part 2 will be scored by the external review team. Scores will be determined by averaging the scores provided by all of the reviewers and the Program Review Committee may request additional information from applicants on Part 2 Narrative question for clarity before scoring is finalized.

An Optional Part 3 form may be released following the release of the annual NOFO for the CoC to demonstrate the incorporation of HUD priorities into our annual Rank & Review process. If there are no significant HUD priorities identified or all major priorities are addressed in Part 1 and Part 2, this form will not be released.

The following renewal project types are exempt from the requirement to complete the Rank and Review Renewal Application: projects which fund only

FINAL

HMIS, Coordinated Entry, or Planning activities; as well as any newly created project without a full fiscal year of data. See Project Ranking below for more information on how these projects are included in the final tiering.

New Projects

New projects are created through bonus funds or reallocated funds. A separate application is required for Bonus and Reallocated project proposals. If, after the ranking process, additional money becomes available through reallocation after the ranking process, reallocation, and if all new projects have been approved, then a new project RFP will re-open for submission in efforts to utilize all available funding. RFPs submitted during the second application process will automatically be ranked below projects from the first round in Tier 2. The Review Team reviews and scores all New/Bonus project applications submitted. New project applications will be integrated into the ranking according to project type and the PH–TH–SSO rotational sequence (described below), then approved by the Steering Committee and Membership will receive notification. The community's goal is to apply for the maximum amount of available funds. The same appeals process that applies to Renewal applications applies to New/Bonus project applications.

In the event project applications initially receive the same score, it is the responsibility of the Review Team to reconsider scoring to break the tie.

Bonus Projects

Each year, HUD may offer bonus funding and the NOFA outlines how the funds may be spent. Bonus project proposals must fill an unmet need as noted within the locally determined priorities. Bonus applications will be scored by the Program Review Committee and project ranking will be approved by the Steering Committee and membership will be notified. The community's goal is to apply for the maximum amount of available funding. The same appeals process that applies to Renewal applications applies to New/Bonus project applications.

Reallocation

Reallocation is the process by which the CoC shifts funds, in whole or in part, from existing eligible renewal grants to create new projects to fill an unmet need within the community. Reallocating funds is one of the most important tools by

which communities can make strategic improvements to their homelessness system.

Projects that can be flagged for reallocation consideration include those which have demonstrated inadequate financial management, a history of expending funds on ineligible activities, a lack of full expenditure of funds, and those which consistently score low on the Rank & Review. Reallocation is recommended for any project not participating in Coordinated Entry, HMIS or the annual Point-in-Time. The Steering Committee may determine reallocation of a particular project as in the best interest of the CoC and essential to maintaining full funding. Further, agencies may voluntarily choose to reallocate funds from their own projects. New project proposals developed by agencies through reallocation of their own funds will be prioritized during the ranking process. All other proposed projects using reallocated funds will be ranked according to general ranking procedures.

Project proposals developed with reallocated funds must fill an unmet need and submit a New/Bonus application. Reallocated and Bonus applications will be evaluated alongside Renewal Projects within a unified competitive ranking process. Each project will be scored using the appropriate tool and placed in the overall PH–TH–SSO rotational sequence. Reallocated projects will receive additional points to support HUD's intent to incentivize reallocation. The final ranking will be approved by the Steering Committee and membership will be notified via CARES Website.

Reviewer Team

Members of the Review Team are individuals from the community who are not CoC funded or neighboring communities and are knowledgeable about the CoC process, services and providers. Reviewers are considered by the Program Review Committee and invited by the Collaborative Applicant (CARES) to participate. After reviewers agree to participate, they are given project applications and scorecards and instructed to score applications with an objective lens. Three reviewers are recruited each year to score the narrative portion of each application.

Reviewers are provided with a copy of each project's full application for review and scorecards to complete. Scores for each application are averaged between the 3 reviewer scores to create the final score. In the event project applications initially receive the same score, it is the responsibility of the Review Team to

FINAL

reconsider scoring to break the tie. The Review Team also considers any submitted appeals (see **Appeals Process** outlined below) and provides any final comments to be shared with agencies. Final scores result in the project ranking.

Threshold Review

To ensure CoC projects are high performing, all project applications are expected to also meet a minimum scoring threshold of 50% of total possible application points. The Threshold Review will be conducted by the CA and the Review Team after the Rank and Review process is complete and final project scores determined. If the pre-determined threshold is not met, the Review Team may recommend the DCCoC Steering Committee consider the possibility of technical assistance, reallocation or amendments to the project application/s with said agency. Projects that have underperformed for three consecutive years may be recommended for reallocation to the Steering Committee during that year's NOFA submission.

Project Ranking and Tiering

HUD requires that the CoC conduct a transparent and objective process to review and rank all Renewal and New/Bonus projects. Tiering prioritizes projects for funding. Tier 1 is considered "safe" for continued funding and HUD specifies the percentage of the ARD amount that will make up Tier 1 each year when the NOFO is released. Tier 2 is the percentage of CoC funding that is at risk each year, per HUD's announcement in the NOFO. Being in Tier 2 does not guarantee that funding will be lost, but it does place projects at risk if the CoC is low performing in the national competition. Using CoC approved Rank and Review tools, all projects; Renewal, Reallocated, and Bonus, will be scored using within a unified competitive ranking process, using tools with the same total possible points. After scoring, projects will be grouped and ranked within their project type (PH, TH, SSO). These ranked lists will then be combined into the final ranking using a rotational sequence (PH - TH -SSO - Infrastructure). Coordinated Entry and Homeless Management Information System will be placed at the bottom of Tier 1 above the lowest scoring projects.

When the NOFA is released, priorities outlined in the application may be strategically applied by the CoC to project tiering. Final tiering results are presented to the Board for approval and membership is informed of the results.

FINAL

Debriefings

All agencies receive their project scores and are offered the opportunity to debrief with the Collaborative Applicant. Debriefing allows agencies the opportunity to request clarification regarding how/why Application question/s received certain scores. Debriefings are required if agencies are considering an appeal. Agencies may choose to appeal project score/s within the allotted time frame (see the **Appeals Process** outlined below).

After all debriefings with the Collaborative Applicant are completed and appeals considered by the Review Team, projects projected to fall into Tier 2 are contacted and notified of their ranking and offered the opportunity to go over the projects scores. Next, the project ranking is shared with the Program Review Committee, presented to the Steering Committee for review/approval. If the Steering Committee determines that changes to project ranking or tiering should be made on behalf of the CoC, based upon local community need and impact, the Steering Committee must make those determinations unanimously. Agencies whose ranking may be impacted by the changes will be notified. Once finalized, Ranking is shared with Membership via the CoC's website.

Appeal Process

1. Who May Appeal?

   An agency may appeal a decision concerning a Renewal or New/Bonus project application submitted by that agency. If a project was submitted by a collaboration of agencies, only one joint appeal may be submitted.

2. What May or May Not Be Appealed?

   The appeals process applies to project scoring and ranking ***only***. *There is no appeal for project tiering*. An appeal may ***not*** be based on the following:

   - Failure to answer any question/s on the application
   - Failure to submit required attachments to the application
   - Failure to submit the application by the required deadline

   Any mathematical errors found by an applicant will be corrected by the Collaborative Applicant.

3. Timing of an Appeal

   Formal appeals may be submitted by a project within two (2) business days

of debriefing. Appeals must be submitted in writing to the Collaborative Applicant, Haley Conner (hconner@caresny.org), who will forward them on to the Review Team. The written appeal must consist of a brief statement no longer than 1 page and can be in the form of a letter, memo or email.

4. Appeals Decisions

   The Review Team also serves as the Appeals Team. Appeals are decided by majority vote of the Appeals Team. Once decided, all appeals are final and may not be overturned by the Program Review Committee, Steering Committee or Membership.

PROJECT DESCRIPTION

Please provide a brief project overview.

Please include:

- The target population/s and number of participants served
- Number of contracted beds/units/vouchers
- Project goals and achievements

Please explain:

- The primary services provided to participants and how this will remove barriers to stable housing and increase participant self sufficiency
- Supplementary services available to participants and how this will remove barriers to stable housing and increase participant self sufficiency
- How you formulate an individualized service plan for each participant and how you effectively communicate the need for participants to engage in supportive services
- How your project coordinates services with other funded and non-funded providers to leverage services (if applicable.).

20. Cooperation with Local Law Enforcement/ First Responders **Max 5 Pts**

How does your agency cooperate with local law enforcement and first responders to help reduce encampments and enhance public safety?

21. System Performance- Housing Stability & Reducing Returns to Homelessness

Max 5 points

What strategies does your program use to ensure clients who exit to a permanent housing destination remain stably housed? (250 words or less)

- Up to 2.5 points awarded if the narrative clearly states the strategy your program uses.
- Up to 2.5 points awarded if the narrative clearly state(s) examples.

22. Connection to Services **Max 5 Pts.**

Describe how your project identifies individuals experiencing serious mental illness and connects them with the services necessary to promote stability.
Partnerships with programs such as Assertive Community Treatment Teams or other models that combine intensive care coordination, assertive outreach and comprehensive treatment are highly encouraged.

23. Substance Abuse Service Connections **Max 5 Pts.**

Does your project currently partner with Drug Court or other specialty courts serving individuals with mental and substance use disorders? Please describe how your project coordinates with these providers to support stability and movement towards independence, including leveraging court orders.

24. Supporting Self-Sufficiency **Max 10 Pts**

One of the goals of CoC-funded programs is to provide services that result in self-sufficiency and independence of participants to the extent possible. Provide specific examples of accomplishments offered through your program that demonstrate participants' ability to live more independently. Examples will vary by program (i.e. housing stability, attaining or sustaining mainstream benefits, connecting participants to health, behavioral health or substance use disorder treatment, etc.).

25. Dedicated Domestic Violence Projects *Only*- Positive Outcomes/Safety **Max 5 Pts**

Outcomes considered positive for DV programs may not be the same as positive outcomes for Permanent Supportive Housing programs. How does your agency contribute to housing stability and ensure safety for survivors of domestic violence across the CoC?

- Up to 2.5 points awarded if the narrative clearly describes positive outcomes through the DV provider lens.
- Up to 2.5 points awarded if the narrative clearly describes how the agency contributed to positive housing stability and ensure safety for survivors of domestic violence across the CoC.

26. Dedicated Youth Projects *Only*- Positive Outcomes **Max 5 Pts**

Outcomes considered positive for youth programs may not be the same as positive outcomes for Permanent Supportive Housing programs. How does your agency contribute to housing stability across the CoC?

- Up to 2.5 points awarded if the narrative clearly describes positive outcomes through the Youth provider lens.
- Up to 2.5 points awarded if the narrative clearly describes how the agency contributed to positive housing stability across the CoC.

FY26 Continuum of Care Competition – Rank & Review Certification
Project Threshold Review

Instructions:

All agencies applying for CoC funding must review and sign off on the below Project Eligibility Threshold, Project Quality Threshold (broken down by New Projects and Renewal Projects), and Post Award Requirements as part of the Rank & Review process. Please return to CARES with your Rank & Review applications.

Project Eligibility Threshold (pg. 59-61 of the FY26 CoC NOFO)

Applicants who fail to meet the following threshold eligibility requirements are ineligible to apply for funds during this competition. Please review the following requirements and sign off at the end of the document to verify your project eligibility.

(1) Project applicants and potential subrecipients must meet the eligibility requirements of the CoC Program as described in the Act and the Rule and provide evidence of eligibility required in the application (e.g., nonprofit documentation).

(2) Project applicants and subrecipients must demonstrate the financial and management capacity and experience to carry out the project as detailed in the project application and the capacity to administer federal funds. Demonstrating capacity may include a description of the applicant and subrecipient experience with similar projects and with successful administration of SHP, S+C, or CoC Program funds or other federal, state, local, or private resources.

(3) Project applicants must submit the required certifications specified in this NOFO.

(4) The population to be served must meet program eligibility requirements as described in the Act, the Rule, and section III.G.10 of this NOFO.

(5) Project applicants, except Collaborative Applicants that only receive awards for CoC Planning costs and, if applicable, UFA Costs, must agree to participate in a local HMIS system. However, in accordance with Section 407 of the Act, any victim service provider that is a recipient or subrecipient must not disclose, for purposes of HMIS, any personally identifying information about any client. Victim service providers must use a comparable database that meets the needs of the local HMIS.

(6) Project applicants must certify affirmatively to the following:

- The project applicant will not engage in racial preferences or other forms of illegal discrimination.
- The project applicant will not operate drug injection sites or "safe consumption sites," knowingly distribute drug paraphernalia on or off of property under their control, permit the use or distribution of illicit drugs on property under their control, or conduct any of these activities under the pretext of "harm reduction."

I Certify that my project is eligible to apply for HUD CoC funding under the above criteria:

Signature of applicant: _____

NEW Projects: Project Quality Threshold (pg. 62 of the NOFO):

Please note: New Project Applications need to meet additional criteria to be eligible. Please see pg. 59-62 of the FY26 CoC NOFO.

HUD will review all new project applications to determine if they meet the following project quality threshold requirements HUD will not award funds to a new project unless the project was created through reallocation, or the CoC has demonstrated to HUD's satisfaction that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance.

(1) HUD will consider any project requesting renewal funding, including renewing YHDP and renewing Special NOFO projects, as having met project quality threshold requirements through its previously approved grant application unless HUD receives information to the contrary or if the renewal project has compliance issues which results in the project not operating in accordance with the Rule.

(2) HUD will consider YHDP Replacement project applications including applications for new YHDP projects created through YHDP reallocation as having met project quality threshold requirements if the project application activities and costs are eligible under this NOFO. If a YHDP Replacement (including YHDP Reallocation) project application is not for activities and costs that are eligible under this NOFO, HUD will not reject the project under this project quality threshold, but HUD will require the project applicant to correct or revise information submitted after the final CoC Program award announcement but before executing the grant agreement.

(3) HUD will review the UFA Costs submitted by the UFA designated Collaborative Applicant to ensure appropriate match and eligibility of costs requested.

(4) HUD will assess all new project applications for the following minimum project eligibility, capacity, timeliness, and performance standards.

> **(a)** project applicants must have satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project;
> **(b)** for expansion project applications, project applicants must describe the part of the project that is being expanded and demonstrate the project is not replacing other funding sources; and
> **(c)** project applicants must demonstrate their ability to meet all timeliness standards per 24 CFR 578.85. HUD reserves the right to deny a funding request for a new project, if the request is made by an existing recipient that HUD finds to have significant issues related to capacity, performance, unresolved audit, or monitoring findings related to one or more existing grants; or does not routinely draw down funds from eLOCCS at least once per quarter. HUD also reserves the right to withdraw funds if no APR is submitted on the prior grant.

(5) HUD reserves the right to verify past performance and evaluate the eligibility of a project application submitted during the CoC Program Competition for the following reasons:

> **(a)** evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
> **(b)** evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or

distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

(6) Additionally, for HUD to consider new projects as meeting project quality threshold, each new project must meet the following criteria as applicable. If awarded, a recipient must meet all the criteria listed in the criteria column for its component.

I Certify that my NEW project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

RENEWAL Projects: Project Renewal Threshold (pg. 61-62):

CoCs must consider the need to continue funding for projects expiring in CY 2026 (January 1, 2026 to December 31, 2026) when applying for FY 2026 CoC and YHDP funding. Renewal projects must meet the minimum project eligibility, capacity, timeliness, and performance standards identified in this NOFO or they will be rejected from consideration for funding:

(1) When considering renewal projects for award; HUD will review information in eLOCCS, APRs, and information provided from the local HUD CPD field office; including monitoring reports and audit reports as applicable, and performance standards on prior grants, and will assess projects using the following criteria on a pass/fail basis:

(a) whether the project applicant's performance met the plans and goals established in the initial application, or grant as amended;
(b) whether the project applicant demonstrated all timeliness standards for grants being renewed have been met, including those standards for the expenditure of grant funds;
(c) the project applicant's performance in assisting program participants to achieve and maintain self-sufficiency and independent living and records of success, except dedicated HMIS projects are not required to meet this standard; and
(d) evidence of unwillingness of project applicants to accept technical assistance, a history of inadequate financial accounting practices, indications of project mismanagement, a drastic reduction in the population served, program changes have been made without prior HUD approval, or the loss of project site control.

(2) HUD reserves the right to reduce or reject a project application submitted during the CoC Program Competition for the following reasons:

(a) outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed upon;
(b) audit finding(s) for which a response is overdue or unsatisfactory;
(c) history of inadequate financial management accounting practices;
(d) evidence of untimely expenditures on prior award;
(e) history of other major capacity issues that have significantly affected the operation of the project and its performance;
(f) history of not reimbursing subrecipients for eligible costs in a timely manner, or at least quarterly; and
(g) history of serving ineligible program participants, expending funds on ineligible costs, or failing to expend funds within statutorily established timeframes.
(h) evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
(i) evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

I Certify that my RENEWAL project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

18. Build America, Buy America (BABA) Act procurement purchase requirements
20. Environmental requirements that apply in accordance with 24 CFR part 50 or part 58
22. Unless prohibited by law and to the extent permitted under the Freedom of Information Act (FOIA), your application and post-award content may be released to the public in response to FOIA requests, except to the extent that certain information may be withheld under a FOIA exemption (5 USC § 552(b); 24 CFR 15.107(b)). HUD may also share your information within HUD or with other Federal agencies if HUD determines that sharing is relevant to the respective program's objectives.
23. Waste, Fraud, Abuse, and Whistleblower Protections. 41 USC § 4712, which includes informing your employees in writing of their rights and remedies, in the predominant native language of the workforce.

Under 41 U.S.C. § 4712, employees of a contractor, subcontractor, grantee, subgrantee, and personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant. (See Federal Contractor or Grantee Protections | Office of Inspector General, Department of Housing and Urban Development (hudoig.gov))

24. Implementing Presidential Executive Actions affecting federal financial assistance programs, as advised by the Department, unless otherwise restricted by law: Executive Order (EO) 14219 (Ensuring Lawful Governance and Implementing the President's "Department of Government Efficiency" Deregulatory Initiative); 14218 (Ending Taxpayer Subsidization of Open Borders); guidance resulting from the White House Task Force established by 14202 (Eradicating Anti-Christian Bias) and the Senior Advisor to the White House Faith Office assigned by 14205 (Establishment of the White House Faith Office); 14182 (Enforcing the Hyde Amendment); 14173 (Ending Illegal Discrimination and Restoring Merit-Based Opportunity); 14168 (Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government); 14151 (Ending Radical and Wasteful Government DEI Programs and Preferencing); and 14148 (Initial Rescissions of HarmfulExecutive Orders and Actions)

In addition:

1. Awards made under this NOFO will not be used to conduct activities that subsidize or facilitate racial preferences or other forms of illegal discrimination, including activities where race or intentional proxies for race will be used as a selection criterion for employment or program participation; or conduct activities that rely on or otherwise use a definition of sex as other than binary in humans 14332 (Improving Oversight of Federal Grantmaking).
2. Awards made under this NOFO will not be used to fund, promote, encourage, subsidize or facilitate the use of illicit drugs.
3. Awards made under this NOFO will not be used to fund any project, service provider, or organization that operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction." 14321 (Ending Crime and Disorder on America's Streets).
4. All agreements or contracts made with subrecipients under this NOFO must contain the identical terms and conditions as those in the grant agreement issued by HUD.

Any additional or conflicting terms and conditions must be approved by HUD.

I certify that if my project is awarded funding in the FY26 CoC NOFO Competition, I will comply with all of the above per the CoC Application requirements:

FY26 Continuum of Care Competition – Rank & Review Certification
Project Threshold Review

Instructions:

All agencies applying for CoC funding must review and sign off on the below Project Eligibility Threshold, Project Quality Threshold (broken down by New Projects and Renewal Projects), and Post Award Requirements as part of the Rank & Review process. Please return to CARES with your Rank & Review applications.

Project Eligibility Threshold (pg. 59-61 of the FY26 CoC NOFO)

Applicants who fail to meet the following threshold eligibility requirements are ineligible to apply for funds during this competition. Please review the following requirements and sign off at the end of the document to verify your project eligibility.

(1) Project applicants and potential subrecipients must meet the eligibility requirements of the CoC Program as described in the Act and the Rule and provide evidence of eligibility required in the application (e.g., nonprofit documentation).

(2) Project applicants and subrecipients must demonstrate the financial and management capacity and experience to carry out the project as detailed in the project application and the capacity to administer federal funds. Demonstrating capacity may include a description of the applicant and subrecipient experience with similar projects and with successful administration of SHP, S+C, or CoC Program funds or other federal, state, local, or private resources.

(3) Project applicants must submit the required certifications specified in this NOFO.

(4) The population to be served must meet program eligibility requirements as described in the Act, the Rule, and section III.G.10 of this NOFO.

(5) Project applicants, except Collaborative Applicants that only receive awards for CoC Planning costs and, if applicable, UFA Costs, must agree to participate in a local HMIS system. However, in accordance with Section 407 of the Act, any victim service provider that is a recipient or subrecipient must not disclose, for purposes of HMIS, any personally identifying information about any client. Victim service providers must use a comparable database that meets the needs of the local HMIS.

(6) Project applicants must certify affirmatively to the following:

- The project applicant will not engage in racial preferences or other forms of illegal discrimination.
- The project applicant will not operate drug injection sites or "safe consumption sites," knowingly distribute drug paraphernalia on or off of property under their control, permit the use or distribution of illicit drugs on property under their control, or conduct any of these activities under the pretext of "harm reduction."

I Certify that my project is eligible to apply for HUD CoC funding under the above criteria:

Signature of applicant: _____

NEW Projects: Project Quality Threshold (pg. 62 of the NOFO):

Please note: New Project Applications need to meet additional criteria to be eligible. Please see pg. 59-62 of the FY26 CoC NOFO.

HUD will review all new project applications to determine if they meet the following project quality threshold requirements HUD will not award funds to a new project unless the project was created through reallocation, or the CoC has demonstrated to HUD's satisfaction that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance.

(1) HUD will consider any project requesting renewal funding, including renewing YHDP and renewing Special NOFO projects, as having met project quality threshold requirements through its previously approved grant application unless HUD receives information to the contrary or if the renewal project has compliance issues which results in the project not operating in accordance with the Rule.

(2) HUD will consider YHDP Replacement project applications including applications for new YHDP projects created through YHDP reallocation as having met project quality threshold requirements if the project application activities and costs are eligible under this NOFO. If a YHDP Replacement (including YHDP Reallocation) project application is not for activities and costs that are eligible under this NOFO, HUD will not reject the project under this project quality threshold, but HUD will require the project applicant to correct or revise information submitted after the final CoC Program award announcement but before executing the grant agreement.

(3) HUD will review the UFA Costs submitted by the UFA designated Collaborative Applicant to ensure appropriate match and eligibility of costs requested.

(4) HUD will assess all new project applications for the following minimum project eligibility, capacity, timeliness, and performance standards.

> **(a)** project applicants must have satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project;
> **(b)** for expansion project applications, project applicants must describe the part of the project that is being expanded and demonstrate the project is not replacing other funding sources; and
> **(c)** project applicants must demonstrate their ability to meet all timeliness standards per 24 CFR 578.85. HUD reserves the right to deny a funding request for a new project, if the request is made by an existing recipient that HUD finds to have significant issues related to capacity, performance, unresolved audit, or monitoring findings related to one or more existing grants; or does not routinely draw down funds from eLOCCS at least once per quarter. HUD also reserves the right to withdraw funds if no APR is submitted on the prior grant.

(5) HUD reserves the right to verify past performance and evaluate the eligibility of a project application submitted during the CoC Program Competition for the following reasons:

> **(a)** evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
> **(b)** evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or

distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

(6) Additionally, for HUD to consider new projects as meeting project quality threshold, each new project must meet the following criteria as applicable. If awarded, a recipient must meet all the criteria listed in the criteria column for its component.

I Certify that my NEW project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

RENEWAL Projects: Project Renewal Threshold (pg. 61-62):

CoCs must consider the need to continue funding for projects expiring in CY 2026 (January 1, 2026 to December 31, 2026) when applying for FY 2026 CoC and YHDP funding. Renewal projects must meet the minimum project eligibility, capacity, timeliness, and performance standards identified in this NOFO or they will be rejected from consideration for funding:

(1) When considering renewal projects for award; HUD will review information in eLOCCS, APRs, and information provided from the local HUD CPD field office; including monitoring reports and audit reports as applicable, and performance standards on prior grants, and will assess projects using the following criteria on a pass/fail basis:

(a) whether the project applicant's performance met the plans and goals established in the initial application, or grant as amended;
(b) whether the project applicant demonstrated all timeliness standards for grants being renewed have been met, including those standards for the expenditure of grant funds;
(c) the project applicant's performance in assisting program participants to achieve and maintain self-sufficiency and independent living and records of success, except dedicated HMIS projects are not required to meet this standard; and
(d) evidence of unwillingness of project applicants to accept technical assistance, a history of inadequate financial accounting practices, indications of project mismanagement, a drastic reduction in the population served, program changes have been made without prior HUD approval, or the loss of project site control.

(2) HUD reserves the right to reduce or reject a project application submitted during the CoC Program Competition for the following reasons:

(a) outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed upon;
(b) audit finding(s) for which a response is overdue or unsatisfactory;
(c) history of inadequate financial management accounting practices;
(d) evidence of untimely expenditures on prior award;
(e) history of other major capacity issues that have significantly affected the operation of the project and its performance;
(f) history of not reimbursing subrecipients for eligible costs in a timely manner, or at least quarterly; and
(g) history of serving ineligible program participants, expending funds on ineligible costs, or failing to expend funds within statutorily established timeframes.
(h) evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
(i) evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

I Certify that my RENEWAL project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

In addition:

1. Awards made under this NOFO will not be used to conduct activities that subsidize or facilitate racial preferences or other forms of illegal discrimination, including activities where race or intentional proxies for race will be used as a selection criterion for employment or program participation; or conduct activities that rely on or otherwise use a definition of sex as other than binary in humans 14332 (Improving Oversight of Federal Grantmaking).
2. Awards made under this NOFO will not be used to fund, promote, encourage, subsidize or facilitate the use of illicit drugs.
3. Awards made under this NOFO will not be used to fund any project, service provider, or organization that operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction." 14321 (Ending Crime and Disorder on America's Streets).
4. All agreements or contracts made with subrecipients under this NOFO must contain the identical terms and conditions as those in the grant agreement issued by HUD.

Any additional or conflicting terms and conditions must be approved by HUD.

I certify that if my project is awarded funding in the FY26 CoC NOFO Competition, I will comply with all of the above per the CoC Application requirements:

FY26 Continuum of Care Competition – Rank & Review Certification
Project Threshold Review

Instructions:

All agencies applying for CoC funding must review and sign off on the below Project Eligibility Threshold, Project Quality Threshold (broken down by New Projects and Renewal Projects), and Post Award Requirements as part of the Rank & Review process. Please return to CARES with your Rank & Review applications.

Project Eligibility Threshold (pg. 53-54 of the FY26 COC NOFO)

Applicants who fail to meet the following threshold eligibility requirements are ineligible to apply for funds during this competition. Please review the following requirements and sign off at the end of the document to verify your project eligibility.

(1) Project applicants and potential subrecipients must meet the eligibility requirements of the CoC Program as described in the Act and the Rule and provide evidence of eligibility required in the application (e.g., nonprofit documentation).

(2) Project applicants and subrecipients must demonstrate the financial and management capacity and experience to carry out the project as detailed in the project application and the capacity to administer federal funds. Demonstrating capacity may include a description of the applicant and subrecipient experience with similar projects and with successful administration of SHP, S+C, or CoC Program funds or other federal, state, local, or private resources.

(3) Project applicants must submit the required certifications specified in this NOFO.

(4) The population to be served must meet program eligibility requirements as described in the Act, the Rule, and section III.G.10 of this NOFO.

(5) Project applicants, except Collaborative Applicants that only receive awards for CoC Planning costs and, if applicable, UFA Costs, must agree to participate in a local HMIS system. However, in accordance with Section 407 of the Act, any victim service provider that is a recipient or subrecipient must not disclose, for purposes of HMIS, any personally identifying information about any client. Victim service providers must use a comparable database that meets the needs of the local HMIS.

(6) Project applicants must certify affirmatively to the following:

- The project applicant will not engage in racial preferences or other forms of illegal discrimination.
- The project applicant will not operate drug injection sites or "safe consumption sites," knowingly distribute drug paraphernalia on or off of property under their control, permit the use or distribution of illicit drugs on property under their control, or conduct any of these activities under the pretext of "harm reduction."

I Certify that my project is eligible to apply for HUD CoC funding under the above criteria:

Signature of applicant: _____

NEW Projects: Project Quality Threshold (pg. 54-55 of the NOFO):

Please note: New Project Applications need to meet additional criteria to be eligible. Please see pg. 55-64 of the FY26 CoC NOFO.

HUD will review all new project applications to determine if they meet the following project quality threshold requirements HUD will not award funds to a new project unless the project was created through reallocation, or the CoC has demonstrated to HUD's satisfaction that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance.

(1) HUD will consider any project requesting renewal funding, including renewing YHDP and renewing Special NOFO projects, as having met project quality threshold requirements through its previously approved grant application unless HUD receives information to the contrary or if the renewal project has compliance issues which results in the project not operating in accordance with the Rule.

(2) HUD will consider YHDP Replacement project applications including applications for new YHDP projects created through YHDP reallocation as having met project quality threshold requirements if the project application activities and costs are eligible under this NOFO. If a YHDP Replacement (including YHDP Reallocation) project application is not for activities and costs that are eligible under this NOFO, HUD will not reject the project under this project quality threshold, but HUD will require the project applicant to correct or revise information submitted after the final CoC Program award announcement but before executing the grant agreement.

(3) HUD will review the UFA Costs submitted by the UFA designated Collaborative Applicant to ensure appropriate match and eligibility of costs requested.

(4) HUD will assess all new project applications for the following minimum project eligibility, capacity, timeliness, and performance standards.

> **(a)** project applicants must have satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project;
> **(b)** for expansion project applications, project applicants must describe the part of the project that is being expanded and demonstrate the project is not replacing other funding sources; and
> **(c)** project applicants must demonstrate their ability to meet all timeliness standards per 24 CFR 578.85. HUD reserves the right to deny a funding request for a new project, if the request is made by an existing recipient that HUD finds to have significant issues related to capacity, performance, unresolved audit, or monitoring findings related to one or more existing grants; or does not routinely draw down funds from eLOCCS at least once per quarter. HUD also reserves the right to withdraw funds if no APR is submitted on the prior grant.

(5) HUD reserves the right to verify past performance and evaluate the eligibility of a project application submitted during the CoC Program Competition for the following reasons:

> **(a)** evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
> **(b)** evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or

distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

(6) Additionally, for HUD to consider new projects as meeting project quality threshold, each new project must meet the following criteria as applicable. If awarded, a recipient must meet all the criteria listed in the criteria column for its component.

I Certify that my NEW project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

RENEWAL Projects: Project Renewal Threshold (pg. 64-65):

CoCs must consider the need to continue funding for projects expiring in CY 2026 (January 1, 2026 to December 31, 2026) when applying for FY 2026 CoC and YHDP funding. Renewal projects must meet the minimum project eligibility, capacity, timeliness, and performance standards identified in this NOFO or they will be rejected from consideration for funding:

(1) When considering renewal projects for award; HUD will review information in eLOCCS, APRs, and information provided from the local HUD CPD field office; including monitoring reports and audit reports as applicable, and performance standards on prior grants, and will assess projects using the following criteria on a pass/fail basis:

(a) whether the project applicant's performance met the plans and goals established in the initial application, or grant as amended;
(b) whether the project applicant demonstrated all timeliness standards for grants being renewed have been met, including those standards for the expenditure of grant funds;
(c) the project applicant's performance in assisting program participants to achieve and maintain self-sufficiency and independent living and records of success, except dedicated HMIS projects are not required to meet this standard; and
(d) evidence of unwillingness of project applicants to accept technical assistance, a history of inadequate financial accounting practices, indications of project mismanagement, a drastic reduction in the population served, program changes have been made without prior HUD approval, or the loss of project site control.

(2) HUD reserves the right to reduce or reject a project application submitted during the CoC Program Competition for the following reasons:

(a) outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed upon;
(b) audit finding(s) for which a response is overdue or unsatisfactory;
(c) history of inadequate financial management accounting practices;
(d) evidence of untimely expenditures on prior award;
(e) history of other major capacity issues that have significantly affected the operation of the project and its performance;
(f) history of not reimbursing subrecipients for eligible costs in a timely manner, or at least quarterly; and
(g) history of serving ineligible program participants, expending funds on ineligible costs, or failing to expend funds within statutorily established timeframes.
(h) evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
(i) evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

I Certify that my RENEWAL project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

FY26 Continuum of Care Competition – Rank & Review Certification
Project Threshold Review

Instructions:

All agencies applying for CoC funding must review and sign off on the below Project Eligibility Threshold, Project Quality Threshold (broken down by New Projects and Renewal Projects), and Post Award Requirements as part of the Rank & Review process. Please return to CARES with your Rank & Review applications.

Project Eligibility Threshold (pg. 59-61 of the FY26 CoC NOFO)

Applicants who fail to meet the following threshold eligibility requirements are ineligible to apply for funds during this competition. Please review the following requirements and sign off at the end of the document to verify your project eligibility.

(1) Project applicants and potential subrecipients must meet the eligibility requirements of the CoC Program as described in the Act and the Rule and provide evidence of eligibility required in the application (e.g., nonprofit documentation).

(2) Project applicants and subrecipients must demonstrate the financial and management capacity and experience to carry out the project as detailed in the project application and the capacity to administer federal funds. Demonstrating capacity may include a description of the applicant and subrecipient experience with similar projects and with successful administration of SHP, S+C, or CoC Program funds or other federal, state, local, or private resources.

(3) Project applicants must submit the required certifications specified in this NOFO.

(4) The population to be served must meet program eligibility requirements as described in the Act, the Rule, and section III.G.10 of this NOFO.

(5) Project applicants, except Collaborative Applicants that only receive awards for CoC Planning costs and, if applicable, UFA Costs, must agree to participate in a local HMIS system. However, in accordance with Section 407 of the Act, any victim service provider that is a recipient or subrecipient must not disclose, for purposes of HMIS, any personally identifying information about any client. Victim service providers must use a comparable database that meets the needs of the local HMIS.

(6) Project applicants must certify affirmatively to the following:

- The project applicant will not engage in racial preferences or other forms of illegal discrimination.
- The project applicant will not operate drug injection sites or "safe consumption sites," knowingly distribute drug paraphernalia on or off of property under their control, permit the use or distribution of illicit drugs on property under their control, or conduct any of these activities under the pretext of "harm reduction."

I Certify that my project is eligible to apply for HUD CoC funding under the above criteria:

Signature of applicant: _____

NEW Projects: Project Quality Threshold (pg. 62 of the NOFO):

Please note: New Project Applications need to meet additional criteria to be eligible. Please see pg. 59-62 of the FY26 CoC NOFO.

HUD will review all new project applications to determine if they meet the following project quality threshold requirements HUD will not award funds to a new project unless the project was created through reallocation, or the CoC has demonstrated to HUD's satisfaction that projects are evaluated and ranked based on the degree to which they improve the CoC's system performance.

(1) HUD will consider any project requesting renewal funding, including renewing YHDP and renewing Special NOFO projects, as having met project quality threshold requirements through its previously approved grant application unless HUD receives information to the contrary or if the renewal project has compliance issues which results in the project not operating in accordance with the Rule.

(2) HUD will consider YHDP Replacement project applications including applications for new YHDP projects created through YHDP reallocation as having met project quality threshold requirements if the project application activities and costs are eligible under this NOFO. If a YHDP Replacement (including YHDP Reallocation) project application is not for activities and costs that are eligible under this NOFO, HUD will not reject the project under this project quality threshold, but HUD will require the project applicant to correct or revise information submitted after the final CoC Program award announcement but before executing the grant agreement.

(3) HUD will review the UFA Costs submitted by the UFA designated Collaborative Applicant to ensure appropriate match and eligibility of costs requested.

(4) HUD will assess all new project applications for the following minimum project eligibility, capacity, timeliness, and performance standards.

> **(a)** project applicants must have satisfactory capacity, drawdowns, and performance for existing grant(s) funded under the CoC Program, as evidenced by timely reimbursement of subrecipients, regular drawdowns, and timely resolution of any monitoring findings; however, this does not apply to project applicants who have never received a CoC Program funded project;
> **(b)** for expansion project applications, project applicants must describe the part of the project that is being expanded and demonstrate the project is not replacing other funding sources; and
> **(c)** project applicants must demonstrate their ability to meet all timeliness standards per 24 CFR 578.85. HUD reserves the right to deny a funding request for a new project, if the request is made by an existing recipient that HUD finds to have significant issues related to capacity, performance, unresolved audit, or monitoring findings related to one or more existing grants; or does not routinely draw down funds from eLOCCS at least once per quarter. HUD also reserves the right to withdraw funds if no APR is submitted on the prior grant.

(5) HUD reserves the right to verify past performance and evaluate the eligibility of a project application submitted during the CoC Program Competition for the following reasons:

> **(a)** evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
> **(b)** evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or

distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

(6) Additionally, for HUD to consider new projects as meeting project quality threshold, each new project must meet the following criteria as applicable. If awarded, a recipient must meet all the criteria listed in the criteria column for its component.

I Certify that my NEW project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

RENEWAL Projects: Project Renewal Threshold (pg. 61-62):

CoCs must consider the need to continue funding for projects expiring in CY 2026 (January 1, 2026 to December 31, 2026) when applying for FY 2026 CoC and YHDP funding. Renewal projects must meet the minimum project eligibility, capacity, timeliness, and performance standards identified in this NOFO or they will be rejected from consideration for funding:

(1) When considering renewal projects for award; HUD will review information in eLOCCS, APRs, and information provided from the local HUD CPD field office; including monitoring reports and audit reports as applicable, and performance standards on prior grants, and will assess projects using the following criteria on a pass/fail basis:

(a) whether the project applicant's performance met the plans and goals established in the initial application, or grant as amended;
(b) whether the project applicant demonstrated all timeliness standards for grants being renewed have been met, including those standards for the expenditure of grant funds;
(c) the project applicant's performance in assisting program participants to achieve and maintain self-sufficiency and independent living and records of success, except dedicated HMIS projects are not required to meet this standard; and
(d) evidence of unwillingness of project applicants to accept technical assistance, a history of inadequate financial accounting practices, indications of project mismanagement, a drastic reduction in the population served, program changes have been made without prior HUD approval, or the loss of project site control.

(2) HUD reserves the right to reduce or reject a project application submitted during the CoC Program Competition for the following reasons:

(a) outstanding obligation to HUD that is in arrears or for which a payment schedule has not been agreed upon;
(b) audit finding(s) for which a response is overdue or unsatisfactory;
(c) history of inadequate financial management accounting practices;
(d) evidence of untimely expenditures on prior award;
(e) history of other major capacity issues that have significantly affected the operation of the project and its performance;
(f) history of not reimbursing subrecipients for eligible costs in a timely manner, or at least quarterly; and
(g) history of serving ineligible program participants, expending funds on ineligible costs, or failing to expend funds within statutorily established timeframes.
(h) evidence that the project has previously or currently conducts activities that subsidize or facilitate racial preferences or other forms of illegal discrimination or conduct activities that rely on or otherwise use a definition of sex other than as binary in humans.
(i) evidence that the project operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction."

I Certify that my RENEWAL project will pass quality threshold review to apply for HUD CoC funding under the above criteria:

18. Build America, Buy America (BABA) Act procurement purchase requirements
20. Environmental requirements that apply in accordance with 24 CFR part 50 or part 58
22. Unless prohibited by law and to the extent permitted under the Freedom of Information Act (FOIA), your application and post-award content may be released to the public in response to FOIA requests, except to the extent that certain information may be withheld under a FOIA exemption (5 USC § 552(b); 24 CFR 15.107(b)). HUD may also share your information within HUD or with other Federal agencies if HUD determines that sharing is relevant to the respective program's objectives.
23. Waste, Fraud, Abuse, and Whistleblower Protections. 41 USC § 4712, which includes informing your employees in writing of their rights and remedies, in the predominant native language of the workforce.

Under 41 U.S.C. § 4712, employees of a contractor, subcontractor, grantee, subgrantee, and personal services contractor may not be discharged, demoted, or otherwise discriminated against as a reprisal for disclosing information that the employee reasonably believes is evidence of gross mismanagement of a Federal contract or grant, a gross waste of Federal funds, an abuse of authority relating to a Federal contract or grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a Federal contract (including the competition for or negotiation of a contract) or grant. (See Federal Contractor or Grantee Protections | Office of Inspector General, Department of Housing and Urban Development (hudoig.gov))

24. Implementing Presidential Executive Actions affecting federal financial assistance programs, as advised by the Department, unless otherwise restricted by law: Executive Order (EO) 14219 (Ensuring Lawful Governance and Implementing the President's "Department of Government Efficiency" Deregulatory Initiative); 14218 (Ending Taxpayer Subsidization of Open Borders); guidance resulting from the White House Task Force established by 14202 (Eradicating Anti-Christian Bias) and the Senior Advisor to the White House Faith Office assigned by 14205 (Establishment of the White House Faith Office); 14182 (Enforcing the Hyde Amendment); 14173 (Ending Illegal Discrimination and Restoring Merit-Based Opportunity); 14168 (Defending Women From Gender Ideology Extremism and Restoring Biological Truth to the Federal Government); 14151 (Ending Radical and Wasteful Government DEI Programs and Preferencing); and 14148 (Initial Rescissions of HarmfulExecutive Orders and Actions)

In addition:

1. Awards made under this NOFO will not be used to conduct activities that subsidize or facilitate racial preferences or other forms of illegal discrimination, including activities where race or intentional proxies for race will be used as a selection criterion for employment or program participation; or conduct activities that rely on or otherwise use a definition of sex as other than binary in humans 14332 (Improving Oversight of Federal Grantmaking).
2. Awards made under this NOFO will not be used to fund, promote, encourage, subsidize or facilitate the use of illicit drugs.
3. Awards made under this NOFO will not be used to fund any project, service provider, or organization that operates drug injection sites or "safe consumption sites," knowingly distributes drug paraphernalia on or off of property under their control, permits the use or distribution of illicit drugs on property under their control, or conducts any of these activities under the pretext of "harm reduction." 14321 (Ending Crime and Disorder on America's Streets).
4. All agreements or contracts made with subrecipients under this NOFO must contain the identical terms and conditions as those in the grant agreement issued by HUD.

Any additional or conflicting terms and conditions must be approved by HUD.

I certify that if my project is awarded funding in the FY26 CoC NOFO Competition, I will comply with all of the above per the CoC Application requirements:

1D-1: Project Review and Ranking Process Your CoC Used in its Local Competition.

1. Scoring tool used in NY-601 local competition to score new and renewal application and for all project application types.

(i) Compliance Policy

- NY-601 implemented the Policy in July 2026
- The purpose of this policy is to ensure that all recipients of federal funding under the Continuum of Care (CoC) Program comply with the Project Eligibility Threshold Requirements and applicable federal regulations

HUD Continuum of Care (CoC) Federal Compliance Policy

1. Purpose

The purpose of this policy is to ensure that all recipients of federal funding under the Continuum of Care (CoC) Program comply with the Project Eligibility Threshold Requirements outlined in the FY2026 CoC Program Competition (page 85) and applicable federal regulations.

HUD is committed to promoting equal access to CoC programs for individuals and families experiencing homelessness, regardless of race or other protected characteristics. Consistent with federal requirements, the use of federal funds for unlawful discriminatory practices, including but not limited to racial preferences, is prohibited. All CoC-funded projects must comply with applicable nondiscrimination laws, including 2 CFR 200.300(a), and operate in a manner that promotes fair, equitable, and inclusive access to housing and services.

Additionally, CoC-funded projects must comply with all applicable federal laws related to controlled substances. Project applicants and recipients must not:

- Operate drug injection sites or "safe consumption sites" in violation of 21 U.S.C. § 856(a)(1);
- Knowingly permit the use or distribution of illicit drugs on property under their control in violation of 21 U.S.C. § 856(a)(2); or
- Knowingly distribute drug paraphernalia in violation of 21 U.S.C. § 863.

This policy is consistent with Section III.B of the CoC Program Competition and 2 CFR 200.300(a).

Nothing in this policy requires program participants to:

- Demonstrate sobriety as a condition of receiving assistance;
- Participate in substance use treatment as a condition of receiving assistance; or
- Be terminated or exited from assistance for a first-time violation of a drug-related policy or lease requirement.

The CoC, in coordination with the Collaborative Applicant, is responsible for:

- Ensuring compliance with HUD regulations and program requirements;
- Identifying noncompliance and providing technical assistance to resolve deficiencies;
- Promoting access to substance use disorder treatment and recovery supports;
- Supporting consistent and effective program operations;
- Protecting participant rights and HUD investments; and
- Strengthening overall program accountability.

2. Regulatory Authority

This policy is established in accordance with the following authorities:

- 2 CFR 200.300(a)
- 21 U.S.C. § 856(a)(1) and § 856(a)(2)
- 21 U.S.C. § 863
- 24 CFR Part 578 (CoC Program Rule)
- HUD CoC Program Competition NOFO Requirements
- HUD Equal Access Rule
- HUD Fair Housing and Civil Rights Requirements

---

3. Scope

This policy applies to all HUD CoC-funded projects within the Continuum of Care, including:

- Permanent Supportive Housing (PSH)
- Rapid Re-Housing (RRH)
- Joint Transitional Housing/Rapid Re-Housing (TH-RRH)
- Supportive Services Only (SSO)
- Coordinated Entry (SSO-CE)
- Youth Homelessness Demonstration Projects (YHDP)

---

4. Monitoring Frequency and Areas of Review

The CoC, in collaboration with the Collaborative Applicant, shall conduct monitoring activities at least annually for all CoC-funded projects, or more frequently if concerns arise regarding potential noncompliance.

Monitoring activities include, but are not limited to:

- Review of project policies, procedures, and operations;
- Assessment of compliance with HUD requirements and threshold eligibility criteria.

Areas of review may include:

Program Administration

- Grant agreements
- Threshold eligibility compliance

Program Eligibility

- Eligibility determination processes
- Discharge and exit determinations

Housing Requirements

- Lease agreements
- Occupancy agreements
- Service participation agreements

Support Services

- Individual service plans
- Case management documentation
- Participant service delivery

Policies and Procedures

- Termination policies
- Fair Housing policies
- Equal Access policies

---

5. Monitoring Process

Step 1: Notification

The CoC will provide written notification prior to conducting a compliance review. The notice may include:

- Deadlines for submission of requested materials;
- A list of required documents; and
- Submission instructions.

Step 2: Document Review

The CoC may request and review:

- Client files;
- Policies and procedures;
- Supporting documentation and records.

Step 3: Compliance Review

The review may include:

- Client file analysis;
- Policy and procedure evaluation;
- Verification of compliance with applicable regulations.

Step 4: Exit Discussion

Preliminary observations and findings will be discussed with agency staff prior to issuing the final report.

Step 5: Compliance Report

A written report will be issued summarizing:

- Areas reviewed;
- Identified deficiencies or concerns;
- Required corrective actions; and
- Recommendations for technical assistance.

---

6. Classification

The following term shall be used consistently:

Deficiency
A condition in which an agency is found to be in violation of HUD-related policies, regulations, or requirements and is not in compliance with current standards.

---

7. Corrective Action Procedures

Programs with identified deficiencies will receive written notification outlining required corrective actions.

- Agencies must submit corrective actions within **14 calendar days**, unless otherwise specified.
- Responses must include:
    - Revised or updated documentation;
    - Updated policies and procedures;
    - A detailed explanation of corrective measures taken;
    - Evidence of staff training, where applicable.

The Collaborative Applicant may provide technical assistance during the corrective action period.

Failure to implement required corrective actions may result in referral to the CoC NOFO Committee for consideration of project reallocation during the next funding cycle.

---

8. Technical Assistance

The Collaborative Applicant will provide technical assistance when compliance concerns are identified.

Technical assistance may include:

- One-on-one consultations;
- Training sessions or workshops;
- Written guidance and clarification;
- Resource materials;
- Policy templates and tools.

---

9. Policy Review

This policy shall be reviewed annually and updated as necessary to reflect changes in HUD regulations, NOFO requirements, or CoC standards.

By partnering with landlords within the Opportunity Zone, the MHA DC TH project advances neighborhood revitalization by bringing housing units into productive use and reducing the risk of deterioration and blight associated with vacancy. Program-funded rental assistance leverages and sustains private investment in the community, providing a reliable source of revenue that supports property maintenance, local ownership, and reinvestment. Stable housing outcomes for program participants strengthen the local economy through increased consumer spending at neighborhood businesses, supporting job retention, sales tax generation, and broader economic activity. In addition, housing stability serves as a critical foundation for employment, education, and self-sufficiency, promoting economic mobility for households and fostering long-term community stability. Collectively, these investments contribute to the overall vitality, resilience, and economic growth of the Opportunity Zone and the surrounding community.

Pete's Place directly provides outreach, specialized care management, family reunification services, housing navigation, assistance in addressing basic needs, life skills training, employment/educational support, assistance in obtaining public benefits and linkage to a full range of community resources for youth and young adults (YYAs) who meet Categories 1, 2, or 4 of HUD's homeless definition. The Project offers a safe, accessible space with offices, showers, a kitchen, food pantry, computer station and living room area for vulnerable and homeless youth to connect with staff and begin the process of attaining long-term self-sufficiency. Providing support for basic needs and connecting clients to resources linked to self-sufficiency also fosters long-term community stability, economic activity, and stronger employment, collectively contributing to the overall vitality, resiliency, and economic growth of the Opportunity Zone and surrounding area.

Transitional Housing at Hillcrest Sober Housing, will provide 10 units of transitional housing for single adults who meet Categories 1, 2, or 4 of the HUD homeless definition and are committed to engaging in services that will lead to addiction recovery, increased self-sufficiency, and discharge to appropriate permanent housing within two years. Participants receive direct services from HRH staff including enhanced case management, safety planning, life skills and employment readiness support, transportation assistance, and discharge planning. These core services are complimented by community partners that provide behavioral health care, employment training, life-skills workshops, and other individualized supports. Providing support for basic needs as well as recovery and connecting clients to resources linked to self-sufficiency fosters long-term community stability, economic activity, and stronger employment, collectively contributing to the overall vitality, resiliency, and economic growth of the Opportunity Zone and surrounding area.

HONOR's Community Outreach and Housing Stability Program (COHSP) will support residents of designated Opportunity Zone census tracts through street outreach, housing navigation, and connections to community resources. Staff will engage people experiencing unsheltered homelessness, help them obtain identification and benefits, connect them with health and employment services, and assist them in securing and maintaining housing. COHSP will work with local landlords to identify available units and help participants overcome barriers to renting. Bringing vacant units into use can support property maintenance and sustain private investment in the neighborhood. Housing stability can also help participants pursue employment, education, and greater financial independence. As households establish roots, their participation in neighborhood businesses and community life can contribute to the Opportunity Zone's long-term vitality. By connecting housing opportunities with sustained support, COHSP will help people move from unsheltered homelessness toward stable housing while strengthening the surrounding community.
