Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:
- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.
- Project Listings:

  - New;
  - Renewal;
  - UFA Costs;
  - CoC Planning;
  - YHPD Renewal; and
  - YHDP Replacement and Reallocation.

- Consolidations and Expansions Forms – must be completed if the CoC is consolidating eligible renewal projects or applying for new projects to expand the operations of eligible renewal projects.
- Attachment Requirement

  - HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:
- New, CoC Renewal, YHPD Renewal, YHDP Replacement and Reallocation Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.
- Project applications on the following Project Listings must be approved and are not ranked per the FY 2026 CoC Program Competition NOFO:

  - UFA Costs Project Listing;
  - CoC planning Project Listing;

- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC, the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked or approved BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

NEW PROJECTS

CARES of NY- NY 511

NY-511 Domestic Violence Coordinated Entry Project

CARES of NY is requesting funding for the NY-511 Domestic Violence Coordinated Entry project that will provide the resources necessary for CARES to continue to the review, development and management of policies, procedures and practices to equip the CoC's current survivors of domestic violence, dating violence, sexual assault and stalking. These policies and practices will improve the assessment and referral process between NY 511 Domestic Violence providers and the CoC's established CE system, which will lead to increased access to safe, stable and supportive housing for victims across the county, and reduced periods of homelessness experienced by victims and their children. The policy and procedures for this DV/CE project will be tailored towards the needs and vulnerabilities of those fleeing domestic violence, dating violence, sexual assault and trafficking and prioritize the client's safety, personal choice and unique vulnerabilities. A case manager will complete the form with the participant and ensure that the consumer designs the release of information to authorize quick and efficient communication amongst CoC funded agencies. Together the case manager and DV household review all appropriate CoC funded housing opportunities within the CE system and then will decide which to send the CE application to. This ensures that CoC and state funded ESG housing programs are making uniforms decisions of eligibility in a timely manner. The advertisement strategy for the CE process includes ensuring Point of Entry (PoE) locations including DV support agencies where persons are likely to access or attempt to access the CE system include signs or brochures displayed in prominent locations informing participants of the CE process. Participating agencies will also add onto their website that they are an affiliate of the NY 511 Continuum of Care's CE System.

Catholic Charities of Chenango County

WRAP Outreach and Case Management

The WRAP Street Outreach and Case Management Program will work in tandem with Catholic Charities of Chenango County's existing Safe Options Support (SOS) Team serving Broome and Chenango Counties. The SOS Team is an intensive outreach, engagement, and case management program utilizing the evidence-based Critical Time Intervention (CTI) model to resolve street homelessness among individuals with complex needs. The team focuses heavily on engaging individuals living in encampments and temporary motel shelters across more than 3,000 square miles and is comprised of licensed clinicians, case managers, and peer outreach staff.

While the SOS Team has made significant progress in resolving homelessness for individuals with complex needs by identifying and removing barriers to permanent housing, the size of the service area and the team's focus on serving single adults has identified a critical gap in services for homeless families. The WRAP Street Outreach Program will expand Catholic Charities' outreach capacity by providing intensive case management and CTI services specifically for homeless families residing in emergency shelter and motel placements.

The units will be at a location at which CCTT will be the lease holder and work with participants through occupancy agreements. CCTT is working with an owner of a hotel who is revitalizing it into studio apartments, and interested in leasing seven units to CCTT, for participants utilizing them through occupancy agreements. Staff will review program expectations and available services to prospective participants, and begin assessing potential needs before intake. Intake will involve a fuller assessment of needs and participant goals. The participants will work with staff to craft a services agreement that supports their goals, and will sign a services agreement that includes the 20 hour per week support service requirement.

These services will include initial

weekly visits from the Housing Care Manager. This initial in person meeting will provide a time to identify some personal goals and areas of interest that the family would like to include in the 20 hours per week of service.
